

## Beauty 881

### Chapter 881: Shouldn't You Give Me A Practical Thank You

Qin Shanyuan yawned and walked with his eyes half closed. One look and you can tell that he didn't sleep well last night.

"Mom, lower your voice." He took an apple from the basket and wiped it on his shirt before putting it in his mouth. With a cracking sound, he took a big bite.

Lin Xiu was furious. "I asked you a question! What's wrong with your face? Did you hurt yourself because of last night?"

"Yes." Qin Shanyuan nodded his head in a daze. Lin Xiu's angry roar immediately rang in his ears. "Qin Yu, didn't you say your brother wasn't seriously injured?"

Qin Yu wanted to complain, but in front of the angry Lin Xiu, she could only lower her head submissively.

Even Liang Zixuan acted as if she'd done something wrong and didn't dare to say anything.

Being yelled loudly by Lin Xiu, Qin Shanyuan's sleepiness immediately went away. He opened his eyes wide and looked at Lin Xiu sharply. "Mom, can you lower your voice? You almost broke my eardrums!"

Lin Xiu was so angry that she clenched her teeth. "You heartless wolf, I'm worried about you!"

"I know." Qin Shanyuan nodded, then he squeezed next to Qin Yu. He crossed his legs and casually ate the apple.

Qin Yu had just been scolded by Lin Xiu and felt very wronged. She wrapped her arm around Qin Shanyuan's back and pinched his back firmly. "Big brother, what's wrong with you? Last night, your bruises weren't that serious."

"Huh?" Qin Shanyuan touched his swollen face in surprise. Then as he remembered something, he said, "Oh, this?"

He smiled embarrassedly. "I'm ashamed to say this, but after I went back to my room last night, I felt dirty, so I went to take a shower. When I took a shower, I didn't notice something on the floor and fell down. That's all."

Everyone: "..."

Was there anyone more stupid than him?

Even taking a bath, he can hurt himself?

Qin Yu moved away from him in disdain, but Qin Shanyuan pulled her back. "Why are you away from me?"

Qin Yu snorted with a fake smile. "I'm afraid the retardation will spread."

Qin Shanyuan was speechless.

This was his sister!

Speaking of what happened last night, Qin Shanyuan also felt wronged.

He just wanted to take a shower and then go to sleep. But he suddenly lost his balance and bumped his face against the shower faucet.

Liang Zixuan covered her mouth and laughed loudly. "Then I'll stay away from you two. If you infected Qin Yu and she infected me, I'd be wrongly accused again."

"G-good morning..." Suddenly, a girl's shy voice sounded behind them.

Qin Shanyuan immediately looked over his shoulder as if he'd been electrocuted. When he caught sight of Liang Jiaying, he immediately stood up and pulled her hand to walk in front of everyone. "Jiaying, let me introduce you to my family."

Liang Jiaying had met more than half of the people present, with the exception of Old Madam Han. And when Qin Shanyuan introduced her to Old Madam Han, she could guess what position Old Madam Han held.

Here's Qin Shanyuan, acting like each of them had never met and didn't know each other, introducing them to Liang Jiaying as if it was the first time they'd met her.

Lin Xiu couldn't help but roll her eyes. "Shanyuan, we've met her before, okay?"

"I just wanted to introduce her to you for the second time." Qin Shanyuan paid no attention to Lin Xiu's words and curled his lips. He pulled Liang Jiaying to an empty sofa and sat down. *NovElusb.cOm*

Liang Jiaying was very embarrassed, especially after last night. As soon as she came into contact with Qin Shanyuan, she would remember what had happened. Her face slowly turned red.

Old Madam Han had always been kind to the younger generation, especially to the girlfriend of her own great-grandson. The more she looked at Liang Jiaying, the more she liked her.

"Jiaying, are you hot? Why is your face so red?"

Liang Jiaying smiled awkwardly. "N-no...M-maybe this is my first time facing so many people, so I-I'm a bit nervous."

"Don't be nervous. Even though we all have different surnames, we're still one family." Tian Qihua was afraid that Lin Xiu would say something that would hurt Liang Jiaying, so she quickly said it in front of her.

As expected, Lin Xiu's mouth was already half-open, but when she heard Tian Qihua's words, she could only close her mouth and swallow the words she wanted to say.

Qin Shanyuan saw that everyone was present. At least all the elders. So, he cleared his throat and said seriously, "There's something I want to say to everyone. I've been thinking about this all night and I hope everyone will support me."

Everyone's interest was immediately piqued. They looked at Qin Shanyuan calmly.

Qin Shanyuan suddenly looked nervously at Liang Jiaying. "J-Jiaying, can you be my girlfriend?"

"What?"

Liang Jiaying was confused, everyone present was dumbfounded. No one had expected Qin Shanyuan to move so quickly, nor did they expect him to be so thick-skinned. He asked such a thing in front of so many people and didn't let the little girl prepare herself mentally first.

Liang Jiaying immediately became nervous and didn't know where to put her hands or how to react. She looked at Qin Shanyuan and then turned to everyone. "I-I-I..."

"Don't you think it's too fast?" Qin Yu asked with full understanding.

Liang Jiaying nodded as if she'd found her savior. "Y-yes, too fast."

"It's not fast." Qin Shanyuan cleared his throat. "Yes, we haven't known each other for long, but we've been through a lot together. Let's talk about last night. We'd been through life and death together. Jiaying, I'm very confident with my heart. You're the woman I want to spend the rest of my life with. I want to protect you and love you well. I won't let you be in danger again."

Liang Jiaying knew Qin Shanyuan's feelings. If he didn't like her, he wouldn't risk his life to save her.

But... there were so many people here...

Liang Jiaying was like a duck on a shelf, putting as a display for everyone to see.

"Shanyuan... Thank you so much for your help last night. I-"

"I don't want you to thank me!" Qin Shanyuan neatly cut off Liang Jiaying's words. He really didn't leave her any room to retreat. "I'm a very honest person. If I like it, I like it. If I don't like it, I don't like it. No one can control my feelings. After all, I've already invaded the wolves' den for you. Shouldn't you give me a practical thank you?"

Qin Yu: "...."

What should she do if she really wanted to beat her brother?

Who would force a girl to agree like that?

Liang Zixuan deliberately coughed from the side, wanting to remind Qin Shanyuan to pay attention to his words.

But Qin Shanyuan didn't understand at all. He continued. "I talked a lot with your brother yesterday. I basically know everything about you. Don't worry. As long as you promise to be my girlfriend, I promise to do everything I can to protect you and your brother. I won't let anything happen to you. Jiaying, I really like you. Otherwise, why would I help you to this extent?"

### **Chapter 882: I Can Get Rid Of My Single Status And The Whole Family Will No Longer Insult Me**

Lin Xiu was helpless when she heard this. She even doubted in her heart if Qin Shanyuan was really her own son. She and Qin Shaoqiang had high emotional intelligence, how could they produce such a disappointing thing?

This was obviously a good thing. Why did it suddenly become bad when it came out of Qin Shanyuan's mouth?

At this time, no one dared to criticize Qin Shanyuan. Only Lin Xiu, his biological mother, dared to scold him. "Qin Shanyuan! Can you be wiser with your words? Do you really have to say them out loud?"

Qin Shanyuan frowned and asked, feeling wronged. "Am I not wise enough?"

Everyone said, "Not enough!"

Lin Xiu was really afraid that Qin Shanyuan would scare the little girl. She gently advised him, "Shanyuan, you can't expect Jiaying to make a decision about this kind of thing in such a short time. Be considerate of her. Besides... there are so many of us here now, she'll be embarrassed too."

