

Beg You All 145

Chapter 145: Can't Hide Anymore

"No."

Hearing Xia Mo's words, Xiao Liu hurriedly shook his head and continued speaking in a low voice, "I checked it out just now and only one person died. They're just in a coma, but... Captain Xia, you should come and take a look."

Xiao Liu did not know what to say, so Xia Mo followed him to the side.

The five unconscious people were there, four men and one woman; they all had been placed together. They had even taken off their masks and had already taken pictures of them.

"Captain Xia, look."

Xiao Liu approached Luo Piao's side and motioned to the unconscious Luo Piao.

Looking at Luo Piao, Xia Mo couldn't help but frown. Then she squatted down and put her finger under her nose.

After a while, Xia Mo looked at Xiao Liu in confusion. "She is still alive."

Still alive!

Xiao Liu hurriedly squatted down and looked at Xia Mo and said, "Captain Xia, didn't you see it? Don't you know her?"

Xia Mo looked at Xiao Liu strangely and asked, "Xiao Liu, what do you mean by that? Could it be that I should know her?"

"Luo Piao." Xiao Liu said.

Luo Piao?

Xia Mo looked at Luo Piao and then at Xiao Liu. "Is she famous? A celebrity?"

Xiao Liu helplessly took a deep breath and whispered, "Captain Xia, you really don't know? Luo Piao, the daughter of the Xiang Piao Group."

"What? The daughter of the Xiang Piao Group." Xia Mo was taken aback. She frowned and asked, "Xiang Piao White Milk Tea?"

Xiao Liu nodded. "When I saw her just now, I thought I was wrong. So I searched for her. Captain Xia, look."

Speaking, Xiao Liu put his phone in front of Xia Mo.

On his phone, there was a photo with a watermark. He was looking for her online. Furthermore, except for her hairstyle, the person in the photo was identical to the woman lying. Her facial features were almost the same.

"That's why." Xia Mo frowned and said, "The young miss of the Xiang Piao Group came to kidnap Chu Tian?"

"There must be something fishy going on." Xiao Liu said, "Although I don't know how much money Chu Tian has, I feel that Luo Piao must be richer than him. Luo Piao came to kidnap Chu Tian... Captain Xia, maybe I am thinking too much. I really don't understand why she did this. Is she just bored with her normal life?"

Xia Mo thought for a while, then looked at Xiao Liu and said: "You're just talking nonsense, the problem is that she is a woman, where does she come from, that's all, let's deal with the scene, I'll go talk to Chu Tian."

As she spoke, Xia Mo stood up and walked towards Chu Tian, who was sitting in the corner.

"Chu Tian."

Chu Tian looked at Xia Mo and forced a smile. "Sister Xia."

"Don't think too much." Xia Mo sat next to Chu Tian and comforted him, "In this matter, anyone will be the same as you. You don't need to have any psychological burden. Listen to me, you didn't do anything wrong."

Chu Tian nodded.

"By the way, Chu Tian." Xia Mo continued, "I want to ask you something, do you know Luo Piao?"

"Yes." Chu Tian said, "I just had a meal a while ago and the one who died was her bodyguard, Ah Wei."

Oh?

Did Chu Tian actually know?

Xia Mo quickly asked, "Is there any conflict between you two?"

"No." Chu Tian shook his head and said, "Actually, I didn't know her at all before, but last Friday, she suddenly came to me and invited me to dinner at the Roewe Hotel in the urban area, 580,000 per table package."

"After the meal, she said that she was representing the Xiang Piao Group and wanted to buy out my White Milk Tea recipe, that is, White Milk Tea will be a type of Xiang Piao milk tea in the future."

"But I didn't agree to it at that time because the money she gave us was too little. We were just talking about business. Normally, we didn't get along well with each other."

"Then, after so many days, I thought it was over, and even I didn't take it to heart, but I did not expect it today."

Seeing Chu Tian's helpless expression, Xia Mo couldn't help patting him on the shoulder.

I understand now!

It seemed like this was not a simple kidnapping case.

It was evident at a glance.

Luo Piao wanted to buy Chu Tian's White Milk Tea formula but they couldn't reach an agreement. As a result, Luo Piao went down the road of crime.

That explains why there were so many instruments of torture and illegal drugs in that suitcase.

This was not to force Chu Tian to hand over his money; this was to force Chu Tian to hand over the White Milk Tea formula.

The corpse bag was already prepared. Once Luo Piao got the White Milk Tea formula, Chu Tian would be killed and buried somewhere.

Nature was simply dreadful.

Ten minutes later!

After leaving behind a team of policemen to continue investigating and getting evidence, Xia Mo brought Chu Tian. The five of them, including Luo Piao, went back to the police station.

"Tonight, Chu Tian has suffered a huge blow. Give him wonderful comfort and enlighten him. Don't let him have a psychological shadow or burden. If he really can't do it, find a psychologist to guide him."

It was one thirty o'clock in the morning.

In front of the Haicheng police station, Xia Mo looked at Li Sisi in a cheongsam and couldn't help looking at Chu Tian in the BMW sports car.

Because Chu Tian was the victim, he would be fine after he cooperated with Luo Piao and the others to interrogate him. However, because Xia Mo was too preoccupied with this case to send him off, she called Li Sisi and asked her to come over to pick up Chu Tian.

Li Sisi looked at Chu Tian sitting in the car with a dull face and smiled. "Understood. I know what to do. Then what about this case?"

"I'll find you guys tomorrow." Xia Mo said, "I'll tell you the details."

"That's fine." Li Sisi said, "Then we'll go first."

"Well, be safe on the road."

He watched Li Sisi leave with Chu Tian in the car. Xia Mo turned around and returned to the police station, continuing to handle the case.

At the same time,

Inside the car, Li Sisi while driving and looking at Chu Tian's dull expression, smiled and said: "Okay, don't pretend. Smile please."

"Ah?" Chu Tian said innocently, "Sisi, What should I smile about? I feel really bad right now."

"Well, pretend again, keep pretending, you really think I don't know." Li Sisi rolled his eyes with a smile and said, "Actually, you already knew what was going to happen tonight, didn't you?"

Chu Tian stared at Li Sisi and suddenly laughed.

"Hey, Sisi, what's going on? How did you know?"
