

I Beg You All, Please Shut Up - Chapter 15: Truly Outrageous

After checking out all of Li Sisi's selfies, Chu Tian closed out the tabs one by one and spoke aloud, "Tomorrow, I'll go buy some decent clothes from the mall first. I'll meet Li Sisi after. I'll make sure to have a proper discussion with her. If that nightclub is really going to make a stable net profit of over a million every month, I would most definitely have to get it."

After speaking to himself, Chu Tian got up from his chair and went to wash up.

.....

Early morning next day. 9AM!

It has been a long while since Chu Tian slept in. Today, he slept all the way till 9. Only then did he get out of his bed and leave to wash up.

After Chu Tian finished washing up and putting on his clothes to purchase some new clothes from the downtown mall, his cell phone suddenly started ringing.

Hm?

It's actually Li Sisi calling him.

Likely, she's calling him so they could arrange a time and place to meet later.

Chu Tian walked out of his apartment as he picked up the call, "Hello. Miss Li?"

"Hello Mister Chu. Have you gotten out of bed yet?"

That charming yet inexplicably languid voice sounded again.

"Yes, I'm awake," said Chu Tian with a smile, "I just left my house. I guess Miss Li is also awake?"

"Right. I'm awake too," replied Li Sisi with a laugh, "It just so happens that I'm over by the Haicheng University of Medicine right now. If it works for you, how about we meet now?"

Ah?

Li Sisi was over by the school?

Hearing those words, Chu Tian was caught off guard.

Shoot!

Why did she come here before they arranged a time to meet?

Chu Tian was originally planning to go to the mall downtown to purchase a new set of clothes before meeting her.

After all, the clothes that he's wearing right now were all stuff costing only a hundred or so RMB that he purchased from street vendors. They were truly not that suitable for a business meeting.

He did not expect for Li Sisi to be here already.

It would appear that he would not be able to go to the mall.

After all, it would take over an hour for him to go to the mall, purchase a new set of clothes and return. He couldn't possibly have her wait here.

Thinking that, Chu Tian laughed and replied, "Miss Li came here very early. I was thinking that we will be meeting in the afternoon."

"Oh, that's alright," said Li Sisi, "If it's inconvenient for Mr. Chu to meet with me now, I can return in the afternoon."

"Oh no, of course not," said Chu Tian, "We can meet now. I'll go and find you at once. I'm nearby. Do you know of that Yang's Family Restaurant? Let us meet by that place."

"Sure," said Li Sisi, "In that case, I'll wait for Mr. Chu out by the entrance of the Yang's Family Restaurant."

"Got it. I'll be there shortly."

After hanging up the phone, Chu Tian started to descend his apartment building.

Ten minutes later!

When Chu Tian arrived at the Yang's Family Restaurant, Li Sisi was already there. She was sitting in her red BMW roadster.

While Chu Tian knew it was her, he pretended to not recognize her and took out his phone to call her number.

"Hello. Mister Chu, have you arrived?"

"Yes, I'm here," said Chu Tian as he stood before the entrance of the restaurant, "Miss Li, where are you?"

"Oh, I see you now," laughed Li Sisi, "I'm getting out of my car now."

The call ended as the door of a red BMW roadster opened up. Li Sisi walked out from the roadster.

She wore a pair of crystal clear heels that clearly revealed her fair white feet. Her toenails were all painted red. A form-fitting red dress beautifully outlined her curves.

On her shoulder was a little blue bag. Her long hair was dyed brown and curled with a waves pattern. She was wearing a large pair of sunglasses and smiling faintly.

Dang!

This Li Sisi was truly an outrageous beauty!

Compared to her photos, she appeared even more charming and sexy in real life. Especially her waist that moved back and forth as she walked, it was like she was deliberately trying to seduce you.

Right before reaching Chu Tian, Li Sisi smiled, took off her glasses and extended her hand forward, "Hello Mr. Chu."

"Hello, hello."

Chu Tian immediately extended his own hand and shook her hand, "Never would I expect for Miss Li to be this beautiful."

"I also didn't expect for Mr. Chu to be this young," With a smile still on her face, Li Sisi sized Chu Tian, "You must not even be twenty, right?"

“Eighteen, almost nineteen,” smiled Chu Tian. “I just entered college.”

“Oh,” said Li Sisi, “So Mr. Chu is attending this University of Medicine. It would appear that Mr. Chu is not only young, you’re also someone with a promising future. That said, while you might be young, you’re not lacking in masculinity in the slightest.”

Eh...

Chu Tian was embarrassed. He said, “I was planning to buy some clothes first. I forgot to wash my clothes yesterday. My apologies.”

Li Sisi laughed out loud. It was a beautiful sight.

Then, she pursed up her lips and said, “Mr. Chu, please don’t misunderstand. I’m not saying that you smell. What I meant is that you appeared very masculine.”

“So that’s the case,” Chu Tian laughed, “I thought I was smelly.”

“No, of course not,” said Li Sisi, “There’s no smell at all. If anything, the only scent you’re giving off is the scent of a man and nothing else.”

Right at this moment, the door to the restaurant suddenly opened. The restaurant owner walked out enthusiastically.

“My! Young friend, you’ve returned. Come, come inside. Let’s not stand outside, come sit inside.”

Eh...

Seeing the restaurant owner appearing all of a sudden, Chu Tian smiled, “Please wait a moment. We’ve got something to talk about.”

The restaurant owner was momentarily confused. But, he immediately smiled, “Oh. My apologies. I thought that... well, please excuse me. You two chat first.”

After saying those words, the restaurant owner turned around and returned to the restaurant.

Li Sisi was smiling as she watched this scene. She asked, “Your friend?”

“No,” Chu Tian shook his head, “He’s the owner of this restaurant. He’s trying to sell this place. I want to purchase this restaurant and transform it into a nightclub.”

This restaurant?

Li Sisi looked around. She then said, “This place is quite large. In that case, it would mean that Mr. Chu still hasn’t purchased this restaurant yet?”

“That’s correct. I’ve not purchased it just yet,” said Chu Tian, “Mainly, I needed to discuss with Miss Li first. If Miss Li is willing to come manage this place, I can purchase it right away. If Miss Li is unwilling to come, then I wouldn’t be able to open the nightclub. Naturally, there would be no reason for me to purchase this restaurant either.”

“Is that so?” Li Sisi stared into Chu Tian’s eyes. She smiled, “Suddenly, I felt as if I’m being lifted up high by a young man. Are you intending to open this nightclub for me?”

“You can say that,” smiled Chu Tian.

“Then, let us have a look inside.”

“Sure.”
