

Beg You All 101

Chapter 101: Grandmaster Level Scheming

Hearing Chu Tian's words, Bai Xiaochun tilted his head innocently.

That is true!

Chu Tian never seemed to say that he was poor.

However, the school forums said he was poor. In addition, he also mentioned that he had worked hard to make money before, and Yang Rong even proved that his conditions were indeed flawed.

Although he never said he was poor, everything proved that he was!

"Didn't you say that?"

Chu Tian couldn't help but smile when he noticed Bai Xiaochun's mouth pouting and head tilting as he recalled.

"Well... it doesn't seem to be."

"Because it wasn't there in the first place." Chu Tian smiled and took out the necklace, saying, "Come, put it on, my love."

"No, no!" Bai Xiaochun pouted. "You lied to me, and I will never wear it again."

"Don't you wear it?" Chu Tian smiled wickedly, "Are you sure you don't wear it?"

"Sure!" Bai Xiaochun turned her head and said, "I'm angry. I don't want it anymore."

"Hey!" Chu Tian sighed and said, "Well, then I'll give it to someone else."

What?

Bai Xiaochun was stunned for a moment, then hurriedly started, "Who are you giving it to?"

"All right, Sun Nana." Chu Tian had something to say: "I saw she liked it. Her eyes almost lit up. Since you don't want it, I'll give it to her!"

"Ah, no!"

Bai Xiaochun quickly stopped Chu Tian and pouted. She scratched her hair, held it up, and said, "Put it on!"

Chu Tian laughed and said, "Tough mouth!"

Saying that, Chu Tian went around Bai Xiaochun's neck and put the Pure Star on her neck.

"This is mine." Bai Xiaochun pouted and put the pendant into her clothes. "No one can wear it. *Humph!*"

"I know." Chu Tian smiled and said: "Don't worry about this Pure Star from now on. It belongs only to you; no one can take it away from your neck."

"Then tell me, How are you so rich?"

"Well... let's talk about it when we get home." Chu Tian said with a smile: "I promise I will tell you everything today. However, I am very busy this afternoon. There are other things. Let's go home."

"Then tell me everything." Bai Xiaochun hugged Chu Tian's arm and said, "Don't lie to me again."

"Sure." Chu Tian smiled and said, "I'll tell you everything when I get home today. Let's go."

"Where are you going? The class isn't over yet."

"Only three minutes left. What's there to do? Let's go. Today my husband is taking you out of class. It's going to be exciting."

"Giggle... This is also called truant?"

"Three minutes is also a class."

When Chu Tian was about to leave the building with Bai Xiaochun, Sun Nana suddenly came over from the office.

Seeing Bai Xiaochun and Chu Tian at the entrance of the stairs, Sun Nana was stunned for a moment, then pursed her lips and trotted over.

"Xiaochun."

First, Bai Xiaochun shouted, and then Sun Nana ran over quickly.

Sun Nana came to Bai Xiaochun and Chu Tian, pursed her lips, and said pitifully, "Xiaochun, you won't be mad at me, will you?"

"Actually, I really did it for the sake of the two of you. That's because I could tell at a glance that you were wearing a pure diamond necklace. However, you told me that it was only 1900 yuan. The first thing that came to my mind at that time was "you were joking with me"!"

"Then I checked with you a few more times. You always say 1,900 yuan for sure. At that time, I realized something bad might have happened. You and your boyfriend might have been deceived."

"Because I know this necklace is worth at least ten million yuan. 1900 couldn't have taken it. I was worried that you and your boyfriend would be framed just because you stole something. Then I didn't

think much about it, so I quickly called the police. I'm afraid you two are framed and don't know what to say."

"As long as we report to the police first, after the police arrive, you have to make it clear that you can't falsely accuse them."

"However, I didn't expect your boyfriend to spend 19 million yuan on it. I really don't know what's going on. I should ask your boyfriend first. Don't be angry at me."

Seeing Sun Nana say this and wipe away her tears, Chu Tian was speechless.

No matter what, a man with two skins on his mouth made sense.

Today, she really opened his eyes. In the past, he had underestimated Sun Nana. He was a damn grandmaster, and she was also a drama queen.

Tears fell when she said that.

Awesome!

Too bad she didn't want to go into the entertainment industry.

Bai Xiaochun laughed when she saw Sun Nana crying. She hurriedly hugged Sun Nana, comforted her, and said, "Okay, Sun Nana, don't cry. I know you did this for my good, and I won't be angry."

"I'm sorry."

Sun Nana hugged Bai Xiaochun and cried, "I'm really afraid that you and your boyfriend will be framed."

"I know." Bai Xiaochun patted Sun Nana's back with a smile and said, "Do not worry. We're good sisters. How could I be angry? You're doing this for me. I understand."

Sun Nana let go of Bai Xiaochun, wiped her tears, and said, "Are you really not mad at me?"

"Really do not have one." Bai Xiaochun thought to himself, "We are good sisters."

"Okay." Sun Nana nodded and looked at Chu Tian, saying, "Chu Tian, you are also not angry at me, right?"

"How could that be?" Chu Tian smiled and said, "You're being kind. I understand. It's just a small misunderstanding. Actually, it's all my fault. I lied to Xiao Bai, and it caused you to misunderstand me. It's all over. It's really fine."

Sun Nana wiped her eyes and laughed. Then, she said, "Let's have three afternoons together. I invite you to dinner, and I apologize to both of you."

"Don't say that." Bai Xiaochun smiled and said, "That means you don't treat me as your sister anymore. I should treat you too, not you. I don't know when I learned that this necklace is so valuable."

Sun Nana smiled and said, "Exactly. Your boyfriend is very dishonest. He didn't tell you he was not afraid of losing it, even though it was expensive."

"Of course not." Bai Xiaochun pouted and kicked Chu Tian. "He's a hooligan."

"Yes, I'm saying that. Is my heart not beautiful?" Sun Nana smiled and said, "Then let's spend three nights together."

Chu Tian smiled and said, "I have something to do with Xiaobai tonight."

"Oh, that's fine." Sun Nana said, "We'll come together another day. Come, hug me."

With that said, Sun Nana and Bai Xiaochun came to embrace.
