

Beauty 851

Chapter 851: No Matter What Kind Of Excuse You Use, You'll Be Called A Thief Forever

"I-I ..." Liang Jiaying slowly lowered her head, afraid of meeting Liang Mingyu's questioning gaze.

Liang Mingyu had taken care of Liang Jiaying since she was born. How could he not understand his own sister?

He suddenly understood the situation and was heartbroken. He brushed Liang Jiaying's hand away and said, "Jiaying, how could you do that?"

"Big brother..." Liang Jiaying's big eyes filled with tears as she was racked with guilt.

"Don't call me brother!" Liang Mingyu shook his head as he said in frustration, "How did mom and dad teach us in the past? No matter how big the problem is, no matter how desperate we are, we can't do anything that goes against our conscience! Jiaying, you stole someone's wallet! Did you know that once you try to steal something, no matter what kind of excuse you use, you'll be called a thief forever? You won't be able to get rid of it! Do you want to be branded a thief for the rest of your life?"

"Big brother, I was wrong! I'm sorry, I know I was wrong. Please don't be angry with me. You're injured!" Liang Jiaying tried to grab Liang Mingyu's hand, asking for his forgiveness.

Who knew Liang Mingyu would push her away and roar at the top of his lungs? "Don't touch me!"

"Wuu ... Wuu ... Sob, sob ..." Liang Jiaying suddenly cried and looked at Liang Mingyu, not knowing what to do.

Liang Mingyu lowered his head. His chest was hurting. Actually, he knew that Liang Jiaying had stolen the money because of him.

It's not that he couldn't forgive Liang Jiaying now, it was just that he couldn't forgive himself.

If Liang Jiaying were lying on the bed, as her brother, not to mention stealing, he would definitely take the money to treat her injuries.

But... He's a man!

How could he let his sister do such a thing for him?

"Jiaying..." Qin Shanyuan looked at Liang Jiaying's pitiful appearance and walked over to her, clutching her shoulder in heartache. "I don't blame you. On the contrary, I still have you to thank. Otherwise, I wouldn't have known you at all."

"Who wants to know you!" Liang Jiaying emotionally pushed Qin Shanyuan away from her, took two steps toward the wall, and after putting a safe distance from him, she stood there and looked at everyone in the room. "I stole his wallet, I never denied it! It's fine if you want to call the police and insult me now, but please don't bother my brother anymore!"

Liang Zixuan was speechless. Everything was in good condition, how could it end up like this?

Who hadn't been in dire straits before?

Who could say that they had never done anything wrong in their lives? *NOVELUS.COM*

It wasn't right for Liang Jiaying to steal Qin Shanyuan's wallet, but if it had been them, they probably would have done the same thing as her.

Qin Yu looked at Qin Shanyuan. At this moment, she suddenly felt sorry for him.

Her brother didn't know how to pursue girls at all, and he didn't know how to get along with girls either. It was good enough if there were no misunderstandings, and her family had agreed to support him, but in the current situation, it seemed too difficult to solve the problem with Liang Jiaying.

Seeing the sadness in Qin Shanyuan's eyes, Qin Yu silently shook her head.

"Jiaying." Liang Zixuan said calmly, "No one will hand you over to the police, and no one will insult you. We already know about you and your brother. You did something wrong in the heat of the moment, and we can all understand you."

"Aunt, that's enough." Liang Mingyu closed his eyes and smiled bitterly. "I thank you for your kindness. The Liang Family's business is my siblings' affair, you don't need to interfere."

"Xiao Gyu!" Luo Yanyun said anxiously, "How can you say that? Didn't we agree to help you?"

Liang Mingyu stubbornly raised his head and looked at Luo Yanyun. "Can I ask Great-grandmother Yanyun to leave me with some pride? After Jiaying did this, I no longer have the face to accept your kindness. I'll think of a way to repay the money she owes Qin Shanyuan."

Tian Qihua stood up, walked to Lin Xiu's side, and pulled her hand.

Lin Xiu knew what Tian Qihua meant, but she couldn't tolerate it.

She definitely couldn't let Qin Shanyuan be with Liang Jiaying, and their Qin Family would definitely not accept a thief as their daughter-in-law.

"Jiaying, please send our guests away. I'm tired, I want to rest." Liang Mingyu closed his eyes and lay down, enduring the pain in his body.

Obviously, he didn't want to talk about anything else.

Liang Jiaying wiped the tears from her face and extended her hand to them. "Please leave. I'll return the money as soon as possible."

"Jiaying ..." Qin Shanyuan still wanted to fight for more, but Liang Zixuan held his hand.

Qin Shanyuan looked down at Liang Zixuan, who was sitting in a chair. She shook her head at him. He gritted his teeth and swallowed the words he wanted to say.

"Everyone is tired today. We'll go first. Liang Mingyu, have a good rest."

Liang Zixuan slowly stood up with her bloated belly. Then she looked at everyone and led the way out.

Everyone naturally said nothing more and followed her outside.

Liang Jiaying led them to the door and waited until everyone came out before slamming the door shut.

When she came back, she continued to kneel beside Liang Mingyu's bed. "Big brother, I made a mistake. I'm sorry, can you forgive me?"

Even though they were twins, Liang Jiaying always respected Liang Mingyu. Although he had only come out a few minutes earlier than her, she didn't harbor feelings of inferiority towards him, like other siblings did.

Now that their parents were gone, Liang Mingyu was like parents to her.

"Jiaying, don't do this. You know, I don't blame you, and I'm not mad at you, I just... I'm only angry at myself." Liang Mingyu closed his eyes, not even daring to look at Liang Jiaying.

He was afraid that if he opened his eyes, his tears would come out.

At such a moment, he can't fall and he can't be weak. He was the only tree that Liang Jiaying could rely on.

Liang Jiaying sniffled and rose from the floor. She sat on the side of the bed and suddenly bent down to hug Liang Mingyu. "Big brother, I'm sorry!"

Liang Mingyu gently patted Liang Jiaying on the back. "You didn't let me down, I let myself down."

Liang Zixuan and the others hadn't spoken a word since they left Liang Mingyu's sick room. When they arrived home, everyone looked depressed. Qin Shanyuan just went upstairs without a word and locked himself in his room.

Han Szeto and Han Yuanjun had already returned home. The prepared hospital and Han Szeto's movement were immediately stopped by Tian Qihua's single call.

After Han Yuanjun helped Liang Zixuan sit down, he looked at everyone's gloomy expression and whispered to her, "Baby, what happened?"

Chapter 852: Doesn't Your Conscience Hurt To Laugh At A Pregnant Woman Like That

Liang Zixuan felt very tired. Not only was she physically tired, but her heart was also tired. She lazily leaned in Han Yuanjun's arms and said in a low voice, "It's a long story."

Han Yuanjun frowned. He hugged Liang Zixuan while glancing at Lin Xiu. "What happened?"

"Who would have thought..." Qin Yu sneered, "Big brother's wallet was actually stolen by Liang Jiaying."

"Huh?" Han Szeto was dumbfounded and slightly confused for a moment. "Didn't Shanyuan say that the police found his wallet in the trash can? Even though the money is gone, the bank cards and ID card are still there."

"Shanyuan lied to us." Tian Qihua shook her head. "The last time he accompanied Lin Xiu to the clinic, he accidentally bumped into Liang Jiaying. Afterward, she returned his wallet to him. I think at that time, he already had his eyes on this little girl, so he came home to deceive us."

"What is Qin Shanyuan doing?" Han Yuanjun gritted his teeth and cursed, "How can he lie about this? No matter how perfect the lie is, it will eventually be exposed one day! If he says it out loud, what can we do to Liang Jiaying?"

