

## Beg You All 112

### Chapter 112: Bai Xiaochun's Retaliation

"Don't be angry."

When Bai Xiaochun said this, Chu Tian thought, "This won't do. I can't guarantee this. You have to tell me what it is. Tell me first."

"Hey..." Bai Xiaochun chuckled as she drank the Milk Tea, "I had a dream just now."

*Dream?*

Seeing Bai Xiaochun's smiling face, Chu Tian seemed to have thought of something and narrowed his eyes, "Oh, I understand. Did you make me wear a green hat in your dream? Alright, let's talk. Who was it? What's his name? In which class is he? Is he handsome? I'll kill him right now."

"What nonsense." Bai Xiaochun chuckled as she hit Chu Tian. "It's not like that. Listen to me first."

"OK, go ahead. I'll sharpen my knife later. I have time anyway."

"The dream I just had was a little scary. On the way home from school, we both just came out of the school gate and came face to face with a motorcycle, with a man sitting behind," Bai Xiaochun laughed.

"I can't see what they look like. Then, when they passed by us, that guy sitting behind us tore off my necklace and snatched it away. Then, the two of them ran away on their motorcycles."

Uh... ..

Hearing Bai Xiaochun say this, Chu Tian seemed to understand something and smiled: "Are you terrified?"

"Okay." Bai Xiaochun continued, "Hubby, it's too expensive. It's 19 million. You know Nana's boyfriend drives a red car, right? He drives that Ferrari."

"Nana has always been showing off in her class, saying that her boyfriend's car is expensive as it is. It was 6 million yuan. I have worn three Ferraris around my neck, and I can even hang a BMW from Sister Sisi."

"Such an expensive necklace. You say no one is jealous but it's impossible. Do not know. I know they will pretend to be blind."

"What do you think I'll do if I run into someone who knows what's good and has guts?"

Chu Tian frowned and thought, "But Baby, the necklace was bought for you. If you don't wear it..."

"I know." Bai Xiaochun hugged Chu Tian's arm and said coquettishly, "I understand. I know that you love me, and I love you too, but it does not need to be like this. It's enough for you to have me in your heart. You know, I have wanted nothing from you. Besides, don't you worry that because of this necklace, your Baby will be hurt by others?"

Looking at Bai Xiao's crafty appearance, Chu Tian smiled and pinched her little face, saying, "Alright then, since my baby is scared, put it away. Let's go pick a cheap one another day."

"Hey." Bai Xiaochun chuckled and said, "Thank you, Hubby. I love you."

Chu Tian said, "You're hungry. Go home later and eat some snacks."

Bai Xiaochun gave a faint smile and said to Chu Tian, "If I keep eating snacks at midnight, I will be fat soon."

Chu Tian smiled and said, "Your weight is less than a hundred pounds, not to worry."

.....

Eleven o'clock at night.

"In the room on the second floor of the bar, Chu Tian looked at Bai Xiaochun, who had washed her face and put lipstick on her lips. "Why do you have such heavy lipstick?"

"Revenge." Bai Xiaochun continued to smear while saying, "You don't have to care. Today I must get revenge."

*Revenge?*

Looking at Bai Xiaochun in confusion, Chu Tian did not understand.

*What revenge?*

*Who's the enemy?*

Suddenly, the door opened, and Li Sisi smiled and walked in: "Oh, your baby has woken up. Time is almost up, and we will close the shop. Xiaochun, my sister is going to live with you? She wouldn't affect you both."

"No." Bai Xiaochun smiled as she hid the lipstick behind her back. "Chu Tian told me there's a place anyway, so you and sister Nian can just come and live. Also, he said that you even helped him think of a plan to deal with Sun Nana."

"Did he tell you?" Li Sisi smiled. "Aren't you jealous?"

Bai Xiaochun shook her head happily and said, "I've long wanted to take care of Sun Nana."

Looking at Bai Xiaochun's happy appearance, Li Sisi could not help asking curiously, "Hey, big baby, what are you hiding behind?"

"There's nothing."

Bai Xiaochun laughed again, ran to Li Sisi at once, and kissed her fiercely on the face as soon as she hugged her.

***"Boom...!"***

Bai Xiaochun let go of Li Sisi's face with a smile until a red lipstick mark appeared on her cheeks.

"Sister Sisi, I love you. I am going to look for Sister Nian. Bye-bye."

Looking at Bai Xiaochun running out and Li Sisi with a red lip mark on her face, Chu Tian was stunned and laughed.

***Oh!***

*Got it!*

No wonder Bai Xiaochun had repeatedly smeared lipstick on her mouth.

She left seven lip prints on my face today.

So, this was her revenge.

Li Sisi seemed to have just reacted. She touched her face and said with a smile, "This treasure has now turned bad."

"Do you know how naughty she is now?" Chu Tian smiled and said, "Sis Sisi, then I'll leave too."

"Well, let's go." Li Sisi smiled. "It's getting late. Go home and sleep."

"Call me if there's anything else. My phone is on 24 hours a day."

Saying this, Chu Tian gave a hug to Li Sisi, and both of them left the room.
