### Chapter 861: Who Told You To Pat My Butt And Help Me Examine My Injury

"Oh, it's getting more and more outrageous..." Qin Yu smiled and shook her head. "We should hurry up. We haven't bought everything yet."

Qin Shanyuan stood there, looking at Liang Jiaying, who was laughing so hard that she was out of breath. He laughed out loud, "Is it really that funny?"

Liang Jiaying nodded her head vigorously. "Funny, it's really funny."

Qin Shanyuan smiled and shook his head. Suddenly, a familiar figure appeared in his line of sight. Although she was wearing sunglasses and a hat, he still recognized her.

Shen Xieren?

What was she doing here?

The smile on Qin Shanyuan's face froze as his gaze followed Shen Xieren. He noticed that she was trailing behind Qin Yu. Although the distance wasn't far, but it wasn't close either.

If it weren't for the fact that he knew Shen Xieren wasn't with them, he really wouldn't have known that she was following Qin Yu.

Liang Jiaying quickly noticed that something was wrong with Qin Shanyuan. She got up from the ground and went to his side, following his gaze, and found that he was staring at.... A woman!

It was the kind of gaze that was hard not to take any notice of.

Liang Jiaying didn't know what to feel, but she was a little angry and a little upset.

"Qin Shanyuan!"

"Shhhh!" Qin Shanyuan covered Liang Jiaying's mouth and whispered in her ear. "That woman is following my sister. Come on, let's follow them."

"Ugh...Ugh... Ugh..." Liang Jiaying pushed Qin Shanyuan's hand away and took a deep breath.

She was still wearing a mascot uniform, and the air inside was not very good. When Qin Shanyuan covered her mouth and nose, she could barely breathe.

However, when she saw Qin Shanyuan following the woman seriously and attentively, Liang Jiaying did not dare to be angry with him. She quietly reminded him, "We don't have to be so sneaky. Who knows it was us anyway."

Qin Shanyuan's body suddenly stiffened. He just realized it. He straightened up and chuckled, "Yeah, how could I forget! Who will be able to recognize us when we are dressed like this? Let's go, we will follow her openly."

Liang Jiaying nodded vigorously. Qin Shanyuan stopped sneaking around and played with Liang Jiaying while trailing behind Shen Xieren.

Shen Xieren walked a few steps and felt something strange. Suddenly, she turned around and Qin Shanyuan was so surprised that he quickly pulled Liang Jiaying aside and turned in the other direction.

Liang Jiaying was not standing stably in her mascot uniform, and when Qin Shanyuan suddenly pulled her aside, she was directly thrown to the ground by him.

Qin Shanyuan also fell to the ground. Both of them laughed as if they were really joking around.

Shen Xieren pushed her sunglasses up her nose, lowered her guard, and continued to follow Qin Yu.

Seeing her leave, Qin Shanyuan immediately pulled Liang Jiaying up.

Liang Jiaying stroked her butt and whispered, "Next time, don't be so aggressive. Even though I am wearing a mascot uniform, it still hurts when I fall!"

"En!" Qin Shanyuan raised his bear paw and patted Liang Jiaying's butt. "When we're done here, I'll help examine your injury. If you're injured, I'll pay for the medical expenses."

"Bastard!" Liang Jiaying mimicked Hou Fen's tone when she scolded Qin Shanyuan earlier. "Who told you to pat my butt and help me examine my injury!" [novelusb.Com](http://novelusb.com)

"How am I supposed to know if you're injured or not if I don't check?" Qin Shanyuan looked all wronged.

Liang Jiaying snorted. She really didn't feel like discussing this topic further with him.

"Hey, Qin Shanyuan! That woman followed your sister into the mall!" Liang Jiaying raised her Minnie paw and pointed at the entrance of the mall.

Without saying anything, Qin Shanyuan pulled Liang Jiaying and ran toward the mall.

Liang Jiaying shouted anxiously, "We won't be able to get in! Don't run anymore!"

"We won't be able to get in?" Qin Shanyuan stopped and frowned darkly. "Why won't they let us in?"

Liang Jiaying spread her paws and said, "Do you think we can go inside like this?"

Qin Shanyuan: "...."

Well, he forgot about that.

Still, Shen Xieren was inside, following Qin Yu. Qin Shanyuan was worried.

Previously, the matter between Qin Yu and Shen Xieren had caused such a stir in the domestic entertainment circles that the aunts who sold vegetables on the street knew about it.

Shen Xieren could no longer stay in China, and because of Liang Jiahao's merciless plan, he almost sent her to prison.

Now, in Los Angeles, this was Shen Xieren's territory. If she didn't want to let Qin Yu go, then Qin Yu would be in danger.

"Come on, let's go back quickly." Qin Shanyuan pulled Liang Jiaying and ran back to the store.

When he arrived at the entrance of the store, it was already noon. Qin Shanyuan quickly took out his phone from the locker room and called Qin Yu.

The phone rang for a long time, but no one answered. Qin Shanyuan was getting anxious ...

••••

On the other side of the shopping mall...

Actually, Qin Yu had known earlier that Shen Xieren was following her. Just when she was talking to Qin Shanyuan, she happened to see Shen Xieren, who was not far away from them.

Therefore, when Hou Fen scolded Qin Shanyuan, Qin Yu hurriedly dragged her away.

If it were a normal day, Qin Yu would never have said that the person in the bear costume was her sibling. She would rather watch Hou Fen fight Qin Shanyuan, watching the drama while eating the watermelon on the sidelines.

"Sister Mo, Hou Fen, the woman behind us is Shen Xieren."

Hou Fen was about to turn around when Qin Yu quickly said, "Don't look back, she's behind us! We will pretend we don't know she's following us."

Mo Shan calmed down. "Didn't I tell you that Shen Xieren was bailed by someone before she left the country? I know that this trip to America will not be so easy. Since she is following us, let's see what she is up to."

Hou Fen was nervous and excited at the same time. It felt like she was filming a spy movie.

"Then let's pretend we don't know anything and go buy clothing?"

"Alright!" Qin Yu nodded.

This shopping mall was huge, and all the luxury brands in the country were sold here. Qin Yu wanted to go sightseeing from the beginning, so it was natural for her to go here.

They went to a clothing store. Qin Yu took the coat and draped it over her shoulders. She looked left and right before suddenly saying in a low voice, "She followed us inside."

She raised her hand and pointed to another coat. "Please show me that one."

The staff quickly took off the coat and handed it to Qin Yu.

Qin Yu slowly took off her coat. Just as she was about to reach out to take the coat from the staff, Shen Xieren suddenly came over and bumped into her from behind.

Qin Yu's legs went wobbly. She lunged straight at the staff and fell on the coat first.

"Qin Yu!" Mo Shan and Hou Fen shouted nervously at the same time.

### **Chapter 862: If You Don't Rely On Han Yuanjun, Liang Zixuan And Liang Jiahao, How Can You Be So Unreasonable**

Shen Xieren sneered and turned to flee.

Hou Fen reacted quickly and grabbed her clothes. "Shen Xieren, where are you trying to run? Do you think I won't recognize you just because you're wearing sunglasses and a hat?"

Unable to escape from Hou Fen, who grabbed her clothes, Shen Xieren turned around angrily. "Is there something wrong with you? Let me go!"

As they pushed and shoved, Qin Yu raised her head. A surprising lipstick mark had appeared on the snow-white coat.

"I'm sorry, ma'am, but you'll have to buy this coat." The staff apologized and said with dignity.

Qin Yu sensed that this person was conflicted. She clearly had an apologetic expression on her face, but why were her words a bit presumptuous?

"Why do I have to buy it?" Qin Yu took a step back and silently extended her hand to grab Shen Xieren.

The staff politely said, "Our coat is made of ferret fur, and the lipstick on it is too deep. It's not easy for us to clean it, so we can only ask you to buy it and take it with you."

"Me?" Qin Yu glanced at Shen Xieren from the corner of her eye, her fingers tightly gripping Shen Xieren's clothes. "Shouldn't she be the one buying it?"

