

## **Beg You All 109**

### **Chapter 109: Getting into Trouble**

"Hi, Chu Tian. "

Just as Chu Tian pretended to wipe the bar counter, Sun Nana came over and lay down on the counter with a bright smile.

*Um?*

Chu Tian seemed to have noticed Sun Nana, was startled, then smiled and said, "Hey, Sun Nana, are you here to play at the bar?"

"That's right." Sun Nana smiled: "Chu Tian, why are you in the bar?"

"Oh." Chu Tian looked around and moved forward, saying in a low voice, "I'm here to work."

*What?*

Sun Nana stared blankly at Chu Tian and suddenly smiled. She also whispered: "You, are you here to work?"

"Yes." Chu Tian put the white towel aside and said solemnly, "Life is very difficult, so I found a job in a bar to earn some money."

Seeing Chu Tian like this, Sun Nana took a sip, almost laughed again, and said, "Stop joking. I don't know how rich you are. Honestly, what are you doing here?"

"Shh..." Chu Tian made a silent gesture and said mysteriously, "I'm telling the truth. I came to work."

"Are you here to work?" Sun Nana looked innocent.

"Yes." Chu Tian said, "Of course, making money is fake. I mainly want to play. I like to be exposed to different industries and then...I like this feeling."

This...

Sun Na Na suddenly bit her lips and smiled, whispering: "You love special."

"Hey, don't open my secret." Chu Tian winked at Sun Nana and said, "I beg this manager for so long and pretended to be pitiful. She only agreed to let me work part-time here to earn money. If they know, I wouldn't be able to work here."

Sun Nana covered her mouth and laughed. She nodded and said, "Don't worry, I will never tear you off. Besides, I didn't tell you about you. By the way, what about Xiaochun?"

"Oh, she's at home." Chu Tian said. "The bar is too noisy, and she doesn't like the atmosphere here, so she went home first."

"Ah?" Sun Nana frowned and said, "She's not accompanying you. You're doing odd jobs here. Of course, although it's for fun, why wouldn't she accompany you as a girlfriend? This is a little unacceptable."

*Oh shit!*

*They were stirring up trouble!*

Hearing what Sun Nana said, Chu Tian smiled: "She doesn't like this kind of atmosphere. I wanted her to accompany me, but she didn't want to, so she left."

"She's a little capricious." Sun Nana smiled and said, "It's not like she's here to work. She's just here to play. Is she afraid that her classmates will feel embarrassed when they see her? Xiaochun has a friendly face."

"It's also possible." Chu Tian said, "Actually, it doesn't matter. I had a good time myself. If she doesn't like it, then she can leave. I won't force her."

Seeing Chu Tian's idiomatic expression, Sun Nana nodded and said mischievously, "Hey, Chu Tian, can you drink? Pour me a glass of wine."

"Oh, this is impossible." Chu Tian smiled bitterly: "I only came today. I think I must learn, and you wait for the next time. Next time, I will make you a cup."

"Alright then." Sun Nana blinked at Chu Tian and said, "The next time I'll come, I'll just try your method. You need to practice properly."

"No problem." Chu Tian said with a smile: "Next time you come again, I will make you a good glass of wine."

"When do you get off work?" Sun Nana continued.

Chu Tian said, "They know I am a student, so they didn't give me a time limit of 20 yuan per hour. I can leave at any time."

"Oh, alright then." Sun Nana smiled and said, "Then don't do it too late. You can't affect your rest. Pay attention to your health. My boyfriend and I came together. We'll leave after a while."

"Well, go back and play, and don't let them wait."

"Okay, bye-bye."

"Bye-bye."

Seeing Sun Nana returning to her seat, Chu Tian smiled slightly. Then he picked up the bottle of Yanjing beer and took a sip.

*Interesting!*

*Looked like Li Sisi was right again.*

*Just because Sun Nana had winked at him earlier, she might want to seduce him.*

*So funny!*

When Chu Tian came out from behind the bar, the corners of his mouth twitched slightly. Then he left the bar and went to the milk tea shop next door.

In the small office of the milk tea shop when he went in, Li Niannian was lying in the small bed playing mobile phone.

Seeing Chu Tian come in, Li Niannian smiled and quickly sat up.

"Sister Nian, are you going to head up now?"

"No." Li Niannian smiled and said, "This is so boring. Let's rest for a while. By the way, is the big baby awake?"

"It's too early." Chu Tian said, "I think we have to wait."

"Then why don't you go to the bar to play?" Li Niannian said, "I'm bored and not as interesting as a bar."

"Didn't I miss you, Sister Nian?" Chu Tian sat next to Li Niannian and lay on the bed.

Seeing this scene, Li Niannian smiled and said, "What's wrong? Does this wine have any sequelae?"

"Well, it feels a little."

"Come on, grab my leg. I'll give you a massage." Li Niannian sat on the bed and patted his thigh.

"Sister Nian, you know how to do it." Chu Tian smiled and said, "You won't press me down, right?"

"Boom, Boom." Li Niannian smiled and said, "I can still kill you by pressing my head. Come over here quickly."

"Hey ....."

Chu Tian chuckled and placed his head on Li Niannian's leg.
