

Beg You All 127

Chapter 127: Someone has been Looking for Me

Oh?

In one hour, you can make the Xiang Piao Group go bankrupt.

Because Chu Tian didn't seem to boast, Li Sisi was stunned. She quickly put down the wine cup and sat beside Chu Tian, saying, "Make the Xiang Piao Group go bankrupt within an hour? Young Master, what can you do? How can you make the Xiang Piao Group go bankrupt within an hour?"

Looking at Li Sisi's curious appearance, Chu Tian mysteriously smiled and said, "Guess."

"What else could be done except returning to the old business? Because no one can do this except me. They thought they could find me easily but they couldn't."

Li Sisi looked at Chu Tian in confusion. "Has someone been looking for you? Young Master, who are you? What do you mean they have been looking for you all this time? Is it difficult to find you? Just look at the police station, and they'll find out that you're studying at Haicheng Medical University."

"It's not like that." Chu Tian smiled as he took a sip of beer and said, "It's not as simple as you think. Alright, stop asking."

"Oops, you're annoying!"

"My curiosity is hanging up by you," Li Sisi slapped Chu Tian's thigh. What can you do? Tell me."

"Hahaha...."

Chu Tian laughed and said, "Sis Sisi, are you stupid?" You cannot make a corporation go bankrupt in an hour. I don't even know how to continue. Can't you give me a step?"

Bragging.

Li Sisi looked into Chu Tian's eyes and pinched him around the waist. She said, "You're bragging so much, aren't you itchy?"

"Hiss, it hurts, it hurts. Sister, please be gentle."

.....

The next morning, at ten o'clock!

When the elevator door opened, Bai Xiaochun hugged Chu Tian's arm and walked out.

Taking advantage of the fact that it was Saturday, he and Bai Xiaochun came to the city to stroll around the mall.

That just happened last night. Li Sisi also said they would go shopping together, so the three of them agreed to meet at Li Sisi's house.

"Not bad." Chu Tian said. "The location here isn't in the city center, so it's a bit off. The price isn't that high, but the environment is quite good."

"Yes, not in the city center." Bai Xiaochun replied, "Cars are coming and going from the city center. It's too crowded, and it's not suitable for living. Although the price is high, I prefer a quieter living environment."

"Then let's go together." Chu Tian smiled and said, "I don't like the city center. It's too noisy. When we buy the wedding room, we'll buy a nice environment and be quiet."

"Well!"

When she heard Chu Tian talking about the wedding room, Bai Xiaochun smiled sweetly and hugged his arm even tighter.

While speaking, Chu Tian pressed the doorbell of the east door twice.

The room door, which was opened from the inside, snapped open for half a minute.

Bai Xiaochun saw Li Sisi's messy hair, sleeping dress, bare feet, and sleeping eyes, and pounced on her. "Sis Sisi!"

Li Sisi hurriedly hugged Bai Xiaochun with a smile and said, "Your baby really smells good. What did you wear today?"

"Nothing." Bai Xiaochun let go of Li Sisi with a smile. "I sprayed some fragrant sunscreen."

"So, is it hot outside?"

"Yeah, it's okay." Bai Xiaochun said, "We took a taxi."

"Hurry in and cool off yourselves." Li Sisi said, "Let's go shopping this afternoon; it's too hot now."

"Yeah. "

Very quickly, after entering the door, Chu Tian and Bai Xiaochun took off their shoes and placed them on the shoe cabinet behind the door before walking barefoot.

"Wow, Sisi, your house is so beautiful." Bai Xiaochun sized it up and said, "It's much better than ours."

"If you like it. make your husband buy one." Li Sisi smiled as she opened the refrigerator and took out some fruits. "Your husband doesn't need the money, anyway. Buying a house is a simple matter."

"No need." Bai Xiaochun smiled and said, "It's pretty good for us to live there. It's also close to the school, so it's convenient to go to school."

"You're not greedy." Li Sisi smiled. "If it was Sun Nana, your husband would have bought all the houses and cars."
