Chapter 131: Force them to Jump on the Wall

He knew that Li Niannian was talking about the Xiang Piao Group, which was trying to steal the White Milk Tea formula.

Chu Tian thought about it and said, "Actually, when I was shopping this afternoon, I thought about it. Sister Nian, don't tell Xiao Bai and Sister Sisi about this."

"Ah? Are you really not going to say it?" Li Niannian said, "Why don't you talk to my sister? My sister has a lot of ideas. Maybe she has some good ideas."

Chu Tian shook his head and said, "Sister Nian, the situation this time is different. Sister Sisi has many ideas, but this is a survival war involving the enterprise this time."

"The main business of the Xiang Piao Group is Xiang Piao White Milk Tea. They rely on this to survive. The rise of White Milk Tea Shop will definitely be serious; therefore, if it's not in their hands, it will be a sharp sword that can stab them to death."

Li Niannian nodded and said, "I understand. That's right. The nearby Xiang Piao White Milk Tea Shop has already closed. "If they can't buy it to White Milk Tea Shop, Xiang Piao White Milk Tea Shop can't live."

"That's why," Chu Tian said, "this kind of matter that concerns the life and death of the enterprise cannot be reversed." The Xiang Piao Group must be determined to deal with White Milk Tea Shop. Otherwise, our White Milk Tea Shop will almost certainly dry out the Xiang Piao White Milk Tea Shop. They can not resist."

"Then you are more dangerous." Li Niannian said, "The dog is anxious to jump the wall. The Xiang Piao Group is now facing life and death. To survive, they dare to attack you."

"I know." Chu Tian said, "Don't worry, I have no problems here. Also, Sister Nian, on Monday, sent a message to that guy."

Li Niannian asked, "What news?"

"Tell me, I'm going to start expanding the White Milk Tea business. You'll become the chief manager of the chain stores, and your salary will increase. Rejecting their 80 million is no longer a temptation."

Li Niannian stared at Chu Tian and said in a speechless manner, "Young master, are you crazy? Once this news is released, isn't this forcing them to jump into the wall?"

"They are already worried about making White Milk Tea Shop for nothing. You know that there are tigers in the mountains, but if you provoke them like this, they won't be able to sit still and do anything."

Chu Tian smiled and said, "I just want to make them unable to sit down. I want to see what they will do if they can't sit down."

"No, no, no." Li Niannian shook her head and said, "We definitely can't let this news out. If you do this, you'll really be in danger."

"Sister Nian." Chu Tian smiled and said, "Don't worry, I'm already prepared. If they really can't sit still and want to do something, then it's not me; it's them. Don't worry; I definitely have no problems."

Li Niannian frowned as she looked at Chu Tian. "Then tell me first, what exactly are you preparing? Is it reliable?"

"Definitely reliable." Chu Tian said, "Sister Nian, just put your heart in your stomach. Also, I'm not as simple as you think. I'm not afraid to tell the truth. I just want to clean up the Xiang Piao Group. I'm hoping that they won't be able to sit still. If they sit still, I can't clean them up."

Seeing Chu Tian's confident expression, Li Niannian furrowed her brows in silence and said, "Alright then, if you're so sure, then I'll say it, but you have to think it over. Once this news is released, it really makes them jump on the wall..."

"I know." Chu Tian smiled and said, "The power grid has been laid, so we'll wait for them to jump on the wall."

.....

Time slowly passed. In the small office, Chu Tian and Li Niannian chatted for a while. Suddenly, the office door slowly opened, and Bai Xiaochun smiled as she poked her head in.

"Hey, Sister Nian, what are you two doing?"

Seeing Bai Xiaochun's current appearance, Li Niannian smiled and said, "I'm stealing your man."

"Oh, steal it. It's fine."

Bai Xiaochun smiled and said, "Sister Nian, what do you think of my clothes?" I was afraid. Which woman wouldn't experience it? Your heart is aching for Chu Tian. He really feels bad."