Liang Zixuan smiled bitterly and closed her eyes tiredly. "That brother of hers is also so stubborn. We originally persuaded him to accept our help, but now after learning that Liang Jiaying stole Qin Shanyuan's wallet, his pride no longer allows him to accept our help, and he kicked us all out."

"I don't think it's my brother's fault." At this moment, Qin Yu began to protect her own brother. "He has never had a relationship in his whole life. If you ask him to get more than a hundred million corporations, he can think of every way, but when it comes to his first relationship, his mind goes blank and he immediately becomes dumb. He can only think of how to get the girl and cannot think of anything else."

It was sad to talk about it.

Who hadn't been naive and ignorant for the first time?

If Qin Shanyuan's EQ were really high, he wouldn't have had trouble finding a girlfriend until now.

Seeing that Lin Xiu didn't say anything, Tian Qihua sighed helplessly.

The most important thing in this matter was to get Lin Xiu's approval.

If Lin Xiu could let go of her face and her pride at this time and speak kindly to Liang Jiaying, Qin Shanyuan would most likely still have a chance.

However, seeing Lin Xiu's angry expression, Tian Qihua knew it was impossible for her to let go of her pride.

"Forget it, it's already very late. No one has eaten yet. Let's eat first."

Lin Xiu suddenly stood up and said, "I have no appetite. You guys go ahead and eat."

With that, she went upstairs.

After her figure had completely disappeared from the corridor, Liang Zixuan said to Qin Yu, "Qin Yu, we need you to talk to your mother properly about this matter. After all, this is no longer just about your brother's relationship. It's also about the life and death of the Liang Family. If we allow Liang Mingyu and Liang Jiaying to wander around without any protection, the He Family will most likely destroy the last generation of our Liang Family."

Ever since Qin Yu had married Liang Jiahao, she had grown up in an instant. After breaking up with him, she understood even more clearly that one's attitude could change many things.

"Alright." Qin Yu stood up and said, "I'm not hungry now. I'm going to see my mother."

Coincidentally, Liang Jiahao came back from outside. Qin Yu saw him and immediately went over to help him take off his coat and hang it on the coat stand. She pulled him aside and whispered, "Can you help me see my brother? I'm afraid he might do something irreparable." *NovE!USB.cOm*

Liang Jiahao naturally handed his briefcase to Qin Yu. "What happened?"

Qin Yu put Liang Jiahao's briefcase on the shoe rack beside the door and held his hand, saying, "Come on, let's go upstairs while I tell you."

Liang Jiahao nodded patiently, "All right."

Luo Yanyun felt happy in her heart as she looked at the interaction between husband and wife.

Husband and wife, not only would help each other, but also understand each other.

"Szeto, can I trouble you to inform the servant to keep Qin Yu and Jiahao's food? When they finish their work, they'll come downstairs and eat."

Han Szeto said respectfully, "Grandmother, don't worry. I won't let them starve."

Liang Zixuan patted Han Yuanjun's chest. "I'm hungry, I've been hungry for a long time. Let's go eat."

Han Yuanjun lightly scratched her nose with his index finger. "Greedy cat, I know you're hungry. I had asked the servant to make your favorite hotpot."

In the past, Liang Zixuan used to eat hotpot only once a month, but now that she was pregnant, she'd feel uncomfortable if she couldn't eat it every day.

Han Yuanjun's words made Liang Zixuan's eyes light up. Immediately, she got up and rushed toward the kitchen.

Han Yuanjun gently pulled her back. "Don't worry, they cooked a lot. There should be enough for you to eat."

Liang Zixuan smiled happily and gestured with both hands excessively. "I need to eat a lot to keep our baby healthy!"

Han Szeto couldn't hold back anymore and laughed out loud, "Hahaha... Zixuan, you can't let others see you like this, otherwise, the others will assume that I, the elder grandson of the Han Family, can't feed pregnant women like you well."

Liang Zixuan pursed her lips in embarrassment. "Big brother, doesn't your conscience hurt to laugh at a pregnant woman like that?"

Han Szeto touched his chest and shook his head seriously, "It doesn't hurt."

Liang Zixuan: "...."

Han Szeto only came home once during New Year's Eve. Although Liang Zixuan had interacted with him before, she could tell that he was an honest and upright brother.

But now that she lived in his house, it could be said that they met day and night. Only then did she see Han Szeto's true color. Indeed, he was Han Yuanjun's brother, for his words were as irritating as Han Yuanjun's words!

Han Yuanjun held Liang Zixuan and glared sharply at Han Szeto. "Baby, don't mind him. We still have to stay here for a long time. Let's eat more, eat until we've eaten everything in this house before we go home."

Han Szeto said, "Jun, you really are my brother!"

Chapter 853: When A Man Chases After His Own Woman, He Really Has No Shame In Himself

Qin Yu and Liang Jiahao stood in the corridor for a while. She told him everything that had happened today.

After Liang Jiahao heard this, he confidently patted Qin Yu on the shoulder. "Leave your brother to me. You can talk to your mother without worrying."

Qin Yu was so moved that she hugged Liang Jiahao's waist. "Xiao Liang, you are so kind! I know you'll help me no matter what."

"Silly girl..." Liang Jiahao hugged Qin Yu and then patted her head. "Go quickly, persuade our mother well and let her go downstairs to get something to eat. She can't stay angry and refuses to eat."

"En!" This sentence warmed Qin Yu's heart. She tiptoed up and kissed Liang Jiahao's chin. "Tonight, I'll reward you!"

"Reward?"

Liang Jiahao pulled Qin Yu, who was about to run away, back into his arms. With a smile, he looked down at her. "What kind of reward do you want to give me?"

Qin Yu smiled shyly and pushed his chest with her small hand. "You'll find out tonight!"

This push made Liang Jiahao's heart itch. He could hardly wait until it was late at night. He stared at Qin Yu's cute appearance, hoping he could drag her to their room and ask for a reward now.

Watching Qin Yu go to Lin Xiu's room, Liang Jiahao finally went to Qin Shanyuan's room and knocked on the door three times.

He waited for a moment, but no sound came out. If Qin Yu hadn't told him that Qin Shanyuan was inside, he would have definitely suspected that no one was inside.

"Big brother." Liang Jiahao knocked on the door three times again.

It was silent, not a single sound could be heard.

Liang Jiahao finally couldn't hold it in anymore. He was afraid that Qin Shanyuan would do something unthinkable, so he put his hand on the doorknob and turned it. The door opened...

Liang Jiahao sighed. Fortunately, Qin Shanyuan was so angry that he'd forgotten to lock the door. Otherwise, he needed to break down the door.

Liang Jiahao looked around the room and finally spotted Qin Shanyuan sitting on the bed like a statue, leaning against the wall. If one didn't look closely, they wouldn't notice him there.

"Big brother." Liang Jiahao took a bottle of wine from the liquor cabinet by the door and walked over. He sat cross-legged in front of Qin Shanyuan and opened a bottle of wine. "Fancy having a drink with me?"

Qin Shanyuan glanced at the wine in Liang Jiahao's hand and nodded listlessly.

Liang Jiahao was the first to take a big sip from the wine bottle. This wine was not spicy, and its taste was very fragrant. After drinking it, he passed the bottle to Qin Shanyuan. "I am not in a good mood today."

Qin Shanyuan stared at the wine bottle for a moment before taking a sip.

The soft, fragrant wine swirled around his tongue. It tasted pretty good, you might say.

He took another sip. After drinking it, he raised his hand and wiped his mouth with his sleeve. "You are married to Qin Yu and the wedding will be held soon. Why are you in such a bad mood?"

Liang Jiahao raised his eyebrow, pretended to be annoyed, and snatched the wine from Qin Shanyuan's hand. Then he took another big gulp.

Liang Jiahao stared at Qin Shanyuan and laughed sarcastically. "Everyone says that marriage is the grave of love, that marriage is not the final destination of love, but the beginning of the complicated and tangled lives of two people."

