Chapter 841: Only Your Son Will Be A Single Dog

Lin Xiu, who'd just left Qin Shanyuan's room, ran back to her room excitedly and told Qin Shaoqiang this shocking news.

"Old Qin! It seems our wolf cub has finally been enlightened and now knows how to chase girls!"

"Really?" Qin Shaoqiang couldn't believe it.

Lin Xiu slapped the back of his head. "Why are you looking at me like that? Are you saying that I'm lying to you?"

"No, I dare not!"

Qin Shaoqiang was very calm. To him, it's not too late for a man to fall in love, even if he was at 30. And if Qin Shanyuan didn't want to get married, it didn't matter.

Lin Xiu immediately felt bored when she saw Qin Shaoqiang's expression.

He didn't feel excited in the slightest. She wanted to find a target to vent her excitement on, but the other party was calm and composed.

It was as if her newly lit fire had been doused with a bucket of cold water, instantly extinguishing its power.

Lin Xiu pursed her lips, snorted coldly, and got up to leave.

Qin Shaoqiang quickly asked, "Xiu Xiu, where are you going?"

Lin Xiu said contemptuously as she walked away, "Out. I'm not going to waste my time with you anymore."

Qin Shaoqiang immediately felt wronged. "Why? What did I do to you to make you so disdainful of me?"

After Lin Xiu walked out, she deliberately ran into Zhang Xiuying's room.

"Aiya, auntie! Let me tell you, from today onward, my son will no longer be free. In the future, only your son, Cihui, will be a single dog. My family's Shanyuan will no longer accompany him."

Zhang Xiuying: "..."

Why were Lin Xiu's words so piercing to the heart?

It made her heart ache. She wanted to grab Han Cihui and give him a good beating!

"Really?" Zhang Xiuying smiled awkwardly, "Which girl is it?"

"Shanyuan is very secretive!" Lin Xiu said proudly, "But I don't care which girl it is! As long as her character is good, honest, and kind; whatever her family background is, I don't care. I don't care about those external things."

Hah!

Zhang Xiuying thought to herself, "I'm afraid it's not because you don't care, but because Shanyuan has been single for so long that you're easily satisfied if he gets a wife."

However, thinking about it, she didn't even see the shadow of her son's girlfriend. Just thinking about it made her so angry.

No, she was very, very angry!

"Then I must congratulate you. Who knows, after Qin Yu and Jiahao's wedding, we'll drink Shanyuan's wedding wine."

Zhang Xiuying said nonchalantly, but just by listening to her tone, one could hear the sour tone in her voice.

Lin Xiu was very excited at the moment, and although she knew that Zhang Xiuying was unhappy, she didn't care. Besides, she'd been waiting for this moment for so long.

Lin Xiu held Zhang Xiuying's hand and said sincerely, "Don't be too picky about your daughter-in-law. After all, Cihui is no longer young."

Zhang Xiuying almost vomited a mouthful of blood. Her eyes turned red as she looked at Lin Xiu. She faked a smile. "Don't worry, I'll be sure to tell this to Cihui."

Lin Xiu nodded seriously and continued to stab Zhang Xiuying's heart. "Cihui should have more opportunities than Shanyuan. He has so many female celebrities by his side. As long as he takes a little initiative, it shouldn't be difficult, right?"

Zhang Xiuying: "...." novelusb.com

There was no way for her to talk to Lin Xiu anymore.

Her words kept stabbing her heart again and again.

She didn't think so before, but now she felt that Han Cihui had become her family's greatest humiliation!

As Lin Xiu said, with so many female celebrities by his side, why couldn't he make one of them his girlfriend?

Zhang Xiuying took her hand from Lin Xiu's grasp. "Don't worry. I'll definitely ask him to find a girlfriend as soon as possible."

Lin Xiu finally relaxed and said with a sigh, "Okay. I wanted to share this good news with Old Madam and Auntie Qihua now. Happy things should be celebrated together, and since my seniority in this family is so low, I hope they can help me."

Lin Xiu had just walked away when Zhang Xiuying immediately grabbed her chest, she could barely catch her breath.

Han Cihui's nephew had already found a girlfriend, but he, the uncle, was still single.

What a shame!

How embarrassing!

Luo Yanyun, Tian Qihua, Liang Zixuan, and Qin Yu were talking together in Old Madam Han's bedroom.

Lin Xiu knocked on the door and walked in. Seeing so many people, she felt even happier. This time, she did not need to waste her breath. She can tell everyone the good news at once!

"Oh, everyone is here? That's good then. I have something to tell all of you." Lin Xiu pulled a chair and sat down next to Tian Qihua.

Qin Yu, who had been so sweet ever since she married Liang Jiahao, stood up and poured Lin Xiu a glass of warm water. "Mom, here ... Drink some water first and then talk to us."

Lin Xiu was in a good mood, so she found everyone pleasing to the eye, even more so her precious daughter. "Aiyo, Qin Yu. Since you got married, you have become so sensible."

"She is." Tian Qihua nodded in agreement. "Qin Yu seems to have grown up lately, and she's becoming more and more thoughtful."

"Haha..." Lin Xiu took a sip of water and smiled. "Don't mention Qin Yu, even my older son has become sensible now."

Ever since they had come to Los Angeles, Lin Xiu's dislike for Qin Shanyuan was growing day by day.

So, hearing this, Qin Yu was surprised. "Mom, did something happen? Why are you praising big brother so highly?"

When Lin Xiu saw everyone in the room looking at her with shocked faces, her feelings became even more cheerful. "I have good news to announce."

Old Madam Han was the most chatty. She could not wait any longer and impatiently asked, "What is the good news? Tell us quickly!"

Lin Xiu looked at Qin Yu, then looked at Old Madam Han before saying proudly, "My family's Shanyuan already has a girlfriend!"

Everyone: "..."

So fast?

How many days had he been here?

Qin Yu did not believe Lin Xiu at all. "Mom, are you really sure that big brother did not say that because he was so pressured by you that he wanted to castrate himself? That's why he made up that excuse, so you would leave him alone?"

Chapter 842: Let's Secretly Follow Him And See Which Girl He Is With

"No!" Lin Xiu said confidently, "Your brother is not that kind of person. I understand him the best. He will not lie, and he certainly will not lie about things like emotions."

Seeing that everyone still did not believe her, Lin Xiu moved her chair towards them and lowered her voice. "Haven't you guys noticed that? Shanyuan had been missing all day and did not answer my calls. When I went to ask him, he only told the truth because I forced him, otherwise, I would have investigated him myself."

Liang Zixuan answered with a meaningful "Oh, it seems this matter is true."

Tian Qihua became excited. "Then, Shanyuan is no longer single?"

Lin Xiu nodded. "Yes!"

Old Madam Han narrowed her eyes. "Does he really have a girlfriend?"

Lin Xiu said, "Yes, he must be!"

Luo Yanyun was no longer an outsider. Qin Shanyuan was Qin Yu's older brother, so she had a relationship with him. She said kindly, "Since that's the case, let Shanyuan bring the girl to our house. Let's meet up."

"That will not work." Lin Xiu pursed her lips. "That kid has protected his girlfriend well. He did not even tell me her name! And he definitely will not agree to bring her here."

"That's easy." Qin Yu said with confidence. "Tomorrow, we will secretly follow big brother and see which girl he is with."

"Good idea." Lin Xiu felt that this daughter of hers had not been raised in vain.

The reason why Lin Xiu came here was because she had planned to do this. She was afraid that she would be scolded by Qin Shanyuan, so she wanted to tell everyone about it. Then, some of them would be willing to accompany her as she waded through the muddy water.

