

## Beg You All 108

### Chapter 108: The Arrival of Sun Nana

Inside the room, after Li Sisi left, Chu Tian drank his glass of red wine in one gulp, and only then did he come to the bedside.

Chu Tian looked at Bai Xiaochun, who was sleeping on the bed, pointed at her nose, and couldn't help laughing. "How dare you compare with Sisi? Sisi can drink it alone."

"Um....."

Bai Xiaochun closed her eyes and smacked his lips. She smiled and blurted out: "Cheers... sister... "

Seeing that Bai Xiaochun was drinking with Li Sisi in a dream, Chu Tian smiled and licked his lips. Then he covered her with a blanket and sat down to play with his phone.

Half an hour later!

When Chu Tian was lying on the bed with Bai Xiaochun in his arms and watching a video on the mobile phone, the door suddenly opened, and Li Sisi walked in with a smile.

"The door is locked," Li Sisi said with a smile. "If you are tired, you can sleep with her. I rarely go to bed until midnight. Don't worry about me."

"Not tired."

Chu Tian carefully pulled out Bai Xiaochun's arm and got up from the bed. "What's the matter, sister? What's the matter? You are looking thrilled."

"It's nothing. I'm having fun." Li Sisi poured a cup of water with a smile and said, "I didn't expect our bar to be so full the first day. It's full. You may go downstairs later and look. There are many people. All the seats and private rooms are full."

"I just went to the private room to see the situation. No. 4 is already playing high, and the werewolf kills. I need to find out what the rules are. Those girls have taken off the guests, leaving only one pair of pants. Now the room is full of pants, and they are all hidden."

Chu Tian smiled and said, "It's not even nine o'clock. They're already so high?"

"How about I say I don't dare to reveal your boss 'identity'." Li Sisi said, "These crazy women, most of them, followed me in the past. I know very well what kind of people they are. If they knew you were the boss and you came once. You can't handle them."

Chu Tian smiled and nodded.

Li Sisi said, "It's lively. Later, there's even a steel tube dance, a disc player, and a singer. You should go down and play, too. I told that supervisor. It's the boy you just met."

"His name is Zhou Wei. He's in charge of the bar. I told him that he knew your identity. Don't tell others to go and play. Tell him what you want to drink. I'll accompany the big baby. Today is the first day of work, so go and play."

"Sure." Chu Tian said, "Then, sister, you stay with Xiao Bai. She will need another two or three hours of sleep before getting over this wine. I'll take a walk while I pass the keys to your Sister Nian."

"Go ahead, and I'm here with your baby."

As she spoke, Li Sisi came to the bedside. She lowered her head and kissed Bai Xiaochun's face. "She is rare. I love her."

Seeing this, Chu Tian smiled again and left the room.

The sound insulation was so outstanding!

After leaving the room, Chu Tian felt the sound before going downstairs.

In the room, almost no movement could be heard. It was quiet. However, as soon as he left the door, he immediately listened to the dynamic music on the first floor. The sound was loud. No wonder Li Sisi said that half of the 5 million yuan of the renovation budget was spent on sound insulation. The sound insulation was indeed strong.

Because the second floor was divided into two parts, Li Sisi's room on the second floor had a wall separating it from the bar, so she had a staircase that led directly to the bar from above.

As for the private room on the second floor, they had to take another staircase to get there.

Soon, when Chu Tian came to the bar, he saw an earphone hanging on Zhou Wei's ear, talking to someone.

Seeing Chu Tian coming down, Zhou Wei rushed over with a smile. He whispered, "Boss, the manager said that if anyone asked, they would say you came to work. I'll make arrangements for you."

"Just have a beer." Chu Tian said.

"Okay."

Zhou Wei took a bottle of Yanjing Beer from under the bar, opened it, and handed it to Chu Tian.

After handing the beer to Chu Tian, Zhou Wei felt he had received some news. He pressed his headset and said, "Xiao Zhou, private room number two, send a box of dried white and a box of champagne. Hurry up, and the guests are waiting."

Chu Tian stood in the bar, looking at the bar on the first floor. Figures were shaking their heads everywhere. He couldn't help laughing.

*Oh shit!*

He had never thought that there would be so many people.

Because the bar itself was relatively large and because of Monday, Chu Tian expected fewer people to come.

It was full.

Just as Chu Tian was looking around, he suddenly seemed to have noticed something and couldn't help narrowing his eyes.

*Hmm?*

*Sun Nana?*

She had also come.

Not far away, on a seat, Sun Nana and a few pretty girls were sitting with a few boys, happily drinking wine and playing games.

One guy was her boyfriend.

Sun Nana looked at Chu Tian with a smile. She was stunned for a moment, smiled, whispered to her boyfriend, and walked over.

Seeing this, Chu Tian pretended not to see it. He picked up the white towel on the table and wiped the bar.