Qin Shanyuan licked his lips. "You seem to be right."

"Of course I am right!" Liang Jiahao handed the bottle to Qin Shanyuan. Although he called Qin Shanyuan "big brother", in reality, every time he was with him, he was the Big Bro.

He was mature and steady, especially after he had a relationship with Qin Yu. His maturity was something that Qin Shanyuan could not match up to.

Although Qin Shanyuan held an important position in the company and knew how to deal decisively with a group of smart businessmen, in his heart, he was still a small child who hadn't grown up.

He was confused. He yearned for love but was frustrated because he had no experience.

"Big brother, you may not know." Liang Jiahao snorted, "When I was chasing Qin Yu, my patience had almost reached the limit. Your sister kept calling me 'uncle' and 'uncle', which really pissed me off! I treated her like a woman, but she treated me like an old pervert. If you were in my place, wouldn't you be angry too?"

"Haha..." Qin Shanyuan finally revealed a rare smile. After taking a sip of wine, he asked with interest, "Then, how did you get her to marry you?"

"By being shameless." When Liang Jiahao said this, he did not feel disgraced at all, nor did he feel that he had hurt his image. On the contrary, he even had a proud face. "When a man chases after his own woman, he really has no shame in himself. What is a face, and what is self-respect? Such things are not important. If you cannot be like that, I advise you not to chase after her."

"Just like me, in front of Qin Yu, I don't want a bit of self-respect. No matter how much she scolded me or how much she annoyed me, I will do anything to pester her."

The corner of Qin Shanyuan's mouth twitched when he heard this. The Liang Jiahao he knew was not a man who would do such a thing. And what was he really proud of?"

Liang Jiahao was getting emotional. He took the wine bottle from Qin Shanyuan's hand and sipped it. "Look at you. Even after I told you, you still don't want to believe me."

Qin Shanyuan's mouth twitched again.

Liang Jiahao wiped his mouth and placed the wine bottle heavily on the ground. "Didn't I break up with Qin Yu last time?" novelusb.com

"Yes, I know about that." Qin Shanyuan nodded.

Liang Jiahao laughed. "How do you think I asked her to forgive me and makeup with me?"

Qin Shanyuan really did not know anything about this.

Qin Yu never mentioned it to anyone.

All they knew was that Qin Yu and Liang Jiahao had a long talk in the gym before Liang Jiahao brought her to get the certificate.

No one really knew what had happened.

Moreover, Qin Yu would not say anything no matter how they asked. Of course, no one dared to ask Liang Jiahao.

Liang Jiahao noticed Qin Shanyuan's curiosity, so he gave up trying to hold him in suspense. "That day when Qin Yu rebelled against me, she made me understand one thing. In love, you should not feel regret and 'I love you', these words are really important. Do not think that saying it once is enough either. Women are the most insecure creatures. You don't need to express it every day, but as long as there is a problem or misunderstanding, and you say 'I love you', everything will be solved. Besides, it doesn't matter if it's your fault or not, as a man, you will admit your fault, and as long as your woman is hurt, it's the man's fault."

Qin Shanyuan: "...."

Why did he feel like Liang Jiahao was brainwashing him?

Chapter 854: Will You Force Him To Marry A Woman He Doesn't Like

Nevertheless, Qin Shanyuan still felt that it was so reasonable. He felt that it was very true.

Qin Shanyuan frowned, "But I remembered that I'd said I was wrong to her..."

"How can that be enough!" Liang Jiahao interrupted Qin Shanyuan's words. "If the other party doesn't forgive you, then kneel down and take out the ring. Say it out loud that you're sorry!"

Qin Shanyuan: "...."

Huh...

Wasn't this too embarrassing...?

Although he liked Liang Jiaying, she'd never said that she liked him.

"Big brother." Liang Jiahao pushed Qin Shanyuan's hand that was on his knee. "Don't think too much. If you want a face, then you won't have a girlfriend for the rest of your life. You must be shameless if you want a girlfriend. Think hard." *NoVeluS&.cOm*

With these words, Liang Jiahao got up. Qin Shanyuan became restless and reached out to stop him. "Don't go! Tell me more..."

"Tell you what?" Liang Jiahao looked at Qin Shanyuan with disdain. "You want a face, I don't want to waste my breath on you."

"I want a girlfriend, I want to be shameless!" Qin Shanyuan said firmly.

Liang Jiahao's eyes narrowed, and in the next moment, he chuckled, "I can teach you that."

After sitting down, he listened to Qin Shanyuan's concern seriously. "Okay, I understand. You think that since Liang Jiaying didn't say she likes you, you're afraid of being shameless and afraid of thinking too much, right?"

Qin Shanyuan nodded vigorously.

"That's easy." Liang Jiahao laughed while patting Qin Shanyuan on the shoulder. "As long as you carry out these words seriously and carefully, no matter what her attitude towards you is, you need to always stick to her and apologize when you do wrong. Women's hearts are all made of water. Not to mention Liang Jiaying, even a simple woman will feel guilty if she stole something. You just need to remember that she owes you money and stubbornly clings to her without letting go. After that, you'll ask her again, and whatever she needs, you'll help her. Even if her heart is made of stone, it'll falter under your hard persistence."

Qin Shanyuan raised his hand and gave Liang Jiahao a thumbs up without hesitation.

"Brother-in-law, you are awesome! Hearing your words, it's even better than ten years of studying in school!"

Liang Jiahao raised his eyebrow. "Do you even understand what I'm saying?"

Qin Shanyuan nodded happily. "Understand! I need to be shameless! As long as I can capture Jiaying's heart, it doesn't matter if I have a face or not."

Liang Jiahao patted Qin Shanyuan on the shoulder and got up. "Alright, since you've made up your mind, go and do it tomorrow. I'll be waiting for your good news."

"Alright!" Qin Shanyuan also got up from the bed and suddenly felt his stomach growling. He held his stomach and looked at Liang Jiahao sheepishly. "I haven't eaten anything since noon... So... I'm hungry!"

Just as Qin Shanyuan was about to head for the door, he was caught by Liang Jiahao. "Where are you going?"

Qin Shanyuan said, "To eat. I haven't eaten anything and I'm starving now."

"How can you still be in the mood to eat?" Liang Jiahao glared at Qin Shanyuan with disappointment. "Don't eat tonight, don't eat tomorrow morning, just go to Liang Jiaying. Tell her that you're so sad because of her, until you can't eat anything."

Qin Shanyuan: "...."

No wonder he never had a girlfriend, he was still too inexperienced!

Qin Shanyuan raised his hand and wrapped it around Liang Jiahao's shoulder, asking in a sly manner, "Is that how you tricked my sister into marrying you?"

Liang Jiahao glanced at the hand on his shoulder and pushed it down without hesitation, "Do I even have to act like that?"

With that, he lifted his feet and left. He didn't give Qin Shanyuan a chance to get angry at all.

Sure enough, Qin Shanyuan's heart-wrenching voice sounded from behind him. "Liang Jiahao, you bastard! You asked me to be shameless, yet you covered your own face!"

Liang Jiahao turned around and looked at Qin Shanyuan with a sharp gaze. Qin Shanyuan's breath immediately caught in his throat as he felt the scorn of King Yama.

Qin Shanyuan: "Alright! I'm shameless."

Qin Yu and Lin Xiu chatted in a more gentle manner.

Since Lin Xiu couldn't stand the fact that Liang Jiaying was a thief, Qin Yu set an example for her.

"Mom, think about it. If this happened to big brother and me, I would need a lot of money to treat his injuries, but I have no money with me. I have to save big brother no matter what, and as a girl, what do you think I should do?"

Lin Xiu pursed her lips and said nothing.