Tian Qihua and Qin Yu did not even realize that Lin Xiu had dug a hole for them. They both nodded in agreement, "Then let's do it."

Lin Xiu smiled slyly as her eyes narrowed slightly. She looked at Qin Yu and asked, "Qin Yu, you wouldn't let your mother go there alone, would you?"

Qin Yu patted her chest. "Of course, I will go with you."

Lin Xiu felt that one person was not enough and turned to Tian Qihua. "Auntie, you have nothing to do right now. You can come with me and ask your mother to accompany Zixuan."

The relationship between them was a bit messy, and Tian Qihua did not even know which mother Lin Xiu was talking about.

Luo Yanyun nodded in understanding. "Alright, no problem. We will take care of Zixuan. Qihua, you just go accompany Lin Xiu."

Tian Qihua: "..."

The family was too big and complicated. If Lin Xiu did not mention their names, she would be stupefied for an entire day.

"Since you have asked me with such hospitality, then ...Let's go together."

The next day, Qin Shanyuan got up early and went downstairs after taking a shower. He found that the whole family was there.

Among all the faces, only one was annoyed and angry at the same time.

Qin Shanyuan still did not know what had happened. He teased him, "Uncle Cihui, to whom you are showing your stinky face so early in the morning?"

Zhang Xiuying glared at him. Han Cihui smiled reluctantly, but that smile was as ugly as it could be.

Qin Shanyuan felt very strange.

Very, very strange.

Usually, these women went to bed early and woke up late, so why were they up so early today? novelusb.com

And one by one looked at him with a smile that was difficult to describe.

Qin Shanyuan found an empty seat and sat down cautiously. Then, he weakly took the sandwich.

Several pairs of eyes stared directly at his hands, causing him to hastily stuff the sandwich into his mouth before muttering, "I-I still have something to do. I'm going first."

"Alright." Lin Xiu's smile was the most beautiful. "Be careful on the road."

Qin Shanyuan, who had not been cared for by his mother for a long time, was so scared that he broke out in a cold sweat. He did not dare to stay any longer, as if he was afraid they would swallow him whole and run away.

Lin Xiu immediately stood up. "Qin Yu, auntie, let's follow him."

"En!"

Qin Yu and Tian Qihua stood up together.

Liang Zixuan couldn't help but feel uneasy. Suddenly, she held Qin Yu's hand.

Qin Yu turned around and looked at her doubtfully. "Auntie, what's wrong?"

Liang Zixuan whispered, "There must be a reason why your brother is so secretive and careful about this girl. When you see her, no matter what happens, you must stop your mother from doing something crazy."

"Don't worry." Qin Yu patted Liang Zixuan's hand. "As long as I'm here, my mother won't go crazy."

Qin Shanyuan went to work secretly by taxi.

Lin Xiu quickly pulled Qin Yu and Tian Qihua into the car and instructed the driver, "Follow the car and don't lose them. Of course, don't let them know that we're following them."

"Yes, madam, don't worry." The driver said confidently, "We've all been well trained by the young master so that ordinary people won't notice us."

Lin Xiu was relieved. She didn't continue chatting with Qin Yu and Tian Qihua as her eyes fixed on the taxi in front of her.

The car was driven, and an hour later, it stopped in the downtown area. Qin Shanyuan got out of the car.

Lin Xiu and the others got out not far away and quietly followed Qin Shanyuan.

Qin Shanyuan didn't notice that they were following him. He was so excited to meet Liang Jiaying that he never thought his own mother would follow him.

Liang Jiaying had arrived a long time ago. When she saw Qin Shanyuan, she threw the mascot costume at him. "Put it on quickly. We'll start working soon."

On the other side, Lin Xiu's eyes lit up when she saw the girl talking to Qin Shanyuan.

How could she not be happy?

The little girl looked really beautiful. Her big eyes were always smiling, and her cheeks were a little chubby, making one want to squeeze them. In other words, she's a beautiful person.

But... This little girl... Why did she look so familiar?

Lin Xiu was still trying her best to remember when she'd seen this girl. Tian Qihua, who was next to her, laughed. "Look at her face. She looks so lively."

Qin Yu: "...."

How could anyone praise a girl's appearance like that?

If the girl had heard this, she probably would have been embarrassed for a long time.

Seeing Qin Shanyuan's expression as he looked at the girl, Qin Yu immediately snickered. "He looks the same. When Jiahao saw me for the first time, his cold face seemed to have softened and he looked like a puppy. That's the kind of expression of someone who's in love."

Chapter 843: I Don't Like Her

Lin Xiu finally remembered. "I have seen this girl before! That day, in ... Yes, when I was in Chinatown, Shanyuan accompanied me to the clinic. At that time, he was supposed to buy medicine for me, but he suddenly disappeared for a while before coming back. I saw him following this girl to a sick room."

Tian Qihua looked at Lin Xiu in surprise. "They've known each other for a long time?"

Lin Xiu snorted, "Apparently, that's what Shanyuan told me, but I did not believe him. Judging from his character, if he had known this girl for a long time, he would have already eaten her long ago. How could he endure it until now?"

Qin Yu agreed. "Yes, my brother is such a person. As long as he likes someone, he will not let her go. After all, he's not someone who has been in love before, so there's a possibility that he fell in love with this girl at the first sight. Like..." she paused.

Just like her.

She had also fallen in love with Liang Jiahao at first sight.

Her parents also fell in love at first sight.

This seemed to be her family's heritage. There was an intense intuition for their other half in their genes. With a single glance, they could tell that this person was someone they wanted to be with for the rest of their lives.

"Mom." Qin Yu tugged on Lin Xiu's dress and whispered, "What's with that expression of yours? Are you not satisfied with this girl?"

"How can I be satisfied!" Lin Xiu immediately became agitated. "Look at your brother, do you see what he is doing? What kind of bad cloth is that? Your brother, the majestic young master of our family, actually dares to wear such cloth and dance in the street like that!"

"Isn't that a good thing?" It was not easy for Qin Shanyuan to meet the girl he liked. For the sake of her brother's love life, Qin Yu would help him even if Lin Xiu did not like the girl.

"Mom, this is such a good thing. This girl probably depends on this job to earn money, and since big brother is chasing after her, he wants to use this opportunity to get close to her. Do not jump to conclusions before you are clear about everything."

Seeing Lin Xiu's agitated mood, Tian Qihua held her hand, fearing that Lin Xiu would attack the girl if she were not attentive enough. "Qin Yu is right. We just saw her, so we cannot judge her so easily. What if she was a good girl? If you go out and attack her, Shanyuan will hate you for the rest of his life."

"He dares!" Lin Xiu was so angry that her face turned red. But even as she said that, she put down the leg she had just lifted.

It was only then that Tian Qihua and Qin Yu breathed a sigh of relief.

On the other hand, Qin Shanyuan and Liang Jiaying had already started working.

After a day of training, Qin Shanyuan was able to interact well with the children. Although he still hated children, he was still able to restrain this feeling so that the children wouldn't hate him.

"Can big brother take you to see the toys?"

Qin Shanyuan held a little girl in his arms and teased her as they entered the store.

The little girl's small hand scratched his headgear. "Alright, can you hold me for a while longer?"

"Of course!" Qin Shanyuan said kindly, "You can hold me as long as you want."

Qin Shanyuan really couldn't let go of this cute little girl.

After the little girl chose the most expensive toy set in the store, he finally sent her away.

When Qin Shanyuan came out of the store, he saw Liang Jiaying standing ten meters away from him, bent over and wagging her small butt at him.

Qin Shanyuan chuckled. He walked over and patted Liang Jiaying's butt. "What are you doing?"