Shen Xieren was caught red-handed and could no longer hide her identity. She took off her sunglasses, and as soon as the staff saw her face, she immediately recognized her.

"Shen Xieren?"

Shen Xieren smirked. "That's me!"

"Ah, I really like you! Can you help me sign this?" The staff was so excited that she put the lipstick-smudged coat aside. She went off to get a pen and paper.

Like a happy little sparrow, she came back after a while.

Shen Xieren struggled a bit, but Hou Fen and Qin Yu refused to let her go. *novelUSB.com*

She didn't mind letting them continue to hold onto her clothes. She took the pen and paper from the staff's hand and signed her name.

"Can I take a picture with you?" the staff asked excitedly.

Shen Xieren nodded patiently. "Of course!"

Although Hou Fen and Qin Yu were standing right next to Shen Xieren, the staff didn't care in the slightest. She took out her cell phone, set up a pose with Shen Xieren, and took a picture of themselves.

The staff looked at the photo on her phone and was so happy that she almost fainted. "I really didn't expect to see you here today."

"That's normal." After saying this, Shen Xieren glanced at Qin Yu from the corner of her eye. She laughed sinisterly, "Don't you want to take a picture with her too?"

The staff raised her head and looked at Qin Yu.

This was abroad. Although Qin Yu had some fans abroad, her fame wasn't as great as Shen Xieren's.

Besides... Her trip here this time was confidential, and when she went out on the street, she didn't need to disguise herself because no one would be able to recognize her.

The staff pursed her lips in disdain. "Why should I take a picture with her?"

Shen Xieren deliberately cast a surprised look. "You don't know her? She is very famous, much more famous than me."

The staff looked at Qin Yu from top to bottom. Although she felt that Qin Yu was really beautiful, she did not recognize her.

The staff shook her head. "Is she famous? I have never seen her before."

"You'll know me soon enough." Qin Yu smiled and said confidently, "In half a year."

Shen Xieren's facial expression changed instantly. She looked at Qin Yu in jealousy. "Qin Yu, what are you bragging about? You stole the lead role from me! What's there to brag about?"

"Of course, I am proud of what I snatched." Qin Yu arched her eyebrow and smiled at Shen Xieren. "What qualifications do you, a defeated opponent, have to speak in front of me? You cannot survive in China, so you came to America. Are you not doing well abroad now? What? No company wanted to sign you right now? Why don't you quickly find a potential backer to cling to his thighs? Isn't that what you are good at?"

Hou Fen laughed in a bad way. "That's right! You have no ability, yet you still want to show your mighty to us? Shen Xieren, if you have any face, stay away from our Qin Yu! Our Qin Yu is not on the same level as you."

"Bitch!" Shen Xieren was so angry that her face changed as she cursed cruelly, "If you don't rely on Han Yuanjun, Liang Zixuan, and Liang Jiahao, how can you be so unreasonable?"

"That's right." Qin Yu admitted it without hesitation. "I have them as my backers, and if I want to be unreasonable, then that is my capital! If you are angry, find someone to suppress me!"

"You... You... You..." Shen Xieren shouted angrily, "Bitch, slut, whore!!!"

"Stop fighting!" The staff finally remembered about the coat. She went to get it. "Ma'am, your lipstick has smeared this coat. Please buy it."

"Tell her to buy it." Qin Yu tugged Shen Xieren's clothes and pushed her in front of the staff. "She pushed me. That's why I cannot stand up straight. She's the one to blame."

"What does this have to do with me!" Shen Xieren struggled to steady herself as she raised her hand to push Hou Fen's hand away. Hou Fen did not really want to hold her at the moment. After all, there were many people here. Why would she be afraid that Shen Xieren would run away?

Qin Yu smiled faintly. "What does this have to do with you? Car accidents require shared responsibility. Since you crashed into me, then, of course, you will be fully responsible."

Shen Xieren really didn't expect Qin Yu to be so quick-witted. She couldn't win against her.

"Don't think that just because you have a lot of fans here, you can talk nonsense. America is a law-based country. You have to pay for the compensation."

"Tsk tsk tsk tsk ..." Qin Yu pursed her lips. "Shen Xieren, it's not possible that you can't afford to buy the coat, is it? Are you really doing so badly now? If that's the case, then tell me. Isn't it just the coat? This big sister has a lot of money, so if you can give me an IOU, I'll help you pay it off."

"Who says I can't pay?" Shen Xieren didn't realize at this point that she had fallen into Qin Yu's trap. "I have a lot of money, I can even buy you! Will you believe me?"

Qin Yu and Hou Fen laughed together. "We don't believe you."

"You don't believe me?" Annoyed, Shen Xieren immediately opened her bag and took out her wallet. She took out a credit card. "I have..."

Before she could finish speaking, Qin Yu took the card and gave it to the staff. "She bought this coat."

The staff took the card and ran to the cash register happily.

Shen Xieren was stunned. Only now did she realize that she had been tricked by Qin Yu's provocation.

"What are you waiting for?" Qin Yu pushed her from behind. "Quickly sign the receipt. After swiping, grab your coat, then scram!"

### **Chapter 863: Even If You Don't Like Me Now, Please Don't Reject Me**

"Hahaha..." Hou Fen felt very happy in her heart. "That's right. Pay up quickly!"

*nOVelUSb.cOm*

Shen Xieren gritted her teeth in anger. She felt like tearing Qin Yu's contented face.

Qin Yu, however, didn't care about the hatred in Shen Xieren's eyes. Even if what had happened today hadn't happened, Shen Xieren would still hate her.

"Let's go." Qin Yu gave Shen Xieren one last look before walking out of the clothing store with Mo Shan and Hou Fen.

After leaving the building, Qin Yu took out her cell phone from her bag and saw 12 missed calls from Qin Shanyuan. She called him back.

"Hey, big broth-"

"Qin Yu!" Qin Shanyuan's anxious voice rang out from the receiver. "Shen Xieren is following behind you, did you know that? Once you enter the mall, I won't be able to follow you because of my mascot uniform."

"Big brother, stop panicking." Qin Yu laughed blandly. "Don't worry, your sister isn't that stupid. I've already taken care of her."

Qin Shanyuan sighed in relief. "How relieved I'm to hear that. I'm just afraid that you don't know and will be tricked by her."

After hanging up, Qin Shanyuan was about to put his phone back in its place when he noticed that Liang Jiaying had changed into her casual clothes.

"Jiaying!" Qin Shanyuan quickly changed into his casual clothes and ran after her.

Liang Jiaying didn't know if she was walking slowly because she was waiting for Qin Shanyuan to catch up with her, or if she was doing it on purpose. She turned around and smiled at him. "Is the matter with Qin Yu settled?"

"Of course." Qin Shanyuan was a protective brother and sister-con. He always bragged about Qin Yu to his friends. "My sister is smarter than other people, how could she not know that Shen Xieren is following her? Let me tell you, my sister's fighting ability is better than mine. When I was a kid, I couldn't defeat her when I fought her, so dealing with Shen Xieren is a piece of cake for her."

This wasn't an exaggeration. Qin Yu really had the strength of a bull since she was a child. She was cheerful, and carefree and had more male friends than female friends.

Since childhood, she was the eldest sister in her circle of friends. Whenever she played around with others, she wouldn't let them bully her. Instead, she was the one who bullied them.

Looking at Qin Shanyuan's proud face as he was talking about Qin Yu, Liang Jiaying felt very envious. "The relationship between you and your sister is very good."

"Of course!" Qin Shanyuan deliberately took this opportunity to take Liang Jiaying to the parking lot. As he talked with her, she followed him every step of the way.

"You know, my sister has been disobedient ever since childhood. She was always beaten by my mother and my mother often locked her up. If it wasn't for me, how could she have survived until now? She would have been suppressed by my mother into a dark place."