It wasn't that she didn't listen to Qin Yu. It wasn't that she didn't follow Qin Yu's words.

On the contrary... She couldn't say anything at all.

Qin Yu held Lin Xiu's hand. "Mom, you are also a woman. You should know that there are other shortcuts for women to get money as quickly as possible. Other than this shortcut, the only thing to do is to steal and cheat! But if I am at my wit's end, do you want me to take a shortcut, or do you want me to cheat you?"

"Of course, you can't take a shortcut!" Without thinking about it, Lin Xiu immediately answered Qin Yu's question.

As she said this, she regretted it.

"Why do I have to answer that? This can't happen to you and your brother! I won't allow it, and neither will your father!"

"That's right!" Qin Yu put her arm around Lin Xiu and shook her shoulder pamperingly. "Mom, you know that Liang Jiaying can be forgiven for stealing in this situation. I'm not saying she's not wrong, she's

wrong! But it's not a mistake that can't be forgiven. Big brother likes her very much. Even if you don't want to help him, can you not stop him from pursuing his own happiness?"

Lin Xiu pursed her lips, not wanting to answer this question.

Qin Yu didn't force her but smiled and said, "And I think, even if you disagree, big brother won't give up even if you forced him to. He will definitely pursue Liang Jiaying, and when the time comes, he will bring her back."

"He dares!" Lin Xiu scolded her angrily, "I raised him to such a great age, but for a woman, he dares to go against his parents' words?!"

"Aiya...Mom!" Qin Yu sighed, "Big brother can have the best happiness, so why can't you help him? Will you force him to marry a woman he doesn't like? Won't he feel disgusted with her in the future? If grandparents objected to your relationship with dad, won't you feel sad too?"

Chapter 855: A Single Dog Has No Right To Be Jealous

"Enough!" Lin Xiu lost her temper and pushed Qin Yu, who was clinging to her body like a koala, then sneered. "Don't try to persuade me again! If your brother really has such abilities, shouldn't he with Liang Jiaying by now?"

Qin Yu blinked and blinked again. She suddenly understood what Lin Xiu meant.

Lin Xiu was a stubborn woman, but at the same time, soft-hearted!

On the surface, she pretended to dislike Liang Jiaying and disapproved of Qin Shanyuan's relationship, but in her heart, she felt sorry for her precious son.

No matter how despicable he was, Qin Shanyuan was still her child whom she'd carefully raised.

Qin Yu laughed out loud, "I understand, I understand."

Lin Xiu feigned anger and frowned at Qin Yu. "What do you understand?"

Qin Yu stood up and walked towards the door. She turned around and walked backward while smiling at Lin Xiu. "Mom, trust big brother. He can definitely do it!"

Seeing Qin Yu's unruly smile, Lin Xiu could no longer hold it back.

"Puchi," she laughed out loud. "Let's just watch him. If he fails to capture Liang Jiaying's heart, don't blame it on me."

Qin Yu immediately stood at attention. Following Liang Jiahao's example, she saluted Lin Xiu. "As you command!"

Seeing Lin Xiu's smile, Qin Yu sighed in relief. She put her hand on the door handle and turned the handle hard. When the door opened, she saw Liang Jiahao leaning against the wall, waiting for her.

Qin Yu immediately closed the door, walked up to him, and hugged him. She raised her head and snickered, "How's it going over there?"

Liang Jiahao raised his eyebrow and said proudly, "Is there anything at all that I can't do in this world?"

"Hee hee..." Qin Yu was overjoyed. She got out of Liang Jiahao's arms and turned him around. Then she jumped onto his back with a loud thump. "My man is really awesome. He knows martial arts, is good-looking, and earns more money, but saves it for his wife. He is truly a high-quality male god!"

Liang Jiahao carried Qin Yu on his back and walked downstairs easily.

"As a high-quality male god, won't my rewards be the greatest tonight?" *NoVeLUsb.CoM*

Qin Yu smiled mischievously. "Guess?"

Liang Jiahao nodded seriously, "Absolutely!"

Liang Zixuan, Han Yuanjun and the others were eating downstairs, but they weren't eating as calmly as they thought of the people upstairs.

Suddenly, they saw Liang Jiahao carrying Qin Yu downstairs. The two of them talked and laughed, and everyone finally breathed a sigh of relief.

"Qin Yu, would you like some hotpot meat?" Liang Zixuan pushed the pot that the chef had just prepared towards her.

Liang Jiahao put Qin Yu down. Qin Yu was two meters away from the table, but could still smell the delicious aroma of the food. "I want it!"

She sat down and took a piece of meat. The spicy taste gave her a pleasant feeling. "Delicious! It's very delicious. Just from one bite, I could tell the taste is original."

After Liang Jiahao sat down, the servant brought him a bowl of rice. Liang Jiahao was not a picky eater, and previously, while he was on the missions, he had eaten everything, so what kind of food didn't matter to him as long as he had enough to eat.

Qin Yu wanted Liang Jiahao to have a taste of it. She picked the meat and wanted to put it into his bowl, but he stopped her gently. "No need."

He leaned over and bit into Qin Yu's chopstick.

Han Cihui, the single dog: "...."

"Baby, the shrimp have been peeled. I dipped them in vinegar for you." Han Yuanjun brought a plate of peeled shrimp to Liang Zixuan and even carefully placed a small plate of vinegar next to her hand. "You like sour food, so if the vinegar taste is not enough for you, dip them again."

"Thank you, hubby." Liang Zixuan took one of the shrimps and put it in her mouth, and chewed it carefully. As expected, the vinegar taste was not enough. She dipped it in vinegar before putting it in her mouth at the next meal.

Han Yuanjun was taking good care of her. "You have to eat the tofu too. Eat the shrimp with the tofu."

Liang Zixuan actually did not like eating tofu because it did not taste very good and was light. However, since she was pregnant, she had to eat a lot of high-protein food, so she forced herself to eat it.

Liang Zixuan picked up the tofu and dipped it into the seasoning. She didn't expect the tofu Han Yuanjun gave her would be so delicious. Her eyes immediately lit up as she said, "This is so delicious, get me some more."

Han Yuanjun took the plate of tofu and put it in front of her. When he saw Han Cihui staring at him, he snorted disdainfully, "What are you looking at?"

Han Cihui: "..."

Who did he offend in his past life?

It was just a meal here, but it suddenly became a token of affection. Before, it was fine when it was just Han Yuanjun and Liang Zixuan, but now, with Liang Jiahao and Qin Yu here, it had turned 360 degrees.

He couldn't avoid it.

Han Cihui clenched his chopsticks tightly. When he saw that there were more dishes, he immediately felt better. "This is just a plate of tofu. Since sister-in-law likes to eat, let her eat more."

After Han Yuanjun helped put the tofu into Liang Zixuan's bowl, he casually raised his eyelids and glanced at Han Cihui. While eating, he poked Han Cihui's heart. "Yeah, it's just a plate of tofu, but there are some people who don't even deserve to eat the tofu."

Seeing Han Cihui's confused face, Han Yuanjun sneered. "A single dog has no right to be jealous!"

Han Cihui was so angry that he rolled his eyes.

After hesitating for a long time, he decided to put the food on his stomach instead of arguing with Han Yuanjun. He picked up his chopsticks and was about to continue eating, but Liang Jiahao mercilessly took away the dish that was in front of him.

Han Cihui looked at him with hidden bitterness. "Brother Liang, can you leave some for me?"

Liang Jiahao placed the plate right in front of Qin Yu. "Uncle, your niece will join the film crew in a few days, she needs to eat a lot."

Han Cihui: "..."

Forget being angry, he was so furious right now.

There were so many people at the table, yet no one helping him. It was one thing for Han Szeto not to speak for him. Even the elders pretended not to see him.