"Huh?" Qin Shanyuan finally understood why Liang Jiaying felt uncomfortable. It turned out that she was embarrassed because there were too many people.

Qin Shanyuan sighed in frustration. "Jiaying, please think about it. I'll give you three days. No, one day! Do you think that's enough? If you don't accept me, you can tell me directly. Don't worry, even if you don't accept me, I'll protect you like I did yesterday."

Liang Jiaying bit her lip and said nothing. Her eyelids drooped as she was unable to make up her mind.

Qin Shanyuan was a little anxious. "If one day isn't enough, I'll give a day and a half. Don't worry, I'll be fine. Even now, if you want to reject me, you don't have to worry about my feelings. You can reject me straight away."

These words were somewhat incoherent. One could imagine how nervous Qin Shanyuan was at this moment.

He was even more nervous than Liang Jiaying. Because of her silence, he was very scared.

He was afraid that she wanted to reject him, but in front of so many people, it wasn't easy for her to reject him. She was afraid that she'd hurt his feelings.

Seeing that Liang Jiaying still didn't say anything, Qin Shanyuan really had no choice. He hung his head down and let out a long sigh. "Okay, I understand."

"I promise!" Liang Jiaying suddenly looked up and said seriously.

Qin Shanyuan was stunned for a moment and then realized what was happening. He suddenly looked up and asked excitedly, "Do you agree to consider it?"

Everyone was speechless.

They really couldn't hold it back anymore.

Did this man not bring his brain downstairs today?

Liang Zixuan and Qin Yu, who were on the side, were angry to death. Their eyes were glaring at Qin Shanyuan and they wished they could hit his head with their eyes.

Liang Jiaying shook her head, opened her eyes wide, and said very firmly, "I mean, I promise to be your girlfriend."

Qin Shanyuan was immediately speechless.

He didn't move for a long time. Even his expression was still shocked and surprised.

Liang Jiaying thought that Qin Shanyuan didn't understand her words, and she said again, "I don't need time to think about it. I've been thinking about it all night. I know that you'll definitely ask me. So... so I already have an answer. Qin Shanyuan, I'm ready to be your girlfriend."

Qin Shanyuan's eyes widened in surprise. "Really?" he asked in disbelief.

Everyone: "..."

Qin Shanyuan's low EQ really made people anxious!

Qin Shanyuan was stunned. When he saw Liang Jiaying pursing her lips and smiling, he immediately understood. Immediately, he was so happy that his face turned red. "J-Jiaying!"

Liang Jiaying lifted her gaze and looked at him. "Yes?"

"I-I'm so happy!" Qin Shanyuan began to speak indistinctly, "I-I never had a girlfriend, so I'm very happy now. From today onwards, you're my girlfriend. I can get rid of my single status and the whole family will no longer insult me. I can also despise Uncle Cihui together with them!"

Everyone became silent.

Qin Shanyuan, would your conscience hurt if you didn't say that?

Have you ever thought about Han Cihui's feelings?

Well, now that Qin Shanyuan was no longer single, only Han Cihui, this old bachelor, was left in the family.

The expression on Zhang Xiuying's face immediately became very ugly.

Ever since Lin Xiu had gone to her room to gloat about Qin Shanyuan having a girlfriend, Zhang Xiuying's mood had never been good.

In the past, both Qin Shanyuan and Han Cihui would be in big trouble because they couldn't seem to find a girlfriend. They didn't know why, but now they knew it was because Qin Shanyuan had a low EQ. But even with a low EQ, Liang Jiaying didn't hate him and was willing to be his girlfriend.

At this point, Zhang Xiuying wondered to herself. If Qin Shanyuan was single because of his low EQ, then what about Han Cihui?

Could it be that his EQ was also low?

It didn't make any sense. A man like Qin Shanyuan, who was surrounded by men at work and couldn't catch women, ended up having girlfriends. Han Cihui, who was surrounded by beautiful women but couldn't find a girlfriend. *novelusb.com*

Everyone was happy for Qin Shanyuan. Meanwhile, Zhang Xiuying had already calculated how to find out about Han Cihui's problem.

Liang Jiaying really didn't expect Qin Shanyuan to be so happy. Anyway, she was also very happy.

"Shanyuan, you know my situation. I might cause you a lot of trouble in the future." Liang Jiaying said softly, as if she was afraid that her words might scare him.

"I don't mind." Qin Shanyuan almost cried tears of joy. He held Liang Jiaying's hand tightly. Her hand was very small and soft. Holding it in his palm made him feel unreal.

"Don't worry about it. I will do what I promised just now. I will protect you with my life."

Liang Jiaying wasn't afraid that Qin Shanyuan wouldn't be able to protect her. She just felt that whatever came her way in the future, it would be something big, and she didn't want to cause trouble for the Qin Family.

"Then... I-I have one request." Liang Jiaying secretly glanced at Lin Xiu and her voice became quieter and quieter.

### **Chapter 883: Go Out To Work**

Qin Shanyuan asked impatiently, "What is it? Tell me."

"I know it's dangerous for me to go out alone now, but... but I don't want to stay at home all day. I will feel like a bird trapped in a golden cage. I want to... go out, to work. I want to earn money with my own hands. I know you don't lack money, but I just want to be independent. You can consider this as me earning a little pocket money for myself."

Actually, Qin Shanyuan understood. The reason Liang Jiaying said that was because she didn't want him to look down on her. Maybe... Maybe his words had really hurt her heart that day. Although Liang Jiaying said she had forgiven him and was no longer angry, she still remembered it in her heart.

Qin Shanyuan's eyes reddened slightly. To this day, he still regretted his words.

At that moment, Lin Xiu opened her mouth. "Okay, I agree."

Everyone looked at her at the same time.

Lin Xiu sat there politely and displayed a natural noble demeanor. The way she looked at Liang Jiaying was no longer as arrogant as before. On the other hand, there was admiration in her eyes. "A woman should be independent. Regardless of where she comes from or whether she is married, it is always right to rely on herself. Even if your other half has no abilities in the future, you can still rely on yourself to support the whole family."

Just like Qin Yu and Liang Zixuan.

It can be said that the two were very well married.

They can fully rely on the money earned by their husbands to enjoy their life at home.

But they didn't!

Qin Yu was still acting and Liang Zixuan... Although she was pregnant now, she was not lazy and continued to take care of the Han Group's affairs.

This was her ability, and it was also her responsibility as Han Yuanjun's wife.

Lin Xiu liked this kind of independent woman, so after Liang Jiaying said these words, she only admired her more and more.

Liang Jiaying nodded gratefully. "Thank you, auntie. I know it is not a good decision in my current situation, but if it's possible, I still want to find work."

"No!" Qin Shanyuan was anxious. He felt that Lin Xiu was urging Liang Jiaying to face the danger.

"This time, the kidnapping did not work, but do you think the He Family would just let Jiaying go? They will definitely use all means to deal with her and Liang Mingyu. Right now, she can't go anywhere!"

Lin Xiu looked at Qin Shanyuan with disdain. She brushed her hair behind her ears and said lightly, "Of course, it's not possible for her to go out and find the job, but Shanyuan, have you forgotten who we are?"

Qin Shanyuan opened his eyes wide and immediately understood what Lin Xiu meant.

As long as it was about work, Qin Shanyuan's mind reacted faster.

"That's right!" He said excitedly, "Jiaying can be my secretary. There is no danger around me."