Liang Jiaying was amused by Qin Shanyuan's story. Qin Shanyuan's eyes secretly peeked at Liang Jiaying's face, wanting to observe the change in her expression as he told about his family.

"Nevertheless, my sister has a very good temperament and you can get along well with her. My parents also have a very good character, and our family is a good-natured people. You will get to know them better when you meet them."

Seeing that Liang Jiaying's expression did not change, Qin Shanyuan's heart finally felt calm. He had been afraid that she would feel uncomfortable after what had happened with his mother yesterday.

"I know." Liang Jiaying nodded and glanced at Qin Shanyuan from the corner of her eyes. "Yesterday, your sister said that she wanted to help our family. In truth, we have nothing to do with your family, and although we are related to Liang Zixuan and Liang Jiahao, we cannot call what we have a real relationship. But your family is willing to help us, so we know that they are all good people."

What?

Did his family get a "Good Guy" card when they did nothing?

What about him?

Qin Shanyuan raised his hand and rubbed his forehead, secretly regretting talking about his family.

Fortunately, they had arrived at the parking lot. Qin Shanyuan looked for his car keys and opened the passenger door for Liang Jiaying.

Liang Jiaying nodded gratefully and got in.

Qin Shanyuan closed the door and quickly went around the driver's seat as fast as he could, fearing Liang Jiaying would swing open the door and run away.

He put on his seat belt and said, "Actually, we are not such good people..."

Liang Jiaying immediately looked at him in surprise. "Eh?"

Qin Shanyuan realized he had said something wrong and quickly explained with a smile. "I didn't mean it that way. I mean, we're not people with excessive compassion. Yes, the relationship between your family with my aunt and brother-in-law isn't very close, but if they sincerely want to help you, there must be a reason for it. And my family... my family wants to help you because..."

Qin Shanyuan's grip on the steering wheel tightened and he was so nervous that he almost drove the car to the side of the road. "Jiaying, I-I..."

Liang Jiaying lowered her head and slowly pursed her lips. She knew what Qin Shanyuan wanted to say to her and she was a little lost at the moment.

"Jiaying... I..." Qin Shanyuan silently gritted his teeth, suddenly turned to her, and quickly and clearly said, "I really like you!"

Liang Jiaying's lips were pressed together tightly, her eyes fixed on her fingers.

"I don't want you to accept me now. I just want to ask for your forgiveness. I'm sorry, I'm really sorry for what I said yesterday. Knowing how much I hurt you, I can't eat or sleep when I come back. I'm sadder than you. Jiaying, can you forgive me? Even if you don't like me now, please don't reject me, okay?"

After saying the words in his heart, Qin Shanyuan immediately felt very relaxed.

Seeing that Liang Jiaying didn't speak and only played with her fingers, Qin Shanyuan drew a smile. "You don't say anything back to retort me, does that mean you forgive me?"

Liang Jiaying suddenly raised her head to retort, but it was too late. Qin Shanyuan's thick-skinned face had turned away from her and he was proudly humming a song.

To be honest, she didn't want to fight him anymore, and certainly not like this.

She could see that Qin Shanyuan hadn't slept last night. She could also see that his steps were a bit shaky today. And when she heard that he didn't eat anything yesterday, she actually blamed herself.

"Shanyuan...." Liang Jiaying finally spoke in a soft voice. "Actually, I'm not as good as you think. I'm just an ordinary girl and I'm afraid once you are with me, I will let you down."

**Chapter 864: I Know You Like My Sister, And You Don't Need To Find Such An Excuse To Come Here**

"Let's be disappointed together." Qin Shanyuan smiled indifferently, "Even if you cry and beg me to leave you alone, I still want to keep loving you!"

Liang Jiaying: "..."

You deserve to be single!

Talking to a girl like that!

Liang Jiaying quickly turned to the window, not wanting to pay attention to him anymore.

Qin Shanyuan really had no idea about the girl's heart.

He did not notice the change in Liang Jiaying's expression. He thought she was moved by his words, so he asked, "What would you like to eat for lunch?"

Liang Jiaying: "Bread."

"Don't always eat bread. It's cheap and not very nutritious. Let me treat you to Chinese food."

The last time Qin Shanyuan visited Chinatown, he found that there were many Chinese restaurants. Seeing how crowded the restaurants were, the food there must taste good.

Qin Shanyuan was always very picky about food, and if he were lucky enough, he would prefer to have a home-cooked meal when he was abroad. But as long as the taste of the food outside was not too much, he could still accept it.

However, Liang Jiaying was not grateful and said coldly, "No, I will only buy bread for my brother."

"Jiaying ..." Qin Shanyuan was about to argue with her again, but Liang Jiaying turned to interrupt him. "I still owe you a lot of money. You don't need to spend any more on me."

Qin Shanyuan was rendered speechless.

At first, he had let Liang Jiaying return the money because he wanted to use the opportunity to approach her, but now, it had become an excuse for her to silence him and reject him. *novelusb.com*

"Fine." Qin Shanyuan finally stopped insisting. After the car parked in front of the bakery, while Liang Jiaying went to buy bread, Qin Shanyuan went to the fruit store next door to buy fruit.

Liang Jiaying came out after buying bread and saw a plastic bag in his hand. She said nothing and went straight to the clinic.

Liang Jiaying opened the door of the ward and saw Liang Mingyu lying awake on the bed. When she saw him looking at her, the corners of her mouth curled up into a smile. "Big brother, I brought you lunch."

Liang Mingyu smiled but when he saw Qin Shanyuan behind his sister, his face immediately turned ugly.

Qin Shanyuan quickly put the plastic bag of fruit on the bedside table. "My aunt asked me to take care of you more. I don't know how to take care of people, so I decided to buy some fruits for you to eat later."

This was a very good argument. Although Liang Mingyu did not like Qin Shanyuan, he had to give Liang Zixuan a face.

Liang Mingyu's expression was still cold and he did not take the initiative to say anything to Qin Shanyuan, just nodded his head in a symbolic way of thanks.

Liang Jiaying took out the bread and fed it to Liang Mingyu. Qin Shanyuan wasn't idle either. He took an apple and peeled the skin.

"Last night, my aunt said that she'll find two nurses to take care of you if you don't want to be transferred to a private hospital. I think it's a very good suggestion, and Jiaying can be more relaxed."

Liang Mingyu looked at Liang Jiaying. Liang Jiaying's face showed an aggrieved expression. He shook his head. "Qin Shanyuan, I know you like my sister, and you don't need to find such an excuse to come here. Please tell aunt that she doesn't need to interfere in my affairs. I'm determined not to trouble her."

"How can it be a trouble!" Qin Shanyuan looked up sharply at Liang Mingyu. "Aunt is a grateful person. In the beginning, her family received so much kindness from the Liang Family, and now that something has happened to you and Jiaying, if you really didn't let her help you, if something bad happened to the both of you, she would feel guilty for the rest of her life!"

Qin Shanyuan was mentally retarded about his own feelings, but he was very good at negotiating.

These words had made Liang Mingyu unable to say anything back.

Liang Mingyu, who could not even be convinced by Liang Zixuan yesterday, was now convinced by Qin Shanyuan's words.

After cutting the apple, Qin Shanyuan handed the apple to Liang Jiaying. "Eat this fruit first, and then eat the bread."

Liang Jiaying looked at the big and beautiful apple. For a moment, she did not know what to say. "None for my brother?"

Qin Shanyuan blinked, suddenly realized he had done something wrong, and smiled sheepishly. "You eat this one first, I'll cut another one for your brother."

Liang Jiaying sighed. Qin Shanyuan's EQ was really low!

How can he persuade Liang Mingyu to accept him?

Liang Mingyu looked at the apple in Liang Jiaying's hand. "Is he still chasing after you?"

Liang Jiaying gently bit into the apple and nodded. "Hmm."

Liang Mingyu frowned. "This man's brain is not good, not to mention his mother's temper is really bad. Weight about this yourself."

Liang Jiaying looked at him. "Big brother, I know."