Besides, those dishes had to be eaten by everyone. Why didn't anyone open their mouths and scolded Han Yuanjun and Liang Jiahao for being too excessive?

Just as he was thinking this, Tian Qihua stood up and pushed a plate of chicken to Liang Zixuan. "Zixuan, eat more."

Liang Zixuan sweetly replied, "Thank you, mom."

Qin Shaoqiang straightened up and pushed a plate of sweet and sour ribs in front of Qin Yu. "Qin Yu, this is your favorite food. Eat more."

Qin Yu looked up and smiled sweetly at Qin Shaoqiang. "Thank you, dad."

Han Cihui looked at Zhang Xiuying, but she didn't look at him at all. It didn't matter that she didn't look at him, but she pushed the remaining dishes to Liang Zixuan and Qin Yu. "Look at you two, here eat more."

Han Cihui: "..."

Son of a bitch!

Zhang Xiuying was his mother!

Was there a mistake?

Don't single dogs have human rights too?

Should a single dog be abused?

Chapter 856: You're Bullying Me Because I Don't Have A Girlfriend

Just when Han Cihui was so angry that he wanted to throw away his chopsticks, Han Szeto finally could not take it anymore and pushed the red braised ribs in front of him to Han Cihui.

Han Cihui was so moved to the point of crying, "Big brother, you are the best!"

Han Szeto said nothing. After Han Cihui stuffed a piece of meat into his mouth, he slowly said, "Don't thank me yet."

Han Cihui immediately spat out the meat. "It's so spicy!"

Han Cihui, who had been bullied enough, finally remembered the good points of Qin Shanyuan.

Before this, he was accompanied by Qin Shanyuan, and they were scolded by all of them together. If they had insulted him, someone would have helped him block half of the cannon fire. Today, Qin Shanyuan did not come down, so all the cannon fire was directed only at him.

Han Cihui raised his head and looked toward the stairs. "Where is Shanyuan? Why didn't he come down?"

Qin Yu raised her eyelids and glanced at Han Cihui, then pursed her lips contemptuously and said nothing.

Han Cihui was upset. "All of you can't bully me alone. Later, when Shanyuan comes down, you need to bully him. I won't speak up for him."

The moment he'd finished, Qin Shanyuan walked down the stairs at a leisurely pace. He followed Lin Xiu a few steps behind.

Han Cihui was so excited. "Shanyuan, come quickly. I leave this chair for you."

Qin Shanyuan sat down next to Han Cihui, while Lin Xiu sat next to Qin Shaoqiang.

Qin Yu raised her head and looked at Qin Shanyuan with a smile. "Big brother, you must be hungry, right?"

Qin Shanyuan secretly looked at Liang Jiahao and shook his head.

Qin Yu didn't know what Liang Jiahao was saying to Qin Shanyuan. She thought Qin Shanyuan didn't understand her, so she quickly pushed all the dishes in front of her to him. "Big brother, eat more. You need fighting strength for tomorrow."

Qin Shanyuan shook his head in embarrassment. He wanted to eat, but he couldn't because Liang Jiahao wouldn't let him. He had to stop eating to soften Liang Jiaying's heart.

Liang Zixuan thought that Qin Shanyuan didn't like the dishes. With a bloated stomach, she stood up and pushed her dish towards him. "If you don't like the food, then eat mine."

Qin Shanyuan was drooling, but he still shook his head and watched everyone eating ravenously.

Han Cihui's heart suddenly became unbalanced.

What right did he have to be a single dog with such a low status?

Qin Shanyuan fell in love and suddenly became the target of the family's protection and care?

"If you don't eat, I will!" Han Cihui picked up his chopsticks and was about to pick up the ribs, but suddenly a hand grabbed the dish and moved it away from him.

Han Cihui looked up and almost cried, "Mom..."

Zhang Xiuying didn't even look at him as she pushed the dish in front of Qin Yu and Liang Zixuan. "You two should eat more. Shanyuan probably doesn't have an appetite to eat."

Qin Shanyuan felt wronged, but he didn't want to say it.

Han Cihui felt even more wronged. He put his chopsticks on the table and put on his young master's attitude. "You're bullying me because I don't have a girlfriend, right? Just you wait. Tomorrow I'll go out for a walk too. I'll definitely find a girlfriend and bring her home for you all to see!"

Zhang Xiuying rolled her eyes at him. "Then we'll wait for your good news. Don't come home until you have a girlfriend."

Han Cihui: "..."

That's really his mother.

But she was the most fierce.

Everyone ate a little. Seeing that Qin Shanyuan didn't touch his chopsticks, Lin Xiu couldn't hold back her worries any longer. She asked him, "Why aren't you eating?"

Qin Shanyuan wasn't really angry with Lin Xiu. He knew that even other parents wouldn't be able to accept Liang Jiaying. He smiled, "I'm not hungry..."

Just as he said that, his stomach gave a disappointing growl.

Lin Xiu immediately narrowed her eyes. Qin Shanyuan feared that she would get angry, so he quickly said, "Really, I am not hungry. I don't have a good appetite now."

Han Szeto was not satisfied. The chef he had invited was from the country. He cooked so stealthily that even Old Madam Han and Old Man Han got used to the taste, yet Qin Shanyuan said he didn't have an appetite?

"Since you have no appetite, why are you still sitting here?"

Qin Shanyuan laughed shamelessly. "I'm watching you all eat!"

Han Szeto: "...."

This Qin Shanyuan was asking for a beating!

Qin Shanyuan saw Han Szeto's face sink. Speaking of Han Szeto, when he was mad, even Han Yuanjun was three points weaker than him.

Qin Shanyuan immediately got up and went to the living room. He picked up three apples and took them in his arms. As he walked upstairs, he said, "I'm really not hungry. You guys take your time eating. I'm going to eat some fruit."

Han Szeto threw his chopsticks. "If you're not hungry, why did you take three apples!" *novelusB.com*

After dinner, the family sat in the living room talking while watching TV.

Han Yuanjun had seen the drama several times. Every time Liang Jiahao turned to look out the window, he would also look in that direction, but he could not find anything unusual. Finally, Han Yuanjun couldn't help but ask, "Big brother, what are you looking at?"

Liang Jiahao averted his gaze and said calmly, "Waiting for the sky to darken."

"Waiting for the sky to darken?" Han Yuanjun narrowed his eyes meaningfully, "Why wait until it gets dark? What are you planning to do?"

Liang Jiahao looked at Han Yuanjun with an indifferent expression and suddenly smiled. "It's a secret."

Han Yuanjun: "..."

There's still a secret?

But who in this world wouldn't have a secret?

Han Yuanjun refused to admit defeat and whispered something in Liang Zixuan's ear. She burst out laughing, causing Qin Yu, who was watching TV, to look at her. "Auntie, what are you laughing at? Just say it, and let me be happy too."

Liang Zixuan was about to say something when Han Yuanjun suddenly covered her mouth. "It's a secret."

Qin Yu didn't know whether to laugh or cry as she looked at Han Yuanjun's proud expression.

Liang Jiahao snorted. "Childish."

"Big brother, who are you calling childish?" Han Yuanjun's voice suddenly grew louder. "I didn't say it because it's not good to say it in front of everyone. If you really want to hear it, then I will say it."

Liang Jiahao didn't care, but Qin Yu couldn't take it anymore. She stared at Han Yuanjun with bright eyes and asked curiously, "What is it? Uncle, tell me quickly."

Han Yuanjun was about to say something when Liang Zixuan raised her hand to cover his mouth. Han Yuanjun smiled mischievously at Liang Zixuan and stopped talking.

Chapter 857: Liang Jiahao's Reward

Qin Yu almost died of anxiety. "Uncle, auntie, what is it? Tell me quickly."

