

Beg You All 178

Chapter 178: We are golden tortoise son-in-law

What?

Li Sisi was stunned upon hearing Xia Mo's words. "Damn Xia Mo, are you itching for trouble? What nonsense are you talking about?"

"Oh, stop pretending." Xia Mo smiled and replied, "I know the truth. Who was it that claimed they slept with Chu Tian on the phone?"

"Moreover, everyone in Haicheng knows that you are the owner of the exclusive Pure Bar. There are only two Rafa 20s in the country, and one is under your control. You're being stingy and reluctant to let go."

"Why are you so possessive?" Li Sisi smirked and rolled her eyes. "Didn't I allow you to go out for a while yesterday?"

"That wasn't enough." Xia Mo pursed her lips and said, "Just make way."

"Alright, alright." Li Sisi took out the key and threw it to Xia Mo. "Let's go. Don't come back until midnight."

Xia Mo giggled and tossed the key back to Li Sisi.

After this Li Sisi turned her gaze at Chu Tian and added, "Chu Tian, you don't need to be nervous. Meeting your parents-in-law is just a matter of time. Besides, the beloved baby wants you to go back with her. If you don't accompany the beloved baby this time, she'll be disappointed."

"That's true." Xia Mo agreed. "Xiao hopes you can meet her mother and gain approval. Don't be so anxious. Besides, what do we have to fear? If it's height, we have. If it's appearance, we have. If it's material possessions, we have material possessions?"

"We possess these qualities. If we still can't succeed, then, to put it bluntly, the beloved baby's mother might need to have her head examined."

Upon seeing Xia Mo's serious expression, Chu Tian chuckled and said, "You're right, Sister Xia, I realize how remarkable I am. I'm no longer nervous."

"No need to be nervous." Xia Mo smiled and reassured him, "We're a catch. It's like finding a needle in a haystack to find someone better than us. Go ahead. Once you gain the approval of the baby's mother, she'll be with you for life."

"Alright." Chu Tian smiled and said, "In that case, I'll go with Xiao tomorrow."

"Then I'll go talk to a big baby." Li Sisi smiled and drank the red wine on the toast. "I'll inquire about her mother's thoughts and help you prepare some gifts."

After saying that, Li Sisi got up and left the room.

Seeing this, Xia Mo took a sip of red wine and asked, "Play two rounds with sister?"

"Sure." Chu Tian stood up with a smile, "Sister Xia, what did you do yesterday? Why didn't you come to the bar?"

Xia Mo replied, "There was a murder case yesterday. I went to arrest someone. It was already 11:30 pm when I came back..."

.....

Li Sisi joined Bai Xiaochuan who was drinking milk tea while chatting with Li Nian in the white milk tea shop.

Seeing Li Sisi, Bai Xiaochuan smiled and greeted her, "Hey, sister Sisi."

"Hmm." Li Sisi smiled and put her arm around Bai Xiaochun, saying, "You are really good. A few days ago, when the hooligan almost kidnapped you, he was afraid. Such a fat guy scared by one word."

"Ah? Is he scared?" Bai Xiaochun bit her lips and said, "Didn't he want to come home with me?"

Li Sisi sat down and said, "He mainly cares about you too much. He's afraid that your mother will be dissatisfied with him after seeing him. You know, he really wants to get your mother's approval, but he's not confident. He just entered the bar and start drinking."

"I see." Bai Xiaochun smiled and said, "I thought he didn't want to go back with me. Oh, he's overthinking. My mother really likes him, so she just thought about it."

"It's because I love you too much." Li Sisi smiled. "If it was another woman, would he care about this?"

"Then I'll go find him." Bai Xiaochun said in a low voice.

"No need," Li Sisi responded. "I have already dealt with him, and he will go with you tomorrow. I came here to inquire about Aunt's preferences. I would like to prepare some gifts for her."

"Oh." Bai Xiaochun said, "My mother didn't know that he had money. There's no need to prepare anything."

"Let's go back and find out." Li Sisi said, "It's not like it's embarrassing to have money. Besides, our money is also fair and square."

"Hey, that's what I thought too." Bai Xiaochun chuckled.

"That's why." Li Sisi said, "We should still purchase what we need to. It doesn't matter whether Auntie wants it or not, but this represents Chu Tian's respect for you. Moreover, it's just in time for Auntie's birthday, so we have to get some decent gifts."

"Alright then." Bai Xiaochun smiled. "But, what are you buying for my mother? I've never given her anything."

"White milk tea," Li Nian grinned, "It's our specialty, so we should bring back two cans to let Auntie taste its freshness."

"You're right," Li added with smiling face, " And also, two bottles of red wine."

Bai Xiaochun said anxiously, "But, my mom doesn't drink."

"It's not important," Li Sisi said. "Even though Auntie doesn't drink, we should still bring two bottles of wine. Besides, it's her birthday, so why not open a bottle to celebrate?"

"By the way, baby, how old is Auntie this year?"

"Well, forty-three, I was born when my mother was twenty-five."

"Forty-three..." Li Sisi thought for a moment and said, "Then buy another bracelet for Auntie as a birthday present."

"Why do not you two stay at home for a few days and spend time together?"

"Oh! Really." Li Nian seemed to have thought of something when she heard Li Sisi's words. She hurriedly took out her phone and said, "That won't do. I have to hurry and get Chu Tian to prepare. The milk tea powder can only last for three days now. Once he leaves, it's out of stock. I have to get him to prepare more stock and get it for ten days."

Looking at Li Nian's serious appearance, Li Sisi and Bai Xiaochun were stunned and laughed.