Qin Shanyuan finished cutting the apple and carelessly handed it to Liang Mingyu, "Here is your apple."

Liang Mingyu: "..."

How can he take the apple if he can't lift his hands?

Qin Shanyuan seemed not only stupid but also blind!

Liang Jiaying ate her apple and took the apple from Qin Shanyuan's hand. "Thank you."

Then she took a knife, cut the apple into small pieces, and fed it into Liang Mingyu's mouth.

Qin Shanyuan looked at the scene in front of him and said heartlessly, "I think it's better to let the nurses come earlier. Your sister cannot take care of you every moment, she also has her own life."

Liang Mingyu: "...."

Liang Jiaying: "...."

Qin Shanyuan, will you die if you don't speak?

Liang Mingyu's face turned blue and red because of anger, but Qin Shanyuan ignored him and continued to stab his heart. "Jiaying, his mouth is not hurt, feed him quickly. We still have to go to work."

"Don't rush me."

Qin Shanyuan saw the slightly strange expression on the faces of the two siblings and realized he must have said something wrong. So, he quickly made an excuse to go out.

"Oh, yes! I forgot that I still have to make a phone call. I'll go out first." He left the room and dialed Liang Zixuan's number.

Liang Zixuan was sitting idly at home, eating a hotpot. After she came here, Han Szeto was very fond of feeding her delicious food. He bought all kinds of meat and asked the chef to cook delicious food for her.

When she heard her phone ringing, she picked it up and answered it. "Shanyuan, what's wrong?"

Even outside the door, Qin Shanyuan was still afraid of being heard by Liang Mingyu and Liang Jiaying. He deliberately went to the window and said in a low voice, "I have convinced Liang Mingyu. Aunt, you can send two nurses here and then wait until late at night for Uncle Szeto to come and transfer him to a private hospital."

Liang Zixuan was holding a hotpot in one hand and her cell phone in the other. She stared at the pot of meat and laughed softly. "Liang Mingyu is very stubborn, how did you convince him?"

Qin Shanyuan lifted his chin and grinned. "Is there anything I can't do? Aunt, I still have work to do, I'll hang up first."

"Wait!" Liang Zixuan suddenly stopped him.

Qin Shanyuan was stunned. "Aunt, is there anything else you want to say?"

Liang Zixuan pursed her lips and then said slowly. "Earlier, when I was talking to my grandmother, she said that Liang Jiaying was engaged to someone before, but since she fled to America with Liang Mingyu, my grandmother doesn't know what happened to their relationship. Shanyuan, if you haven't fallen in love deeply with her yet, let her go."

#### **Chapter 865: Still Thinking About What's In The Pot While She's Eating The Food In A Bowl**

"Engaged?" Qin Shanyuan felt an inexplicable pain in his heart. It was as if something had torn his heart apart. It hurt so much that his eyes and eyebrows were furrowed together. "Is it a mutual engagement or an arranged engagement? Do they have feelings for each other?"

"I'm not so sure about that. Even grandmother cannot be sure either, because our relationship with the Liang Family is quite delicate. Besides, we have become estranged from them over the past years. Shanyuan, think about it yourself."

After saying that, Liang Zixuan hung up the phone.

Qin Shanyuan stood alone by the window, looking at the scene outside. His heart was slowly sinking.

Liang Jiaying was not old, but she was no longer young either.

In many places, people her age already had children.

And now, in this society, men and women mature early. Many people fell in love when they were in college and even got married.

Qin Shanyuan was so engrossed in his thoughts that he didn't notice when Liang Jiaying came out of the room.

She saw him standing alone by the window and poked him in the back with her finger. "Shanyuan?"

"Hmm?" Qin Shanyuan snapped out of his daze and looked down at her.

Her cheeks were slightly flushed, with a unique childlike appearance. Not to mention her pair of big, watery eyes. No matter how you looked at her, Liang Jiaying didn't look like a girl who had experienced the baptism of love.

Liang Jiaying's cheeks reddened under Qin Shanyuan's intense gaze and she backed away. "Why are you looking at me like that? Let's go back, otherwise, we'll be too late."

Qin Shanyuan just looked away, walked down the stairs with Liang Jiaying, and left the clinic.

On the way to the city center, he was silent. His eyes looked toward the road ahead, but he didn't pay much attention to it. For a moment, he seemed to be wandering around.

Liang Jiaying silently clutched the seat belt and glanced at Qin Shanyuan from time to time from the corner of her eye, wondering why he suddenly fell silent, but she didn't dare to ask.

Throughout the day, Qin Shanyuan was lifeless. It was as if someone had sucked out all his energy.

Liang Jiaying felt a little guilty. When she got out of work, she finally couldn't help but pull Qin Shanyuan's hand. "Qin Shanyuan, I have forgiven you. I promise that I won't take it into my heart. When you return, eat well and have a good rest."

Qin Shanyuan lowered his eyelids, and his sleepiness increased.

Although he was tired in the morning, he still had enthusiasm and a longing for love. Now that the strength seemed to suddenly disappear, he looked even sadder.

Qin Shanyuan gently pushed Liang Jiaying's hand and said, "Don't worry, I'll rest well. You should go back early. Don't go to work at the nightclub. Han Szeto will send someone to take your brother to a private hospital tonight. Go back and freshen up."

Liang Jiaying nodded obediently, but she still felt strange, as if Qin Shanyuan wasn't as passionate about her as before.

She thought that maybe it was because of her and Liang Mingyu's attitude towards him at noon, that unknowingly made Qin Shanyuan's heart grow cold.

And maybe.... maybe it was a good thing.

After all, didn't Liang Mingyu not approve of them being together?

Qin Shanyuan's mother also did not like her. *novelUS&.com*

So it was very good.

Liang Jiaying lowered her head slowly, feeling a little lost. "Then... then I will go back first. When you see my aunt, please pass my gratitude to her for helping my brother and me."

"I will." Qin Shanyuan nodded and looked at Liang Jiaying one last time before putting his hand in his coat and leaving.

The moment he left the building, he suddenly felt his heart empty, as if something had been ripped out of it. The empty feeling made him feel suffocated.

••••

When Qin Yu arrived home, she quickly told Liang Zixuan and the others what had happened today.

When Old Madam Han heard this, her whole face became gloomy. "What's wrong with this Shen Xieren? It's been a while, and you and Jiahao are already married. What else does she want from you!"

"Maybe she's holding a grudge," said Liang Zixuan. "People like her, the more things she cannot get, the more she wants it. She would try her best to get it even if she hurts others."

Luo Yanyun didn't expect her grandson to be so popular among girls. She had heard about Shen Xieren from Liang Zixuan before. Now, after hearing Qin Yu's words, she shook her head helplessly. "There is something wrong with this person's head. I will not allow her to enter our house, not even as Jiahao's friend! Who knows what she is hiding in her heart."

"Grandmother, don't worry." Qin Yu patted her chest and laughed, "I'm not a porcelain doll. I won't let her bully me, and Jiahao won't let her bully me again."

As they were talking, Qin Shanyuan entered the house with a frustrated look on his face.

Qin Yu looked at him. "Big brother, you're back!"

Qin Shanyuan raised his eyelids to look at Qin Yu and replied with a lifeless "En."

Something was wrong with Qin Shanyuan. Qin Yu wanted to chase after him and ask what had happened, but Liang Zixuan stopped her.

Qin Shanyuan ignored everyone in the living room and went upstairs, took off his clothes, and laid under the covers.

But no matter how tired he was, it was hard for him to fall asleep.

Liang Jiaying's smiling face kept running through his mind.

And no matter how much Qin Shanyuan thought about it, it hurt his heart so much.

'Liang Jiaying, do you really have a fiancé?'

••••

Meanwhile, downstairs...

Qin Yu asked in confusion, "What's wrong with my brother? When I visited him this afternoon, I saw that his relationship with Liang Jiaying was quite good. It looks like their relationship has eased up. Then, why did it seem like he lost his soul when he came back? Could it be that they're fighting again? Do I need to talk to Liang Jiaying for him?"