Liang Jiaying jumped in surprise and held her butt. "Men and women shouldn't be so intimate with each other, don't you know that? Why did you slap my butt?"

novelusb.com

"When did I slap your butt?" Qin Shanyuan felt wronged. "I just patted it."

"It's still the same!" Liang Jiaying's face turned as red as a tomato. "I'm a girl and I don't even have a boyfriend yet. If you continue to be like this, it'll be hard for me to find a boyfriend in the future!"

"No!" Qin Shanyuan, who was wearing a "bear" mascot, went to hug her tightly. "If other people don't want you, I still want you!"

"Die!" Liang Jiaying raised her leg and kicked Qin Shanyuan's leg.

Qin Shanyuan slipped and fell heavily to the ground with Liang Jiaying in his arms.

Plop! Both of them rolled in circles on the ground.

Liang Jiaying quickly sat up and took off her headgear. Qin Shanyuan also took off his headgear. They both looked at each other and started laughing heartlessly.

"Hahahaha ..."

"Hahaha ..."

Liang Jiaying pointed at Qin Shanyuan and laughed so hard that she almost got angry. "Why are you so stupid?"

Qin Shanyuan raised his eyebrow, "After I met you, I became so stupid."

Liang Jiaying pursed her lips. "Are you blaming me?"

Qin Shanyuan scratched the bridge of his nose. "I don't dare. I don't dare."

Tian Qihua looked at the scene in front of her with delight. "Lin Xiu, look at them. They are so cute."

Lin Xiu snorted. "Cute? She just bullied my son."

Qin Yu rolled her eyes speechlessly. "Mom, that's called flirting. Don't you know that?"

It's not that Lin Xiu did not know, it's just that she's a little disappointed. Her precious son had never experienced any hardship since he was a child. After meeting this girl, he actually wore the funny thing to entertain other people on the street.

And Qin Shanyuan had never done anything to make her happy before.

"I still don't like her!"

"Mom!" Qin Yu became increasingly anxious. "Do you want big brother to be alone for the rest of his life? And I think this girl is pretty good and very pure. Big brother didn't tell you about her because she might not know that big brother is actually very rich. If she knew that, I am sure she would not have dared to let big brother do this job with her."

"En!" Tian Qihua, who was the most mature and calm, agreed. "Qin Yu is right, this girl must not know Shanyuan's family background. Under these circumstances, if she really falls in love with him, then she is a good girl."

For people like Qin Shanyuan, his partner must be someone who matched his family background. Just like Qin Yu and Liang Jiahao. The two of them were similar. This way, they would not think too highly of each other's family background.

Neither was inferior.

However, if not... then there was a high chance that she would be someone who was only after money and only stayed together with you just for the sake of money.

This kind of person was the most dangerous, most of them could only be with you when you were on top of the world, but not when you had the misfortune or hard times.

No one can guarantee that your home would be an evergreen tree that would forever stay standing and alive.

If one day there was an accident and the company went bankrupt, having such a partner, the family would immediately be defeated. If your other half cannot suffer together with you, she would take your last treasure and run away.

It was scary just to think about it.

A subtle change slowly appeared in Lin Xiu's heart. She felt that what Tian Qihua said made a lot of sense.

Chapter 844: Men Are Even More Anxious Than Monkeys These Days

"All right, then." Lin Xiu stared at Liang Jiaying and said haughtily, "We're going to keep watching her. If the girl's character is good, then I won't be against her for making my son do something stupid."

When it was noon, Liang Jiaying took off her mascot uniform and put on her coat. She said to Qin Shanyuan, "You should have your lunch first. I want to visit my brother."

Qin Shanyuan quickly put on his coat. "I'll come with you."

Liang Jiaying looked at her watch. "If you follow me, you'll have to eat on the road..."

"It's okay." Qin Shanyuan held Liang Jiaying's hand. "It doesn't matter to me where or what I'm going to eat. And since I don't have any money with me right now, I'll just eat bread."

Liang Jiaying looked at Qin Shanyuan guiltily. She looked down and followed him out.

When Tian Qihua saw the two of them walking hand in hand, she said in surprise, "Look! Look! They're holding hands! Xiu Xiu, it seems that Shanyuan has made progress."

Qin Yu nodded vigorously. "Mom, look! It seems like you'll be getting a daughter-in-law soon."

Lin Xiu pursed her lips. "Let's see where they're going."

Tian Qihua immediately pulled Lin Xiu's hand and opened her mouth. She looked like she wanted to say something but couldn't. It was obvious that she had something to say at first glance but was also too shy to say it.

Lin Xiu became a little anxious. "Auntie, we'll lose them if we don't follow them now."

Tian Qihua watched Qin Shanyuan's retreating figure and whispered, "It's not good for us to follow them, right? What if they -"

She didn't finish her sentence, but Lin Xiu and Qin Yu understood what she meant.

Qin Yu laughed. "Great-aunt, you're thinking too much! Nobody does that sort of thing during the day. I think they just went to lunch."

Lin Xiu couldn't wait any longer, so she pulled Tian Qihua with her and followed Qin Shanyuan and Liang Jiaying. "My son isn't such a beast."

Tian Qihua thought to herself, "It's hard to tell whether he is such a beast or not. Men are even more anxious than monkeys these days."

Just as she was thinking about it, she had already been pushed into the car by Lin Xiu.

As the car sped along the highway, Lin Xiu felt that something was wrong. "Why do I feel like the car is driving to Chinatown?"

Tian Qihua had lived in Los Angeles for a long time, so she said confidently, "This is the road to Chinatown."

"What are they doing in Chinatown? If they are going to work, don't they have to wear those stupid costumes?" muttered Lin Xiu.

Qin Yu soothed Lin Xiu's heart. "Mom, until we see it with our own eyes, there is nothing to say. Can you wait for it quietly and see it for yourself?"

Lin Xiu immediately fell silent. She pursed her lips and stared unblinkingly at the car in front of her, afraid she would lose it.

Finally, the taxi stopped in Chinatown.

Lin Xiu and the others immediately got out of the car.

Liang Jiaying and Qin Shanyuan went to the bakery and came out after buying something.

Lin Xiu frowned as she observed. "Why did they buy bread so far away? Weren't there many bread sellers there earlier?"

Qin Yu and Tian Qihua couldn't understand this either.

"Hey, they're leaving. Hurry up and follow them!"

Qin Yu was half-bent and followed them first. Only when Tian Qihua dragged the awkward Lin Xiu did she reluctantly follow her.

It wasn't that Lin Xiu had anything against Liang Jiaying.

But Qin Shanyuan was her own son. Since he was young, he'd never suffered any grievance, and since when did Qin Shanyuan only nibble on bread at lunch? novelusb.com

Thinking of how Qin Shanyuan behaved for Liang Jiaying, wearing a heavy mascot costume outside in the sun and making people laugh, how could he be full with just eating bread that contained no nutrients?

Tian Qihua could understand Lin Xiu's feelings, so while following Qin Shanyuan, she tried to persuade Lin Xiu.

"Lin Xiu, don't think too much. Like I said, before you know what happened, you can't let yourself be prejudiced against this girl. Like my Jun. As you know, Zixuan was even worse when she first met him. Jun lived alone in the apartment and without any servants. He can't cook and doesn't like eating any take-out, do you know how worried I was at that time? But what can I say? For the sake of love, for the sake of the woman he loves, I can only let him do whatever he wants."

"Exactly!" Qin Yu also spoke up for Qin Shanyuan. "Whose life hasn't reached a low point? We can't turn our backs on big brother when he's at his most difficult time. Mom, please let big brother handle this."

