

Beg You All 111

Chapter 111: Bai Xiaochun also knows

Be honest.

Hearing Li Sisi say this, Chu Tian couldn't help licking his lips and saying, "That's right, sister, sister Nian knows, do you know?"

"Ah?" Li Sisi looked at Chu Tian strangely and asked, "What does Niannian know, the formula of your Milk Tea Powder?"

"No." Chu Tian said, "About us. That's right, Sister Nian already knows about us."

What?

Li Sisi was stunned and quickly sat up from the sofa. "Does Niannian know? How did she know? Did you tell her?"

"No." Chu Tian said, "I didn't tell her; I told her it was her who found it. Just that last time, we did not clean it up, and Sister Nian found evidence in the trash can. Didn't she tell you?"

Li Sisi blankly looked at Chu Tian, suddenly reached for his waist pinch, and said: "It's all your fault; I would like to take it as all your fault. Why didn't you take the garbage down? Look what you've done."

Chu Tian laughed and said, "I also forgot."

Seeing Chu Tian's smiling face, Li Sisi rolled her eyes and said with a frown, "I'm dying to listen to it. I'm still hiding it. I didn't know she knew, but she didn't ask me."

"I just found out too." Chu Tian smiled and said, "When I went to play with Sister Nian, she said that I always thought she didn't know."

Li Sisi suddenly laughed and teased, "Are you afraid? It's okay, don't be afraid. Nian has a secret in her heart. She won't tell the big baby. After all, I am her real sister. She certainly can't betray her real sister."

"No." Chu Tian said, "I'm not afraid. Xiao Bai is now obedient."

"Look at how you stink. You've even convinced me." Li Sisi smiled as she stroked her hair and said, "Your Love's sleep is superb. However, she has to practice her tolerance for alcohol. Half of a bottle is enough. You can't let her drink if you go out and gather with your classmates. Otherwise, if she drinks two cups, she will sleep there."

"The main reason is that I haven't drunk it." Chu Tian smiled and said, "I've always been an obedient child."

.....

In the room, Chu Tian and Li Sisi talked for a while before Li Sisi left and went downstairs to see what was happening.

Seeing that it was getting late, Chu Tian came to the bed and looked at Bai Xiaochun, whose face was painted left and right with Li Sisi's lips. He couldn't help smiling and pinching her nose.

"Baby? "

"Well"

Bai Xiaochun grunted in confusion but did not open her eyes.

"Baby?" Chu Tian said softly, "Let's get up, and we should go home."

Bai Xiaochun's eyelids twitched slightly before she slowly opened her eyes.

Seeing that Bai Xiaochun was still awake, Chu Tian smiled and slowly pulled her up. "Oh, my love, are you awake now? Is it a headache?"

Bai Xiaochun stared blankly at Chu Tian. She smacked her lips and did not say anything.

After two or three seconds, Bai Xiaochun suddenly grinned and said, "Rascal, did you kiss Sister Sisi?"

"Ah?" Chu Tian was stunned for a moment and said with a smile, "No, baby, what are you talking about?"

"Stinking rascal. "

Bai Xiaochun smiled and stretched out her finger, wiping it on Chu Tian's mouth. The next second, a dark red colour appeared on her finger.

"Continue to lie." Bai Xiaochun stretched out her finger and said, "This is Sister Sisi's red lipstick. Tell me, why did you have it if you did not kiss her?"

"Huh....." Chu Tian chuckled and said, "What kind of red lipstick is this? Why is it so faded?"

"Giggle Giggle"

Bai Xiaochun giggled and then kicked Chu Tian, saying, "Why do you think you're so stupid? You can't even wipe it clean. Last time you had her hair, this time, you're stupid."

"I didn't." Chu Tian smiled and said, "Just when Sister Sisi left, she gave a small kiss and did nothing."

Bai Xiaochun pursed her lips and said, "I don't believe you. Last time, that hair was Sisi's. Do you think I'm stupid? She's the one who dyed it. Tell me, was it Sisi's last time?"

"Uh....." Chu Tian laughed and said, "Baby, I brought you Milk Tea. If you're thirsty, drink some first."

"Don't change the subject." Bai Xiaochun pouted. "Rascal, you said you wouldn't lie to me again."

"This"

"Okay, I got it." Bai Xiaochun smiled and said, "I'm still hesitating. It must be with Sister Sisi. Did you embarrass me?"

"How could that be?" Chu Tian smiled and said, "At that time, I was thinking about saying that I can't embarrass my baby, and then... She can't. I won."

"Hehe....." Bai Xiaochun chuckled as she gave Chu Tian two slaps, "You're a hooligan. It's a good thing you didn't lose face for me. If you fail to look outside, I won't forgive you."

"Don't worry." Chu Tian smiled and said, "In every aspect, your husband will never embarrass you and can only fight for your face. Come, drink some Milk Tea. It's a normal temperature, right?"

"It doesn't hurt." Bai Xiaochun took a sip of her Milk Tea and chuckled." Oh, by the way, I'm not crazy, am I?"

"Once she sleeps until now, she'll get up to do some activities later. We'll go home and sleep later."

"Okay." Bai Xiaochun took a sip of her Milk Tea and said, "By the way, Hubby, I'll tell you something. Don't be angry."
