Chapter 171: Car Purchase Controversy

She stared blankly at Chu Tian. The female saleswoman was stunned for about three seconds before she came back to her senses and said, "Uh... Mister, what did you just say? Do you want to buy this car?"

"Yes." Chu Tian said, "Buy this car, but this exhibition car can't have stock of new cars?"

"Yes, yes," the saleswoman nodded excitedly. "There's only one car left in the warehouse, and it's exactly the same as this one. There are only two cars like this in Haicheng. Sir, are you sure you want to buy it? It costs more than forty-eight million."

"Sure." Chu Tian smiled and said, "Go get the contract. I will pay in full."

Paid in full?

Did you want this?

The saleswoman was stunned for another two seconds before quickly nodding and saying, "Alright, sir, then I'll go prepare the contract now. Please have a seat for a while. I'll go get the specifications of this car for you to review."

"No need."

Looking at the female saleswoman's excited expression, Bai Xiaochun smiled: "We can just stand here and take a look at this car."

"Well, good." The saleswoman laughed excitedly and said, "I'm going to get you the parameters of this car, and I'll be right back."

With that, the saleswoman jogged away.

Bai Xiaochun saw Chu Tian's reaction and said with a smile, "She's so excited! Li Sisi really likes this car – she's even stuttering."

"That's right," Chu Tian replied with a smile. "A car worth forty-eight million – she can raise a lot of money with that. How could she not be excited?"

"That's true." Bai Xiaochun released Chu Tian's arm with a smile and touched the car once again. She asked with joy, "Hey, Hubby, do you think Sisi would cry when she sees this car?"

"*Hiss*... that's hard to say." Chu Tian smiled and shook his head, saying, "Sisi is too old. Who knows how she will react."

"Old rivers and lakes, huh?" Bai Xiaochun smiled wryly. "I always thought that Sister Li Sisi was highly experienced, having fought a hundred battles. I never expected Li Sisi to be all talk and no action when she saw the car. You, you're such a cheap rogue."

"I can't help it. My life is good," Chu Tian said with a smile. "Other men might never meet a woman as great as you in their entire lives. We, the two of us, are both goddess-level. Do you think we have any reason to be angry?" (edited for clarity and punctuation)

Bai Xiaochun giggled and said, "You're so cocky, are not you? Let you off so easily?"

"I can't help it. It's mainly because your husband's temperament is too charming."

.....

Soon!

After three minutes, the female saleswoman jogged over and handed Chu Tian a specification book of this Laferrari car and a business card, saying, "I'm sorry, two of you, I forgot to introduce you. My name is Xu Min. This is my business card."

"It's okay." Chu Tian laughed, "It's not an introduction."

"Then, you guys watch." Xu Min smiled excitedly and said, "I'll go prepare the contract now."

"Okay."

After Xu Min left, Chu Tian opened the book and looked at it.

It was just like that.

What titanium alloy, what carbon fibre, more high horsepower, more torque, and so on?

After a simple look, Chu Tian closed the book.

Time passed little by little until twenty minutes later, and a saleswoman walked over quickly.

Seeing this, Chu Tian frowned.

It wasn't Xu Min, but the saleswoman just now. It was the one that Chu Tian had asked her what kind of car it was. She didn't even bother with it.

As Bai Xiaochun observed the saleswoman's face, full of smiles and enthusiasm, her chest held high, and her fast-paced steps on high heels, she couldn't help but frown and ask her husband, "Hubby, how does someone change like this? How did she become this woman?"

Chu Tian shook his head and said, "I don't know."

The saleswoman soon arrived in front of Chu Tian with a warm smile as she handed over her business card with both hands. "Hello sir, my name is Liu Jia," she said brightly. "Here is my business card."

Chu Tian frowned as he took it, "Where is Xu Min?"

"Oh, she's busy." Liu Jia said with a smile, "Sir, you've taken a fancy to this latest Rafah. You're too discerning. This car is perfect for you. It sets off your temperament and shows your status."

Seeing Liu Jia's smiling face, Chu Tian ignored her and took out his phone with a frown. He directly dialed Xu Min's number.

Soon, the phone was connected, and Xu Min's voice rang. "Hello, who is this?"

The voice was a little low, not as excited as it had been.

Chu Tian took a deep breath and said, "Xu Min, your sales are quite interesting. Why did you run off halfway? What do you mean? It's embarrassing to serve me, right?"

"Oh, no, no." Xu Min hurriedly said, "Sir, I really didn't mean to do that. It's just that our store has rules. You're Liu Jia's client. We can't compete with each other for clients. Otherwise, we'll be fired."

"What?" Chu Tian smiled and said, "What a damn interesting thing. Why didn't I know that I became Liu Jia's client?"

Xu Min said weakly, "You were the one who approached her first."

"Alright." Chu Tian said, "Buying a car is really damn interesting. Call your manager over..."

Without giving Xu Min another chance to speak, Chu Tian hung up the phone directly.

Seeing this, Liu Jia looked at Chu Tian with an embarrassed expression and forced a smile, "Sir, you, you are my customer. You forgot what we saw just now."

Chu Tian suddenly smiled and said, "Interesting, what, have you seen me as your client? I've come all the way here. I've seen everyone in your shop."

"We, we talked." Liu Jia was upset.

"Did you fart?" Chu Tian frowned and said, "Quickly shut up. Don't you damn disgust me?"

Liu Jia blushed and opened her mouth, but in the end, she did not say anything.

At this moment, in the office of the exhibition hall, a middle-aged man in a suit who was around forty years old walked over with Xu Min.

The man came over, first smiled apologetically, and said: "Hello sir, I am the manager of this 4s shop. My surname is Zhang. What happened?"

Chu Tian looked at manager Zhang and frowned, "Manager Zhang, why is your shop so damn interesting?"

"Ah? What, what is it?" Manager Zhang said blankly.

"From the moment I entered the store, there wasn't a single person who paid attention to me." Chu Tian's tone was not good, "Just this, Liu Jia. I just asked her what kind of car this is. She didn't even fart and ignored me. It was just Xu Min. When she saw us just now, she was the only one who came over enthusiastically to introduce us."

"I was going to buy this Laferrari, but Xu Min was replaced by Liu Jia. She said that I was Liu Jia's client. I was here to fucking buy a car, not to sell my body. Just her, a person who ignored me, would I become her client? Your shop is really disgusting."

Upon hearing Chu Tian's words, manager Zhang immediately understood.

Manager Zhang quickly bowed and said with a smile, "I'm sorry, sir. I'm really sorry for bringing you such a bad car purchase experience. I didn't allow you to enjoy the purchase process. It was indeed my dereliction of duty. Do not worry, I know what's going on. Next, I'll let Xu Min continue to serve you. I'm really sorry."

He bowed to Chu Tian again, manager Zhang continued, "Xu Min, quickly bring the two of you to the VIP room to rest and make two cups of good tea."

"Well, okay."

Xu Min bit her lips in excitement and smiled before looking at Chu Tian and Bai Xiaochun and said, "Sir, Miss, you come with me. Let's go to the VIP room and talk. I'll make you some tea."

Chu Tian and Bai Xiaochun just left with Xu Min on this side. They heard manager Zhang's unkind voice from behind: "Go to the finance to settle the salary, hurry up and get out!"