Lin Xiu almost lost her temper when she heard Qin Yu say that. She almost answered with "you" for Qin Yu's first question.

Qin Yu was a fan of such a situation, so of course, she couldn't see much of it.

"Fine, fine." Lin Xiu sighed, "All of you are right. I promise I won't get mad, okay?"

Qin Yu tried to curry favor with Lin Xiu by holding her by the arm. "This is the real mother of big brother and me!"

Tian Qihua suddenly lowered her voice and said, "They've entered that clinic."

"Clinic?"

Lin Xiu didn't pay attention to her journey earlier. Now, when she raised her head and looked at the signboard of the clinic, she realized that this clinic was the clinic she had been to a few days ago. It was also the place where Qin Shanyuan had disappeared for a long time.

According to Lin Xiu's intuition, something was wrong, and it was also something big.

"Let's go." Lin Xiu did not hesitate any longer as she led the way into the clinic.

Liang Jiaying and Qin Shanyuan entered Liang Mingyu's ward. Liang Jiaying took out the bread she had bought, broke it in half, and fed it to him.

This was not the first time Qin Shanyuan saw Liang Jiaying feeding the bread to Liang Mingyu. The last time, he wanted to ask, since she gave the bread to Liang Mingyu, what did she eat then?

Today, she still wanted to give half of the bread to him...

Qin Shanyuan felt his heartache as he watched.

Chapter 845: Something Was Wrong

After Liang Jiaying fed Liang Mingyu some bread and water, she looked at her watch and hurriedly stood up. "Big brother, have a good rest. I'm going to work now."

Liang Mingyu nodded. Seeing Liang Jiaying's tired eyes, he felt hurt and blamed himself for making his sister work so hard. "Slow down, don't let yourself get too tired."

"Don't worry!" Liang Jiaying nudged him playfully. "I'll be fine. I still have to take care of you."

Liang Mingyu's eyes turned red as he watched her leave.

Qin Shanyuan didn't say a word from the moment he entered or when he left the ward, and when the door was closed, he gave Liang Jiaying his bread. "Here, eat it." *novelusb.com*

Liang Jiaying swallowed and turned away, pretending not to see him. "I don't want it. I still have half of it, that's enough for me."

"Enough?" Qin Shanyuan frowned. "Look at you, you're so thin, how can you grow well if you don't eat enough?"

Liang Jiaying's face immediately turned red as she stuttered, "I-I'm still growing... Besides, I'm on a diet right now."

"You're so skinny, yet you still want to lose weight?" Qin Shanyuan was so angry with Liang Jiaying that he almost laughed. How could this girl be so heartbreaking?

Qin Shanyuan forcefully stuffed the bread into Liang Jiaying's hand, "Take it, I want to see you eat it!"

Liang Jiaying wanted to refuse, but when she saw Qin Shanyuan's serious face, she knew he wasn't joking. She looked at the bread in her hand, feeling conflicted. "B-but... This is your bread."

"Are you worried about me?" Qin Shanyuan tapped Liang Jiaying's forehead, "Does this mean you have fallen in love with me?"

"I do not!" Liang Jiaying looked up and explained reflexively, "How could I possibly fall in love with you? I-I-I..."

"I think you're in love with me." Qin Shanyuan's lips curled up as he stared at Liang Jiaying's face and jokingly asked, "Otherwise, why are you so red?"

"I'm not blushing!" Liang Jiaying was so embarrassed that she almost died. She held Qin Shanyuan's bread tightly as she explained, "It's because of the hot weather. Yes, it's because of the hot weather!"

Qin Shanyuan really didn't want to expose her. On such a cold day, she actually said that the weather was hot...

"Therefore, you have to eat the bread." Qin Shanyuan smiled mischievously, "If you eat it, I'll believe your words."

"Fine, I'll eat it!" Liang Jiaying grabbed the bread and bit into it. "Watch me eat it. I'm not in love with you."

"Whatever you say..." Qin Shanyuan shook his head with a smile as he pulled Liang Jiaying. "Let's hurry up. If we're late, the boss will cut our pay."

Just as they were going down the stairs, Lin Xiu, Qin Yu, and Tian Qihua walked out from the side.

"Mom, let's follow them quickly." Qin Yu wanted to follow Qin Shanyuan and Liang Jiaying, but Lin Xiu held her wrist.

Qin Yu looked at Lin Xiu in surprise. "What's wrong? You don't want to follow them anymore? "

"We're not going to follow them anymore." Lin Xiu looked at Liang Mingyu's sick room with an indifferent expression. "There's someone here, we'll go directly to him and ask him."

With that, she let go of Qin Yu's hand and walked firmly towards the door.

Qin Yu and Tian Qihua looked at each other and immediately followed her.

Lin Xiu politely knocked on the door. A man's faint voice could be heard from the room. "Please come in."

The light in Lin Xiu's eyes instantly dimmed. Even the corner of her mouth curled into a disdainful smile.

Qin Yu whispered, "Mom, don't jump to conclusions. Let's go inside and investigate first."

Tian Qihua also said, "Don't be too hasty. If there's anything you want to ask, ask this person properly."

Lin Xiu's aura suddenly calmed down as she nodded her head. "All right, I'll listen to you."

Tian Qihua pushed open the door, and the three of them entered together.

Liang Mingyu looked up and saw three unfamiliar women enter. He politely asked, "May I ask who you are?"

Qin Yu was afraid that Lin Xiu would answer rudely, so she immediately smiled and said, "We are Qin Shanyuan's family."

Liang Mingyu didn't ask Liang Jiaying the name of the man who was with her. This was also because Liang Jiaying was busy earning money all day and was very tired after coming here, and she quickly fell asleep on the couch, so Liang Mingyu didn't ask.

He asked with a confused look on his face, "Who is Qin Shanyuan?"

Lin Xiu couldn't hold it in anymore. "The man who followed the girl just now!"

Liang Mingyu immediately understood that these three women came with ill intentions.

However, his good upbringing still made him very polite. "I see, what's your business with me?"

When Qin Yu saw Liang Mingyu looking up and talking to them in an uncomfortable condition, she pulled Lin Xiu to the bed so that he could talk to them comfortably.

"Don't worry, everything is fine here." Qin Yu smiled and said, "It's because we saw Qin Shanyuan with this girl every day, so we wanted to know more about her. May I ask if you and her ..."

"Big brother." Liang Mingyu calmed down. "She's my sister, her name is Liang Jiaying."

"Liang Jiaying ..." Tian Qihua repeated the name, looked at Lin Xiu from the corner of her eye, and said with a smile, "What a beautiful name."

Lin Xiu looked at Liang Mingyu with an expressionless face. She wasn't really interested in knowing Liang Jiaying's name, so she focused all her attention on Liang Mingyu.

She was more or less wary of the man who was hospitalized with serious injuries.

"How could you have been injured? Were you beaten up by someone?"

Liang Mingyu's eyes suddenly darkened and his lips pursed instantly. He glared at Lin Xiu with hostility. "This is my problem and has nothing to do with you. If you want to know about Jiaying, you can ask."

Lin Xiu's face also darkened instantly. The smell of gunpowder immediately filled the room.

Qin Yu raised her hand to support her forehead.

Lin Xiu's temper rose again.

However, Qin Yu could understand why her mother was so hard on her future daughter-in-law. It was normal for her to be wary of her future daughter-in-law.

"Where are you two from? Where are your parents?" Qin Yu expressed her good intentions with a smile.

Liang Mingyu said with a cold expression, "We are from Imperial City, both father and mother passed away."

"Imperial City?" Qin Yu was excited, "We are from there too!"

