### **Chapter 166: Li Sisi's Hobbies**

At 7:20 in the evening!

In front of Rongwei Hotel, after Xia Mo came out of the specialized car, she froze directly.

Isn't this eating spicy hot pot?

Why are we here at Rongwei Hotel?

Turning her head to look at Chu Tian, who was still sitting in the car, Xia Mo asked, "Chu Tian, isn't it spicy hot pot? Tonight is a big dinner?"

"What spicy hot pot?" Chu Tian smiled, "This is the first time I invite sister Xia to dinner. How can we have a spicy hot pot? It's already booked. You guys can go in first."

Seeing Chu Tian still sitting in the car and not getting off, Li Sisi seemed to understand something and smiled as she took off her sunglasses and said, "Okay, let Chu Tian sit alone, let's go in first."

*Uh...*

Xia Mo looked at Chu Tian in the car in confusion. "Chu Tian, what are you doing? Get out of the car."

"Ah, I, I what," Chu Tian said, "My legs are numb; let me rest a bit. You guys, can go in first, and don't bother about me."

"Then you get down and walk," Xia Mo reached out to pull Chu Tian, "Your legs are numb, just come down and walk."

"Ah, let it be, let it be." Li Sisi hurriedly smiled and pulled Xia Mo, and said, "He can't come down now. Let him rest alone. Let's go in first."

"I know," Li Sisi laughed, "He's not numb; he's got that thing. Let him rest in the car for a while; he really can't get off now. It's embarrassing."

*Uh...*

Hearing Li Sisi's words, Xia Mo seemed to think of something. She giggled and quickly covered her mouth and said, "This scoundrel, I really thought his legs were numb. It turns out it was..."

As she spoke, Xia Mo couldn't help laughing as she looked at Xiao Bai.

"Don't blame me." Xiao Bai pouted with a red face, "I didn't move. It was his own fault."

"I know, I know," Li Sisi laughed, "It has nothing to do with big baby. Let's go in first, big baby, he'll come later."

As they spoke, four of them walked into Rongwei Hotel, chatting and laughing.

Soon!

Li Sisi and the others waited in the lobby for only about two minutes, and Chu Tian walked in from outside.

Looking at Chu Tian coming in, Li Nianian chuckled and said, "Is your leg no longer numb?"

Chu Tian smiled awkwardly and said, "It's not numb anymore. Well, let's go straight up since everything is already booked. Let's go."

As he spoke, Chu Tian took Xiao Bai by the hand and went upstairs with Li Sisi and the others in the elevator.

.....

"What? one million?"

Five minutes later!

In a private room at Rongwei Hotel, Xia Mo stared in amazement at Chu Tian, almost shouting out loud.

A meal for one million?

This is crazy!

"There's no way." Chu Tian smiled, "This is already the most expensive set meal in this restaurant. It's just this price."

"No, why spend so much on food?" Xia Mo widened her eyes and exclaimed, "One million! Are you crazy? There are only five of us."

"Xia Jie, don't worry," Chu Tian said, "This is not a bribe for you. I can't help it. Your brother has this consumption level. This is just a home-cooked meal."

"That's not what I mean. What I mean is..."

"Okay, Xia Mo," Li Sisi interrupted with a smile, "This meal today is not really for us to eat. It is mainly for big baby. He wanted to have a fancy meal, and we are just here to join in. Just eat and don't worry about anything else."

"Hey," Xiao Bai grinned and said, "Xia Jiejie, this meal is on me. You guys are just here to join, don't worry about it..."

"Well..." Xia Mo smiled bitterly and said, "Okay, so we are just here to join in. Let's not worry about it anymore."

"Can we all drink?" Chu Tian smiled and said, "This one million set meal has many different types. There are dishes and drinks. Five of us definitely can't eat too much, so if everyone drinks a bit, let's go with the set dinner that leans towards drinks."

"I'm fine." Xia Mo said, "How about you? Do you like to drink?"

"I'm okay too. My sister Sisi loves to drink." Chu Tian said, "Since that's the case, let's choose the set meal that leans towards drinks. If we can't finish it, we'll take it home. We have six bottles of red wine too."

"Sure, let's choose the one that leans towards drinks." Xiao Bai grinned, "After all, it's one of sister Sisi's two biggest hobbies; we should order more drinks."

"Really?" Chu Tian was curious, "Baby, what are sister Sisi's two biggest hobbies?"

"Don't you know? Fine wine and sports cars." Xiao Bai said, "One of sister Sisi's biggest dreams is to have her own Ferrari."

"Unfortunately, I can't afford it." Li Sisi chuckled and said, "So, I got a red BMW roadster. Instead, it's my pretend Ferrari, just cheating myself."

"*Hehe*, so sister Sisi, you also like cars." Chu Tian smiled and handed the menu to the waitress next to him. He said, "Miss, we will choose this meal that leans towards drinks."

"Okay, sir." The waitress smiled and took the menu, "Please wait a moment. We will prepare it for you."

Soon enough!

Before the dishes were served, Chu Tian raised the red wine in front of him and said, "Come, let me propose a toast for my Xia Sis. She has been busy with me for the past few days."

"Stop it. Why a toast?" Xia Mo smiled and said, "Let's just enjoy the meal together."