Old Madam Han didn't know whether to laugh or cry. "Why do you want to interfere in your brother's relationship? I feel a little depressed for the child."

"Grandmother, you didn't see my brother yesterday. He was dying and didn't even have his dinner. I asked Jiahao to persuade him, and Jiahao told me he gave him some advice. Originally, I thought we could have a big reunion when big brother came back, but look at him. He was dejected. I don't know what happened to him..."

Liang Zixuan shook her head and sighed. "It's because I told him that Liang Jiaying is engaged to someone."

"What?" Qin Yu jumped up from the couch and said, "Liang Jiaying is engaged? Then my brother..."

Liang Zixuan said with a bitter smile, "I'm afraid your brother is heartbroken."

"That's not right!" Qin Yu shook her head and sat back calmly. "Liang Jiaying knows that my brother is chasing her. If she has a fiancé, shouldn't she reject him? Since she didn't say anything, there are two possibilities."

"One, she has nothing to do with that man. The other is ... she has a deep intention in her heart. She's still thinking about what's in the pot while she's eating the food in a bowl. In other words, she is playing with my brother."

### **Chapter 866: It Was All Because Of Great-Grandfather That They Helped Us**

"What are you talking about? You looked so engrossed." Lin Xiu sat on the sofa next to Qin Yu.

As soon as Liang Zixuan and Qin Yu saw her, they stopped talking about Liang Jiaying.

Before the situation became clear, they could no longer talk about Liang Jiaying in the presence of Lin Xiu.

If Liang Jiaying had already drawn a clear line with that man and Qin Shanyuan did not stop pursuing her, with Lin Xiu knowing about this, she would only make things worse.

"It's nothing." Old Madam Han was wiser and easily changed the subject. "We were talking about Qin Yu. Since she'll be joining the film crew soon and Jiahao said he wanted to accompany her, we are going to help them plan their wedding ceremony."

Lin Xiu was very happy when Old Madam Han mentioned Liang Jiahao's name. This was her son-in-law, whom she had fallen in love with at first sight. No matter how she looked at him, she felt pleased.

"Since Jiahao wants to accompany Qin Yu, let him go. After all, the couple has just received the certificate and they are still newlyweds. They cannot be apart for so long. Don't worry about the wedding. There are so many people here who have nothing to do and can help them with the preparations."

When it came to Liang Jiahao and Qin Yu, Lin Xiu was very understanding.

Qin Yu smiled at her, but she sympathized with Qin Shanyuan.

It was because she married faster than Qin Shanyuan, so Lin Xiu's demands on her daughter-in-law were as high as Liang Jiahao's.

"Qin Yu..." Liang Zixuan gently tugged on Qin Yu's sleeve.

Qin Yu put her ear close to Liang Zixuan and she whispered in her ear. "Don't worry about your brother. If he still wants to chase after Liang Jiaying, her past doesn't matter. I'll help you persuade your mother."

"En." Qin Yu touched Liang Zixuan's belly. "With you here, I can be assured."

Night soon fell. The cold wind outside the window whistled by. Even through the window, Qin Shanyuan could hear the wind outside.

Last night, Qin Shanyuan had done his best not to sleep, but tonight, he wanted to sleep.

It had been a long time since he had closed his eyes. Qin Shanyuan was clearly a little hopeless and his whole body was covered with great sadness.

At the thought that Liang Jiaying might have a fiancé, his heart ached uncontrollably.

A minute passed and Qin Shanyuan finally couldn't take it anymore. He slowly closed his eyes in exhaustion and slept soundly.

Late at night, someone came to pick up Liang Mingyu and take him to a private hospital. Liang Jiaying, after hearing Qin Shanyuan's words, packed up all Liang Mingyu's things. When Han Szeto arrived, she helped Liang Mingyu move to a hospital.

It happened in the middle of the night and their activity didn't disturb anyone.

In the new hospital, Liang Mingyu's ward was spacious. In addition to sick beds, there were also small folding beds. During the day, it can be folded up as a chair. At night, it can be unfolded as a bed.

Han Szeto also asked people to prepare thick mattresses for them and even asked people to help Liang Mingyu take a shower.

Even though Liang Jiaying was his sister, there were some sensitive places that she couldn't help him clean.

Wiping his hands, feet, etc... She can do that.

But from the belly to lower, that part she can't do it.

Liang Mingyu had been waiting to take a shower, and when he finished, he felt so refreshed. Sitting on the bed, he was still a little excited and couldn't sleep.

"Jiaying, is the bed comfortable?"

"En!" Liang Jiaying also sat up on the small bed. She turned on the small lamp on the side and hugged the blanket. "Big brother, I think auntie is so good to us. We should thank her."

"I know." Liang Mingyu sighed. "Aunt said that she wants to repay us now because our family has been good to her family in the past. I didn't understand that before. I always thought that we shouldn't bother others with our own family matters, but now, I've suddenly thought it through."

Liang Jiaying was very curious. "What are you thinking about?"

Liang Mingyu smiled and looked into Liang Jiaying's eyes. His love for his younger sister made him seem even gentler. "Thanks to Qin Shanyuan's words, after you left, I thought a lot about great-grandmother. I heard from our parents about what happened to her, and I found out that aunt really has nothing to do with the Liang Family." *nOvElusB.COM*

"I was thinking, at that time... When great-grandfather saved great-grandmother and her baby, could it be that he left us a way out? When our Liang Family was at their wits' end, they came to our rescue. It was all because of great-grandfather that they helped us."

Liang Jiaying wasn't stupid, and she understood immediately. "So, this is the fruit of great-grandfather's kindness?"

"Yes." Liang Mingyu laughed a little silly. He was no longer the big boy with strong self-esteem and stubbornness. "So, if we refuse aunt's kindness, it's a waste of great-grandfather's kindness. If I can

recover, I can fight with the He Family, but what if I can't? I will be held accountable for your misfortune and mine, and I will feel sorry for the rest of the Liang Family who helped us escape."

"Big brother, it's very nice of you to think like that!" Liang Jiaying finally felt that her heart had calmed down. Throughout the night, she was afraid that Liang Mingyu would resist and refuse Liang Zixuan's kindness.

In fact, her heart was the most clear. With their current situation, it wasn't easy for them to survive until Liang Mingyu's injuries were healed.

The money she'd stolen from Qin Shanyuan would be used up within a week, and Liang Mingyu's injuries were incurable. She even worried about what to do when the money was used up.

That was why she took a job during the day and worked at a nightclub at night.

She was a girl. She was afraid of a place like a nightclub. There were many sharks and dragons there. She couldn't foresee her future. What if someone suddenly forced her to drink a glass of wine and then molested her while she was being drugged? At that time, even if she wanted to do anything, she couldn't.

Now that someone would help her take care of Liang Mingyu, Liang Jiaying no longer had to work at a nightclub. She could work during the day, which was enough to support the living expenses of her brother and herself.

"Jiaying..." When Liang Mingyu saw the happy smile on Liang Jiaying's face, he became sad. "How can you smile so happily?"

"Huh?" Liang Jiaying was stunned for a moment, then quickly turned her face to the side. "Seeing that my brother's health is guaranteed, I'm very happy!"

Liang Mingyu had been with Liang Jiaying since she was born. How could he not see what she was thinking?

"Jiaying, tell me the truth. Do you like Qin Shanyuan?"

### **Chapter 867: Because Of His EQ, He Won't Chase After Other Women**

"What're you saying?" Liang Jiaying was like a cat whose tail had been stepped on, and she almost jumped out of bed. "I don't like him, big brother. Don't get me wrong."

Liang Mingyu: "..."

If that wasn't "like," then what was it?

Liang Mingyu suddenly sighed, "Jiaying, when I'm healthy, what I'm going to do next will be very dangerous. I hope you can have someone to protect you."

