

Beg You All 135

Chapter 135: Mysterious Mail

Finally, after twenty minutes, Li Niannian finally stopped massaging Chu Tian.

"How is it?" Li Niannian stopped and said, "Isn't this authentic Chinese massage pretty good?"

"Well, sister, it's amazing."

Chu Tian got up from the bed and tried to move his shoulders and neck. Then he gave a thumbs up and said, "It's really different. It's light and comfortable."

"Right." Li Niannian said happily, "As long as you're comfortable. I'll massage you every afternoon if you like it to help you relax."

"Then that's too happy. Really, sis, I love you," Trudy laughed.

"Cut." Li Niannian smirked and said, "There's no need for you to love me. Just love the big baby. By the way, is the big baby okay?"

"She is fine." Chu Tian smiled as he took the White Milk Tea from Li Niannian. He took a sip and said, "It's only yesterday's weekend, not that exaggerated, just until noon yesterday. It's not natural to walk or anything like that. In the afternoon, walking or anything like that is much better. She'll be alive and kicking at night, just like she's fine."

"Then shouldn't we thank Sis properly?" Li Niannian smiled and said, "If it weren't for Sis, you would not know when you would have waited, would you?"

"Hey." Chu Tian laughed.

"By the way, are you sure you're in control of that matter?"

Knowing what Li Niannian was talking about, Chu Tian leaned against the bed and said, "Don't worry, Sister Nian; everything is under control."

"Then tell me," Li Niannian also carried a cup of White Milk Tea, sat on the bed, and said, "Does Xiang Piao Group arrange this man?"

"What? Didn't Sister Nian ask?" Chu Tian said

"They don't say it." Li Niannian shook her head and said, "This guy is a middleman; who is behind the scenes, I think? I suspect the Xiang Piao Group, but I'm also not sure."

Chu Tian nodded and said, "That's right. Why did you tell that person?"

"I told him according to your plan." Li Niannian said, "I'm telling you, a national chain will join our White Milk Tea Shop. I'll be the head manager of the national chain soon."

"And I've added a little drama myself; I said my salary package will be different; my monthly salary is going to be \$600,000 soon, and there's a dividend at the end of the year, so it'll be \$10 million a year."

"That way, his 80 million yuan isn't a temptation to me anymore. Then there's a good reason to reject him."

Chu Tian nodded as if he had thought of something. Then he jumped off the bed.

Seeing this, Li Niannian said, "Hey, what are you doing? Hurry up and take a nap. You can sleep for more than an hour."

"Well, I know." Chu Tian said, "I'll go to the kitchen."

"There's no need to prepare. There's still a lot left." Li Niannian said.

"Not ready." Chu Tian said, "I'll go to the kitchen and have a look."

After saying this, Chu Tian opened the office door and entered the kitchen next door.

In the kitchen, after the door was locked, Chu Tian took out his phone and logged into the mailbox.

Looking at the few emails in the mailbox, Chu Tian first smiled and then casually opened one of them.

Suddenly, when Chu Tian opened the mail, a female voice sounded.

"Dad, I have bad news."

A coarse male voice sounded.

"Oh? Bad news? Could it be that it's hard to get the formula for White Milk Tea?"

The girl rang again.

"Worse, not only was the formula for White Milk Tea Shop not obtained. Chu Tian is about to start the national chain store plan. He is about to open a chain store nationwide."

"What? So fast? Why is he opening a nationwide franchise store so quickly?"

"Yeah, I didn't expect him to act so fast. Damn, he did not even have the time to catch his breath. He just opened a small shop, and it's only been a few days. He just opened a small shop, and it's only been a few days, yet he's already starting a nationwide chain store. That's too fast."

Male voice: "..."

If Luo Piao was floating in the kitchen and she could hear this conversation, her eyes would widen in shock.

Because Chu Tian's mobile phone was playing this audio, shockingly, she and his father, the chairman of Xiang Piao Group, Luo Dawei, called the content.

Not long after, Chu Tian put away his phone and returned to the office.

Seeing Chu Tian return, Li Niannian couldn't help saying, "What, go to the kitchen to check and suspect that Sister Nian has installed some pinhole cameras?"

"How could that be?" Chu Tian smiled bitterly and said, "You are my sister Nian. Can I doubt you? I went to the kitchen to check the equipment. The switch wasn't very easy to use when I was processing the White Milk Tea powder yesterday. I just screwed it up."

Li Niannian smiled and said, "I thought you went to the kitchen to check if there were any pinhole cameras."

"Impossible." Chu Tian said, "I trust Sister Nian."

"Alright, alright." Li Niannian smiled and said, "Sis is just joking with you. Hurry up and take a nap. You can still sleep for a while."

"Yeah, let's go together. Let's squeeze together."

"Then be honest with yourself."

"Don't worry; you are my sister."

"Then my sister is still your sister Sisi. You didn't give your sister Sisi that much."

"Hey, no way, squeeze in. Make some room for me."