Liang Zixuan looked at the people around her and saw that everyone was staring at her. She pursed her lips in embarrassment and lowered her voice, "I just noticed that Qin Yu seems to like eating spicy foods. Her taste is getting closer to me, so I asked Jun, does Qin Yu...? He said that's impossible and she has to finish filming the movie first before that could happen."

Qin Yu: "..."

She liked to eat spicy food?

Didn't she always like to eat that?

Seeing everyone's gaze shifted to her stomach, Qin Yu panicked.

She hurriedly covered her stomach as if she was hiding a treasure. "That's impossible! I always like to eat spicy foods. No, stop it! Don't look any further!"

The others averted their gaze from Qin Yu's stomach and stared at her with meaningful smiles. Lin Xiu, on the other hand, did not. She stared directly into Qin Yu's stomach as if she had laser eyes to see what was inside, staring without blinking.

Qin Yu was very depressed. She quickly crawled into Liang Jiahao's arms, trying to avoid her mother's scrutiny.

Liang Jiahao held Qin Yu tightly in his arms as he casually explained, "Earlier, when we received the certificate, Qin Yu said that she had to pay brother-in-law's nurturing first, therefore, we took safety measures. Don't worry, when the time comes, it will naturally happen."

Han Yuanjun obviously did not believe him. "Don't fool me. You two can get the certificate without telling me, what else can't you do? Qin Yu, no matter how much you want to get pregnant, you have to finish shooting this movie first before you become a housewife!"

Han Szeto nodded. "Jun is right! This movie not only had a domestic impact, but it also had a huge foreign influence. We will allow this matter to pass because you have already taken the certificate secretly, but when it comes to children, you have to put that thought far back in your mind!"

"I will." Qin Yu felt very guilty, so she nodded her head. "Don't worry, I'm still young. I promise I won't get pregnant and won't have children for another three years!"

Liang Jiahao's face instantly darkened. Han Yuanjun and Han Szeto, the two troublemakers, immediately looked away as if this matter had nothing to do with them.

Liang Jiahao grabbed Qin Yu's hand and suddenly stood up. He walked upstairs without saying anything.

Qin Yu was dragged along like a chicken, not understanding what was going on as she asked, "What's wrong? What are you doing? I haven't finished watching TV. The sky isn't dark yet!" *NoVeLUsb.CoM*

Liang Jiahao opened the door and dragged Qin Yu into the room. Qin Yu groaned in annoyance. "What are you doing? Everyone is still downstairs."

Liang Jiahao forced Qin Yu to stand against the wall. His tall body couldn't help but press forward. "What about the reward?"

Qin Yu played dumb. "What reward?"

Liang Jiahao frowned and gritted his teeth. "Do I need to remind you?"

"No, no." Qin Yu immediately stopped playing around and poked Liang Jiahao's chest. "Didn't I say tonight ..."

Liang Jiahao interrupted her, "I can't wait!"

Qin Yu pouted, "Then... wait here, I-I'll get it for you."

Get it?

After waiting for so long, the reward Qin Yu mentioned was an item?

Liang Jiahao thought Qin Yu would reward him with something interesting tonight.

Liang Jiahao looked at Qin Yu in disappointment and shook his head. "Little girl, for a man, the best reward is yourself."

"Haha..." Qin Yu ran to the drawer and took out two beautiful boxes. "I went out with my mother and auntie two days ago and saw this. I initially wanted to give this to you, but it seems you didn't want it. Then I'll give it to my brother and we'll each take one."

One for everyone?

Liang Jiahao became interested. He walked to the side of the bed and stared at the two boxes for a moment. Finally, he couldn't resist and open one of the boxes.

Inside was a beautiful watch. It was very expensive.

Some people said that a man's identity was reflected in his watch, belt, and tie. A watch was a symbol of his identity as a man.

Liang Jiahao obviously had a wristwatch, but he never cared about that. For him, it's just an ordinary watch.

But whether it was the color, workmanship, or style, the watch in front of him was his favorite type.

He reached for the watch and put it on without saying a word.

Qin Yu chuckled and reached out to grab it, deliberately teasing him. "I thought you weren't interested in it? Then don't wear it, I'll give it to my brother."

"No way!" Liang Jiahao dodged Qin Yu's hand and hid the watch behind his back. "You gave it to me as a gift. What does it have to do with your brother?"

"I originally wanted to give it to you, but didn't you just say that you didn't want it?" Qin Yu pursed her lips, took off her shoes, and sat on the bed with her back to the headboard. She watched as Liang Jiahao carefully played with the watch.

"Not that I don't want it..." Liang Jiahao explained in a low voice, "I thought you... You were going to give me an even bigger surprise."

Qin Yu pouted. "So you still think that this watch isn't good enough to pull off a surprise?"

"Enough. More than enough." Liang Jiahao smiled, reached for another box, and opened it. Inside the box, there was a woman's watch that was exactly the same as the one on his wrist.

Anyone with a keen eye would be able to tell that it was a couple's watch.

Liang Jiahao took out the watch, sat on the bed, and pulled Qin Yu's hand.

Qin Yu anxiously stopped him. "No, this isn't over yet! You need to do a ritual first when wearing a watch."

Liang Jiahao looked up in surprise. "Ritual?"

"Yes, exactly." Qin Yu removed the watch from Liang Jiahao's wrist.

"I once read a story about a watch with intelligence. The watch must be worn in the position of the pulse because it will be connected to the heart. Every time the pulse beats, the heart will beat too. If two people in love are wearing the same watch, their hearts will be closely connected as long as they can keep the minute, the hour, and the second of the time the same. As long as there is no time difference, their love will continue."

Liang Jiahao didn't really want to ask, but he couldn't help himself, "Then, what if the watch stopped? Or was the time not right? What about their love? Is it wrong?"

Chapter 858: Do I Meet The Criteria You Mentioned

"Don't worry about it." Qin Yu handed her watch to Liang Jiahao and then held his watch. "This watch I bought is a mechanical watch, as long as... we live and wear it, it won't stop, and the time difference is so accurate to the point where there's only one moment of error every hundred years."

"Great!" Liang Jiahao suddenly leaned down and gently kissed Qin Yu's face. His warm lips touched her delicate skin, moving slowly. "Qin Yu, I'm sorry. I don't know anything about romance, and I don't know these stories. Sometimes, I will ignore your feelings, but as long as you show me your dissatisfaction, I won't neglect you."

"Stop it." Qin Yu immediately pressed her fingers to Liang Jiahao's lips. "Don't say something like that."

Liang Jiahao chuckled. "Okay, I won't say something like that in the future."

Qin Yu gently pushed Liang Jiahao away and held his watch. "Come on, let's set the time together, not a second too late or too fast."

"Alright." Liang Jiahao also took her watch. They both checked the watches and soon adjusted them to Beijing time. Every second counted.

"OK, done." Qin Yu put the watch on Liang Jiahao's wrist. "With this watch, our hearts will be connected no matter where you are or where I am. You don't need to lower your head to feel my heartbeat."

Liang Jiahao smiled gently. After putting on his own watch, he helped Qin Yu put on her watch. "From now on, not only are our hearts connected but our lives are also connected. Even when we're old and can't walk anymore, I'll never forget or leave you."

Qin Yu smiled and threw herself into Liang Jiahao's arms. She found a very comfortable position and rested her head on his shoulder. "I'm fine as long as you don't disappoint me in this life."

Liang Jiahao hugged Qin Yu with a smile. "I promise. I won't let you down."

That night, everyone slept soundly.

Qin Yu will be joining the filming crew in a few days. Mo Shan and Hou Fen had also arrived, but they did not stay at Han Szeto's place. Instead, they stayed in a hotel.

Early in the morning, they both took a taxi and arrived at Han Szeto's villa.

Qin Yu was dragged out of bed by Liang Jiahao. "Sister Mo and Hou Fen are both here. They want to take you shopping today. Don't be lazy, wake up."

