

## Beg You All 169

### Chapter 169: A Surprise for Li Sisi

The next morning, at nine o'clock.

As Chu Tian felt something tickling his face, he slowly opened his eyes.

Looking at Bai Xiaochun happily brushing her hair back and forth on his face, Chu Tian smiled and extended a finger, saying, "Sweetie, how many fingers am I holding up?"

Bai Xiaochun grinned as he gently stroked Bai Xiaochun's hair, "Sweetie, you weren't drunk last night. It was just a little test. We didn't go out. We stayed at home and rested."

"You still remember that you got drunk." Chu Tian embraced Bai Xiaochun and said, "Do you know that you had a drunken fit last night?"

"Oh?" Bai Xiaochun blinked innocently, "Did I have a drunken outburst? Did I go crazy while drunk?"

"But you did give me a hard time," Chu Tian sighed. "I took you to take a shower, and you kept screaming and saying someone was trying to drown you. Thankfully, our house has good soundproofing. Otherwise, the police would have come. It took us half an hour just to finish your shower. I was really tempted to just drown you in the water."

"And it's not over yet." Chu Tian continued, "After taking a shower, you insisted on sleeping with sister Nian. You wouldn't let go of her even if you died. In the end, I had to forcibly carry you back. It was really tiresome."

"*Hehe*..." Upon hearing Chu Tian's words, Bai Xiaochun blushed and giggled, "Is it true? Did I embarrass myself like that?"

"You can ask Sister Nian if you don't believe me." Chu Tian smiled and said, "Sister Nian wanted to smack you yesterday."

"Why didn't you take care of me?" Bai Xiaochun pouted.

"Ignore you? I don't care if you're in bed now," Chu Tian retorted with a dismissive tone.

"Hahaha... It's so embarrassing. I promise I won't drink alcohol again in the future. But wait, how did I come back here? I remember we were at sister Xia's place, right?" Bai Xiaochun asked with a puzzled look.

"I carried you back," Chu Tian replied. "You fell asleep at sister Xia's place, so I brought you back here."

Chu Tian chuckled and dodged Bai Xiaochun's playful punches. "Hey, it's not that embarrassing. It happens to everyone. Just be more careful with your drinking next time, okay?"

"What an embarrassment," Chu Tian laughed as he gave Bai Xiaochun a hug. "You're so cute."

"Didn't you want to drown me?"

"Seriously? You weren't really planning to drown me, were you?" Bai Xiaochun asked, looking slightly surprised.

"**Haha**, just kidding! You're my precious one. How could I let you drown? How would I survive without you?" Chu Tian laughed playfully.

"**Hehe**... You love me so much, *huh?*" Bai Xiaochun giggled. "No matter if I get drunk or throw tantrums, you'll always love me, right?"

"That's right because you're my precious one," ChuTian replied with a smile.

As he spoke, ChuTian sat up and said, "By the way, sweetheart, let me tell you something."

"Well, what is it?"

Bai Xiaochun also sat up, pushing back her disheveled hair with her paw-like hand.

"I want to buy a car for sister Sisi," Chu Tian said. "You mentioned yesterday that sister Sisi really likes Ferrari and has always wanted to have one of her own. I want to buy her one."

"Ah?"

Oh? Buy a Ferrari for Li Sisi? Bai Xiaochun smiled and bit his lip. "How romantic," he said.

"Yeah, mainly because I feel like I should give sister Sisi a decent gift," Chu Tian said. "Actually, there's something I haven't told you."

"What is it?" Bai Xiaochun asked curiously.

"Exactly... Just like you and my previous relationship, Sisi has always been a mature girl," Bai Xiaochun said with a smile.

"Ah?"

Upon hearing Chu Tian's words, Xiaochun's eyes widened, and he said, "Sisi, she..."

"*Shh...*" Chu Tian quickly made a gesture to silence her. "Keep your voice down. sister Sisi is sleeping next door. She didn't come home last night."

Bai Xiaochun stared into Chu Tian's eyes and whispered, "Sisi used to be a spinster before?"

"Yes," Chu Tian said. "I was also surprised when I found out. She doesn't seem like it at all, but she really has only been touched by me."

"Well, in that case, you should definitely buy it," Bai Xiaochun said. "It's been so long. Why didn't you buy it earlier?"

"I didn't know what to buy," Chu Tian said. "Sister Sisi doesn't lack anything. She has her own house, car, and money. It wasn't until yesterday, when we were having dinner that you mentioned sister Sisi likes Ferraris that I found out."

"Oh, I see. Perfect timing then," Bai Xiaochun said. "Since we have some time off, let's go buy it today and surprise sister Sisi, okay?"

"Sure, are you not jealous?" Chu Tian smiled.

Bai Xiaochun smiled and said, "No kidding, really. Do you like sister Sisi?"

"Well... Yes, I do."

"If you like her, then I won't get jealous," Bai Xiaochun said with a smile. "I like whoever my husband likes. I also like sister Sisi. By the way, wait for me for a moment."

With that, Bai Xiaochun directly got out of bed in her nightgown and barefoot, and quietly walked out.

After about three minutes, Bai Xiaochun returned with a mischievous smile on her face. "Husband, look."

It's Li Sisi's ID card!

Looking at Bai Xiaochun holding Li Sisi's ID card, Chu Tian was momentarily stunned. "Oh my, darling, how did you get Li Sisi's ID card?" he exclaimed in surprise.

"I stole it from her room," Bai Xiaochun chuckled. "I saw Li Sisi's ID card in her bag, so I secretly took it out while she was asleep. She didn't even notice."

"Well done," Chu Tian laughed. "Let's set off now."

*"Yeah."*

.....

Half an hour later!

After freshening up and changing into their clothes, Chu Tian and Bai Xiaochun silently left the house.

10:30 AM. in the morning!

In front of the Ferrari 4S store in Haicheng, a taxi stopped.

When Chu Tian and Bai Xiaochun got out of the car, they walked directly into the store.

Although it was Saturday today, because Ferrari is a luxury car brand, there weren't many people in the 4S store, even on Saturdays.

There were only a few scattered groups of people, all in their forties with big bellies, but their female companions were all young and beautiful, around 20 years old.

"I don't know if it's his daughter or a kept woman."

"Wow, it's so beautiful!"

In the showroom, Bai Xiaochun hugged Chu Tian's arm and looked at the brand-new Ferrari sports cars, revealing a bright smile.

"Do you like them too, babe?" Chu Tian asked.

"Well, they look nice," Bai Xiaochun said. "But I don't know how to drive. I don't have a driver's license yet. By the way, honey, do you have a driver's license?"

Chu Tian shook his head with a smile and said, "No, I haven't taken the driving test either."

"Then, do you know how to drive?"

Chu Tian was about to say that he couldn't drive when suddenly, a vast amount of information rushed into his mind, and then... He instantly transformed into a 'car god'.

*What the hell!*

*This works too?*

Silently experiencing his comprehension of various vehicles and driving skills, Chu Tian was speechless.

Because he hadn't gained any new abilities for many days, this sudden and unexpected gain was truly thrilling.