"Secretary?" Qin Yu frowned. "Big brother, what about the male secretary next to you?"

"Change the position." Qin Shanyuan waved his hand and said in an impressive manner. "He has been by my side for years and done a good job. I will promote him."

The more Qin Shanyuan thought about it, the more he felt that this idea was not bad. This way, he could ensure Liang Jiaying's safety and bind her to his side. Besides, he would always be able to see her all the time.

"Jiaying, what do you think?" At this time, Qin Shanyuan did not forget to ask Liang Jiaying's opinion.

Liang Jiaying seriously thought about it and felt that it was not a bad idea, so she nodded. "I agree. If I work together with you, I don't have to be out alone."

"Okay!" Qin Shanyuan snapped his fingers happily. "Then, Secretary Liang, from today onwards, you will be officially on duty. From now on, you will be by my side at all times."

The word "all times" made Liang Jiaying very embarrassed. She lowered her head in embarrassment and pursed her lips in a gentle smile.

Old Madam Han and Luo Yanyun were the most excited. These two elders liked to see happy endings. Especially Luo Yanyun. This way, Liang Jiaying's safety would be guaranteed, and she could be considered to have an explanation for the old Liang Family.

"Haha, good! This is the best decision. I'll be able to see Jiaying more often in the future." Luo Yanyun smiled in relief.

Old Madam Han nodded her head. "After the Liang Family's affairs are settled, we can talk about their marriage."

"Mom," Tian Qihua saw how embarrassed Liang Jiaying was, as if she wanted to dig a hole in the ground and hide inside, so Tian Qihua quickly smoothed things over. "We shouldn't interfere in the children's lives. Before we talk about their marriage, Shanyuan needs to propose to Jiaying first."

"You're right." Old Madam Han slapped her own forehead. "I'm too impatient until I forget such things. Haha..."

They were talking happily when Han Cihui came home from playing outside. As soon as he entered the house, he smelled some gossip. He didn't even have time to change his shoes. He hurriedly went into the living room, asking, "What are you laughing about? Why are you so cheerful?"

The crowd said nothing. They just looked at him and smiled.

Han Cihui couldn't think straight. He had no idea that his curiosity would make him the target of cannon fire. He kept asking, "Why are you looking at me? What makes you happy? I want to know too."

"Ahem ..." Qin Shanyuan coughed and said seriously, "Uncle Cihui, I want to apologize to you."

"Apologize to me?" Han Cihui became more and more curious. He looked at Zhang Xiuying before sitting down beside her. "Shanyuan, what have you done? Tell me quickly."

Qin Shanyuan smiled mischievously. In front of everyone, he held Liang Jiaying's hand and raised their clasped hands. "From today onward, you're the only old bachelor here. I can't accompany you anymore. So, I'm sorry."

#### **Chapter 884: A Threatening Email**

Han Cihui was immediately speechless.

What the hell?

What the f\*ck!

Did Qin Shanyuan really get Liang Jiaying?

Han Cihui glared at Qin Shanyuan, his eyes clearly saying, "Why didn't you tell me earlier? If you'd told me sooner... I wouldn't have come back!"

As soon as he glared at Qin Shanyuan, he was slapped on the back of his head.

"Look at you! Only know how to play around! Shanyuan found a girlfriend first, what about you? Where is your girlfriend?"

The person who'd hit Han Cihui was none other than Zhang Xiuying.

Han Cihui covered the back of his head with a sullen look.

He only went out to play because he was too bored to stay inside the house. No one wanted his company. And why was it so bad to be single?

Zhang Xiuying wasn't the only one who scolded him. There was also Old Madam Han.

"That's right!" Old Madam Han really despised Han Cihui now. Her expression was very ugly. "You're not young anymore, and Shanyuan is your nephew. You really have the nerve!"

"Ahem..." Liang Zixuan coughed softly and said sympathetically, "Auntie, grandmother, please understand Cihui. He may not have the intention of looking for a girlfriend now. If he wants to find one someday, he'll definitely find her."

"Right! Right!" Han Cihui immediately took the opportunity to save his life. "It's not that I can't find her, I just don't want to!"

"Tch!" His birth mother, Zhang Xiuying, did not give him any face. "I think you have a problem with yourself."

Zhang Xiuying didn't care about Han Cihui's face at all. She asked stiffly, "Tell me, do you not like women?"

"Huh?" Han Cihui was shocked and almost jumped off the sofa. "W-wh-who said I don't like women? I-I do, I like women!"

Zhang Xiuying narrowed her eyes. "Then, why are you stuttering?"

"I-I-I-I don't stutter. No. I-I don't stutter!" Han Cihui was so angry that he was tongue-tied. He really didn't want to stutter, but he couldn't help it. [nOveluSb.com](http://nOveluSb.com)

Zhang Xiuying shook her head and said sadly, "My prediction turned out to be right. You don't like women."

"Haha..." Qin Yu and Liang Zixuan, who were on the side, couldn't hold back their laughter anymore. They both almost hugged their stomachs.

Han Cihui really had nowhere to put his face today. He shot back. "Mom, y-y-you... can you not force me? Will you believe me if I say I will go out and find a girlfriend now?"

"Then go." Afraid Han Cihui would go back on his words, Zhang Xiuying grabbed his clothes and kicked him out. "What're you still standing here for? Go quickly!"

Han Cihui was speechless.

His life had come to an end. It seemed that he could no longer live this life unless he brought a girlfriend.

Zhang Xiuying had never been so happy as she was now.

Qin Yu, Liang Zixuan, and the others found it hard to suppress their laughter.

Han Cihui waved his hand angrily. "Alright, I'll go. Just wait here. I'll find one and scare you to death."

"Aiyo, I'm so scared." Zhang Xiuying patted her chest, trying to provoke Han Cihui. "You should hurry up. Go and find a girlfriend to scare me to death."

"Humph!" Han Cihui angrily left the house.

He wanted to stay single, but it seemed he'd no chance.

He probably won't even eat dinner in the house in the future.

Qin Shanyuan looked at Han Cihui's angry back and shrugged his shoulders sympathetically. Then he whispered in Liang Jiaying's ear. "Before I met you, I wasn't much better than him. My family insisted that I get married. Look at Uncle Cihui now, I was him at that time."

If Lin Xiu hadn't pushed him to get married, he wouldn't be where he was now.

He wouldn't have gone to the nightclub and met Liang Jiaying.

All of this seemed like a dream. As if it was destined. He was pressured to marry, he was insulted, and then he met Liang Jiaying in a fit of rage.

Liang Jiaying bit her lip and smiled before whispering in Qin Shanyuan's ear. "Is it that bad? Then I'll treat you well in the future, boss."

The word "boss" made Qin Shanyuan smile. As if he could already predict the future.

He and Liang Jiaying would go to work together, then leave work together and go home together. They can see each other at any time.

When Old Madam Han saw this, she pointed at the two of them and smiled. "Look at them. They've just officially become boyfriend and girlfriend but are already whispering intimately with each other."

Everyone looked at Qin Shanyuan and Liang Jiaying and smiled.

Suddenly, Qin Yu's phone rang. She took out her phone and saw that it was a call from Mo Shan. She stood up and went to the side to pick it up.

"Hello, Sister Mo."

Mo Shan took a deep breath. "Qin Yu, I have something to tell you."

Hearing Mo Shan's tone, Qin Yu immediately knew that it was definitely not something good. She walked further and stood by the window in the kitchen before asking softly, "What is it?"