The more Tian Qihua listened, the more she felt that something was wrong. There were not many people with the surname Liang in Imperial City. And according to Liang Mingyu, both of his parents had passed away.

She asked unhurriedly, "Do you know Liang Zixuan?"

Chapter 846: I'll Talk To You Politely And You Rudely Ignore Me

"Liang Zixuan?" Liang Mingyu was also stunned for a moment. The cold feeling on his face gradually disappeared. He pursed his lips and said awkwardly, "I don't really know her, but we have a relationship with her. After great-grandmother Yanyun left the Liang Family, the relationship between us was slowly severed..."

When Tian Qihua heard this, she took out her cell phone and called Liang Zixuan as if she had discovered some shocking secret.

"Zixuan, if your body is fine, can you come to the traditional Chinese clinic in Chinatown now."

Liang Zixuan felt uncomfortable at home. She was worried about Lin Xiu, Qin Yu, and Tian Qihua all the time. Now when she heard Tian Qihua's words, she became anxious. "Did something happen?"

"Hmm... It's a very serious matter. " Tian Qihua took a deep breath. "Ask your grandmother to come with you."

After hanging up the phone, she went back to the bedside, "I called Liang Zixuan. She will come with her grandmother in a moment. We can talk about the rest of the matter when they arrive."

Lin Xiu's feelings were mixed at this moment. She really did not expect to meet children from the Liang Family through the simple mysterious behavior of Qin Shanyuan.

The coldness on Lin Xiu's face had not yet faded, but her tone was much better than before. "Since you are a member of the Liang Family, why did you come here? And why were you injured like this?"

Liang Mingyu closed his eyes and ignored Lin Xiu.

This was the Liang Family's business, which made it difficult for him to talk about it.

He didn't want others to know about him, and he also didn't want others to be involved.

When Lin Xiu saw Liang Mingyu's disapproving look, she became angry again. "What's wrong with your attitude? I'll talk to you politely and you rudely ignore me?"

"Mom!" Qin Yu pulled Lin Xiu's hand and brought her to the side. "Don't be angry. Maybe it's hard for him to explain. Can you wait for auntie to come first?"

Liang Mingyu suddenly opened his eyes, "You are Qin Yu?"

Qin Yu looked at him. "Yes, I forgot to introduce myself earlier. I am Qin Yu and this is my mother. That's Liang Zixuan's mother-in-law. We are a family."

Pushing Lin Xiu onto the sofa, Qin Yu walked back to the bed. "Don't worry, we don't mean any harm. We just want to meet Liang Jiaying because my brother likes her. I apologize for our sudden visit."

Liang Mingyu's head hurt a little. He hissed and wanted to sit up. Qin Yu hurriedly helped him up. She also carefully placed a pillow behind his back.

Liang Mingyu thanked her and shook his head sadly. "Originally, I had already guessed the reason for your coming, but I didn't know who you were. Since you are Liang Zixuan's family, and ... Qin Shanyuan also likes Jiaying, so I have a favor to ask of all of you. Can you take care of my sister for me? I don't want to drag her down anymore. I'll handle the rest myself."

Those words were a little too serious. Tian Qihua and Qin Yu both heard a lonely sound at the end as if Liang Mingyu was saying goodbye.

Tian Qihua smiled warmly. "Don't worry, just wait for Zixuan to come first. Since you are part of her family, you can tell her about it when she arrives. Don't worry, she is a good person. She will help you no matter what trouble you face."

"No need." Liang Mingyu sighed. "This is my family's business. If I can't manage it -"

Suddenly, the door was pushed open hard. Liang Zixuan came in with a big belly. "What's the problem?"

The people in the room were scared stiff by her sudden aura. No one had expected that a pregnant woman could have such a strong aura.

Perhaps it was because Liang Zixuan had restrained her domineering attitude after becoming pregnant, but at that moment, her impressive demeanor left everyone in the room stunned. *NOveLus1b.cOm*

Even Tian Qihua doubted that this girl was her daughter-in-law.

Luo Yanyun followed behind Liang Zixuan and nervously supported her. "Zixuan, slow down, you're still carrying a child!"

It was only then that Qin Yu reacted and hurriedly moved the chair for Liang Zixuan to sit on.

Liang Zixuan sat down right in front of Liang Mingyu. They both didn't know each other.

He had only seen her a few times, and they didn't have much of a friendship or relationship.

Luo Yanyun, on the other hand, recognized Liang Mingyu at a glance. "Xiao Gyu, why are you here?"

When Liang Mingyu saw Luo Yanyun, his eyes lit up and he called her out in a hoarse voice, "Great-grandmother."

"Good child." Luo Yanyun walked over and looked at him carefully. Her eyes turned red, "What happened to you? How can you become like this?"

"Great-grandmother Yanyun..." Liang Mingyu could no longer hold it anymore, and tears began to flow down his cheeks.

Although men did not shed tears easily, but after the fatal injury caused by his family and the almost death situation, to be able to meet family members in a foreign country was something he didn't expect to happen.

Liang Mingyu could no longer hold back the grievances and complaints in his heart and began to cry silently.

Luo Yanyun quickly came over and gently hugged Liang Mingyu's head, soothing him in a soft voice. "It's all right, stop crying. With grandmother here, you'll be fine. Stop crying..."

Liang Mingyu was still young, only 23 years old this year. Although he was older than Liang Zixuan, in terms of seniority, he was a generation younger than her.

For the twenty-three-year-old man being hugged and comforted by Luo Yanyun like this, everyone felt like she was coaxing a child.

Luo Yanyun explained to Tian Qihua and the others, "When Xiao Gyu was born, his family was very good to me. At that time, I lived alone, and it was thanks to his parents for taking care of me. Thus, Xiao Gyu can be considered as someone I watched growing up."

At that time, Luo Yanyun had wanted to leave the Liang Family far behind and didn't want to bear the kindness of the family any longer.

However, no one in the Liang Family treated her as an outsider, even after Liang Boqin's death. As long as she was facing a big problem, they would definitely not ignore her and help her.

It was just that Liang Zixuan had a bitter life. Wei Guowei was afraid that the people from the Liang Family knew the truth behind Liang Lihua's death and had never allowed Liang Zixuan to come into contact with the people from the Liang Family.

Tian Qihua nodded in understanding. "So that's how it is."

Lin Xiu's face had been sullen the entire time, but she didn't say anything. All sorts of emotions were boiling up in her heart, and she didn't know how to react.

Luo Yanyun waited until Liang Mingyu calmed down before asking, "Xiao Gyu, where's your sister?"

Chapter 847: The Liang Family Has Been Destroyed

Liang Mingyu sobbed and held back the pain in his heart as he slowly said, "Jiaying went to work. She had to pay for my medical expenses and also had to take care of me. I..."

"Alright, I understand." Luo Yanyun really felt sorry for this child. Knowing that he was feeling guilty, she interrupted him and changed the subject. "Why didn't you stay in the Imperial City? Why did you come to America?"

It would be fine if he studied abroad or lived here, but seeing Liang Mingyu like this, it's obvious that he didn't lead a good life.

How could someone from the Liang Family tolerate their child's suffering?

At this mention, Liang Mingyu's eyes suddenly filled with strong hatred, and his eyes immediately turned blood red. Gritting his teeth, he tried his best to suppress the feelings in his heart as he slowly said word by word, "Because the Liang Family has been destroyed!"

"Destroyed?" Luo Yanyun's heart tightened and her face immediately turned pale. "Xiao Gyu, what happened?"

Liang Mingyu lowered his head, gritted his teeth, and said nothing.

