

Beg You All 155

Chapter 155: One is More Hypocritical Than the Other

7:10 PM!

In front of the Roewe Hotel in downtown Haicheng, after Li Sisi parked the car, she took Chu Tian's arm and walked towards the Roewe Hotel.

At this moment, on the side of the hotel's entrance, a man in a suit was waiting.

Seeing Chu Tian and Li Sisi approaching, the man quickly walked down the steps and came in front of them.

"Hello, you are Mr. Chu Tian, right?"

Chu Tian looked the man up and down, and said, "Yes, I am Chu Tian, and you are... Luo Piao's father?"

As soon as Chu Tian said these words, Li Sisi pinched Chu Tian's waist with a puff.

What a mess!

This person looked to be in his early 30s. He might not even be as old as Luo Piao.

How could he be her father?

Forehead

The man froze for a moment, then smiled quickly: "No, I'm the driver. Our boss is waiting for you upstairs. Let me come down to pick you up."

"Oh." Chu Tian nodded, smiled, and said, "Scared me, I thought it was you, I wondered, what kind of martial arts did you practice, Tianshan Child Elder."

The man smiled and said: "No, no, how could I be the boss, Mr. Chu, please come with me."

"Yes, please."

The man smiled and nodded, then made a gesture of invitation, and then led the way.

He didn't know if it was deliberately arranged. The meeting place with Luo Dawei this time was actually the same private room that Luo Piao ate with.

Seeing Chu Tian bring Li Sisi in, Luo Dawei, who was already waiting, stood up with a smile and said, "Two days ago, I heard Piao Piao talk about Mr. Chu. You are the best, someone has the appearance of a dragon and a phoenix."

"Hehe. Boss Luo is too kind; I don't dare accept it" Chu Tian said as he shook hands with Luo Dawei and said, "I'm just a small man in a big city."

"Humble." Luo Dawei looked at Li Sisi with a smile and said, "Who is this?"

"Oh." Chu Tian introduced, "Let me introduce, this is my wife."

Wife?

Uh, isn't she only 18?

Besides, isn't his girlfriend a girl named Bai Xiaochun?

Bai Xiaochun doesn't look like this!

However, Luo Dawei didn't care about this question. He smiled and shook hand with Li Sisi. "You are a really golden child. Madam Chu, it looks like you are blessed. "

Li Sisi smiled and said, "Thank you, Boss Luo."

"Just tell the truth, come, please sit down!"

After a simple greeting with Chu Tian and Li Sisi, Luo Dawei took the four of them to their seats and continued, "It's the first time I've met Mr. Chu today. Mr. and Mrs. Chu, you can order whatever you want. You don't have to be polite."

"The guest can do whatever host wants, it's better to listen to Boss Luo's arrangement." Chu Tian said.

"That's good." Luo Dawei turned his head to look at the bodyguard at the side, and said, "The package is 880,000 yuan."

The bodyguard nodded, then came to the small machine behind the door and started to operate it.

880,000 package?

Li Sisi was innocent. She moved closer to Chu Tian's ear and said in a low voice, "As expected of a father, he's more powerful than a daughter. Can you become immortal after eating the 880,000 yuan set meal?"

Chu Tian smiled, and also said in a low voice: "How about Sister Sisi, isn't this meal in vain?"

"Well, it's not in vain, it's not in vain that my sister loves you, and I still think about my sister when there are good things, boo."

While talking, Li Sisi gently kissed Chu Tian's ear..

Taking advantage of the time of serving the food, Luo Dawei said: "Actually, there are two main reasons for meeting Mr. Chu today."

"Oh? Please speak, Boss Luo." Chu Tian said

"Firstly, it's because of what happened to you yesterday." Luo Dawei said, "I also heard about what happened to you yesterday. I'm sorry. I didn't expect to bring you such trouble. It's all because of Piao. I didn't like it. My own bodyguard Ah Wei did such a stupid thing."

"If Piao could find out early, maybe she could stop this crime. In this way, you won't need to be frightened, and she won't let herself fall into misunderstanding."

It was like Luo Piao, who was really innocent but just misunderstood the same thing.

"This matter." Chu Tian smiled and shook his head, and said, "I don't really want to talk about this matter, the police are still investigating, but I believe that Miss Piao must have been misunderstood. It must be that Ah Wei did it all, and it has nothing to do with her."

"Yes." Luo Dawei said with a smile, "I understand this girl Piao. She has been a coward since she was a child. If you give her 100 guts, she will not dare to do such a thing. In this way, when she is released from the police station tomorrow After the suspicion comes out, I will ask her to apologize to you."

"There's no need for that." Chu Tian smiled and said, "Everyone is friends. If you say you're sorry, then you're being lenient. She must have been misunderstood, but there's no other way. The police have to investigate the criminal case. If I have the final say, I'll have a drink with Miss Luo Piao, and then it'll be fine, but I don't have the final say."

Luo Dawei laughed and said, "You are indeed a straightforward person. No wonder why she praised you so much on the phone. Seeing you today is really refreshing."

"I don't think so." Chu Tian smiled and said, "I have a natural personality, but I am still worried about Miss Piao. Wait, what if she can't get rid of the suspicion?"

"No, no." Luo Dawei shook his head and said, "I know about the situation as well. It is indeed a misunderstanding. She will definitely come out of the police station tomorrow."

"I hope so." Chu Tian said, "I hope that during this period, there won't be any trouble. I'm worried right now, if there is any trouble, Miss Piao won't be able to come out."

"Don't worry." Luo Dawei said confidently, "I believe that the police comrade can certainly return a clean Piao's innocence. After all, she is indeed innocent."

"Yes, yes, yes." Chu Tian agreed, "Miss Piao is definitely innocent, I firmly believe in this point, then I hope there will be no moths during this period, I hope she can come out of the police station tomorrow."

Listening to the conversation between Chu Tian and Luo Dawei, Li Sisi on the side was almost speechless.

I'll go!

These two people are really... perfect!

One is more hypocritical than the other!
