### Chapter 163: Metaphysics, not convinced

Without a billion or eight hundred million, not to mention the pen?

Hearing Chu Tian's words, Zhu Cheng chuckled and said, "Regarding the letter of understanding and compensation, it's a private matter between Mr. Chu Tian and Luo Dawei. Of course, I can handle it on their behalf. As for the details, it's the same as negotiating business."

"It's mainly about the trial. If Mr. Chu Tian needs it, I can be in charge of this case."

"Let's talk about it." Chu Tian thought for a moment and said, "Lawyer Zhu, you're quite busy. If he's tough, then I don't care. Lawyer Zhu, just go to court and kill them."

"That's no problem." Zhu Cheng smiled and said, "A case like this with solid evidence isn't that difficult. As long as we don't let them go, we won't let them off easy."

In the law firm's office, Chu Tian and Zhu Cheng are chatting. Suddenly, a ring bell rang and a mobile phone rang.

It's Chu Tian's cell phone.

Chu Tian took out his phone and looked at it. Seeing that it was an unfamiliar number, he directly answered the channel, "Hello, who is this?"

"Hello, Mr. Chu Tian?"

A male voice sounded and said, "I'm Xing Taizhong, Ms. Luo Piao's lawyer. We had dinner together last night. Do you still remember?"

Chu Tian smiled and covered the microphone. He looked at Zhu Cheng and Li Sisi and said, "Speak of the devil, that lawyer Xing."

As he spoke, Chu Tian released the microphone and said, "So it's Lawyer Xing. I have an impression of him. What's wrong, Lawyer Xing? What's the matter?"

"What's the matter?" Lawyer Xing said, "It's like this if it's convenient for Mr. Chu Tian. "I'd like to meet with you, and I hope we can talk about it face to face."

"Sure". Chu Tian said, "Then let's do this. It's good. Come and find me. I'm at my lawyer's place. I'm a successful lawyer. Just call a taxi and ask about it. It's very famous and everyone knows about it."

"Sure." Lawyer Xing said, "Then I'll go look for you now, and we'll see you later."

"All right, I'll see you."

Seeing Chu Tian hang up, Zhu Cheng smiled and added some water to Chu Tian and Li Sisi. "What, this lawyer Xing is coming?"

"Yes, let him come." Chu Tian said, "Good if there's something I can't do, Lawyer Zhu, you can help me."

"It should be." Lawyer Zhu smiled. "Besides, I also want to meet this lawyer Xing. In our circle of lawyers, his lawyer Xing is quite famous."

Li Sisi thought for a moment, then looked at Chu Tian and said, "Chu Tian, you really don't want to accept their apology, right?"

"Why not?" Chu Tian smiled and said, "Let's be realistic. This is money that was sent to your door. Why don't you want it? Of course, you can't just send me off with three dates. You have to show your sincerity."

.....

Two-thirty in the afternoon!

Suddenly, the office door rang twice, and an assistant opened the door and said, "Lawyer Zhu, a gentleman with the last name Xing is here to see Mr. Chu."

Coming!

Lawyer Zhu nodded and said, "Please come in."

"Okay."

The office door was closed. A minute later, it opened again. The assistant stood at the door and said, "Mr. Xing, please come in."

"Thank you!"

Lawyer Xing, who was dressed in a suit, nodded with a smile and walked in with his briefcase.

Seeing this, Chu Tian and the other two stood up with smiles on their faces. Chu Tian said, "Lawyer Xing, are you going around?"

"No, no." Xing said with a smile, "Very convenient. I immediately took a taxi to get here."

"Alright, I'll introduce you first." Chu Tian smiled and said, "My wife and I had dinner together last night, so there's no need to introduce us. It's mainly this person, Zhu Cheng Success, the founder of the Successful Law Firm, and also my lawyer."

"I've heard of it. Hello, lawyer Zhu."

Lawyer Xing smiled as he shook hands with Lawyer Zhu and said, "I've heard of Lawyer Zhu's name a long time ago. They can be considered classics in the industry. Today, I finally met the real person."

"No, not at all. Lawyer Xing is very kind. Xing lawyer is also famous in the industry, ah, I have long admired him," Zhu Cheng said.

"Don't dare to."

"Xing lawyer, hurry up and sit down. Lawyer Zhu did not sit but stood. This time you came over. You should want to talk with Mr. Chu alone, just in time. I'll go out and move around. You guys can call me anytime if something comes up."

"I'll go out and move around too. You guys talk alone, Li Sisi said with a smile."

After saying that, Lawyer Zhu and Li Sisi left the office together, leaving only Chu Tian and Lawyer Xing.

Only then did Chu Tian say, "Come, Lawyer Xing, don't be so polite. Let's sit down and chat."

"Yes, Mr. Chu Tian, please."

Lawyer Xing was a little polite before sitting down with Chu Tian.

"Ugh!" Chu Tian sighed helplessly and said, "Look at this, how it turned out this way. Last night we ate together quite happily, in the blink of an eye... Unfortunately, what I said about metaphysics cannot be disbelieved, this fate of the opposite, it is the gram, not to obey cannot, you see, because the boss Luo does not believe, went early in the morning, now cannot get out, how unfortunate ah.

Bad luck?

When he heard Chu Tian say that, Xing smiled.

Was this a damn unlucky thing?

What does it have to do with this?

However, Luo Dawei was right. It seemed like Chu Tian had already known when he had dinner last night. He knew that Luo Dawei would definitely go in, so he teased. What he meant by suppressing fate and metaphysics.

He's just playing with Luo Dawei!

Most likely, he himself simply does not believe in this metaphysics.

Seeing that Lawyer Xing was just smiling, Chu Tian asked with concern, "How is it? Boss Luo's side is not serious, right?"

Lawyer Xing thought for a moment and said, "Mr. Chu, what did Lawyer Zhu tell you?"

"Lawyer Zhu is not good enough." Chu Tian shook his head and said, "I asked him if he could get the death penalty. He said he couldn't do it. He only had 12 years. He only had 12 years of certainty."

Forehead.....

Hearing Chu Tian's words, the corners of Lawyer Xing's mouth twitched.

Holy shit!

Why was it so awkward?

As soon as he asked if it was serious, he wanted to kill him.

Did he have a split personality?