Luo Yanyun was almost dying of fear. "Xiao Gyu, what exactly happened? Why can't you tell great-grandma Yanyun?"

Liang Zixuan sat there and said nothing the whole time. At this moment, she suddenly spoke, "Liang Mingyu, regardless of whether I'm a member of the Liang Family or not, the Liang Family has done a lot of favor to my grandmother and mother. Therefore, as long as it is something related to the Liang Family, I cannot sit idly and do nothing. If you don't tell me right now, I'll send someone to investigate. I'll find out about it eventually!"

"That's right. Liang Zixuan is the matriarch of the Han Family, so her problem is our problem too. There's nothing in the Imperial City that we can't help with."

Qin Yu immediately followed, "And so is my Qin Family. I'm already married to Liang Jiahao, so I can't just sit back and do nothing for the Liang Family."

Then, she deliberately turned to Lin Xiu. "Mom, you don't agree with me too?"

Lin Xiu glared sharply at Qin Yu. She didn't want to answer, but in her heart, she was thinking the same thing as Qin Yu.

She pursed her lips and grunted awkwardly.

Liang Mingyu sniffled. He was only a 23-year-old man. His family had gone through unexpected changes, and now so many people were willing to help him. He couldn't help but feel guilty.

"Great-grandmother, you know that all the men of the great-grandfather generation have passed away, and the entire household is controlled by the matriarch. At that time, because the owner of the house had to take care of the orphans and widows of the Liang Family, she accepted a proposal from the He Family that came to her door, and he had a son of his own whom he brought into the family."

"Everything was fine as the power in the family all rested with the matriarch, but last year, she passed away. Not long after Aunt Zixuan's wedding, the He Family ignored the kindness of the Liang Family and forcibly took over the rights of our matriarch and wiped out the entire Liang Family. My parents were also killed by them, and if my sister and I had not escaped, we might have been killed by them too."

"The He Family?" Luo Yanyun's breathing hitched, and her mind went blank. If it wasn't for Liang Zixuan reaching out to support her, she might have fainted.

"Grandmother, don't get too angry."

"I'm fine." Luo Yanyun patted the back of Liang Zixuan's hand and said angrily, "That ungrateful family! I told your great-grandmother not to trust them, but she didn't listen to my words and even treated that family like her own family! If only she'd listened to me, then I believe that after she died, they won't be able to take over the family!"

Liang Mingyu took two breaths in a row before he managed to calm himself down. "He Wuhan, he covered the sky with one hand in the Liang Family. Whatever he says, everyone must obey him and tremble in fear. If they don't obey, he would do anything to force us, including killing the people close to us. My parents put their hope in us, hoping that we can take back everything in the Liang Family. But I ..."

Liang Zixuan asked calmly, "What happened to you? What happened after you and your sister ran away?"

Liang Mingyu gritted his teeth as he bit his lip. His pale lips were almost bleeding, causing Luo Yanyun's heart to ache...

"Xiao Gyu, tell us!"

Liang Mingyu shook his head sadly. "After I came to America, I wanted to strengthen myself and then come back to take revenge, so... I joined an organization, I helped them do something. After I helped them, they promised to give me their people to help me take back the Liang Family. However, He

Wuhan found out about it. He bribed the organization, and the organization's people not only beat me to death but also seriously injured me. If it wasn't for my sister, I think...I might have died already."

"Is there actually such a thing?" Luo Yanyun was so angry that her lungs hurt. "How can He Wuhan be so evil! You are still a child, yet he wanted to kill you!"

"Grandmother..." Liang Zixuan said calmly, "Liang Mingyu may be a child in your eyes, but he is not in others' eyes. As the saying goes, if you do not cut the grass, when the spring wind blows, it will grow back. The He Family knows this very well."

In this room, besides Luo Yanyun and Liang Zixuan, everyone else was an outsider to Liang Mingyu.

Actually, Luo Yanyun and Liang Zixuan were outsiders. *NOveLus.b.cOm*

Although Liang Zixuan's surname was Liang, but Luo Yanyun's past relationship with Qiao Hongya and Liang Boqin was already known to the world. Liang Zixuan had nothing to do with the Liang Family at all.

Liang Mingyu did not want Liang Zixuan to fall into the abyss like the rest of the Liang Family.

"Auntie." Liang Mingyu shook his head. "The matter with my siblings and the Liang Family is really troublesome. Although I have told you everything, but I do not want you to help me. I just want to tell you that this fire pit called the Liang Family is not so easy to handle."

Chapter 848: It's Not Easy To Get Along With A Mother-In-Law Like You

"What are you even talking about?" Liang Zixuan suddenly said. The dominance and severity of her words caused everyone present to be shocked. "If you really can handle it yourself, you wouldn't be lying here with your life on the line right now!"

Liang Mingyu lowered his head in shame. He didn't know why, but even though he was older than Liang Zixuan, he somehow succumbed under her impressive demeanor.

Liang Mingyu suddenly stopped talking. The room was filled with a gloomy and awkward atmosphere.

Tian Qihua was worried about Liang Zixuan's condition and the child in her womb, so she advised her, "Zixuan, don't be angry. If you have something to say, you can say it calmly. Don't be angry."

Luo Yanyun's heart also ached for her. In the past, Liang Zixuan almost lost her child, but she tried to save her child with great pain and difficulty. The doctor also said she couldn't be angry, let alone be agitated.

"Zixuan, how about calling Jun to come here?"

"No need." Liang Zixuan's tone softened. "He has his own business to take care of. I can take care of things here."

Liang Zixuan stared at Liang Mingyu for a moment and then slowly said, "Your injuries are very bad, and the medical equipment here is also not very good. In a moment, I will ask my brother to find a better hospital. You should go there and take your time to heal your injuries. And before your injuries are completely healed, don't even think about revenge, and come back to take back the Liang Family. If you

really want them to suffer, you can let them see your abilities later. Otherwise, even if you go back, you will only waste your life!"

"Zixuan is right." Luo Yanyun nodded. "Nothing is as important as your body. You must first heal from your injuries."

"Let me call Szeto. I think the He Family is still watching him. Let Szeto take care of this. He can transfer Mingyu to a hospital secretly." Tian Qihua said as she took out her phone. She got up and went to the window to call Han Szeto.

Liang Mingyu didn't know what to say. Although he was grateful, but he still felt guilty.

This was obviously his own problem and the Liang Family's problem, but now... Liang Zixuan and the Han Family were involved.

It wasn't that he felt the Han Family couldn't deal with He Wuhan and the He Family, on the contrary... The only thing he was afraid of was hurting the enemy a thousand times while hurting himself eight hundred times.

He wouldn't be able to repay the favor he owed to the Han Family and Liang Zixuan for the rest of his life.

"Auntie..." Liang Mingyu bit his lip and slowly raised his head, "I'm sorry for the trouble."

"What do you mean by sorry?" Liang Zixuan sighed. "If it wasn't for Grandfather Liang, who saved my grandmother, where would my mother be? As the saying goes, a drop of water deserves reciprocation. We will not be able to repay the Liang Family's kindness even in one lifetime. Things like this are something that I must help with, otherwise, I will let down my own surname."

"Zixuan is right." Luo Yanyun gently patted Liang Mingyu on the shoulder. "You call me great-grandmother and do not consider me an outsider. Even though you and Zixuan are not related by blood, we have accepted the kindness of the Liang Family. Maybe this was destined to happen somehow. Liang Boqin saved me, and Zixuan helped you save the Liang Family." *noVELusB.COM*

Tian Qihua hung up the phone and walked toward Liang Zixuan. "Szeto said he will take care of this matter. He will transfer Liang Mingyu to a hospital at midnight and he will come here by himself."

