

Beg You All 154

Chapter 154: Rubbing out the Momentum

"Giggle giggle... ...what are you doing you rascal, beating you, beating you, giggle giggle... ...let go of me."

5:50 P.M.!

In Li Sisi's bedroom, after Li Sisi and Chu Tian played, Chu Tian directly placed one hand on the big bear.

Chu Tian chuckled, let go of Li Sisi and said, "Sister Sisi, you just woke up, why don't you... do some activities and wake up sleepy?"

"Screw you!"

Li Sisi kicked Chu Tian with a smile, and said: "Aren't you going to die? You are a medical student, don't you understand? Men and women are different. If you mess around like this, be careful that you won't live until 20 years old. died young."

"I don't care too much." Chu Tian pouted, "Sister Sisi, I am a man beyond the scope of normal human beings, and this little thing doesn't affect me at all."

"Well, keep showing off. If you keep showing off, you'll be able to fly!"

Chu Tian chuckled, got off the bed, and said, "Sister Sisi, to be honest, I've always wanted to ask you a question."

"Well, what's the question?"

"Tell me, you...why haven't you talked about a boyfriend?"

Li Sisi pouted with a smile, and said, "Did you always think that I was quite open?"

"Hmm...that's true." Chu Tian nodded and said, "Sister, I won't lie to you. Last time, I was stunned. I really didn't expect that you are still a big girl."

Li Sisi rolled her eyes with a smile, and sighed, "Oh, I don't know what's going on. In fact, this problem is not just you. Many people think so of me."

"In the past few years, I have met so many sisters, and they also said the same. I don't know why, they said, looking at me, they think I am a pretty slutty woman, but I really don't want to be a slut, really, these years I am so old and helpless, I have been misunderstood like this all the time."

"It's the same as Nian. She is my own sister. We are basically the same height and figure, and our looks are somewhat similar. However, no one has ever said that about her. They say that she is beautiful and has a good figure. When they come to my side, their tone changes immediately, alas, there is no way to recruit."

"This should be the so-called natural charm." Chu Tian smiled, "Just like the Wu Meiniang, some people say that Wu Meiniang is born with charm, and her usual frown and smile can seduce people's souls. Sister, you should also be a cool woman who is naturally charming."

"Hehe... Are you praising me or insulting me?" Li Sisi laughed

"Of course, it's a compliment." Chu Tian said, "A natural beauty—this is something that many women dream of; how could it be bad?"

"Cut!" Li Sisi rolled her eyes with a smile and said, "Are you still going to the bar tonight?"

"I'll leave the matter to Lawyer Zhu. If there's something at the police station, Sister Xia will tell me. If there's nothing to do, I'll go to the bar."

"Exactly." Li Sisi said, "Go back to spend more time with Xiao Bai, she is really scared this time."

"Well, I know."

"Oh, right." As if thinking of something, Li Sisi continued, "I forgot to ask. How is Sun Nana?"

"She's fine." Chu Tian said, "When Sister Xia and I went back to the police station last night, she was still there. We talked for a while before the cops arrived. We chatted for a bit before the police sent her back."

Just as she was about to say something, a cell phone suddenly rang.

Li Sisi took Chu Tian's cell phone from the bedside table and handed it to him.

Chu Tian took it and picked up the call, saying, "Hello, who is this?"

"Hello, is this Mr. Chu Tian?" A slightly experienced male voice sounded.

Chu Tian frowned and said, "Yes, I am Chu Tian; who are you?"

"Hello, Mr. Chu." The man said, "My name is Luo Dawei. I'm Luo Piao's father."

Luo Dawei?

Chu Tian was stunned and suddenly laughed, saying, "Oh, so it's Boss Luo. What's the matter?"

"Do you have time?" Said Luo Dawei, "If it's convenient, I'd like to meet you with Mr.Chu and have a meal."

"Sure." Chu Tian smiled and said, "Someone is treating me, I've always been on the call."

"Alright then." Luo Dawei smiled and said, "In that case, let's meet at Roewe Hotel."

"Sure." Chu Tian said, "Then I'll see you later."

"All right, I'll see you later."

Seeing Chu Tian hang up the phone, Li Sisi couldn't help but say, "Chu Tian, who is it?"

"Stinky old woman's father." Chu Tian smiled and said, "He wants to meet with me and have a meal together."

"Uh... the chairman of Xiang Piao Group, Luo Dawei?" Li Sisi glared.

"That's him."

"You're crazy." Li Sisi said speechlessly, "Why did you agree to meet him?"

"What's the matter?" Chu Tian laughed, "He wants to treat me as a guest for dinner. His daughter's set meal was 580,000 yuan. As a father, how can he be worse than the 580,000 set meal? Big meal, why should I skip this opportunity?"

"Then, aren't you afraid of him hurting you?"

"No problem, Is it just that old man who wants to hurt me?" Chu Tian smiled and said, "I'm not bragging. I can kick him twice."

Hearing what Chu Tian said, Li Sisi smiled and said, "Indeed, I really didn't see that, you little bastard is pretty good at fighting."

"That's right." Chu Tian said proudly, "A man must be able to fight, otherwise, if his woman is bullied, he will be a useless person? Then you have to go up and do it. By the way, it's a big meal ,are you coming or not?"

"Then I have to go." Li Sisi smiled, "For a meal of this level, it's not for nothing. You can tell the Big Baby quickly, the Big Baby is still waiting for us to go back and eat together."

"Okay, I'll tell her."

As he spoke, Chu Tian dialed a number and called Bai Xiaochun.

After chatting for a while, Chu Tian hung up and said, "Okay, sister, I've already told her, Shei and sister Nian will eat together."

"Then wait for me for a while. I'll tidy up and put on some makeup. I have to show off my aura for this meal."

Chu Tian chuckled, and said, "Okay, sister, you can draw slowly, don't worry, just let him wait."

Half an hour later, time went by.

Li Sisi was wearing a reddish cheongsam, and then she took Chu Tian's arm and left the house together.