Qin Yu was really tired. She did not know how Liang Jiahao could have so much energy after tormenting her all night.

"Alright, alright, I'll get up." Qin Yu forced herself to sit up. Seeing that Liang Jiahao was fully dressed, she yawned and said, "Oh yeah, I forgot to ask you. How did you persuade my brother yesterday?"

Liang Jiahao put on his coat and stood next to the bed, gently looking at her. "I just made him understand the principle."

Qin Yu scratched her head and looked up. "What do you mean?"

Liang Jiahao chuckled. Actually, he did not want to tell Qin Yu, but he was afraid that she would worry. She would want to go to Qin Shanyuan's room to check on him and then delay her own business.

So he just went straight to the point. "It's very simple. If he wants a girlfriend, he'll have to learn to be shameless. If he wants a face, then he'd be single for the rest of his life. Your brother did not eat yesterday because I wanted him to be hungry. When the time comes, he will use this state to touch Liang Jiaying's heart. As a man, what kind of face does he want to have in front of the woman he loves?"

"Puff..." Qin Yu burst out laughing. "Hahaha ... Xiao Liang, you ... Hahaha ... Are you trying to make me laugh to death?"

Qin Yu was so happy that she woke up from her sleep with tears streaming from her eyes. "Is this how you teach him? Do you know that face is the most important thing for my brother?" NoVeLusb.com

"Of course, I know." Liang Jiahao raised an eyebrow. "That's why he can't find a girlfriend. He deserves to be single."

Qin Yu found this very reasonable. She smiled and nodded as she gave Liang Jiahao a thumbs up. "Xiao Liang, you are so awesome! No wonder you caught me so quickly. So it's because you are shameless!"

Hearing that, Liang Jiahao was not angry. Instead, he was a little proud. He leaned down and kissed Qin Yu hard on the lips. "You are here now, why should I care about my face?"

Qin Yu quickly turned to look at the time and found that she would be late if she dilly-dallying. She immediately got out of bed.

Liang Jiahao watched her take her clothes, then went to the bathroom to take a shower. Soon after, Qin Yu came out, and Liang Jiahao couldn't help but laugh. "Don't rush. Take your time. It's fine to make Sister Mo and Hou Fen wait for a while."

"I didn't do this for them." Qin Yu wiped her hair, then just applied the compact powder on her face, and came out with her bag, holding Liang Jiahao's hand. "I did it for my brother. I'm going to deliver mom's message to him."

The more Liang Jiahao looked at Qin Yu's face, the more he found her attractive.

He didn't really like it when women wore a lot of makeup, and he felt that basic skin care was enough. Especially with a beauty like Qin Yu, whose skin was so good that she didn't need to wear any makeup.

So beautiful.

She also looked quite fresh and delicate, and that's the look he liked the most.

"What did mom say last night?"

"Mom said to work hard, as long as my brother can catch Liang Jiaying's heart, she'll accept her." Qin Yu said as she walked out of the room with Liang Jiahao. Just as she took a few steps, the door to Qin Shanyuan's room opened.

Qin Yu almost jumped in fear, because Qin Shanyuan was still wearing the same clothes as yesterday. It was as if he hadn't taken them off when he was sleeping, because his clothes were still wrinkled.

"Big brother, what are you doing? Change your clothes!"

Qin Shanyuan pulled the collar of the shirt closer to his neck and said in a lifeless tone, "I'm too lazy to change."

"No," Qin Yu said anxiously, "Aren't you going to look for Liang Jiaying today? What's wrong with you? Don't you know that when chasing a girl, one's image is very important?"

Qin Shanyuan glanced at Liang Jiahao and shook his head. "No need, brother-in-law told me to take a sad path. I was exhausted to death last night, but I forced myself not to sleep."

Speaking of this, he suddenly asked Liang Jiahao nervously. "Brother-in-law, do you think this way is okay? Do I meet the criteria you mentioned?"

Chapter 859: As Long As You Can Get Her, She Won't Interfere With Your Relationship

Liang Jiahao: "..."

Liang Jiahao had indeed said to Qin Shanyuan to go the sad path but had Qin Shanyuan misunderstood him?

He didn't eat all day and didn't sleep all night?

This was courting death!

But when Liang Jiahao looked into Qin Shanyuan's expectant and nervous eyes, he couldn't say anything bad. He patted him on the shoulder. "Very good. You can do it."

Qin Yu looked at the two of them without saying a word and shook her head helplessly. "No, Xiao Liang! Didn't you teach him to be shameless? Could this sad look capture Liang Jiaying's heart?"

"Don't worry." Liang Jiahao withdrew his hand and held Qin Yu's hand. "Liang Jiaying is still young, she mightn't have much experience yet. This move of big brother should be able to defeat her." *nOveLuSb.cOm*

Qin Yu was speechless. She seemed to have no say in chasing girls.

Seeing that Qin Shanyuan was about to leave, Qin Yu quickly called out to him, "Big brother!"

Qin Shanyuan stopped and turned around. "Oh, did you want to say something else?"

"Mom said..." Qin Yu slowly bit her lower lip. "She will let you work hard to get Liang Jiaying. As long as you can get her, she won't interfere with your relationship."

Qin Shanyuan stood there staring blankly at Qin Yu. After some time, he suddenly had a reaction. He walked over to Qin Yu and hugged her. "Little sister, you've grown up! It wasn't in vain that I loved you since you were little!"

Qin Yu sighed. "Mom is worried about you, you know? You didn't eat last night and didn't sleep all night, so don't tell her. Otherwise, her heart will surely hurt to death."

"En!" Qin Shanyuan patted Qin Yu hard on the back.

Qin Yu was almost out of breath and coughed several times. If it weren't for Liang Jiahao's changed expression, Qin Shanyuan wouldn't have let her go.

"Little sister, work hard. Don't worry about me. I'll definitely bring your sister-in-law back!"

After Qin Shanyuan said this, he turned around and walked towards the corridor with big steps.

Qin Yu watched his retreating figure and felt an indescribable sadness.

"Alright, let's go down for breakfast too. After that, I'll be busy. You, Sister Mo, and Hou Fen go shopping." Liang Jiahao put his hand on Qin Yu's shoulder and walked slowly with her in his arms.

"En!" Qin Yu nodded. At the thought that they'd soon part ways, she suddenly felt sad. This time, they might not see each other for two or three months. She felt sour when she thought about this time, so she put her hand on Liang Jiahao's arm and said, "We only have a few days left to spend together. Xiao Liang, I really really don't want to leave. If I'd known that this would happen so soon, I wouldn't have accepted the offer."

"You can't do that." Liang Jiahao chuckled, "My plan with Han Yuanjun is to push you to the international level, and this is just the first step. Don't worry, I still have two days to finish my work, and then I will drive you to the film crew. If there's nothing else, I'll accompany you there."

"Then it will definitely be fine!" Qin Yu snickered. "Grandfather, grandmother, mom, and dad can arrange our wedding. We just need to show up. Please accompany me to the set."

Liang Jiahao smiled. In truth, he was afraid that something bad would happen. "Alright."

Qin Yu smiled cheerfully. "Then it's decided!"

To achieve a more realistic effect, Qin Shanyuan didn't even eat breakfast before asking Han Szeto for the car keys and driving to his workplace.

In the past, Qin Shanyuan would use the excuse that he had no money to stay by Liang Jiaying's side, so he didn't dare to go to work in an expensive car or in an expensive suit. Now it's different. Even if he just took off his expensive suit, even if he wanted to pretend, Liang Jiaying wouldn't believe him.

Besides, the more he dressed up, the more Liang Jiaying disliked him.

Qin Shanyuan parked the car in a safe parking spot, then threw the car keys into his pocket. He hummed a song as he walked toward the downtown store.