Liang Zixuan held Tian Qihua's hand. "Mom, thank you."

"What are you thanking me for?" Tian Qihua smiled warmly at Liang Zixuan. "There is no need to be thankful within the family."

Seeing that Lin Xiu was silent, Qin Yu gently poked her leg with her small hand. "Mom, what do you think now? Should our family also make a move?"

Qin Yu's words were very technical. If Lin Xiu said she would not help, it meant she did not agree with Qin Shanyuan and Liang Jiaying's relationship. If she said she would help, it meant that she had secretly accepted Liang Jiaying as her daughter-in-law.

If something had happened to the Liang Family until the Liang siblings had become like this, then it could be considered Liang Jiaying was the right person. But at the same time, knowing the Liang Family might be a fire pit, Qin Yu thought that Lin Xiu would definitely hesitate.

Who knew Lin Xiu snorted coldly and looked at Liang Mingyu from the corner of her eye, saying coldly, "Now it's not about whether our family makes a move or not, it's about Liang Jiaying's answer. We are busy planning here, but we don't know if she really likes your brother or not. If she doesn't and uses this opportunity for her own benefit, then things will be ugly."

Qin Yu finally understood the essence of the matter. She could not help but give Lin Xiu a thumbs up in her heart.

As expected - the older the ginger, the spicier it gets!

Qin Yu knew that even if Liang Jiaying did not want to be with Qin Shanyuan, with her relationship with Liang Jiahao, the Qin Family would not stand still and do nothing.

However, Lin Xiu kept throwing the question back to Liang Jiaying because her answer would determine whether she would use Qin Shanyuan and the Qin Family to deal with the Liang Family, or whether she would rely on the Qin Family's relationship between Liang Zixuan and Liang Jiahao to help her family.

Liang Mingyu looked at Lin Xiu. Suddenly, the corners of his mouth pulled up and he said in a domineering tone, "I will never agree to let Jiaying marry into your family. It's not easy to get along with a mother-in-law like you."

Lin Xiu: "..."

Chapter 849: Why Are You Still Following Me When You Look Down On Me So Much

What?

Liang Mingyu actually called her an evil mother-in-law?

Lin Xiu almost fainted on the spot!

It was not that Lin Xiu was bragging, but her temperament was very good. Of course, except for the symptoms of menopause, she did not feel like she had a bad temper under normal circumstances.

Furthermore, she came from a prestigious family and received a good education from an early age. She was polite when dealing with people, and no one had ever said that she was not easy to get along with. *novelLus&.com*

"Liang Mingyu!" Liang Zixuan glared at Liang Mingyu in frustration. "My sister-in-law is very good. Don't talk about her like that! After all, you and Liang Jiaying are in danger now, and what you have to do in the future will be even more dangerous. Wouldn't you want her to find a good protector? An umbrella that she can use to protect herself from the rain and wind, so you can focus on your mission?"

Tian Qihua also did not know whether to laugh or cry, "I have known Lin Xiu for decades, but I never felt that she wasn't easy not to get along with. When she first came in, she was a little arrogant to you, but you have to understand. Liang Jiaying made Shanyuan wear a mascot uniform and work on the street in

the hot sun, and when they left after visiting you, Shanyuan gave her his bread. We assumed that Shanyuan did not tell Liang Jiaying his identity, so she let him work with her."

Liang Mingyu glanced at Lin Xiu again, then he imitated her arrogant demeanor, saying proudly, "Whether my sister likes him or not, you can ask her yourself. I will not say anything on her behalf."

Seeing that Lin Xiu was about to lose her temper, Qin Yu immediately held her hand and whispered, "Mom, think about how hard it is for your son to like a girl. Think about how miserable big brother's love life is, he's even more pitiful than a dog and a cat."

Lin Xiu gritted her teeth and scolded Qin Yu softly, "How can you compare your brother's love life to a dog and a cat! What do you think he is?"

"I was wrong." Qin Yu let out a soft laugh and patted Lin Xiu's arm. "I was just making an analogy. For the sake of my brother's happiness, you can bear it temporarily."

Lin Xiu took a deep breath and took another deep breath. She understood what Qin Yu was saying. She also knew that it would be more difficult for Qin Shanyuan to find a girlfriend after this incident, so she had to hold back her anger.

• • • •

"This is your salary, and this is yours." The boss handed today's salary to Liang Jiaying and Qin Shanyuan respectively.

Liang Jiaying looked at the money in her hand. She didn't want to give Qin Shanyuan the money she'd just received, but there was nothing she could do about it. After all, she owed him money.

Reluctantly, she handed Qin Shanyuan the money. "Here."

Qin Shanyuan saw Liang Jiaying's expression of pain and chuckled. He took the money and said, "Okay, since you're giving it back, I'll accept it. At this rate, I think you'll be able to pay it all back within a year."

A year...

Liang Jiaying almost cried when she heard it.

Every day, she would wake up early and struggle to find the money. Finally, she gave the money to Qin Shanyuan without being able to enjoy it.

"I have to go back and bring bread for my brother. After that, I have to go to my part-time job at a nightclub. You can go back first."

It was only today that Qin Shanyuan found out that Liang Jiaying was working part-time at the nightclub. That's why he met her there that night.

Seeing that Liang Jiaying was about to leave, Qin Shanyuan suddenly held her hand to stop her. "Don't work in the nightclub anymore!"

Liang Jiaying stopped and turned to face him. "Why?"

"Because... because..." Qin Shanyuan wanted to say something, but he hesitated. He rubbed the back of his neck for a long time before saying, "Because the nightclub is so chaotic, it's not safe for a girl like you to work there. P-plus ... Plus, what would happen if you decided to steal other people's money again?"

"You!" Liang Jiaying was so angry that she shook Qin Shanyuan's hand. "Do you think I'm a thief? I only stole it once, and that was only because my brother was seriously injured. If I hadn't found money for his treatment, he would have died! If it wasn't for saving my brother, do you think I'm willing to do that?"

"Jiaying..." Qin Shanyuan knew he had said the wrong thing. He immediately apologized, "I'm sorry, I didn't mean it like that..."

"That's exactly what you mean!" Liang Jiaying shook her head, feeling sick with the way Qin Shanyuan thought about her. "Why are you still following me when you look down on me so much!"

Saying that, she ran in the direction of the bus shelter. She was so angry that her hair started to float (like an angry cartoon).

Qin Shanyuan was so depressed that he stomped his feet. He really wanted to give himself two hard slaps.

It was hard for him to let out his words, and yet he had to say it like that!

Besides, he knew that Liang Mingyu was injured, so how could he doubt Liang Jiaying's character?

"Jiaying, I'm sorry. Wait for me!"

Qin Shanyuan immediately chased after Liang Jiaying, but the more he chased her, the faster she ran. Finally, he saw a bus stop in front of the shelter, and Liang Jiaying got on.

Qin Shanyuan was a bit slow and missed the bus. He hailed a taxi and got in, then asked the driver to drive to the traditional Chinese clinic in Chinatown.

He knew that no matter how angry Liang Jiaying was, she would still care about Liang Mingyu.

And since he couldn't catch up with her, he could only go to the clinic and wait for her there.

After all, the bus wasn't as fast as a taxi. When Qin Shanyuan arrived, Liang Jiaying wasn't there yet.

He stood at the swaying door and quietly said words of apology to Liang Jiaying.

Qin Shanyuan thought of many versions, but when Liang Jiaying actually arrived, he was tongue-tied.

"J-Jiaying..." Qin Shanyuan stopped Liang Jiaying at the entrance of the clinic. "I- I- I was wrong. I know that I was wrong. Please don't be angry with me..."