"Big brother, I don't need anyone to protect me!" Liang Jiaying's face suddenly showed a serious and agitated expression, her fingers on the blanket were tightly clenched into fists. "Have you forgotten about our parents? Mom and dad also wanted someone to protect me and engaged me with him. At

that time, I was not willing at all, but they insisted. They said he could protect me when you weren't by my side. But..."

Liang Jiaying recalled the past and suddenly fell into deep sadness. "Did he protect me? It would be good if he didn't push me deeper into the abyss. Big brother, I don't need anyone to protect me. I can protect myself!"

"Jiaying!" Liang Mingyu guiltily interrupted Liang Jiaying's thoughts. "That person doesn't have to be Qin Shanyuan, it could be aunt or uncle. They're our family now, the only family we can rely on. I hope you accept their protection, okay?"

Although Liang Mingyu had brought Liang Zixuan and Liang Jiahao up on this topic, Liang Jiaying understood what he meant.

He actually wanted the Qin Family to protect her.

Because once Liang Zixuan and Liang Jiahao get involved in the Liang Family's affairs, the Han Family will get involved too. At that time, the Qin Family was the safest choice for Liang Jiaying.

"Big brother, what made you suddenly change your attitude towards Qin Shanyuan? Is it because of what he said in the afternoon?"

"Yes and no." Liang Mingyu stared at his freshly cleaned fingernails. "Until now, I'm not very satisfied with Qin Shanyuan and his family. But with his age, he was already mature and knew what he wanted. With him by your side, I can feel reassured."

"Besides, at his age, he did well in the business world. If you want to say that he depends on his father's power to support the entire company, I don't think so. I know for a fact that the words he said to me this afternoon were because he caught the weakness in my heart and struck me with one blow, which proves that he's not really stupid. He just has a low EQ."

Speaking of this, Liang Mingyu suddenly laughed. "If a man with a low EQ likes you, it would be a happy thing for you. Because of his EQ, he won't chase after other women. You don't have to worry about him cheating on you in the near future." *novelUSB.com*

Liang Jiaying: "..."

Why did Qin Shanyuan's description sound so terrible coming from Liang Mingyu's mouth?

Did this mean, except for her, other girls wouldn't like him?

Then why did she like him?

Because of his low EQ?

What the hell!

"Big brother..." Liang Jiaying turned off the light and then lay down. "I don't want to talk about this topic with you anymore. The more you talk about him, the more I'm afraid that I'll hate him when I see him tomorrow."

Liang Mingyu smiled gently. He also laid down on the bed and forced himself to sleep slowly.

Tonight, Liang Jiaying did not sleep well.

She kept dreaming about Qin Shanyuan's stupid appearance.

When dawn came, Liang Jiaying woke up. She sat on the edge of her bed for a while and then got up to take a shower.

Not long after that, the hired nurses arrived. Liang Jiaying knew that she didn't have to take care of Liang Mingyu like before, so she went to work calmly.

Arriving at the store, Liang Jiaying went to change her clothes and waited for Qin Shanyuan. But he didn't come.

She sighed. With Minnie's head in her arms, she slowly walked out of the store.

Originally, she thought Qin Shanyuan was just late, but until the evening and the time getting off work, he did not show up.

Throughout the entire day, Liang Jiaying was in a low mood. Even back at the hospital, she couldn't muster the courage to talk to Liang Mingyu. She seemed unhappy and unable to concentrate.

When night fell, she thought that by sleeping, she could escape her swirling thoughts, but even after a long time, she couldn't fall asleep.

Why didn't Qin Shanyuan come?

Did something happen to him after he came home yesterday?

After thinking about it all night, Liang Jiaying woke up the next day with two big bruises under her eyes.

She now looked like a panda.

Looking at herself in the mirror, she thought, "Is this how Qin Shanyuan felt when he couldn't sleep that night because he was thinking about her?"

Anyway, today was a new day.

What if Qin Shanyuan came to work today?

Liang Jiaying refreshed herself and went to work. When she arrived at the toy store, Qin Shanyuan was still not there.

It's another day and he didn't come.

Liang Jiaying felt like she'd lost her spirit. She left the store and went to the bus shelter, waiting for the bus. Liang Jiaying looked at the passing cars and suddenly remembered the day when Qin Shanyuan had kindly sent her back to the hospital.

After not seeing him for two days, she suddenly realized that Qin Shanyuan was actually a very good man.

Suddenly, a black car stopped in front of her. The door opened and two men dressed in black jumped out. Before Liang Jiaying could take a look at their appearances, a handkerchief was pressed in front of her nose and she was dragged into the car.

"Mmmmh!"

"Don't move!" A rough voice of the man came from her side.

Liang Jiaying opened her eyes wide and looked at the person driving in front of her with fear. This person's clothes were familiar to her. Liang Mingyu had once worn the same clothes as him.

"No..." Liang Jiaying was shocked and confused and struggled several times.

The man immediately extended his hand to slap her, but he was stopped by another man at Liang Jiaying's side.

"She's very thin and small. What if you beat her to death? Don't worry, the drug will take effect soon."

Liang Jiaying heard the man's words and her eyelids suddenly became heavy. She wanted to open her eyes and continued to struggle and cry for help, but it was as if she was enveloped in a thick fog and immediately fell into darkness.

• • • •

Hospital, 8 p.m,

Liang Mingyu looked at the clock and frowned deeply. "Why isn't Jiaying back yet?"

Both nurses were Chinese. One of them heard Liang Mingyu's words and went to the door. After standing outside the door and looking around for a while, she came back and said, "I haven't seen her."

Liang Mingyu pursed his lips. "Did she go to the nightclub again? Didn't she say she didn't have to work there anymore?"

### **Chapter 868: Liang Jiaying Has Gone Missing I**

Thinking about this, Liang Mingyu suddenly felt guilty. He said with a long sigh. "It seems that I've dragged my sister down."

Another nurse was cutting an apple for him. Hearing his words, she laughed softly. "Don't worry about her. Jiaying is a very smart child! To be honest, I envy the relationship between you and your sister. My brother and I don't have that kind of relationship. Even if I disappeared for a year, I don't think he'd worry about me."

As she said this, she had a lost look on her face.

"No way!" Liang Mingyu kindly consoled her. "There's no brother in this world who doesn't care about his sister. Your brother must care about you, it's just that maybe he's not very good at expressing his feelings, or maybe he's estranged from you for some reason, but I believe that if something happened to you, your brother would be more anxious than anyone else."

"Yes." Another nurse came and brought the rest of the dinner. "They all said that brother loves sister the most and sister loves brother the most. It's true, though."

The said nurse didn't speak, she just had a faint smile on her face.

After eating an apple and watching TV for a while, Liang Jiaying still didn't come back. Liang Mingyu began to worry. "Bai Shui, can you call my sister for me?"

Bai Shui nodded and took Liang Mingyu's cell phone, looked for Liang Jiaying's number, and dialed it.

The cell phone rang for a moment before the call was finally picked up. Bai Shui asked with a smile, "Jiaying, where are you? Your brother is worried about you."

The other party heard her voice and hung up loudly.

Bai Shui was stunned for a moment and thought that she had dialed the wrong number. She took the cell phone off her ear and carefully checked the number. "It's her number, but why did she hang up?"

Liang Mingyu suddenly had a bad feeling in his heart. He asked anxiously, "What's wrong?"

Bai Shui pursed her lips tightly. "She hung up the phone as soon as the call connected."

"Hung up?" Liang Mingyu frowned. "Please call her again."

Bai Shui nodded and dialed Liang Jiaying's cell phone again. The call was connected immediately. Bai Shui immediately asked anxiously, "Jiaying, you -"

\*Pa!

The call was disconnected again.

Bai Shui immediately realized that something must be wrong. She asked Liang Mingyu frantically, "She still hung up! What should we do now?"

"Don't worry." Liang Mingyu hesitated for a few seconds and then told her. "Can you find Qin Shanyuan's number there? Call him and ask him where Jiaying is now."

"Alright!"

Bai Shui followed Liang Mingyu's instructions and searched for Qin Shanyuan's phone number.