"Qin Yu, I just received a threatening email." Mo Shan was trembling with fear. When Qin Yu heard this, she couldn't help but shiver. "What kind of email?"

"There are only two sentences in the email: Qin Yu, if you take part in the filming, you will end up like what happened next."

Mo Shan took a deep breath. "The picture below shows a dog with its stomach slit open. The intestines and liver were all removed and set aside. Qin Yu, what should we do now?"

Qin Yu didn't panic. She was still calm. "Can you find out the email address?"

"It's useless. I have someone check it. The other party is deliberately hiding his IP. Furthermore, his technique is very sophisticated. Even the hackers on our side mightn't be able to find him in a short time."

Mo Shan's voice suddenly became quieter. "Qin Yu, do you still want to continue the filming?"

"Yes, why not?"

Qin Yu had grown up under all kinds of threats. When she was young, her classmate saw that she was wearing a beautiful dress and threw a handful of sand on her body. The dress was dirty, but the next day, Qin Yu went to put on a more beautiful dress again.

When the girl wanted to throw sand at her again, Qin Yu quickly subdued her.

There was also a funny moment when she was in high school. At that time, she had a very good male friend. There was a girl in her school who liked her friend and used all kinds of threats and intimidation to make her stay away from him.

But Qin Yu asked her friend. "Do you like her?"

Her friend shook his head. "Only a ghost would like her."

Qin Yu snapped her fingers. "Alright, I understand."

When the girl came to threaten her again, Qin Yu said nothing and just went to beat the girl.

She also said to the girl, "My brother said he likes brilliant students. People like you, who don't know anything and only know how to make trouble all day, he doesn't even want to look at you."

The girl cried. Qin Yu didn't think that from that day onwards, the girl would be so angry that her academic performance would skyrocket. During the college entrance exam, she actually made it to the top ten of their overall grade.

The girl went directly to the university where Qin Yu's friend was.

One day, Qin Yu met her friend and unexpectedly found that he was touched by the girl's sincerity, and they were both in a relationship.

Therefore, Qin Yu was never one to fear threats.

She had many ways to deal with such people.

"Sister Mo." Qin Yu said calmly, "There's no need to find the IP address anymore. Even if you don't ask someone to check it, I can guess who sent it."

### **Chapter 885: In The Light, It Is Not Sure Who Will Be Afraid Of Whom**

Mo Shan was silent for a moment and suddenly asked, "You suspect Shen Xieren?"

"Ha..." Qin Yu laughed mockingly, "Besides her, who else?"

Mo Shan thought about it and found that it was also true.

Only Shen Xieren knew that Qin Yu was in America now and going to start filming her movie.

Besides, the last time she was tricked by Qin Yu, so her old and new grudges were added together and it was very likely that she would do something like this.

Especially now that she could not survive in the abroad entertainment circle. The main reason was that when she left, she always felt that she would be better in homeland, so she didn't leave any way out for herself. She instantly cut off her way of life in European and American circles.

Not to mention that she had also offended many people. So it was hard for her to make a comeback.

For Qin Yu, her development in homeland was very good. Now that she was going to be filming an international movie, not to mention that this movie would certainly be popular, just depending on the director and production team, she could be said to have planted her fame here.

Qin Yu, an Asian woman, would officially enter the international market. If she made it to European and American circles, with the support of the Han Group and Liang Jiahao, who will remember Shen Xieren anymore in the future?

Therefore, regardless of whether it was in terms of relationship or career, Shen Xieren was the person most likely to stop Qin Yu from filming.

"Since we know it's her, what do we do now?" Mo Shan was no longer as nervous as before. Instead, she was calm and composed.

"Now we are out in the open and she's hiding in the dark. If we really want to find her, it will not be that easy. I can only ask Uncle Yuanjun and Uncle Szeto for help in finding her."

Qin Yu could not think of a better way to deal with this matter in such a short period of time. She knew that Mo Shan would be worried. She smiled nonchalantly and said, "Don't worry, Sister Mo. When the time comes, my husband will accompany us to the film crew. Whatever happens, with him around, it will not be a problem."

"It's good that President Liang can go with us." Mo Shan was now completely relieved. "Even if we cannot find Shen Xieren now, we will not be afraid. We will use the water to block the fire, we are not afraid even if she might turn the sky upside down."

"Yes." Qin Yu smiled and nodded. "Then let us do it this way first. Later, when my husband, Uncle Yuanjun and Uncle Szeto come back, I will tell them about this."

After hanging up the phone, Qin Yu pretended that nothing had happened and went back to the living room.

The elders were still talking to Qin Shanyuan and Liang Jiaying. They might be too excited because all their attention was focused on the two of them.

Only Liang Zixuan could sense that something was wrong with Qin Yu. She looked at everyone. Seeing that everyone was too engrossed with the couple, she whispered, "Who are you talking to on the phone? You took so long..."

"Sister Mo." Qin Yu always told Liang Zixuan everything. She never hid anything from her.

"Someone sent a threatening email to the studio account. I guess Sister Mo was a little spooked and told me about it."

"Threatening email?" Liang Zixuan became agitated and her voice accidentally became several times louder. *nOVelUSb.com*

It made Old Madam Han and the others look at her in surprise.

Liang Zixuan touched her nose in embarrassment. She smiled awkwardly. "It's nothing. You guys keep chatting. I'm talking about the drama plot with Qin Yu."

Only then did everyone turn their attention back to Qin Shanyuan and Liang Jiaying.

Qin Yu pulled Liang Zixuan's hand and they both acted as if nothing had happened. She helped her up. "Does your back not hurt after sitting for so long? Let's take a walk outside."

"Yeah, my waist hurts a little from sitting."

They both walked out of the living room together. The winter wind felt cold. It was the kind of cold that made people's bones shatter. Qin Yu did not dare to take Liang Zixuan far. She found a small roof garden to hide from the wind and sat on the bench.

"Qin Yu, tell me. What kind of threatening email?" As soon as they sat down, Liang Zixuan asked anxiously.

Qin Yu told Liang Zixuan the contents of the email without leaving a single word. "I think this is Shen Xieren's doing."

Liang Zixuan nodded, and her eyes suddenly darkened. "If this had happened in China, it would be difficult to guess who it was, but it happened here. It was also when you were about to start filming. I think it was her too."

"It's just that..." She paused for a moment, then gently shook her head. "In our country, Shen Xieren was not so brazen. The moment she came to Los Angeles, she became very arrogant. I don't think this matter will be easy. Since she dared to threaten you, it is very likely that she is well prepared and ready."

As the saying goes, a dragon cannot defeat a snake. And no matter how powerful Liang Zixuan and Han Yuanjun were in the Imperial City, they will not be able to defeat Shen Xieren in Los Angeles. They were an outsider, but Shen Xieren was different. When she was in the Imperial City, she was considered an outsider. Therefore, when she attacked Qin Yu, she was not so domineering and rude.

"En." Qin Yu felt that what Liang Zixuan said made a lot of sense. She didn't panic before because she felt it was pointless even if she had panicked. It was not that she was not afraid. Instead of panicking like a headless fly, it was better to stay calm and think about what to do next.

"But ..." Liang Zixuan continued, "Big brother and uncle have been in Los Angeles for many years, and dad has also been in America. It's no problem for them to deal with Shen Xieren."

Qin Yu pursed her lips. "In the light, it is not sure who will be afraid of whom. I'm just afraid that this dog will jump over the wall and do something out of line."

"Don't let the elders know about this. Wait until your uncle and my brother come home, and then you come to my room. We will discuss the countermeasures thoroughly."

