

Beg You All 149

Chapter 149: Attorney Zhu Appears

Oh?

Hearing Chu Tian's words, Li Sisi, Li Niannian, and Bai Xiaochun hurriedly looked over.

Li Niannian asked curiously, "Chu Tian, what do you know? Do you know why Luo Piao can't subdue the law?"

Chu Tian nodded: "Well, more or less, I guess that sister Xia encountered difficulties in obtaining evidence."

"What do you mean?" Bai Xiaochun said with a blank and innocent face, "Didn't they be caught at the scene? They were all caught at the scene, so how could there be any difficulty in proving it?"

"That's right." Li Sisi said, "It's all like this, can there still be difficulties in obtaining evidence?"

"It's not that simple." Chu Tian put his arms around Bai Xiaochun and said, "The people who appear at the scene may not necessarily be criminals. The police must obtain sufficient evidence before submitting it to the procuratorate. If the evidence is not sufficient, whether it is the procuratorate or the court, there is no way to judge."

"Law enforcement agencies can't rely on subjective feelings and guesses. Instead, they need to come up with objective facts."

"But, she was caught at the scene." Bai Xiaochun frowned, "Isn't this called factual evidence?"

"Probably not enough." Chu Tian said, "Well, let's wait for Sister Xia to come over later. Sister Xia will make it clear when she comes over. Also, look at you, your eyes are red, why are you crying so hard? I'm fine. ."

"I didn't cry!" Bai Xiaochun pouted, rubbing his head on Chu Tian's chest twice.

"Okay, you didn't cry." Chu Tian smiled and pinched Bai Xiaochun's face.

.....

Nine in the morning!

In front of the bar, Xia Mo drove straight over in an electric car.

Looking at Chu Tian who was standing at the door of the bar, Xia Mo smiled, parked the car, and came down, "How is it? Do you feel better?"

"I feel much better." Chu Tian smiled and hugged Xia Mo, saying, "Sister Xia, thank you for last night."

"Okay." Xia Mo patted Chu Tian's back with a smile, and said, "Sister didn't do anything, I just did what she should do, don't be too polite."

While talking, Xia Mo let go of Chu Tian, and said with a smile: "By the way, how did your sister Sisi enlighten you last night?"

"It's just comfort." Chu Tian said with a smile, "It's very hard work."

"Work hard?" Xia Mo was surprised.

"Oh, try your best." Chu Tian smiled, "Anyway, it comforted me all night, and I'm thinking about it now. By the way, sister Xia, have you had breakfast yet?"

"I've eaten." Xia Mo said, "Let's go, let's go in and talk. I'll tell you about the current situation."

"Hmm."

.....

"That's pretty much the way it is now."

In the room on the second floor of the bar, Xia Mo looked at Chu Tian and Li Sisi and said: "This Luo Piao has been interrogated all night, but she didn't say a word, she just said a word, she wants to see her lawyer."

"In addition, what about the four people who kidnapped you? They all admitted to the kidnapping, but their confessions can't testify against Luo Piao, they can only testify against that Ah Wei, who is the mastermind behind your kidnapping ."

"However, Ah Wei has been killed by you. Although he is Luo Piao's personal bodyguard, this relationship cannot mean that Luo Piao was also involved. Now there is no sufficient evidence to prove that Luo Piao took part in it too."

Li Sisi frowned and looked at Xia Mo, and said: "In other words, once Ah Wei died, Luo Piao found a chance to escape."

"You can put it this way." Xia Mo said, "Without the part of Ah Wei's testimony, at present, there is no factual evidence to accuse Luo Piao."

"Furthermore, the police station has notified Luo Piao's family, that is, the chairman of Xiangpiao Group, Luo Dawei. Luo Dawei will come to Haicheng in the afternoon. I don't need to think about it. Luo Dawei will definitely come with a large number of lawyers. , when the time comes... Anyway, the situation is not good."

Seeing Xia Mo's helpless look, Chu Tian suddenly smiled and said, "Luo Dawei? He really dares to come, isn't he afraid that he won't be able to leave when he comes to Haicheng?"

"Why is he afraid of this?" Xia Mo smiled bitterly, "Although Luo Piao is his daughter, this is not a joint crime. It cannot be said what the daughter has done. Even the father has to be implicated. The law is not a joke. Besides, we can't handle Luo Piao's side now, and when her lawyer team arrives this afternoon, it's really not sure what kind of moths are going to be done."

"Then, then this is to bullying." Bai Xiaochun frowned and said, "We have been bullied, and no one has helped us to uphold justice?"

"Yes." Xia Mo said, "Those four guys must be guilty of kidnapping, and Ah Wei, if he is not dead, must also be tried, but Luo Piao's side... really did not have evidence against her."

"Then, what about the money?" Li Niannian seemed to have thought of something, and hurriedly said, "Isn't it the 10 million kidnapping fee? Who paid the 10 million, if it can be proved that it was paid by Luo Piao, then that's fine. "

Xia Mo shook her head and said: "The money has nothing to do with Luo Piao, the 10 million is all withdrawn from Ah Wei's own bank card."

Hearing what Xia Mo said, Li Niannian opened her mouth but finally said nothing.

Xia Mo looked at Chu Tian, and said: "Xiao Tian, the situation is like this at present, there is really no way, I also know that there is something hidden in it, but if there is no evidence, it is impossible."

"I understand." Chu Tian said with a smile, "Sister Xia, you don't have to say that, I know you must have tried your best, it's fine, I believe that Skynet is not missing, maybe, the evidence suddenly appeared, maybe even Luo Dawei can't even run away, can he?"

Xia Mo giggled and said, "As long as you can see it, I'm afraid you will blame me."

"How is it possible?" Chu Tian smiled, "Sister Xia, it's too late for me to love you, how could I blame you."

Xia Mo was stunned for a moment, then smiled and said, "Don't mess around, Sister Xia doesn't need you to love her, just love your girlfriend well."

Chu Tian chuckled and said, "By the way, sister Xia, you didn't rest all night, so go back to sleep."

"Okay." Xia Mo stood up and said, "Then I'll go back to sleep first, and I'll find you if I need anything."

"I'll see you off."

"No need," Xia Mo said. "What's there to send me off with? I'll just leave myself."

After speaking, Xia Mo turned around and left the room.

Seeing this, Li Sisi looked at Chu Tian and said, "Chu Tian, since this is the case, let's go to that Lawyer Zhu first."

"Okay." Chu Tian said, "Then go to this Lawyer Zhu first."