When he was about to arrive at the store, he suddenly took a deep breath and ruffled his hair. Then he purposely squinted his eyes to make himself look tired. When he was done, he crossed his arms and walked toward the toy store sadly.

Liang Jiaying had already arrived. She'd already changed her mascot uniform and was only holding her headgear in her hands. She carried her headgear as she walked out of the store.

When Qin Shanyuan saw her, he immediately quickened his pace. However, he didn't forget to pretend to be depressed.

"Jiaying ..." Qin Shanyuan stifled his voice. As soon as he spoke, his voice became hoarse.

Liang Jiaying was stunned for a moment. Originally, she didn't want to pay any attention to Qin Shanyuan or even look at him, but after hearing his voice, she couldn't help but look at him.

The dark circles under his eyes and his dull gray skin made her heart tremble.

Qin Shanyuan noticed Liang Jiaying was looking at him silently. He pouted and said, "Sorry I'm late. Wait for me. I'm going to change now."

With these words, he forced himself to walk inside, rubbed his frozen hands, and walked past her.

The moment Qin Shanyuan brushed past her, the smell of tobacco and alcohol wafted toward her.

Liang Jiaying opened her mouth, but her voice got stuck in her throat. Even after Qin Shanyuan entered the store, she couldn't get a word out.

The corner of Qin Shanyuan's mouth curled up. He knew that Liang Jiaying felt sorry for him, and he was very happy.

However, he didn't dare to make it too obvious. It wasn't until he entered the locker room did he start laughing madly with his mouth open.

After changing his uniform, Qin Shanyuan purposely did not wear the headgear. While carrying the bear head, he walked on the street. When he saw Liang Jiaying standing not far away and looking at him, he was happy.

"Today, after work at noon, I'll send you to the clinic to see your brother."

Liang Jiaying blinked quickly and said, "No need!"

"I know you don't need it." Qin Shanyuan sighed. "But Aunt Zixuan has asked me to accompany you. As long as there's a situation, I need to inform her immediately. Those bastards from the He Family have already come to America, and you and your brother are now in danger, so I need to take care of you."

Chapter 860: We Must Ask Him To Explain This To Us

Since she was born, this was the first time Liang Jiaying heard her acquaintance refer to the people of the He Family as "bastards." She kept a smile on her face and looked up at the sky with a nonchalant snort. "My brother said that we can handle it ourselves, we don't need your help."

Qin Shanyuan imitated her actions and looked up at the sky. "My aunt said it's our business whether we want help or not. Accepting it is your business!"

Liang Jiaying: "..."

After an entire night, the anger in her heart had almost dissipated. It was just that she was feeling a little uncomfortable at the moment ...

Because yesterday, she could see that Lin Xiu didn't like her.

As Qin Shanyuan's mother, she understood Lin Xiu's feelings.

According to Liang Mingyu, "If Qin Shanyuan's mother doesn't like you, you can't be tempted by him. If his parents don't approve of your relationship, you'll be the one who ends up getting hurt."

Liang Jiaying didn't consider Qin Shanyuan as a friend, and after what happened yesterday, no matter how stupid she was, it was obvious that Qin Shanyuan liked her and pursued her.

"Qin Shanyuan..." Liang Jiaying looked at Qin Shanyuan's face and saw the dark circles under his eyes. "After you came home yesterday, did your mother scold you?"

"No." Qin Shanyuan shook his head instinctively. "My mother didn't say anything. She also asked me to come and apologize to you today."

Liang Jiaying didn't believe his words at all. "Don't think just because I'm young, I'm stupid. You're lying to me."

"I really didn't lie to you." Qin Shanyuan said sternly, "My mother also told me to take good care of you and your brother."

Liang Jiaying grabbed her Minnie Mouse headgear and shook her head helplessly. She didn't know whether Qin Shanyuan was telling the truth or not. After a moment, she cautiously asked, "And ... what about the dark circles under your eyes? And ... why do you look so ... sad?"

"This..." Qin Shanyuan suddenly lowered his voice and bowed his head slightly. His eyes stared into Liang Jiaying's without blinking. It was said that the eyes were the window to the soul. Qin Shanyuan really wanted to get into Liang Jiaying's heart through his eyes.

"Out of guilt and self-blame... I shouldn't have said something like that and hurt you. Actually, I did it unintentionally. I like you, and you may not know it ..."

Liang Jiaying backed away. "I - I know ..." *novelusB.com*

"You know?" Qin Shanyuan was so excited that he almost broke his character in a second. Fortunately, Liang Jiahao had buried the lesson deep in his heart. He raised his eyelids and stared at Liang Jiaying with a sad and sorrowful expression. Not to mention Liang Jiaying, even a hard-hearted girl would be fooled by this expression.

"I like you, so when I found out that you'd be working in a nightclub, I felt bad and sour, like I drank a bottle of vinegar. Jiaying, I'm sorry, I really thought about it after I went home, and I knew I was wrong. I can't deny that I wanted to hurt you just because I'm jealous and feel uncomfortable, so ... When I came back last night, I couldn't eat or sleep. I smoked and drank all night and thought about my mistakes."

Liang Jiaying immediately frowned. "You smoke and drink all night?"

Some girls didn't like smoking men, let alone drunk ones. Qin Shanyuan quickly explained, "It was just last night! My heart was uncomfortable and I wanted to find an escape, but I couldn't find a way to do so, so I locked myself in my room. It didn't matter if I opened my eyes or closed them, you were always in my head. No matter how hard I tried to get drunk, I couldn't run away! And I only drink a little on social occasions and at parties..."

Liang Jiaying took a deep breath and quickly put on her headgear. "The boss is here. Hurry up and get to work!"

Qin Shanyuan replied with "Oh" and immediately put on his headgear.

During working hours, Liang Jiaying was very serious and didn't talk to Qin Shanyuan. She concentrated on making all the children laugh.

Qin Shanyuan didn't want to be lazy. Together with Liang Jiaying, he led several children to the toy store.

Just as they were about to leave work at noon, Qin Yu, Mo Shan, and Hou Fen suddenly walked in. It was unknown whether Qin Yu went there intentionally or not.

Liang Jiaying knew Qin Yu and had just met her yesterday. Therefore, when she saw Qin Yu come in, she nodded politely to her.

Qin Yu also greeted her politely and went to Qin Shanyuan's side, slapping his bear's head. "Big brother, good luck! I'm waiting for you to bring my sister-in-law back."

Qin Shanyuan was wearing headgear and he looked so cute. He stretched out his bear paw and slapped Qin Yu's back. "Go and keep yourself busy. Don't bother me."

Mo Shan and Hou Fen, who were standing by the side, were completely stunned. They didn't know it was Qin Shanyuan, so Hou Fen suddenly shouted, "You damn thug! Let go of your claws!"

"Puff ..." Liang Jiaying, who wasn't far away, laughed out in an exaggerated manner.

Qin Shanyuan gritted his teeth in anger. He wanted to take off his headgear and let Hou Fen see his dark face.

"Hou Fen, stop messing around. Let's go." Qin Yu pulled Hou Fen and Mo Shan out.

Hou Fen was furious. "Qin Yu, he's too impolite to you! Don't think that just because he wears a mascot uniform, he can do despicable things! We must ask him to explain this to us!"

"There's no need for that." Qin Yu couldn't hold back any longer and laughed out loud. "Let's go quickly."

Hou Fen felt aggrieved in her heart. "Are you not angry despite being touched like that?"

"I'm not angry!" Qin Yu laughed and whispered, "That's my brother, my blood brother."

"What?!" Mo Shan looked at Qin Yu in surprise. "That is your brother? The dignified General Manager actually wore a bear's mascot on the streets of Los Angeles to flirt with a little sister?"