## Chapter 886: Why Do I Feel Like They Don't Like Me

Liang Zixuan stood up and pulled her coat to her body. "Last night, it snowed heavily. Although it is sunny today, I feel very cold."

Qin Yu helped Liang Zixuan walk back to the villa. "The weather in Los Angeles is really not as good as our Imperial City. It is said that there will be a full moon in our hometown tonight."

After they returned, they acted as if nothing had happened. They joked with the others and had lunch. Old Madam Han and the others did not notice anything unusual.

In the evening, Liang Jiahao, Han Yuanjun, and Han Szeto returned.

Qin Shanyuan proudly held Liang Jiaying's hand and waved to them.

Han Yuanjun's expression was as if he had swallowed a fly. He nudged Liang Jiahao with his elbow. "Big brother, am I seeing things? Shanyuan is holding Liang Jiaying's hand?"

Liang Jiahao looked at him seriously. His face was full of pain. "You are not seeing things. They are indeed holding hands."

"It can't be." Han Yuanjun walked over to the living room hurriedly and confirmed once again that Qin Shanyuan was indeed holding hands with Liang Jiaying. He clicked his tongue and said disdainfully. "Qin Shanyuan, you sure are quick on your feet. You saved your beauty last night and now she's your girlfriend?"

"Of course." Qin Shanyuan raised his chin proudly. "I have to thank uncle and brother-in-law for helping me. Thank you for helping me to be with Jiaying so quickly."

Liang Jiahao walked over and glanced at him. Then he sat down next to Qin Yu. "If you want to thank me, give me something practical. And not this silly thank-you."

Qin Shanyuan sneaked a glance at Liang Jiahao before looking at Han Yuanjun. He felt that these two men would not let him go so easily.

He sighed and pretended to be pitiful. "Uncle, brother-in-law, look. I am only with Jiaying now. My relationship with her isn't stable yet. How about this? When our relationship is stable, I'll think of a way to thank you. Do you think that's okay?"

"Tch!" Han Yuanjun snorted disdainfully and was about to say something when he saw Liang Zixuan giving him a look. He immediately went to her and helped her up from the sofa. "Judging from your insincere look, hah, forget it. Don't look for me for things like this in the future. It's better to stay at home with my wife than to help you."

"Uncle, don't be like that." Qin Shanyuan was a little embarrassed. After hearing what Han Yuanjun had said, he felt like he was heartless. "Uncle, how do you want me to thank you? As long as you say it, I will do it. I will do what you say."

At this moment, Qin Yu pinched Liang Jiahao's hand. Liang Jiahao immediately understood that she had something to tell him. He pulled her to stand. Seeing Qin Yu following Liang Zixuan and Han Yuanjun, Liang Jiahao did not ask any questions and went with her.

Qin Shanyuan thought he had been despised by them. He stomped his feet. "Don't leave yet. Let's discuss this matter properly. Don't leave without saying anything."

Han Yuanjun and Liang Jiahao were now under the control of their wives. They completely ignored Qin Shanyuan's complaints.

Liang Jiaying pulled Qin Shanyuan's hand and whispered. "They look like they have something important to discuss. Stop shouting. They are just playing around with you."

"What?" Qin Shanyuan immediately narrowed his eyes. "What kind of important thing that they cannot say here, in front of everyone?"

Qin Shanyuan looked in the direction they were going. The more he thought about it, the more he wanted to know. He really could not take it anymore. He pulled Liang Jiaying up with him and wanted to follow them.

But Liang Jiaying quickly pulled him back. "Don't go. They will definitely tell you if they want to. You might only cause trouble with your presence, so don't follow them."

Qin Shanyuan was not happy. "But why do I feel like they don't like me?"

Liang Jiaying smiled gently. "If they really don't like you, they wouldn't help you save me last night. If someone says something good to you, they might not really mean it. The uncles may say they don't like you, but when something really happens, they will stand up for you. That's why their relationship with you is so good."

Qin Shanyuan suddenly understood. "I see." Then he said, "That's why I get along so well with Uncle Cihui. Even though I always say that I don't like him, but if something happens to him, I will definitely help him."

Qin Shanyuan suddenly looked left and right. "Hey, where is Uncle Cihui? Why isn't he back yet?"

How the hell would Han Cihui dare to go home?

As soon as he went back, he would be bombarded by a bunch of women until he was ashamed of himself and doubted his life.

•••••

After Liang Zixuan and Han Yuanjun entered their room, Liang Zixuan said to him, "Call Big Brother Szeto and ask him to come here."

When Han Yuanjun heard this, he immediately knew that something had happened. Without hesitation, he called Han Szeto.

Han Szeto was in the middle of putting together some company files in his study. Han Yuanjun did not come here for a vacation this time. He was here to plan the cooperation between the Han Group with the American entertainment circles.

He had long wanted to enter the international market but had not yet found a good partner.

Coincidentally, Qiao Hongya's two entertainment companies had been transferred to Liang Zixuan and Liang Jiahao. As for these both siblings, they only cared about the revenue, but not the operation. Therefore, Han Yuanjun would like to use this opportunity to integrate domestic films into European and American circles using this cooperation and bring Eastern culture to the international market. Qin Yu's film was not the first film. There will be more collaborations in the future.

So when Han Szeto came home from work, he was still very busy. After compiling a lot of files, he still had to think about the company's affairs. Han Yuanjun happened to be here. If anything happened, the two brothers would discuss it at home.

After Han Szeto received Han Yuanjun's call, he knew that if Han Yuanjun had to use his phone to contact him at such a short distance, it might be a big problem.

Han Szeto quickly packed up his work and quietly rushed to Liang Zixuan's room.

Twenty minutes later, Qin Yu finished telling everyone about the threatening email.

Liang Jiahao's face was livid. His lips were tightly pursed and his eyes were as cold as the cold wind outside. *nOVeIusb.cOm*

"There's no need to think about it. Shen Xieren must have done it."

Qin Yu nodded. "Auntie and I think so too."

Liang Zixuan said, "The most important thing now is how to find Shen Xieren, or rather, how to prevent her attack and destruction. Based on my female intuition, once Qin Yu goes to the filming crew, the rest of her days will not be peaceful. Shen Xieren will definitely do everything she can to stop her."

Han Yuanjun took a sip of hot tea. "It will not be easy for us to deal with her."

Liang Jiahao waited for them to finish talking before looking at Han Szeto. "Big brother, how strong is your force? Do you know anyone in the underground world?"

### **Chapter 887: I Want To Go To The Film Crew With You**

Han Szeto sneered coldly. "I am a conscientious businessman. If you want to talk about underground people, I can find some people who have connections to that. But if you ask me, I am sorry, I have no connections at all. I don't know anybody."

This was not surprising. Just like Han Yuanjun, he also didn't know anyone in the underground world. Besides, the security in the Imperial City was very good, and Han Yuanjun even wondered if there were underground people there. As a proper businessman, he never did anything illegal, so there was no reason for him to know or be in contact with those people.

The Han Family had always been conscientious businessmen, so it was understandable that Han Szeto did not know any underworld gangs.

However, Liang Jiahao disagreed with his words. "Conscientious businessman? Big brother, with that stinky mouth of yours, how can you be conscientious?"

When Liang Jiahao first met Han Szeto, he thought that Han Szeto was a strict and serious person.

But after a period of close contact after arriving here, Liang Jiahao was taken aback by Han Szeto's true personality.

So, hearing Han Szeto saying these words, Liang Jiahao was so angry that he wanted to die.

