

Beg You All 179

Chapter 179: Importance of a beautiful mother-in-law

The next morning, Chu Tian called the counselor and asked for leave.

Moreover, he was sure that the counselor was aware of his financial situation, which might have made it easier for him to request Xiao Bai leave also. Now, all he had to do was pick up the phone and ask for leave. He didn't even have to specify the duration of his absence, and the counselor didn't inquire about it either, as if he didn't care about him anymore.

At 9 AM, Chu Tian, Li Sisi, and Bai Xiaochun went for shopping. Three of them first visited a few gold and silver jewelry stores and finally chose a pretty good jade bracelet as a birthday present that was priced at five million.

Then they bought a few clothes and a big suitcase.

Until 1 PM, Chu Tian and Bai Xiaochun tidied up.

In the big suitcase, there were three cans of milk tea powder and two bottles of 120,000 Laffite. Although it's not Laffite in '82, it's quite old. Besides, it took a long time to buy it in a professional wine shop. Also, it was the clothes and shoes that Chu Tian and Bai Xiaochun needed to change these few days.

Three in the afternoon! In the business class of the Haicheng airplane flying to Chengdu, Bai Xiaochun smiled at Chu Tian sitting beside him and said: "Hubby, are you nervous?"

"Ah?" Chu Tian was stunned for a moment before saying, "No, I... I'm not nervous."

Bai Xiaochun smiled and kissed Chu Tian on the face, saying, "Don't worry, my mother is really easy to get along with. She's not as scary as you think, and she really likes you. Otherwise, she wouldn't have let me bring you home, right?"

Chu Tian took a deep breath and said with a smile, "I know, but... baby, are you sure your mother won't throw me out with a rolling pin?"

"How could that be?" Bai Xiaochun giggled. "Don't worry. A baby is protecting you. Be good and not nervous."

"Well, not nervous, damn it, why haven't you taken off? Is the plane broken down?"

"Giggle, Giggle..."

.....

5:30 In the afternoon!

After more than two hours of flight, the plane finally landed.

After another ten minutes, Bai Xiaochun happily hugged Chu Tian's arm and walked out of the airport.

"After meeting my mother, you can do whatever you want." Bai Xiaochun giggled, "Really, my mother isn't Asha. You do not have to be afraid of her. She doesn't eat people."

"Who's afraid?" Chu Tian sneered, "It's just a small matter. Your husband is now stable and not nervous at all. There are no waves in my heart."

"Hehe... aren't you nervous? If you're not nervous, why are your arms so tight? Do you still want to hit my mom first?"

"Ah? How can I? My muscles have always been so strong."

"Don't you know? I hold your arm every day, and it has not tightened."

"Not really."

In the hall at the exit of the plane, Chu Tian and Bai Xiaochun followed the crowd, and suddenly, a female voice sounded.

"Pure!"

Huh?

Suddenly hearing this voice, Chu Tian quickly turned his head and saw a middle-aged woman with long wavy hair and a well-maintained body.

It's Bai Xiaochun's mom, Guo Meixia.

Although this was the first time he had seen her, Chu Tian could still recognize her with a single glance because Bai Xiaochun had too many shadows of her.

Especially Bai Xiaochun's long legs were a perfect inheritance. Similar to her mother.

There were smiles, and the big eyes of the two of them were similar to those carved in a mold.

Although Guo Meixia was already in her 40s, she still had her charm. It could be seen that when she was young, she was definitely a beautiful woman.

It seemed like having a beautiful mother-in-law was too important!

"Ah, Mom!!!"

Seeing Guo Meixia, Bai Xiaochun was like a happy rabbit, directly ran over.

Bai Xiaochun hugged Guo Meixia and said, "Mom, I missed you so much."

"Oh, you damned girl!"

Guo Meixia took a step back with a smile. She hugged Xiaochun's back with one hand and slapped her butt with the other. "I almost knocked Mom down."

Bai Xiaochun let go of Guo Meixia's neck and said happily, "Mom, I really missed you."

"Is that so? What mother doesn't want you." Guo Meixia smiled and said, "When you weren't around, I felt so comfortable living by myself. I really did not want you to come back and cause trouble."

"Nasty!"

Hearing Guo Meixia's words, Bai Xiaochun pouted and grabbed her arm.

"Think about it." Guo Meixia smiled and said, "How old are you? Why are you acting like a spoiled child? Aren't you embarrassed?"

"Just kidding!"

"Alright, alright." Guo Meixia smiled as she looked at Chu Tian, who was pulling the luggage over and said, "Are you Chu Tian?"

Chu Tian gave a helpless smile and said, "Hello, auntie, my name is Chu Tian."

"Yes, Auntie knows about you." Guo Meixia sized him up with satisfaction and said, "You're quite a bad kid. You kidnapped my girl just now. You really know how to pick up girls."

"Forehead..."

Chu Tian was embarrassed for a moment, but he did not know what to say. Bai Xiaochun immediately hugged his arm and said, "Mom, you are not allowed to say that about my boyfriend. I'm telling you, this is your future son-in-law. Take good care of him, don't neglect him."

"Okay." Guo Meixia glared at him. "You damn girl. You're not married yet, and you're already elbowing your way out?"

"Hey, just turn your elbow. Who told you not to miss me? Humph!"

"You damned girl, I'll deal with you when I get home!"

Guo Meixia looked at Chu Tian with a smile and said, "Come, Chu Tian, give it to Auntie. Carry it."

"No need, no need." Chu Tian quickly smiled and said, "Auntie, I can carry it. How can I let you carry it."

"Is it heavy or not? It's such a big box. Let's carry it together."

"Auntie, there's really no need." Chu Tian smiled and said, "It's not heavy. Although the box is large, it's not heavy at all. I can carry it myself."

"Alright then, Auntie will take you home first."
