

Beg You All 114

Chapter 114: A Lot of Money

What the hell?

It could have been more evident that they had a good relationship!

If she wanted to seduce him, wouldn't she first make a good relationship and change her impression?

"What else could this be?" Chu Tian smiled and said, "It's obviously because of yesterday's matter. It's an apology."

"That's amazing." Yang Rong said with a severe expression, "A woman like Sun Nana can even apologize. You don't know her. Xiao Bai knows she has many bad habits and needs a face to hide."

Seeing Yang Rong's serious expression, Chu Tian smiled and looked at the 'Big Fatty' box in front of him. "Big Fatty? That's an interesting name. Have you ever eaten?"

"Haven't you eaten before?"

"No." Chu Tian said, "This is the first time I heard of this thing."

"It's delicious." Yang Rong replied, "This box is worth 120 yuan. There are only 10 of them, so it costs 12 yuan."

"So expensive? "

As she spoke, Chu Tian opened Big Fatty's box. In the small box, there were 10' balls' neatly placed.

Chu Tian picked up one, it was soft, and he stuffed it into his mouth.

Hmm!

It was delicious!

He was curious whether he was made from flour or rice flour. There was also an indescribable fragrance.

"How is it?" Yang Rong looked hopefully into Chu Tian's eyes and asked, "Is it delicious?"

Chu Tian chewed while smiling and said, "Alright, let's do it ourselves. You want me to feed you?"

"Hey... Then I won't be polite." Yang Rong chuckled and picked up one. She bit half of it, revealing the brown paste, "Yes, it's delicious."

"I like it too." Chu Tian smiled and said, "I'll eat another one. The rest will be yours."

"Giving it all to me. It means you're not eating!" Yang Rong asked happily.

"I'm not eating anymore." Chu Tian said, "Take it away, don't leave it on the table."

.....

Nursing class six!

After Sun Nana returned to the classroom, she looked at Bai Xiaochun, sitting in her seat. She first smiled brightly and then tiptoed over.

When she was at Bai Xiaochun's side, she quietly leaned over and asked, "Xiaochun?"

"Ah!"

Bai Xiaochun quickly realized what was going on in her chest. She turned to look at Sun Nana and pouted, "Damn Nana, you scared me to death. Why are you walking like a ghost?"

Sun Nana giggled and hugged Bai Xiaochun. "I'm teasing you. Are you terrified?"

"Almost scared to death! "

"Okay, okay." Sun Nana placed the Big Fatty on the table and said with a smile, "Look, I brought you something delicious."

"Ah, Fatty." Bai Xiaochun said in surprise, "I love it so much. It can't be for me, right?"

"Of course, it was specially bought for our Xiaochun." Sun Nana said happily, "I knew you would love to eat because I love to eat too. I passed by third class and met your boyfriend, so I gave him one box too."

"Is that so?" Bai Xiaochun thought to herself, "Did he thank you?"

"No." Sun Nana said, "There's no need for the three of us to say thank you or not. You're too kind. Come, let's eat together."

As they spoke, Sun Nana and Bai Xiaochun picked up one and took half a bite as they said.

Suddenly, as if she had discovered something, Sun Nana said, "Hey, Xiaochun, where's your necklace? Didn't you wear it?"

Bai Xiaochun shook her head and whispered into Sun Nana's ear, "It's too expensive. Don't make it public. I'll put it away. I'm really worried."

Sun Nana hurriedly nodded and said in a low voice, "Actually, I want to tell you too. It really can't be done. The main thing is that it's a necklace, not a car. I will already be driving if it's a 19 million yuan car. No one can steal it."

"But your necklace cannot be found in your pocket if you pull it off your neck."

Bai Xiaochun said, "That's what I'm thinking, too. I'm also just afraid of anyone. I feel like someone will grab this and torture me as well."

"Of course." Sun Nana said, "I'm afraid even if I wear it. 19 million. It's not a joke. If someone steals it...? Right?"

Bai Xiaochun nodded.

"Then, is Chu Tian willing?" continued Sun Nana.

"He was unwilling at first." Bai Xiaochun replied, "He said it's fine, but it's not worth anything. No matter how much I buy it, it's not enough for others to snatch it, right?"

Worthless money! 19 million, and still, he calls it useless.

How rich is Chu Tian?

Damn it!

Such a rich guy. Why didn't he notice that Bai Xiaochun had taken the lead? He was so enraged!

"It's like this." Sun Nana agreed. "Also, tell your boyfriend that there's a saying that you cannot expose your wealth. Don't let him make it public. If he gets targeted by bad people, it'll be troublesome. There is always news about the kidnapping."

"Don't worry, and he understands everything." Bai Xiaochun smiled and said, "He's not the type to show off his wealth."

"I can tell." Sun Nana smiled and said, "Your boyfriend is keeping a low profile. By the way, do you know how much money he has?"

"A lot." Bai Xiaochun smiled mysteriously and said, "In any case, even if we don't do anything in our lives, his money is enough for us to be at ease."

Day!

Hearing Bai Xiaochun's words, Sun Nana's teeth were itching with hatred.

So rich! Why didn't I find out first...
