

Beg You All 133

Chapter 133: The news is spreading

Oh?

Was he hinting at herself with the charm of money?

Hearing the man's words, Li Niannian nodded and said, "Indeed, there are over 300,000 kilograms of tea leaves. How can commoners afford to drink them? Not to mention drinking. They might not even have heard of them."

Seeing that Li Niannian was still standing up, the man smiled and picked up the teacup. He took a sip and said, "Yeah, after all, money is a good thing."

"Well, I have no objection to that." Li Niannian said, "I have always thought that money is a good thing."

.....

In the private room, Li Niannian and the man chatted for a while before the man said, "By the way, Miss Li, it's time for us to get down to business. "There should be a result, right?"

"I have it." Li Niannian nodded.

"What's the result?" The man smiled.

"I'm sorry. I can't cooperate with you."

What?

Hearing Li Niannian's words, the man was stunned. His smile froze.

The man stared into Li Niannian's eyes and frowned. "Miss Li, why? 80 Million. We're all adults. Do you know what kind of changes this money can bring to your life?"

"Of course, I know." Li Niannian said. "In fact, I have calculated this debt. I can live a hundred years. I am 25 years old and have 75 years of life."

"80 million yuan, on average, is 1,067,000 yuan per year, 89,000 yuan per month, and 90,000 yuan per month, enough for my carefree life in Haicheng."

"And it's just a rough algorithm because 80 million dollars in interest is a lot each year."

"That's right." The man frowned his brows and said, "Miss Li, don't you know very well that you do not need to do anything dangerous? You just have to do it quietly. You can retire and enjoy your life as long as you're done. Miss Li, do you think you're short on money? If that's the case, we can discuss it again."

"No." Li Niannian shook her head and said, "It has nothing to do with the amount of money. Forget it; I'll tell the truth. I originally wanted to work with you but changed my mind."

The man asked curiously, "Miss Li, why? Why did you change your mind?"

"Because our boss talked to me yesterday," Li Niannian said, "our boss told me to be prepared because he's going to start developing White Milk Tea Shop." The next few days, he'll recruit franchise stores nationwide."

"That is to say; the White Milk Tea Shop is not such a small shop. It will become a chain store throughout the country, and this shop will be the "White Milk Tea Shop."

"And I soon will not be a small store manager; my identity will soon become that of the national White Milk Tea chain store manager, and correspondingly, my salary can not be \$20,000. The boss yesterday gave me the promise of \$600,000 a month, plus a bonus at the end of the year."

"I've made a rough estimate. My annual income is \$10 million, no matter what."

"And I'm a Master of Management, managing all the chain stores across the country, which is my specialty, and I'm interested in challenging it."

"So, I'm really sorry. My development is very good right now. I can't work with you anymore."

The man stared into Li Niannian's eyes. After a few seconds, he slowly nodded. Then he smiled and said, "Understood. It's actually like this. Then, I wish Miss Li a great future. Then, I wish Miss Li a great future. Goodbye."

After saying that, the man stood up with a smile and turned to leave the private room.

Seeing this, Li Niannian could not help but take a deep breath.

Li Niannian took out her phone after finishing the cup of Longjing tea and called and texted Chu Tian.

Li Niannian took out her phone and sent a message to Chu Tian.

Li Niannian: "Young Master, the meeting has ended. According to what you said, I have leaked the news to him."

Quickly, Chu Tian replied.

Chu Tian: "Sister Nian, I want to eat donkey meat. Order donkey meat at noon!"

Looking at Chu Tian's message, Li Niannian bit her lips and smiled, replying, "You're so greedy. Good, order donkey meat at noon. What else do you want to eat?"

Chu Tian, "Well... steamed lamb, steamed bear palm, steamed deer's tail, roasted duck, roasted chicken, roasted goose, braised salted duck, roasted chicken, and cured pork..."

What is the name of the dish?

Looking at Chu Tian's message, Li Niannian directly replied, "What do you want to eat then? We'll talk after we meet."

After saying that, the man hung up the phone and took a taxi to the city.
