

## Beg You All 107

### Chapter 107: Four People Sharing a Room

In the room, Chu Tian chatted with Li Sisi again. At eight o'clock in the evening, Li Sisi seemed to have thought of something and said, "Yes, Young Master, do you still have a house to rent nearby?"

*House?*

Chu Tian thought for a moment and said, "What's wrong, sister?"

Li Sisi said, "A few days ago, when the bar wasn't open, I could still live with Niannian, but now that the bar is open, I can't stay with her."

"The bar closes at least at two or three a.m. My work schedule and hers have been staggered. She gets off work at eleven o'clock at night. If she returns to her rental house, she will have to take a taxi for about an hour and a half. Every morning, she wakes up early. It's too much trouble to come back."

"If she lives with me, she would have to travel a long way, and it would take an hour to get there."

"The problem is, I can't go with her. I can not drive her back and forth. I have to monitor the bar. She can drive but hasn't gotten her license yet."

"It's a big night. I'm worried that it's not safe for her to take a taxi by herself. She has encountered this kind of thing before. Two or three times, the drivers were dishonest and wanted to do something with her. If you encounter a timid person, is that okay? I met a balding fat man who dared to drag her to a place where no one lives to bully her."

"So, those days, I was looking for a house for her nearby, but there was none after many days." There is one rental house, but it is all for boys, and she is unwilling to rent with them."

"So, is there any room in your neighborhood?" If there is, I'll rent one for her so she can go to work now."

"Oh, it's hard." Chu Tian thought for a while, shook his head, and said, "It's just right for me to rent out this house. Otherwise, I would have to share with others that there are few residential areas near the university, only two residential areas. They are all small residential areas. It was empty and was immediately robbed."

Li Sisi nodded and said, "Well, I'll let her live in a nearby hotel these few days and see if I can find any houses."

"No need." Chu Tian shook his head and said, "What hotel is this? I had no idea how many people had slept on those filthy sheets. I don't know if they would wash her and let Sister Nian live. It happens that the next room is empty. Xiaobai is sleeping with me, and my classmate has moved back to the dormitory. Just let Sister Nian stay there."

Li Sisi smiled and said, "It's not convenient. It won't affect you and your love?"

"What's the impact?" Chu Tian smiled. "There are a lot of couples living together outside. Besides, Sister Nian is not an outsider, and Xiao Bai likes you two. I will give Sister Nian a key later. Keep one for yourself too."

"I don't have to." Li Sisi smiled. "I can drive home if I don't drink, and if I can't, well, I have a bed."

While speaking, Li Sisi gestured to the bed where Bai Xiaochun was sleeping.

"Which bar do you live in?" Chu Tian smiled and said, "It's not safe. This bar is too big. If someone hides when the bar is closed, they will sneak past and kick your door. What should you do?"

Li Sisi laughed, "You said this, But I have encountered this already."

"Encountered?" Chu Tian froze for a moment.

"Um." Li Sisi took a sip of red wine and said: "I was running a tavern in Shanghai. At that time, I was the same. If I drank too much, I would sleep in the bar. The next day I would go back again when I woke up. Home. A guy was hiding in the toilet when the bar closed, and I looked around and couldn't find him. He was well hidden."

"After the bar closed, the staff left. He went and smashed my door. Seeing that I didn't open the door for him, he started kicking the door. Luckily for me, I wasn't drunk at the time. I was waiting behind the door. As soon as the guy came in, I wiped his head off with the bottle. With a bang, the bottle broke. The guy fell to the ground, motionless."

"I thought I had beaten him to death and was quite afraid. Later on, after calling the police, I even knocked him unconscious. That guy's family was quite rich. Later on, his family came to me to handle the matter outside. My price was 700,000, not even a cent less."

Seeing how Li Sisi was talking, Chu Tian couldn't help laughing. "They gave it later?"

Li Sisi smiled and said, "It was fine if they didn't give it to me. But if they didn't give it to me, I won't let that person go. After getting 700,000 in my account. I went to the police station to change my confession."

Chu Tian laughed and said, "Okay, sister, I think this is the way to make money."

"Damn it." Li Sisi smiled and kicked Chu Tian, saying, "Thanks to my successful sneak attack, if I didn't succeed, it would be bad."

"That's why," Chu Tian smiled and said, "I'll give you a key tomorrow. If you can't drive back, you can live in my house. Call me if you drink too much, and I'll pick you up. You can't live in a bar. You are not safe as a woman."

"That's fine." Li Sisi smiled and lifted her hair, saying, "Then tell your love that I'll temporarily go over and sleep. I might go over and sleep from time to time."

"So, are you going over there tonight?" Chu Tian said.

"Not tonight." Li Sisi shook her head. "It will be very early tonight. I drank a little and had to get off work at two or three in the morning. I'll be fine. When I can't drive, I'll take a taxi to home tonight."

Li Sisi looked at the time, stood up, and said, "Then you can accompany the big baby. It's past eight o'clock. I'll go down and have a look."

"Okay, sister, you are busy. I will accompany Xiao Bai."
