

Beg You All 113

Chapter 113: Sun Nana Giving Gifts

"Hey, classmate. Come here quickly."

The next morning, Chu Tian had just arrived in the classroom when Yang Rong anxiously called him over.

Seeing Yang Rong's anxious expression, Chu Tian couldn't help smiling. He sat down and said: "My classmate, I know you're fascinated with me, but can you? You know, we are both men and women. It's not appropriate for you to act like this. Is there a need to think of me like this?"

"I'll kick you to death!"

Yang Rong kicked Chu Tian under the table and said with a smile, "I miss your head. Hurry up and tell me what happened yesterday. Why did the police call you away?"

"Also, I heard from Class 6 that the police called away your Xiao Bai and Sun Nana. What happened among the three of you?"

"Chu Tian, what have you three done?"

Yang Rong and two girls in the front row also turned their heads curiously.

Seeing the three people's curious expressions, Chu Tian gave a weak smile and said, "Nothing happened. It was just a small misunderstanding. Nothing happened."

"Impossible." A female classmate in the front row said, "How can a small misunderstanding attract the police's attention?"

"Misunderstanding." Chu Tian said, "It will be fine if we talk clearly in front of the police."

"What misunderstanding?" Yang Rong said curiously, "Tell me."

"Forget it." Chu Tian said, "It's not glorious. Let's not talk about it."

Seeing that Chu Tian did not want to say anything, the two female students in the front row smiled and then turned around.

Seeing this, Yang Rong whispered in a low voice, "Come, come, classmate, quickly tell me, what misunderstanding that was?"

Chu Tian smiled and said, "It isn't too glorious, don't be curious."

"But why are you pretending like this?" Said Yang Rong, "What can I betray you for? If you tell me, I won't tell anyone. Tell me."

Seeing Yang Rong's curious expression, Chu Tian smiled and thought for a bit before saying, "Alright, how about a secret for a secret?"

"Sure. Tell me what you want to know," said Yang Rong.

Chu Tian frowned and thought for a bit before saying, "Classmate, I suddenly don't want to change because I found out that you no longer have any secrets about me."

"That won't do." Yang Rong grabbed Chu Tian's arm and said with a smile, "You said you wanted to change it yourself. How can a man like you not keep his word? A man has to keep his word. Hurry up."

"Okay, okay." Chu Tian smiled and said, "I'll think about it first. Let me think about what else is worth asking."

After thinking for two or three seconds, Chu Tian suddenly thought of something and said in a low voice, "Classmate, I have thought of it."

"Yes, yes, quickly ask."

"A few days ago, you went to find your boyfriend. How many times did you make out?"

Huh?

Yang Rong was stunned, and her face turned red. She pinched Chu Tian and said, "Why are you so annoying?"

"You have an answer." Chu Tian smiled.

"Answer." Yang Rong glared at him. "What if I don't have any answer? Okay, listen, I'm intimate with my boyfriend. It's not like I can't realize. You can't say no when the heavenly monarch comes."

"Alright, then go ahead."

"Ahem." Yang Rong gave a dry cough, rolled her eyes first, then moved closer to Chu Tian's ear and whispered something.

"Damn!" Chu Tian stared and said with a smile, "Is it real or not? It's okay, classmate. Your boyfriend is outstanding."

Yang Rong gave a faint smile and kicked Chu Tian again, saying, "Don't change the topic. It's your turn. What is it? Why did the police find you three?"

"It's nothing." Chu Tian said, "The main thing is, I bought a necklace for Xiao Bai. Then, didn't Sun Nana always think that I was poor? She thought I stole the necklace, so she called the police."

"Ah?" Yang Rong glared at him, "She thinks you can't afford a necklace. A broken necklace is worth a few dollars. She looks down on people."

"That's why." Chu Tian smiled and said, "It's just a small misunderstanding. It has already been solved. However, don't tell others. It's quite disgraceful."

"I know." Yang Rong replied, "But this Sun Nana is too much. She looks down on people too much. What about the necklace?"

"Xiao Bai no longer wears the necklace." Chu Tian said, "She left it at home, so she won't have to worry."

"How disgusting." Yang Rong pursed her lips. "I have never seen such a woman before. I just can't see anyone better."

"Alright." Chu Tian smiled and said, "It's all in the past. The three of us didn't mention this matter. Don't tell anyone else, just pretend it never happened."

And at that moment, suddenly, the sound of stomping heels sounded.

Yang Rong looked at the back door of the classroom. She quickly pulled Chu Tian.

Chu Tian turned his head and saw Sun Nana wearing a sexy short skirt and carrying two boxes of things.

"Hey, Chu Tian. "

Sun Nana smiled and came over. She put down a box of things and said, "I bought two boxes of 'Big Fatty' on the way here. Try it. It's quite delicious."

"Uh, no need." Chu Tian smiled, "Nana, you..."

"Try it." Sun Nana smiled and cut him off. "Why are you being so polite to me? Xiaochun and We are good sisters. We are our people. See you later. Bye-bye."

With that said, Sun Nana turned around and left in her high heels.

Seeing this, Yang Rong speechlessly looked at Chu Tian and said, "Holy shit, my classmate, what the hell is Sun Nana doing? How can she send you a 'Big Fatty'?"