Han Szeto, who was being despised by Liang Jiahao, immediately sat up straight and asked seriously, "Do I look like a conscientious businessman now?"

Liang Jiahao rolled his eyes.

"Now is not the time to argue about that!" Han Yuanjun interrupted their argument. "Now we are talking about what we have to do next. This isn't Imperial City. Other than big brother, we don't know anyone or how things work here, so things might be difficult."

"Simple." Han Szeto snapped his fingers. "Have Jiahao follow Qin Yu to the film crew, and when the filming is finished, he can bring her back safely."

Liang Zixuan could not hold it in anymore. Han Szeto had a high IQ. How could he think things would be so easy like that? He was deliberating teasing them!

"Big brother, I know you understand how serious this situation is. What do you think we should do next?"

Han Szeto was no longer playing around. This time, he was serious. "There are many factions in the underground world now. As long as you give them money, these people will help you. Shen Xieren has lived here for many years. Presumably, she also knows about this. As long as she is willing to pay, she would definitely find someone who could help her deal with Qin Yu. The only problem is... Even though we know she would do that, we can't be sure who she would find." *novelUS&.COM*

Liang Zixuan nodded. Han Yuanjun and Liang Jiahao also felt that Han Szeto's words made sense. For a moment, no one said anything.

"But we can't just sit and wait. I will find two bodyguards to protect Qin Yu secretly. Once the other party makes a move, we will capture one of them and find out which organization they belong to. Then, this matter will be solved with money." Han Szeto continued.

Money can make ghosts grind<sup>1</sup>. This sentence was not so wrong.

No matter who it was, money can solve everything.

Liang Jiahao thought for a moment. "I think this is feasible. With me by Qin Yu's side, I have no fear for her safety even if Shen Xieren attacks. Besides, I have the help of bodyguards. It's no problem for the three of us to fight against ten people or less."

"Good." Han Szeto snapped his fingers. "This is what we will do. I'm going to call Qin Yu's bodyguard now. Qin Yu, will you be leaving the day after tomorrow?"

"Yes." Qin Yu smiled. "I will leave early in the morning. Sister Mo and Hou Fen will come with me. Since Jiahao will come with us, he can drive the car. With him as the driver, it will be safest."

Liang Jiahao pulled Qin Yu into his arms. "Of course. No one here is a better driver than me."

"Okay!" Liang Zixuan's heart was finally relieved. "If you need anything, no matter what time, remember to call us. We are a family, we will handle this matter together."

Liang Jiahao and Qin Yu nodded.

The discussion reached its final point.

The next day, Qin Yu packed her luggage and prepared all kinds of things.

Liang Jiaying knew that Qin Yu would join the film crew the next day, and her face was full of envy. "Qin Yu, I am so envious of you. You can already go to work so quickly."

"Yes." Qin Yu zipped her luggage and stretched her body. "I have been on vacation for a long time. It's time for me to start working and earning money. If I don't start working, I won't be able to support my family."

"How can that be?" Liang Jiaying covered her mouth and smiled. "Even if you don't work, uncle can still take care of you. If uncle heard this, he'd definitely be unhappy."

"No." Qin Yu pulled Liang Jiaying's hand and made her sit on the bed. "Jiahao isn't that petty. Besides, every time I tease him, he's very cooperative with me."

Liang Jiaying was very jealous of the relationships of Liang Zixuan, Han Yuanjun, Qin Yu, and Liang Jiahao.

The main reason why she agreed so quickly to be Qin Shanyuan's girlfriend was because she felt that the harmony in his family was very good. Everyone in the family was very friendly and treated people well. Also, each couple was very close to each other. They were different from the lovers out there who liked to create trouble when there was nothing.

This gave her a family feeling.

She wanted to be a part of this big family. She also wanted to be a family with them.

The feeling of being protected by a family was really good.

"Qin Yu..." Liang Jiaying suddenly pursed her lips in embarrassment. "I - I have something I want to discuss with you."

Qin Yu saw Liang Jiaying look down at the ground in embarrassment and secretly smiled in her heart. She deliberately teased her and asked in a playful tone. "What is it? I think it's better for you to talk about it with my brother than with me."

"No!" Liang Jiaying immediately interrupted her. "This has nothing to do with him."

"Oh?" Qin Yu was curious and asked, "Then what is it?"

Liang Jiaying looked up and looked out the door. After making sure Qin Shanyuan was out of sight, she whispered, "I want to go to the film crew with you. I can be your assistant. I can be anything you want. Don't worry. I'm a good girl. I won't do anything out of line and I'm very hardworking. I can do anything!"

Qin Yu was so shocked that she was stunned. She didn't expect Liang Jiaying to say this to her at all.

. .

GLOSSARY:

<sup>1</sup>If you have money, you can make the ghosts and devils turn your grindstone. This sentence emphasizes the power of money, and there is even a certain concept of worshipping money and the supremacy of money in it.

### **Chapter 888: Wherever Jiaying Is, I Will Be There**

Logically speaking, Liang Jiaying had just been with Qin Shanyuan and was in love. There was no reason for her for wanting to stay apart from him.

Besides, her current situation was not good. As long as she left this villa, she would be in danger everywhere.

What if she was caught by the criminals when she wasn't paying attention?

Qin Yu instinctively shook her head and firmly refused. "No, I can't agree to that."

"Why?" Liang Jiaying was very disappointed. "I really won't trouble you."

"That's not the reason." Qin Yu sighed, "It's because your current situation is very dangerous. Furthermore, my side is not safe. If something happens to me, with you by my side, there will be two big problems we have to deal with. If something happens to you, my brother will not forgive me for the rest of his life!"

Liang Jiaying naturally understood this principle.

She was also not someone who liked to pester others, and she was not too stubborn. She knew what was good and what was bad. Therefore, even if Qin Yu rejected her wishes, she would not be angry with her.

It's just that she's a little unhappy. "Okay."

Qin Yu saw that Liang Jiaying was no longer as enthusiastic as before and finally could not help but ask curiously, "Jiaying, can you tell me why you want to follow me? Do you want to know how the movie is made? Or is it because your favorite actor is in this movie and you want to meet him?"

"Not at all!" Liang Jiaying was amused by Qin Yu's curiosity and shook her head to explain. "I have never had a favorite actor. Other than you and Goo Shengli, I don't know anyone else."

Qin Yu frowned. "Then why are you asking for this?"

"Sigh..." Liang Jiaying sighed. "I'm always tense. I work day and night to earn money. Now that I'm here, I suddenly found nothing to do and feel unhappy. Besides, I know that uncle will go with you this time. I

don't think anything will happen, so I want to go with you and see if there is something I can help you with."

Qin Yu finally understood.

Liang Jiaying was deeply bored.

Perhaps because her life had suddenly become good and comfortable, which made her tense. She felt that this good life was not hers. By working day and night, she would truly feel that this was really her life.

Independent and strong, Qin Yu greatly admired Liang Jiaying.

"Since you said that ..." Qin Yu quietly bit her lips and immediately agreed. "Fine, I'll take you there, but you still have to go and tell my brother. You cannot just leave with me like that. After you talk to him, quickly pack your things and come with me tomorrow."

"Cough! Cough!" Suddenly two coughs were heard from outside the door.

The next moment, Qin Shanyuan entered.

When Liang Jiaying saw him, her face immediately turned red. She felt as if she had been caught doing something bad.

She lowered her head in embarrassment.

"If Jiaying wants to go, of course, I'll agree." Qin Shanyuan said as he walked toward Liang Jiaying.