One evening, Liang Mingyu was afraid that something bad would happen to Liang Jiaying at work, so he asked her for Qin Shanyuan's number.

Thank God he thought long and hard. Otherwise, he would be dying of worry now.

"Hello..." Qin Shanyuan's faint voice sounded from the receiver. "Who is this?"

"Hello, please hold for a moment." Bai Shui didn't know Qin Shanyuan, so she decided to let Liang Mingyu take the call. She put the phone to his ear.

Liang Mingyu immediately asked, "Shanyuan, do you know where Jiaying is?"

"Jiaying?" Qin Shanyuan immediately leaned against the headboard, coughed twice, and shook his head. When he realized Liang Mingyu couldn't see him, he said, "No, I haven't gone to work for two days."

"No?" Liang Mingyu's heart was beating fast, and the bad feeling grew stronger as he had a hunch about what had happened to Liang Jiaying. *NoveLUsB.cOm*

Qin Shanyuan coughed again and asked. "What's wrong? She's not back yet?"

"No..." Liang Mingyu's forehead was covered in a cold sweat. He can't move now. If he could, he'd jump out of the bed and rush out to find Liang Jiaying.

"After she left for work today, she didn't come back. I thought she'd gone to work at the nightclub again."

"Cough! Cough!" Qin Shanyuan took a sip of warm water to moisten his throat. "Liang Mingyu," he said. "Have you called her?"

"I did!" Liang Mingyu didn't know what to do at this moment. He couldn't do anything and couldn't save his sister. His only hope was Qin Shanyuan. "But the call was hung up as soon as it was connected. I'm afraid something bad has happened to her."

When Qin Shanyuan heard Liang Mingyu's words, he immediately coughed violently. From the speaker, Liang Mingyu could hear it.

Qin Shanyuan was coughing violently as if his lungs were almost going to burst out of his chest.

"Forget it. Shanyuan, you're too sick. Don't think about this anymore."

Liang Mingyu was about to hang up, but Qin Shanyuan's voice suddenly came. "Liang Mingyu, don't worry. I will come and find you right now." He said before hanging up the phone.

Liang Mingyu looked at his cell phone. For a moment, he was lost in thought.

He did not know why, but when Qin Shanyuan said he would come and help him find Liang Jiaying, he (Liang Mingyu) felt less nervous and worried.

As long as Qin Shanyuan said he would help him, Liang Mingyu felt he could do it.

It was strange, though. Liang Mingyu and Qin Shanyuan hadn't known each other for a long time, and Liang Mingyu did not even understand Qin Shanyuan's character, but out of nowhere, he had such a strong sense of trust and dependence on him.

Liang Mingyu smiled slightly. Maybe...Just maybe Qin Shanyuan was not that bad.

And it was so much better dealing with this matter with two heads.

Since Qin Shanyuan wanted to come, Liang Mingyu calmed down a lot. He sat on the bed and quietly waited for him.

The two nurses, Bai Shui and Lei Ning, looked at Liang Mingyu, who was sitting on the bed calmly, with curious expressions.

"Mingyu, shouldn't we go find your sister now?"

The corner of Liang Mingyu's mouth suddenly pulled up a helpless smile. "What's the point of us rushing? I'm already like this now, there is no difference if we go look for her now or later."

The two nurses understood and kept quiet.

••••

Qin Shanyuan was sick and his sickness was very serious.

Han Szeto asked the family doctor to examine him. The doctor said, "He hasn't been sleeping well and not eating for the past few days. He can't cope with the diet. Besides, he may not be in a good mood, so he got sick as soon as the cold wind blew."

After Han Szeto heard the doctor's words, he made fun of Qin Shanyuan.

He became sick when the wind blew.

Wasn't this a child's sickness?

Qin Shanyuan lay on the bed after taking the medicine. He felt dizzy and didn't want to do anything.

Lin Xiu was worried about him. After hearing from the doctor that Qin Shanyuan was in a bad mood, she came to lighten his mood.

"Xiao Yuan, did you fight with Liang Jiaying?"

Qin Shanyuan shook his head, "No."

Even if he were, Qin Shanyuan would not tell Lin Xiu either.

Qin Shanyuan had many worries, and he could tell about them to Qin Yu, to Liang Jiahao, and also to Liang Zixuan, Han Yuanjun, and Han Szeto. But never in his life, he would tell them to Lin Xiu and Qin Shaoqiang.

There were many unknown things between him and Liang Jiaying.

He himself was not sure if Liang Jiaying really had a fiancé or if she still had feelings for that man.

He could not tell his parents about them when everything was still unknown.

Just like that day when Lin Xiu found out that Liang Jiaying had stolen his wallet. Lin Xiu immediately could not stand her and spoke to her in a strange way.

Qin Shanyuan did not want anything like that to happen again.

He did not want Lin Xiu to get angry again, and he also did not want Liang Jiaying to get hurt again.

### **Chapter 869: Liang Jiaying Has Gone Missing II**

Lin Xiu heaved a long sigh and patted Qin Shanyuan on the shoulder. "Xiao Yuan, I may be too pushy with you, but I'm doing it for your own good. If you don't want to say it, I won't force you. But I want to tell you, if you really like Liang Jiaying, get her no matter what. As long as she's the one you like, I can learn to accept her."

nOvElsb.cOm

The moment Qin Shanyuan raised his head and looked at Lin Xiu, his eyes suddenly turned red. He knew that Lin Xiu was only doing this for his own good, and he also knew that her previous attitude towards Liang Jiaying was to protect him.

"Mom, don't worry about it. I know what I'm doing. When the right time comes, I'll definitely tell you the good news."

Lin Xiu smiled and left.

Qin Shanyuan got dressed and ran downstairs with great enthusiasm. Qin Yu and Liang Zixuan were about to go upstairs to sleep when they saw him.

"Big brother, it's already late at night. Do you still want to go out?"

"Yes." Qin Shanyuan took the car keys that Han Szeto had left on the table. "I still have something to take care of."

Han Yuanjun was the best at reading people's facial expressions. Besides, there were only two possibilities for Qin Shanyuan's current state. One was that the sky had collapsed, and the other was because of Liang Jiaying.

"Shanyuan." Han Yuanjun called out to him. "Are you going on a date?"

"Uh..."

As soon as Han Yuanjun said that, everyone looked at Qin Shanyuan with a smile on their face.

Qin Shanyuan took a deep breath. His hoarse voice was worse than the screeching of a saw. "Uncle, have you ever seen someone going out on a date late at night?"

"Of course." Han Yuanjun raised an eyebrow. "Time doesn't matter on a date."

Qin Shanyuan was immediately speechless.

Why would he go on a date at night instead of during the day?

And what's the only thing that can make him go out at night, other than a date?

Of course, it's something important!

Qin Shanyuan was in no mood to refute that. If it were normal times, even if he didn't go out on a date, he would proudly say that he was going on a date.

"Jiaying might be in trouble." Qin Shanyuan casually said, "I need to go to the hospital to visit Liang Mingyu and check the situation. If I can't handle it, I'll ask for your help."

"Jiaying is in trouble?" Liang Zixuan suddenly panicked. She quickly walked in front of Qin Shanyuan. "Are you sure?"

"I'm not sure about the current situation yet." Liang Zixuan was pregnant. She couldn't be anxious or agitated. He held her hand and sent her back to Han Yuanjun's side. "I'll go and check it. Maybe Jiaying

and Mingyu are fighting. Don't worry. If something really happened to her, I'll definitely ask for your help."

Han Yuanjun could tell that Qin Shanyuan was lying, but he didn't expose him. He nodded to him slowly and signaled him to leave quickly.

Qin Shanyuan wasted no time and quickly ran out with the car keys in his hand.

Liang Zixuan was still very worried. "I need to call Liang Mingyu and ask about this."

"Don't call him." Han Yuanjun took Liang Zixuan's hand and led her upstairs. "It's probably nothing serious. If something really happened, Liang Mingyu would definitely call you first. Why did he call Shanyuan? The two siblings must be fighting. Shanyuan would go there and be the peacemaker."

