

Beg You All 103

Chapter 103: This is the Boss

Time passed slowly. Half an hour had passed in the blink of an eye.

In the small office of the milk tea shop, Li Niannian looked at Bai Xiaochun, who was full of happiness. She smiled and handed her a cup of milk tea. "You don't even need to receive it for free. Come on. Since you know this is your own shop, you're welcome. Drink as much as you want."

Bai Xiaochun bit her lips and smiled. She plugged in a straw and said, "So, he... he came out to work at noon a few days ago. He made this milk tea powder."

"That's right." Li Niannian stroked her hair and said with a smile: "Exclusive formula. How is this milk tea made? Only your man knows it's a trade secret. You can judge the future by looking at its popularity. You can't tell others. So, he can only do it himself."

"He's really annoying." Bai Xiaochun pouted and said, "Didn't tell me anything."

"He just wanted to surprise you." Li Niannian smiled and said, "What a nice guy. "How's he still annoying?"

"Hey!"

Bai Xiaochun bit the straw and chuckled.

"By the way, Sister Nian," Bai Xiaochun said, "is this milk tea... making money?"

"Making money?" Li Niannian raised her lips and smiled. "You don't have to ask. That's called making money. It's making money quickly. Since opening the store, I have sold over 100,000 cups. I'm not sure about the net profit of a cup, but at least 20 yuan. Do the math."

"What?" Bai Xiaochun glared at him. "You earn more than 20 yuan per cup? Is there no cost?"

"Of course it has." Li Niannian said, "But the cost is very low. Anyway, your man has earned over \$2,000 in the past few days. How much money did he earn? You ask him yourself."

Forehead.....

In how many days of business have you cleared more than 2 million?

Bai Xiaochun looked at Li Niannian blankly, and said innocently, "You make so much money?"

"This is nothing." Li Niannian said: "This is just the beginning. Just wait and watch. When your man starts playing with this milk tea, one day's income will scare you to death. I can't help it, it tastes good."

"OK." Bai Xiaochun took a sip of milk tea and said with a smile, "I think it's not bad."

"By the way, Sister Nian." Bai Xiaochun seemed to have thought of something, and asked again, "Is there anything else he is hiding from me?"

This.....

Li Niannian thought for a while and said, "There's one more thing you don't know."

"What's that?" Bai Xiaochun said curiously.

"You'll find out later." Li Niannian smiled mysteriously and said, "Don't worry."

Bai Xiaochun pouted and said, "Then why didn't he come in?"

"He is refilling in the kitchen." Li Niannian said, "The milk tea powder from last time will be gone soon. We have to hurry to replenish it. Otherwise, we must cut off the stock if we can't hold it today. Wait a minute, he will come soon."

In the office, Li Niannian and Bai Xiaochun chatted for a while. It was almost 6 pm when the office's door opened and Chu Tian walked in.

"Are you done?" Li Niannian smiled.

"Yeah, I prepared another two thousand pounds." Chu Tian smiled and sat beside Bai Xiaochun. He hugged her and said, "100,000 cups are enough for a few days."

"Hard to say." Li Niannian shook her head and said, "Sales are growing faster than I expected. I don't think it will last three days."

"It's ok." Chu Tian said: "The big deal is that I often come here to replenish the goods, so there will be no difficulty."

With that said, Chu Tian looked at Bai Xiaochun and said with a smile, "Is your boyfriend's milk tea delicious?"

Bai Xiaochun smiled and bit her lips. She bumped Chu Tian with her elbow and said, "You are so annoying, you don't tell me anything."

"Didn't I tell you everything?" Chu Tian said, "How are you? Are you happy?"

"I'm okay." Bai Xiaochun blushed and nodded.

Chu Tian smiled and looked around the small office. "Yes, Miss Nian, this small place is perfect. New air conditioners, computer desks and chairs, new computers and a small bed. Very comfortable place."

"The bed is for you." Li Niannian said, "You can come to the store for rest at noon in the future. Anyway, it's only a few steps away. Take a nap at noon and be refreshed in the afternoon."

Chu Tian nodded his head.

"That's right." Li Niannian continued, "It's almost time. Let's go eat. Sister should be ready to eat."

"Okay." Chu Tian stood up and said, "Let's go, baby."

Bai Xiaochun stood up and hugged Chu Tian's arm, saying, "Where are we going?"

"You'll know soon enough."

Chu Tian smiled mysteriously, took Bai Xiaochun and Li Niannian out of the Milk Tea Shop.

Very quickly, there were only two steps. Chu Tian and the other two came to the bar.

So here you are at the bar!

But isn't that a bad place to drink? Can they still eat?

Seeing Chu Tian taking her into the clear bar, Bai Xiaochun couldn't help but feel a little strange, but she didn't ask.

At this time, Bai Xiaochun seemed to have discovered something. She quickly grabbed Chu Tian's arm and said in surprise, "Hey, dear, look, she is that sister."

At this time, behind the counter, Li Sisi was wearing a cheongsam, revealing indescribable laziness and charm. She was writing something with a pen.

Li Sisi seemed to have left a deep impression on Bai Xiaochun, but she still remembered.

Seeing Bai Xiaochun's happy expression, Chu Tian smiled. He was about to say something when suddenly, a long, white, and energetic boy came over. He had a white T-shirt, a belt around his waist, tiny pants, shiny leather shoes, and a handsome look.

"Sorry, three of you." The boy smiled apologetically and said, "Our bar is officially open at seven o'clock. We're currently preparing. Why don't you come later?"

As soon as the boy finished speaking, suddenly, the white hand-painted with red nail polish patted his shoulder.

The boy looked back and saw Li Sisi. "Manager, these three..."

"Are you crazy?"

Before the boy could finish speaking, Li Sisi interrupted him with a smile: "This is the boss. "Are you planning to kick the boss out and wait?"