Liang Jiaying's eyes immediately lit up. She looked at Qin Shanyuan with gratitude and excitement. "Really?"

"Of course!" Qin Shanyuan touched Liang Jiaying's soft hair. "I know you feel uncomfortable being locked up at home every day. If I do not agree to your request, you might get sick from holding the feelings back."

Qin Yu looked at Qin Shanyuan in surprise. She really did not expect her brother to be so easy to talk to.

Moreover... He showed Liang Jiaying a doting smile. Obviously, he was pampering her.

Qin Yu thought in her heart: It's over. With Liang Jiaying here, she would lose her place in Qin Shanyuan's heart.

While Qin Yu was secretly jealous, Liang Jiaying was so happy that she wanted to hug Qin Shanyuan and reward him. When she gave him a kiss, Qin Shanyuan said softly, "You can go, but you have to take me too."

"What?!" Qin Yu and Liang Jiaying shouted at the same time.

Qin Shanyuan snorted. "What, you don't want to take me with you? Then, I won't agree! Anyway, wherever Jiaying is, I will be there. Besides, with me here, there will be more power if something happens. I can protect her."

Qin Yu suddenly felt her head hurt. Adding Liang Jiaying, she had already felt difficult. Now adding Qin Shanyuan... Sigh. She really had no choice.

If Qin Shanyuan really could help, that would be fine. Qin Yu was afraid that he would flirt with Liang Jiaying all the time and then make some trouble.

Qin Shanyuan saw that Qin Yu was looking at him disdainfully and asked in an unfriendly tone, "Qin Yu, what's wrong with your expression? Don't tell me you despise your brother?"

"No, no!" Qin Yu smiled awkwardly, "How could I despise you?"

Qin Shanyuan pulled Liang Jiaying up from the bed. "Since that's the case, let's go back to our rooms and pack."

Qin Yu: "..."

Why did she feel that after Qin Shanyuan started dating, his behavior changed?

In the past, when Qin Yu asked him to send her off to the airport, he said he did not have time and did not feel like it. He had business to deal with at the company and asked her to call Lin Xiu or Hou Fen.

And now he was actually willing to follow her?

Alright then!

Qin Yu pouted. It was her fault for having such a big brother.

If her big brother wanted to chase Liang Jiaying, she could not stop him.

Qin Yu pushed the luggage to the door and put it there. Then she checked again to make sure she had brought everything. Only then did she feel relieved and go to look for Liang Zixuan.

"What?" When Liang Zixuan heard that Liang Jiaying and Qin Shanyuan were going with Qin Yu, she was also shocked. "They actually want to go with you?" *NovEusb.com*

### **Chapter 889 Learn More From Liang Jiahao**

"Yes." Qin Yu sat down beside Liang Zixuan with an apple in her hand and said casually, "When my brother heard that Liang Jiaying wanted to follow me, as if he had been injected with chicken blood, he insisted on going too."

"So it's like that." Liang Zixuan thought for a moment and suddenly breathed a sigh of relief. "With him there, I have more confidence in you and Jiaying's safety."

Qin Yu cut the apple in half and handed a half to Liang Zixuan. "I am still thinking about whether or not my brother will be a burden to me." *NovEusb.Com*

"How can that be?" Liang Zixuan took a bite of the apple and laughed lightly, "Your brother just has an unfiltered mouth, but he does things well. Just like when they saved Liang Jiaying. It was your brother who made the plans. Qin Yu, don't worry. If he goes with you, he will be more helpful and won't drag you down."

Liang Zixuan knew Qin Shanyuan well. Although he was often lazy, but when he did something, he was very serious and attentive.

His mind reacted very quickly. When he encountered a problem, he could find a solution on the spot. He was calm, confident, and responsible.

Qin Yu indeed knew her brother very well. When she said that Qin Shanyuan was a burden, it was just a normal remark from her. She did not forget when she had been locked in the room by Lin Xiu in the past, it was Qin Shanyuan who had saved her from time to time again.

Qin Yu could never despise or hate her own brother.

On the contrary, she sometimes was a bit attached to him.

For example... when she wanted to cause trouble and find someone to blame.

"Since auntie has already said that, then I will take him with me." Qin Yu shook her head in disdain.

The next morning, Mo Shan and Hou Fen arrived at the villa. Liang Jiahao, who was so strong and powerful, carried two large pieces of luggage by himself.

With Liang Jiahao as her bellboy, Qin Yu casually followed him from behind.

When Qin Shanyuan heard the loud noise, he hurriedly went downstairs and saw Liang Jiahao carrying the luggage. He asked, "Are we leaving now?"

Qin Yu looked at him with disdain. "Don't tell me you want to wait until lunch before leaving?"

"Okay, wait for me here." Qin Shanyuan had a good temper and was not angry at all. He went back to his room to get his luggage.

When he went back downstairs, he suddenly saw Liang Jiaying dragging out her luggage. He felt that he could not lose to Liang Jiahao, so he went over and grabbed her luggage. He smiled and said, "Let us, men, do this. Go walk with Qin Yu."

Liang Jiaying was a little embarrassed and wanted to deny it, but Qin Shanyuan had taken her luggage. She could do nothing but walk with Qin Yu.

Liang Jiahao and Qin Shanyuan dragged the luggage out the door. Then, Lin Xiu suddenly pulled Qin Yu's wrist.

Qin Yu turned around and looked at her gratefully. "Mom, don't worry. I'll be careful."

Lin Xiu said calmly, "I am stopping you because I want to tell you that since your brother will go with you, ask him to learn more from Jiahao. Tell him not to act like a fool all the time. Ask him to be more considerate of Liang Jiaying and to take care of her. Ask him not to focus on himself."

Qin Yu: "..."

arrived at the parking lot.

22:10

Qin Yu was still a little worried about their safety, so she whispered After so much trouble happened to her during the last shooting, her birth mother did not tell her to be careful. Instead, she told her to ask her husband to teach her brother more.

But Qin Yu did not get angry. She withdrew her hand. "Alright, I understand. Don't worry. This time, I will definitely make sure Jiahao teaches big brother how to flirt with girls. I guarantee that their relationship will grow quickly after they return."

After saying goodbye to her birth mother, Qin Yu held Liang Jiaying's hand and walked to the parking lot.

"Jiaying, me, your uncle, Sister Mo, and Hou Fen will go in one car. You and my brother will take another car. You two follow closely behind us."

"Alright." Liang Jiaying was looking forward to this unknown journey and her face flushed with excitement. She was like a ripe red apple that made people want to take a bite instantly.

Qin Yu gave some instructions to Liang Jiaying and as she spoke, they arrived at the parking lot.

Qin Yu was still a little worried about their safety, so she whispered to Liang Jiahao. "Where are the two bodyguards that Uncle Szeto hired?"

"Don't worry." Liang Jiahao gently stroked her hair. "They will follow us."

"Good!" Qin Yu shyly nudged Liang Jiahao with her butt. "Even if they don't follow us, with you around, I am not afraid of anything."

Mo Shan: "..."

Hou Fen: "...."

Even before they went out, they were already being fed by a mouthful of dog food. Mo Shan and Hou Fen did not know if they could stand it for two hours.

When Qin Yu saw that all the luggage was stowed in the car, she raised her hand and waved to everyone. "Alright, get in the car. Let's 22:11

go!"

Everyone immediately got into the cars and the two cars drove out of the villa one after another.

Liang Jiaying's eyes stared intently at Liang Jiahao's car. Qin Shanyuan looked at her from the rearview mirror and couldn't help but ask her with a smile. "Are you afraid that we'll lose them?"

