

## **Beg You All 160**

### **Chapter 160: Parents' Methods**

Upon hearing Luo Piao's tearful confession, Xia Mo excitedly clenched her fists in her heart.

It felt like a stone that had been hanging in her heart finally fell to the ground.

*Thank goodness we scared her enough!*

*Actually, if Luo Piao didn't confess, we wouldn't have had any way to deal with her!*

This was because the country had its own requirements for evidence, such as audio recordings. The source of the evidence was unknown, and it was clear that the recording had been made secretly by illegal means. It could not be used as evidence. Even in court, even if it could prove the authenticity of the recording, the judge would not accept it.

It was not that the country was stubborn, nor that judges were inflexible. It was just that such a precedent could not be set.

Audio recordings obtained through clearly illegal means, such as covertly recording without consent, were considered illegal.

If such recordings were admissible as evidence, it would be indirectly condoning illegal behavior.

Xia Mo looked at Luo Piao and didn't say anything, just nodded her head. Then she shouted towards the door, "Xiao Liu."

The door of the interrogation room opened and Xiao Liu walked in again.

Looking at Luo Piao, who was visibly trembling and had lost her composure, Xiao Liu couldn't help but smile faintly, but it quickly disappeared.

With a stern face, Xiao Liu sat next to Xia Mo, opened the folder again, and twisted the pen in his hand. In a cold voice, he asked, "What's your name?"

"Luo Piao," he said, choking.

"Gender?"

"Female."

.....

Time flew by and it wasn't until 1am that Xia Mo and Xiao Liu finished their interrogation and came out of the interrogation room.

As their eyes met, Xia Mo and Xiao Liu suddenly burst into laughter and high-fived each other in victory right outside the interrogation room.

She confessed everything!

She confessed everything, from discovering White Milk Tea, to meeting Chu Tian for the first time, to recruiting Li Niannian and attempting extreme measures when the recruitment failed. She also admitted to planning the kidnapping and intending to use torture to extract the formula for White Milk Tea from Chu Tian. She even revealed that she had planned to kill Chu Tian and bury him to make him disappear from the world.

Of course, she also implicated Luo Dawei and Ah Wei who were involved in the case.

In order to help her father, Luo Dawei, get lenient treatment, Luo Piao also confessed to everything he had done in full detail.

Xiao Liu chuckled and said, "Captain Xia, what if Luo Piao finds out that you were just bluffing her? Do you think she'll hate you to death? I guess she could even peel your skin alive."

"It doesn't matter as long as she's happy," Xia Mo smiled, "Little Liu, reorganize the case immediately, sort out the recorded interrogation audio and transcripts, and tomorrow morning, I will immediately apply for an arrest warrant from the bureau chief to arrest Luo Dawei. This father-daughter pair won't be able to escape."

"Got it." Xiao Liu happily replied, "I'll work overtime tonight to finish organizing the entire case. Xia Mo, I'll go get started now."

After saying that, Xiao Liu returned to the office in high spirits.

Upon seeing this, Xia Mo smiled and took out her cellphone, opening up her contact list.

However, as it was already one o'clock in the morning, Xia Mo hesitated and put her phone back in her pocket.

She thought about calling Chu Tian to share the good news, but it was already 1 am and Chu Tian was probably asleep. So, she decided to wait until the next day to inform him.

.....

"Uh-huh, our little darling is really good at cooking, and that scoundrel is lucky to have such a delicious meal," replied Xia Mo with a smile.

The next morning at 7:30.

inside the rental house, Li Sisi sat on the sofa in her nightgown, with a satisfied expression on her face, patting her belly.

Because her car was still parked in front of the Rongwei Hotel in the city, after the bar closed last night, Li Sisi had to come to stay at Chu Tian's place.

"Is it delicious?" Bai Xiaochun hugged Li Sisi's arm happily and asked, "So, Sister Sisi, is the 880,000 yuan meal delicious?"

"What's wrong?" Li Sisi smiled and asked, "Craving something?"

"I haven't even had the 58,000 yuan meal," Bai Xiaochun pouted. "Sister Nian had the 58,000 yuan meal, Sisi had the 88,000 yuan meal, and I haven't even had a 10,000 yuan meal."

"Giggle Giggle ....."

Li Sisi giggled and pinched Bai Xiaochun's cheek. "Look at how you're being treated, don't worry about it. Wait for me to intervene for you. This stingy rogue runs a milk tea shop that earns over a million a day, yet he can't even treat our little baby to a good meal. Is that acceptable?"

Watching the serious look on Li Sisi's face, Bai Xiaochun chuckled and directly rested her head on her shoulder, rubbing against her.

Soon, the bathroom door opened and Chu Tian walked out in a pair of boxers.

Seeing this, Li Sisi said, "Chu Tian, come here."

*Hmm?*

"What's up, sis?" asked Chu Tian as he walked over to her, looking confused.

"What's going on?" Li Sisi kicked Chu Tian's leg and said, "Don't you have a clue? Let me tell you, even Big Baby is unhappy and came to complain to me. You better be more aware of your actions."

Looking at Bai Xiaochun, who was giggling and hugging Li Sisi's arm, as if she had found a backer, Chu Tian seemed to have thought of something and said with a smile, "Sister Sisi, it's really not my fault. She likes it herself, and besides, I didn't hit her hard."

*Huh?*

Li Sisi was taken aback and suddenly seemed to remember something. She burst out laughing with a "pu pi" sound.

And as for Bai Xiaochun, who had been looking proud just moments before, her face immediately turned bright red.

"Oh my, what did you say!"

Bai Xiaochun kicked Chu Tian and said with a red face, "Not that!"

"No, this is it." Li Sisi hurriedly hugged Bai Xiaochun and pressed her down and said, "Chu Tian, hurry up and say, does Bai Xiaochun like it? What exactly is her hobby?"

"Not allowed to say!" Bai Xiaochun struggled while blushing and said, "You dirty scoundrel, if you dare to say it, I won't let you off."

Forehead.....

Chu Tian looked at the two of them blankly, completely confused.

*What is the situation?*

*What exactly are they talking about?*

At that moment, Li Nian Nian finished cleaning up the dishes and walked out of the kitchen.

Seeing the three of them having such a good time in the living room, Li Nian Nian couldn't help but laugh and ask, "What's going on?"

Chu Tian innocently shrugged his shoulders.

As Li Sisi held onto Bai Xiaochun and laughed, she asked Li Nian Nian, "Do you know what Big Baby's hobby is?"

"Oh, this one."

Li Niannian smiled and said, "Well... it's a disciplinary measure commonly used by parents when children misbehave."

"Oh... I got it."

Hearing what Li Niannian said, Li Sisi stretched out a long tone and then released Bai Xiaochun, laughing cheerfully.

"Oh, you guys are so annoying!"

Bai Xiaochun ran to Chu Tian with a red face and punched him, saying, "It's all because of you, it's all because of you."

Chu Tian laughed and hugged Bai Xiaochun, saying, "No, baby, what's the matter? I feel wronged, okay? I'm still confused about what's going on. What's happening to me?"

"It's a big meal!"

Li Sisi chuckled and said, "Big Baby hasn't had a big meal yet, so she's throwing a tantrum."

"Oh, a big meal." Chu Tian laughed, "You should have said so earlier. See, there was a misunderstanding."