"Really?" Liang Zixuan hesitated. She turned to look at the door, but Qin Shanyuan was nowhere to be seen. He left the house like a gust of wind.

Qin Yu and Liang Jiahao followed the two of them from behind. Hearing Liang Zixuan's concern, Liang Jiahao said, "Zixuan, your job now is to rest and sleep. Even if something really happens, I'm still here. Don't worry."

Qin Yu held Liang Jiahao's hand and also advised Liang Zixuan. "Auntie, you're carrying the precious treasure of the Han Family, so you must take care of yourself. Besides, there are so many people here, why do you have to worry?"

Liang Zixuan suddenly felt discriminated against by everyone. She turned back to Liang Jiahao and Qin Yu. "You two are acting like I'm a cripple. I just got pregnant!"

"It's because you're pregnant, you're the object of our protection." Han Yuanjun gently pushed Liang Zixuan's head forward and said, "Baby, don't worry. Don't you trust us? Even if something happens, we can take care of it."

"Fine." Liang Zixuan no longer insisted and obediently let Han Yuanjun lead her to their bedroom.

••••

Qin Shanyuan drove the car briskly to the hospital. The two nurses hadn't left yet. Since Liang Jiaying hadn't yet returned, they didn't dare to leave. They had to take care of Liang Mingyu's daily needs.

"Liang Mingyu!" Qin Shanyuan rushed in from the door and asked anxiously, "What happened to Jiaying? She hasn't come back since she went out this morning?"

"Yes." Liang Mingyu sighed, "I thought she'd gone to the nightclub to work, but when I called her just now, I suddenly realized that something might have happened to her."

Qin Shanyuan didn't care how much he was sweating and how breathless he was from all the running. He even forgot that he had a cold.

He quickly went to Liang Mingyu's bedside. "Tell me everything that happened today. Let's talk about it together and see what might happen to her."

••••

On the other side....

After a few hours, the effect of the drug had faded and Liang Jiaying slowly woke up.

When she opened her eyes, she found out that she was in an old factory, and there were several men sitting around the table playing cards.

One of them saw that she was awake and threw the card on the table before walking toward her.

"Little girl, we've been waiting for you for a long time. Finally, you woke up..."

### **Chapter 870: Liang Jiaying Has Gone Missing III**

Liang Jiaying was well protected by her family ever since she was young, so it wasn't surprising that she was naturally afraid of such things. Moreover, the lewd smile on the man's face made her scalp go numb.

"What do you want from me?"

"What do we want from you?" The man grinned and pulled a knife from his waistband. The sharp blade glowed with a chilling silver sheen in the dark yellow light.

The man played with the knife for a while, then he stuck out his tongue and licked the tip of the blade arrogantly. His eyes glanced at Liang Jiaying and he laughed bloodthirstily. "What do you think we want from you?"

"No!" Liang Jiaying was afraid and her tears ran down her face. "Please, don't do this to me."

"Haha..." When the few men at the table heard Liang Jiaying's panicked voice, they all threw their cards on the table and walked over with great interest. "This girl is so tender!"

"Ryan, I've heard that Asian women are delicious. Why don't you have your fun first?"

Ryan was the one who'd licked the knife and also the leader of these people. After hearing the man's words, he smiled and went to Liang Jiaying's side. His eyes stared at her curvaceous figure. When his eyes landed on a certain spot, they sparkled strongly. *NoveLUsB.cOm*

"I have heard that too. Some time ago, Kayden had slept with an Asian girl. I heard from him that she had very good taste."

Some of the men next to him immediately got excited. "Anyway, the other party just ordered us to kidnap her to lure her brother out, but he did not say we could not do anything with her. Ryan, let's hurry up and have fun. Don't waste any more time."

While they were talking, they had already taken off their pants. These men looked impatient and anxious.

"Ah! No, don't come any closer! Stop!" Liang Jiaying saw the men taking off their pants at the same time and began to cry. "If my brother finds out about this, he will kill you!"

"Haha..." One of the men stopped in front of her and pinched her chin. He lifted her head and smiled provocatively. "Aiyo, we are so scared!"

"Let go of me, you bastard. Let go of me!" Liang Jiaying's hands and feet were tied up. She was currently sitting on a chair with no fighting power left. There was no need to talk about resisting.

At the moment, she was like meat on a chopping board and could only wait to be slaughtered.

Liang Jiaying had grown up in a pampered environment and her parents considered her their beloved pearl. Not to mention this gang of thugs, she had never seen a hooligan before.

"Little girl, come on, let me kiss you ~" The man's oily mouth eagerly kissed Liang Jiaying's lips.

Liang Jiaying forcefully turned her head and wanted to dodge, but her little strength was nothing against this man. It was like she was hitting a stone with an egg. The more she struggled, the more excited the man became.

Just as the man's dirty mouth was about to touch her lips, her phone on the table suddenly rang.

All the men turned around and looked.

Ryan kicked the leg of the man who was about to r\*pe Liang Jiaying and yelled, "What're you standing there for? Go and get her phone!"

The man said, "Oh." Reluctantly, he let go of Liang Jiaying and went to get the phone before handing it to Ryan. Ryan looked at the rest of his men and told them to shut up before taking the call.

Immediately, a man's deep and hoarse voice rang out from the speaker. "Sister..."

The corner of Ryan's mouth curled upward. He smiled wickedly, "Liang Mingyu, your sister is in my hands now. If you want her, order the people outside the hospital to leave now!"

A man's gasp came from the receiver. Ryan could tell he was nervous and panicking. Before the man could answer, Ryan proudly said, "It's okay if you don't want to come. There are five of us here. We'll take good care of your sister."

As soon as he said that, one of the men touched Liang Jiaying's face provocatively. Liang Jiaying screamed in fear. Suddenly, a thought arose in her heart. She was no longer afraid of death. She yelled into the phone in Ryan's hand. "Big brother, don't worry about me. Don't let the people who protect you leave. If you do what they say, they will kill you! Big brother, don't worry about me!"

Ryan frowned and winked at the man next to Liang Jiaying. The man immediately covered her mouth with his hand.

"Wuwuwu..." Liang Jiaying still wanted to say something. She wanted to tell Liang Mingyu that she had been harassed by a bad person, she wanted to stop Liang Mingyu from coming to save her, but all her words turned into wuwuwu.

Liang Jiaying was so anxious that tears rolled down her cheeks. She could not say anything at all.

When the man on the other end of the phone heard her voice, he suddenly coughed loudly. As he coughed, he screamed madly into the receiver, "No, please! Please don't hurt my sister! You want me, right? All right, I'll do anything you say."

Hearing this, Ryan laughed happily. He walked back to the card table and sat down on the chair while crossing his legs. He tapped his fingers on the table. "As long as you let the people protecting you leave and cooperate with us, your sister will be fine."

"Fine." After a series of coughing fits, the man had no strength left. His voice was so low and hoarse. Weakly, he said, "Give me an hour to send everyone away."

As he said this, his voice suddenly rose several notches. It was filled with hatred. "But you must ensure my sister's safety. You must not touch her. Otherwise, I will fight you to the death!"

"No problem." Ryan turned around and whistled cheerfully towards Liang Jiaying. Then, a strong glint appeared in his eyes. "But Liang Mingyu, you better not play tricks on us. If I find out, I promise I will make your sister die in a horrible way!"

"Deal!"

After hanging up, Ryan put the phone down on the card table. He did nothing but just sat there staring at Liang Jiaying. The men had taken off their pants and were waiting to taste Liang Jiaying's delicious body. However, they did not dare to act recklessly for even a moment.

"Ryan, this girl..."

"Do not hurt her." Ryan glared at the rest of his men. "Do not touch her until Liang Mingyu arrives. When he arrives, you can do whatever you want. When the time comes, I'll even let you play with his sister in front of him. The feelings might be different."