Liang Jiaying really didn't want to admit it, but she wasn't used to lying. She honestly nodded. "Uncle is a good driver, I'm afraid you won't be able to catch up with him."

"Hahaha..." Qin Shanyuan wasn't angry even when he was offended. Instead, he laughed. "Don't worry, we won't lose them. We have a tracking device. Even if their car is ten streets away from us, we can still keep up."

Liang Jiaying didn't know much about these high-tech products. She just thought they were very impressive. She'd also heard about what Liang Jiahao had done before and was very impressed. "That's

great. Shanyuan, your family is very good. If there were people like all of you in the Liang Family, I don't think the Liang Family would have fallen into such a state."

### **Chapter 890: Trouble Arise I**

"Jiaying ..." Qin Shanyuan turned to Liang Jiaying and said seriously, "You will be part of our family from now on. We will definitely help you and your brother take back the Liang Family."

Liang Jiaying never doubted Liang Zixuan, the Han Family, and the Qin Family's determination to help them take back the Liang Family since she had promised Qin Shanyuan that she would be his girlfriend. She smiled gently. "It is my honor to be treated as family by all of you."

Qin Shanyuan smiled and shook his head. "Even if you don't agree to be my girlfriend, we will still help you."

Given Liang Zixuan's personality, how could she tolerate outsiders bullying people from her family?

As for the relationship between the Qin Family and the Han Family, with just a word from the Han Family, the Qin Family will do their best to help.

• • • •

Half an hour had passed. Qin Yu looked in the rearview mirror, wanting to see if Qin Shanyuan's car had caught up with them.

Suddenly, Liang Jiahao gripped the steering wheel tightly with both hands and his expression became serious. "Qin Yu, Sister Mo, Hou Fen, sit tight!"

When they got into the car, Liang Jiahao had already instructed Qin Yu, Mo Shan, and Hou Fen to fasten their seat belts. So, when they heard Liang Jiahao's words, they immediately became nervous.

"Is something wrong?" Qin Yu held the handle of the car with both hands and asked nervously.

"Yes." Liang Jiahao pursed his thin lips and suddenly turned the steering wheel. With a hissing sound, the car immediately changed lanes.

"Ah...!" Mo Shan and Hou Fen shouted, their hands tightly gripping the handles of the car.

"There's a car following us from behind." Although Liang Jiahao's expression was very serious, his tone was very relaxed.

Qin Yu stretched her head and looked in the side mirror, at the car. After a long search, she did not see anything unusual. She asked cautiously, "Isn't that big brother's car? Did you see it wrong?"

"I didn't see it wrong!" Liang Jiahao sped up as he spoke. He changed lanes when the car almost caught up to them.

"Ah...!" Qin Yu, Mo Shan, and Hou Fen screamed again in fear.

Hou Fen said with lingering fear. "This is too exciting! I heard from Qin Yu that President Liang could fly the car, but I still doubt it. Today, I finally saw it."

It was a compliment, but Liang Jiahao wasn't happy at all. He kept staring at the rearview mirror. At this moment, Qin Yu suddenly saw the car that Liang Jiahao said was following them.

It was a black SUV. Qin Yu couldn't see it clearly because Liang Jiahao was driving too fast. She felt like her eyes were blurring, and she could only vaguely see the car because when Liang Jiahao changed lanes, the car that was ten meters away from them also changed lanes.

"There are indeed people following us!" Qin Yu was shocked. It was as if she had discovered a new continent. She shouted exasperatedly, "It's a black SUV, isn't it?"

"Yes. When we drove out of the villa, they followed us from behind without rushing. At first, I wasn't sure, but after changing lanes twice, they were still following us, proving that they were indeed following us."

"Where, where?" Hou Fen was very curious and looked back.

Mo Shan quickly pushed her head forward. "Hou Fen, don't look! Don't let the bad guys see your face!"

Hou Fen asked in confusion. "Why?"

Mo Shan sighed helplessly. "If something happens and President Liang cannot deal with them, you can still run away during the chaos and contact Zixuan and President Han or ask the police for help."

Hou Fen seemed to have heard some shocking secret, and her mouth fell open in surprise. "There is such a thing?"

Mo Shan really did not want to talk about this with Hou Fen anymore.

After following Qin Yu for several years, although Qin Yu did not take part in filming any crime films, but there were several films with this kind of theme that she took part in.

Hou Fen was Qin Yu's assistant. Although she was not involved in the selection of the actress, she used Qin Yu's script as a novel to read when she had nothing to do to pass the time. Mo Shan even suspected that Hou Fen had seen those scripts somewhere.

So, how could Hou Fen not have the slightest knowledge of this?

Mo Shan knew this logic, but in the field of criminal investigation, Liang Jiahao was an expert. She asked him, "President Liang, do you think so too?" *NovEusb.Com*

"Yes." Liang Jiahao nodded in agreement. "I should be able to deal with these people, but Sister Mo's words are not without reason. No one can predict what will happen, so if we can control the situation, we should control it first."

It was only when Liang Jiahao said this did Hou Fen finally believe Sister Mo and shut her mouth. "I understand. If President Liang really can't control the situation later, I will take advantage of the chaos and escape."

As soon as she finished speaking, suddenly, another SUV drove out of a corner.

The SUV was originally very large and sturdy. Compared to Liang Jiahao's car, it was like a contrast of thin and chubby people.

Two black SUVs, one on the left and the other on the right, squeezed Liang Jiahao's white car in the middle. The scene was dangerous and frightening.

Qin Shanyuan's car was catching up from behind. Even though Liang Jiahao suddenly changed lanes, he still chased after him.

"What's going on in front?" Qin Shanyuan tilted his head slightly and stared unblinkingly at the three cars in front of him. "When did it become an Oreo?"

Liang Jiaying looked at him in confusion. "Oreo?"

"Doesn't it look like an Oreo?" Qin Shanyuan said very seriously, "Jiaying, look at those two black SUVs. Don't they look like two layers of chocolate cookies outside Oreos? And the white car in the middle, driven by my brother-in-law, doesn't it look like a cream sandwich?"

Liang Jiaying followed Qin Shanyuan's words and thought hard. Suddenly, she laughed.

It did indeed look like an Oreos.

But her smile suddenly faded and she immediately became nervous. "Did something happen?"

Do you have to ask that?

It was clear that something had happened!

Who would squeeze a car on both sides for no reason? Besides, two similar SUVs were driving side by side. This scene made everyone nervous.

"Something has happened." Qin Shanyuan concluded. "We just left the house not long ago and now troubles arise."

Just as Qin Shanyuan spoke, the two SUVs in front of them suddenly attacked from both sides.

Bang! Bang!

Liang Jiahao's car was nearly disabled due to the collision of the two vehicles.

Qin Yu, Mo Shan, and Hou Fen, who were in the car, screamed in fear, but Liang Jiahao calmly said, "Hold on tight!"

Suddenly, he stepped on the gas pedal, and the car dashed out of the pincer attack of the two cars like a wild leopard.

Qin Shanyuan could feel cold sweat forming on his forehead. "God, these people are going to kill Qin Yu!"

Liang Jiaying put her hand on her chest and felt her heart pounding. She felt her heart about to jump out of her chest and said in a panic. "Shanyuan, what should we do now?"

Qin Shanyuan silently gritted his teeth. "Chase them. Our car is on par with brother-in-law's car. Let's see what these people will do!"

Qin Shanyuan also stepped on the gas pedal and chased after them fiercely.