Liang Jiaying's face darkened as she shouted, "Get out of the way!"

"I won't!" Qin Shanyuan stretched out his hand to block the door. "If you don't forgive me, I won't let you go."

Chapter 850: I Will Never Allow A Thief To Come Into Our Family

Liang Jiaying glared angrily at Qin Shanyuan. Qin Shanyuan lowered his hand and looked at her with a sigh.

The two of them looked at each other in a stalemate. Liang Jiaying could no longer hold back her anger and pushed Qin Shanyuan. "Admit it that you look down on me! Since I stole your money, you think I'm a thief from the bottom of your heart! No matter what I say or do, in your heart, I'm just a thief!"

"What?" A dignified female voice suddenly came from behind Qin Shanyuan. "Liang Jiaying, repeat what you said earlier!"

Qin Shanyuan's back stiffened and he mechanically turned around. His eyes met Lin Xiu's gloomy face and he smiled awkwardly, "Mom ...why are you here?"

Liang Jiaying looked at Lin Xiu without fear. Although Qin Shanyuan's mother had a strong aura, she did not show the slightest bit of fear. "I stole his wallet. And no matter what I said or how I tried to justify myself, you all will treat me like a thief. I have nothing more to say."

Qin Shanyuan's head ached. He really did not think that his words would cause such a big misunderstanding.

"Mom..." Qin Shanyuan smiled awkwardly at Lin Xiu. "Things are not as you think..."

Lin Xiu's sharp gaze moved to Qin Shanyuan's face. "Did she really steal your wallet?"

"Mom..." Qin Shanyuan almost died of anxiety.

Lin Xiu asked rudely again, "Answer my question, did she steal your wallet?"

Qin Shanyuan sighed. He frowned so much that he could almost kill a fly with his forehead. "It was just a misunderstanding..."

"I stole it." Liang Jiaying stared directly at Lin Xiu as she said one after the other. "There's no misunderstanding. I stole it. I confessed it."

"Good, very good!" Lin Xiu was so angry that her chest rose up and down. She clenched her fingers tightly at her side. "Liang Jiaying, you have the same backbone as your brother. I hope you can make it to the end!"

"Mom!" Qin Shanyuan held Lin Xiu's hand and asked in a panic, "You met her brother?"

Lin Xiu turned to Qin Shanyuan. "Not only did I meet her brother, but I also know the background of these siblings! Shanyuan, I don't care how far you have progressed with her, I will tell you right here and now that I disagree with your relationship with her! I will never allow a thief to come into our family!"

"Thank you." Liang Jiaying raised her chin and said in an unyielding tone, "Qin Shanyuan is too annoying and always bothers me. Please take your son away and tell him not to bother me in the future."

"Jiaying!" Qin Shanyuan knew that what Liang Jiaying said were just angry words, words she had been thinking ever since he had doubted her character.

Liang Jiaying didn't care for Qin Shanyuan at all. She entered the clinic and walked past Qin Shanyuan and Lin Xiu with big strides, and went upstairs.

"Jiaying!" Qin Shanyuan let go of Lin Xiu's hand and ran after her. "Listen to me, it's my fault, I misunderstood you, but I really didn't think like that! At that time, when I thought of you wanting to work at the nightclub, I was afraid that you would suffer grievance and that you would be taken advantage of by other men. I was jealous, and my consciousness was unstoppable. Those words weren't my intention..."

Lin Xiu looked at Qin Shanyuan's retreating figure and how he eagerly followed Liang Jiaying, trying to explain his wrongdoings. Her anger began to grow. "Qin Shanyuan, come back here!"

As if he didn't hear her, Qin Shanyuan followed Liang Jiaying upstairs. "Jiaying, I was wrong, I was really wrong. Can I apologize to you?"

Lin Xiu gritted her teeth in anger and had no choice but to follow him.

Liang Jiaying ignored Qin Shanyuan until she reached the ward door. She grabbed the door handle and pushed it open. When she saw that the room was full of people, she was suddenly stunned.

Qin Yu looked at Qin Shanyuan, who was standing next to Liang Jiaying. She smiled and stood up, "Big brother, we knew you would come here with Jiaying, so we didn't leave. We waited for you here."

She stretched her neck and looked behind Qin Shanyuan. "Eh, where's mom? Didn't she come down to pick you up?"

Qin Shanyuan rolled his eyes and almost fainted.

Today's event was really suicidal!

Lin Xiu had actually come here and even went out to pick them up. It seemed that she didn't mind Qin Shanyuan being with Liang Jiaying at first, but now that she heard Liang Jiaying had stolen Qin Shanyuan's wallet and her angry words, she was very angry.

Liang Mingyu raised his head and gestured to Liang Jiaying. "Jiaying, come in and see who this is..."

Liang Jiaying came in with a stunned expression and looked around the room. Apart from Liang Zixuan and Qin Yu, she didn't know anyone else.

Moreover, she only knew Liang Zixuan and Qin Yu because they'd made a movie and sang and had become famous celebrities.

Liang Jiaying walked over. Liang Mingyu pulled her hand and introduced her, "This is Great-grandmother Yanyun. Do you remember her?"

Liang Jiaying looked at Luo Yanyun. After thinking for a moment, she nodded seriously, "I still remember, it was Great-grandmother Yanyun who often came to our house to play with us when we were little." *novELusB.Com*

"Right." Liang Mingyu smiled and looked at Liang Zixuan. "This is Liang Zixuan, you must know her. She's Great-grandmother Yanyun's granddaughter, you didn't know before, and our parents didn't tell you before, but according to seniority, we still have to call her aunt."

"Oh..." Liang Jiaying nodded dumbly and called out politely, "Auntie."

Liang Zixuan looked at Liang Jiaying from top to bottom. The more she looked at her, the more she liked her.

Especially Liang Jiaying's chubby cheeks. She couldn't help but wanted to reach out and pinch her face.

"Big brother..." Liang Jiaying felt that her brain was muddle-headed and whispered to Liang Mingyu.

"What are they doing here?"

"What else?" Liang Mingyu sighed, "The matter between you and Qin Shanyuan had brought them here, and after they found out that I'm your brother, they asked about our situation, and auntie said that she'll help me move to a hospital to escape the eyes of the He Family, and after I recover from my injuries, she'll help me deal with them."

"Oh? Oh!" Liang Jiaying nodded. Then, as if she still didn't understand, she asked, "Then why are they helping us?"

Was it just because of Qin Shanyuan?

She quickly shook her head and pushed that thought out of her mind.

Liang Mingyu didn't beat around the bush and went straight to the point. "Because Great-grandmother Yanyun had a deep relationship with our family, she owed our family a favor, so after they found out about our matter, they wanted to help us."

"Oh, oh!"

Qin Yu couldn't help but laugh. "I don't think she understands anything."

Liang Jiaying pursed her lips in embarrassment. "I - I just don't get it ..."

"No matter how your brother explains it, you still won't understand." Tian Qihua laughed as well.

Why was this girl so cute and likable?

With one glance, she could tell that the little girl was a straightforward person.

At this moment, Lin Xiu pushed Qin Shanyuan away and entered through the door. "Zixuan, Qin Yu, the person who stole Shanyuan's wallet that day was her!"

Lin Xiu's hand pointed directly at Liang Jiaying. Everyone's gazes followed the direction of her finger, and they couldn't help but be shocked in their hearts.

Liang Mingyu's face instantly changed color, and he dug his fingers into Liang Jiaying's wrist. "Jiaying, is what she said true? You stole Qin Shanyuan's wallet?"
