

Beg You All 130

Chapter 130: Boss Giving Benefits

Time passed bit by bit until 3 PM. Chu Tian, who was sitting cross-legged on the sofa in the living room, stopped typing.

It's all settled!

Looking at the laptop on his legs, Chu Tian first smiled before turning it off and putting it to the side.

Next, the Xiang Piao Group should have stopped here; otherwise, they would have jumped into the pit.

In the living room, Chu Tian had just finished these things when the bedroom door suddenly opened. Bai Xiaochun was wearing Li Sisi's sleeping dress, and ran out barefooted.

"Husband! "

Pushing onto Chu Tian's back, Bai Xiaochun giggled: "Did you miss me?"

"Cut, you heartless bitch." Chu Tian smiled and patted Bai Xiaochun's arm around his neck, saying, "I didn't miss you. The two of you, pack up and put on makeup. We'll leave soon."

"Well, quickly go."

Half an hour later!

After Bai Xiaochun and Li Sisi dressed up, Chu Tian and the other two went to the underground parking lot and drove to the mall.

Because Bai Xiaochun was worried about Pure Star, Chu Tian and the others first went to the gold and silver jewelry counter to buy a necklace for Bai Xiaochun.

A platinum necklace with a small diamond as a pendant was relatively inexpensive. It was only 13,000 yuan.

Chu Tian originally wanted to buy a better one for Bai Xiaochun, but she took a fancy to it and bought it.

Then, he went shopping.

He bought Bai Xiaochun two sets of clothes, two pairs of shorts, one pair of pure white jeans, one pair of jeans, one pair of short women's t-shirts with a faint belly button, and one pair of loose-fitting shorts which felt as if she was not wearing them. It was inexpensive, costing less than 10,000 yuan.

And a pair of sports shoes and transparent crystal high heels were also less than 20,000.

Of course, Chu Tian also bought two sets of casual sportswear and two pairs of sports shoes. They were both picked by Bai Xiaochun and Li Sisi. His shoes were more expensive and cost a total of 40,000.

Because Li Sisi had a lot of clothes, she didn't buy them and just followed them.

After that, the two of them picked out three sets of cosmetics, one for each of them. They even bought a set for Li Niannian. This one was more expensive, and Chu Tian took the money.

After all, it was something she used on her face, so she had to buy it as well as possible.

Finally, they went to buy two sets of underwear for Bai Xiaochun, and paid, not cheaply, a total of 150,000 for the two sets.

In Li Sisi's words, a woman's outer clothes could be a bit worse, but she had to buy some underwear.

Then Chu Tian bought two more sets for Li Sisi at the same price of 150,000.

Only today, Chu Tian knew that Bai Xiaochun was two times bigger than Li Sisi. Bai Xiaochun wore 38D and Li Sisi 36D.

.....

"Really, why did you buy me such expensive cosmetics—\$110,000 a set? Are you crazy?"

Eight-thirty at night!

In the small office of the store, Li Niannian looked at the big box of cosmetics that Chu Tian bought for her and couldn't help but bite her lips and smile.

"What are you crazy about?" Chu Tian smiled and said, "There's a share. Xiao Bai has a share, sister Sisi has a share, and sister Nian also has a share. There were originally two sets of underwear for each person, but you didn't go with me, so I didn't buy them for you. Next time, I'll go shopping with you."

"What day is it today?" Li Niannian smiled as she looked at the set of cosmetics in the box and said, "Boss, you're so generous."

"I'm not stingy to begin with." Chu Tian smiled as he sat on the small bed in the office and said, "Let's just treat it as a gift from the boss."

"Then, what kind of underwear are you missing?" Li Niannian remarked slyly.

"Nice underwear. Two sets of 150,000," said Chu Tian.

"Ah?" Li Niannian glared at him. "Two sets of underwear? 150,000? My God, what kind of underwear is this?"

"I don't know. Sister Sisi said the brand is quite good."

"Really." Li Niannian pouted and said, "Why is my sister encouraging you to spend money?"

"It really isn't." Chu Tian said. "Sister Sisi originally didn't want it. I had to buy it for her."

"Then remember to make it up to me another day." Li Niannian pouted, saying, "A bowl of water is as good as water. My White Milk Tea Shop is more profitable than a bar."

"Don't worry." Chu Tian smiled and said, "It will definitely be done, but you only say it in front of me. If you say it in front of Sisi, Sisi will lecture you."

"Cut, I'm not afraid of her." Li Niannian happily put the cosmetics aside and took a deep breath. "How about it, young master? How do you plan to handle this?"
