

Beg You All 153

Chapter 153: Victim Luo Piao

Shit!

After hearing Luo Piao's statement, Xia Mo wanted to flip the table.

The most worrying thing finally happened.

Luo Piao put all the blame on Ah Wei. This time, a dead person would take the blame and die without proof!

She had shifted the blame and became a victim.

Xia Mo frowned and thought for a moment and asked, "Luo Piao, I have a question. Since this is the case, why didn't you say it last night? What's there to hide?"

"I don't really know how to open my mouth." Luo Piao wiped her eyes again and said, "In fact, I'm really happy about the death of Ah Wei. From now on, I do not have to worry about being raped by him."

"But I don't want more people to know about this. I'm also a famous person. Since Ah Wei is dead, I want to rot this in my heart forever. Besides myself, I don't want anyone else in this world to know about this."

"In addition, I also have some selfishness because I really have a good impression of Chu Tian. I don't want to testify that he killed Ah Wei. I think this is fate; Chu Tian is the hero that God arranged to save me."

"The two of us are destined to be fated, so I'm afraid that after I say something, Chu Tian will go to prison because he killed Ah Wei. I don't know how to open my mouth, so I might as well not say anything. Please understand, I really didn't mean to not cooperate with you."

Xia Mo stared into Luo Piao's eyes. Her fingers slowly knocked on the table and she said, "Since you did not negotiate with Chu Tian, why did you stay in Haicheng for so many days? What is the purpose of your stay in Haicheng?"

"Because I still wanted to talk to Chu Tian." Luo Piao said, "As I said earlier, I'm the sales director of Xiang Piao Group. Since I'm interested in the market prospects of White Milk Tea Shop, I definitely would not give up just because I haven't finished talking about it."

"You may not be in business, so you don't know much about it. It's normal for us not to talk about it more than once or twice."

"Even a lot of business needs to be discussed five or six times before it can be finally discussed."

"So, I've been staying in Haicheng for the past few days, and I've been doing my homework. I must have asked Chu Tian to talk about it for the second time, the third time, I can't go back like this."

Looking at Luo Piao's serious expression, Xia Mo slowly took a deep breath and said, "Luo Piao, there's another problem, You... "

.....

Time passed in a flash. It wasn't until 5:30 p.m. when the door to the interrogation room opened that Xia Mo and Xiao Liu came out.

Outside the interrogation room, Lawyer Xing was waiting.

The corners of his mouth curled up as Lawyer Xing smiled and said, "Captain Xia."

"Oh, why haven't you left yet?" Xia Mo gave Lawyer Xing a sidelong glance and spoke softly.

"I forgot something." Lawyer Xing smiled and said, "So, Captain Xia, can I go in and chat with my client? I'll be back very soon, don't worry, just a few words."

Xia Mo took a deep breath and said, "Pay attention to the time."

"Soon." Attorney Xing said with a smile, "Just chat for a few words, and I'll be out right away."

As he spoke, Lawyer Xing opened the interrogation room door and walked in.

In less than a minute, he opened the door with a smile and walked out.

Seeing that Xia Mo and Xiao Liu were still waiting outside the interrogation room, Lawyer Xing said, "By the way, Captain Xia, my client has already cooperated with your investigation. When can I take her away? You should know that she is completely innocent."

"Innocent or not, it's not up to you." Xia Mo said, "Luo Piao is still suspected of being kidnapped and murdered. We still need to investigate, she can't leave yet."

"I understand." Lawyer Xing smiled, "Then I will come to pick up Ms. Luo Piao tomorrow night. According to the laws of our country, if the police cannot produce relevant evidence to accuse kidnapping and murder, then they only have 48 hours of detention. You cannot detain the client who has been detained indefinitely, once the 48 hours are up, you must release him."

Xia Mo glanced at Lawyer Xing and said, "You don't need to remind me. I know that there's still time. What's the rush?"

"All right."

Lawyer Xing maintained a smiling expression and said, "Since that's the case, I'll see you tomorrow night. I will pick up Miss Luo Piao on time."

After saying that, he nodded slightly and left the police station.

Seeing the back of Lawyer Xing leaving, Xiao Liu took a deep breath helplessly, looked at Xia Mo, and said, "Damn it, it's obvious, but I just can't do it, I'm so fucking aggrieved!"

During an hour-long interrogation,

Luo Piao successfully changed her identity as a criminal suspect and became a victim.

As long as it was related to the kidnapping of Chu Tian, she did not know anything.

It was a good thing that she didn't know about it. She pushed it all onto Ah Wei, a dead man.

Xia Mo also took a deep breath helplessly and said: "Xiao Liu, sort out this confession carefully, and then give it to me. I want to take a good look and see if there are any contradictions. Can I find any contradictions? What a breakthrough."

"Yes, I understand. What would you like to eat, Captain Xia? It's time to eat."

"It's time to eat?"

"I'm not hungry." As Xia Mo returned to her office, she said, "I just ate something at home. Hurry up and sort out Luo Piao's confession. "

"Okay."

At the same time!

"So, Luo Piao will be out tomorrow night?" Luo Dawei asked Lawyer Xing from inside a commercial vehicle outside the police station.

"That's right." Lawyer Xing smiled and said, "Boss Luo, don't worry. The police station does not have any evidence against the eldest young woman. after Ah Wei The eldest young miss is fine."

Luo Dawei smiled and nodded. "Thank you for your hard work, Lawyer Xing. Since that's the case, I'm at ease, Xiao Zhou."

"Boss." The bodyguard in the front passenger seat answered.

"You contact Chu Tian. Since he's here, I plan to meet him and have a chat."

"Understood. Then I will contact him now."
