

## Beg You All 180

### Chapter 180: Bai Xiaochun Showdown

Inside the airport, Bai Xiaochun looked at Guo Meixia, who was walking in front of her. She looked at Chu Tian and said, "How is it? Isn't my mother not scary at all? I told you not to be nervous. Are you feeling better now?"

Chu Tian smiled and said, "I wasn't nervous at all."

Bai Xiaochun laughed and said, "Not yet nervous, this day you have not stopped, let's go."

As she spoke, Bai Xiaochun grabbed Chu Tian's arm and quickly chased after him.

Soon, when they arrived at a Volkswagen outside the airport, Chu first put the luggage into the trunk, and they all quickly left the airport.

"Mom, what do you want to eat tonight?"

After returning home, Bai Xiaochun was busy taking off his shoes and asked with a smile, "Eat, eat, eat; Just know to eat."

Guo Meixia smiled as she took out two pairs of new slippers and placed them on the ground. "You're not skinny."

"That's right." Bai Xiaochun chuckled, "Boyfriend, you're good."

Did his boyfriend feed her well?

"Let's see how you look." Guo Meixia smiled and took the suitcase from Chu Tian's hand. She placed it in the corner of the living room and said, "Chu Tian, put on your slippers and rest. Auntie will cook now."

"Okay, Auntie."

Chu Tian smiled as he took off his shoes and put them in the shoe cabinet behind the door. Then he put on his slippers and went to the living room with Bai Xiaochun.

Although the two-bedroom apartment wasn't big, it was very warm and felt like home.

"How is it?" Bai Xiaochun thought to herself, *Is my family alright?*

"Yes, it's very warm."

Guo Meixia poured two glasses of water and said, "I think you are tired after flying for so long. Take rest for a while. Mom is going to cook."

"Well."

After Guo Meixia went to the kitchen, Bai Xiaochun grabbed Chu Tian's hand and said, "Come, I'll show you my bedroom."

As he spoke, Bai Xiaochun directly pulled Chu Tian to her bedroom.

The bedroom wasn't big. It had a double bed, new bedding, two pillows, a small desk, books and notebooks, a desk lamp, and a small wardrobe.

"How is it?" Bai Xiaochun smiled. "Isn't it rather boring?"

"A little bit." Chu Tian looked around, "I thought your room had a lot of plush toys and a lot of posters, but your room really different from my imagination."

"There were a lot of them." Bai Xiaochun sat on the bed and said, "But high school was too much pressure. I lost all those things and then became like this, look at these notes. All are high three years written, now think, fortunately, I worked hard at that time for a year. Otherwise, I cannot go to Haicheng medical university also cannot meet you, so I am very far-sighted..."

.....

Time passed by in a flash. In the blink of an eye, it was 10:30 pm.

The dinner was very sumptuous. There were chicken, fish, and ribs.

Just like what Bai Xiaochun said, Guo Meixia was really easy to get along with, and Chu Tian could clearly feel that she really liked him.

"Pure, are you going to sleep with Mom or with Chu Tian tonight?"

After eating some fruit after dinner, Guo Meixia looked at Bai Xiaochun when she saw it was getting late.

"Ah?"

After being asked by Guo Meixia, Bai Xiaochun blushed and smiled, "Mom, what do you mean?"

"Stop pretending." Guo Meixia smiled and said, "Didn't you and Chu Tian live together outside of school? It's not like Mom doesn't understand. Who do you want to sleep with tonight?"

Uh... "Heh." Bai Xiaochun chuckled and hugged Chu Tian's arm. She said shyly, "I want to sleep with Chu Tian."

"Sure, don't be embarrassed. What's there to be shy about? Mom isn't feudal. You can sleep with anyone." Guo Meixia smiled and said, "In the wardrobe, I bought two pajamas for the two of you. You two can take a shower later and then quickly go to sleep. It's pretty tiring today. Tomorrow, you guys can go out and take a look around. It's Little Tian's first time in Chengdu. You can take him for a good time these two days. I'll rest first. You two should also take a shower and sleep."

"Hmm. "

Seeing that Guo Meixia had finished speaking, she got up and went back to her bedroom. Bai Xiaochun looked at Chu Tian with a smile, "Hubby, go take a shower first. I'll go share my cards with Mom."

"Don't you need me to follow?" Chu Tian said.

"No, I'll just talk to her myself. Go take a shower and leave the door open for me."

After saying that, Bai Xiaochun pulled out the suitcase and went to Guo Meixia's room. Then, she closed the door.

In the bedroom, Guo Meixia looked at Bai Xiaochun, who was pulling her luggage in. She couldn't help but say, "Why don't you take a shower and sleep at night?"

"Hey..."

Bai Xiaochun chuckled as she hugged Guo Meixia's arm. "Mom, actually, I've been lying to you about something."

"Ah?" Guo Meixia asked curiously, "What's the matter?"

"That's right..." Bai Xiaochun smiled and bit her lips, "Chu Tian is actually very rich."

"What?" Guo Meixia frowned. "Chu Tian is very rich?"

"Okay." Bai Xiaochun nodded and said, "He had a lot of money."

Bai opened her suitcase and took out the two bottles of Laffite, and said. "Mom, these are the bottles of wine Chu Tian bought for you, a bottle of 120,000."

*What?*

Guo Meixia widened her eyes and said, "How much, how much?"

"120,000 a bottle." Bai Xiaochun pursed her lips and said, "These are the '91 Laffite bottles, and then..."

As she spoke, Bai Xiaochun took out a gift box from her suitcase and said, "This is a birthday gift Chu Tian bought for you. It's an emerald bracelet priced at five million."

Five million?

Guo Meixia stared blankly at Bai Xiaochun. For a few seconds, she suddenly smiled and said, "You damn girl, are you trying to scare me in the middle of the night?"

"Mom, it's true." Bai Xiaochun opened the gift box, and a green jade bracelet appeared next to an identification certificate and a purchase invoice.

Looking suspiciously at Bai Xiaochun, Guo Meixia picked up the invoice.

The invoice was five million, and Guo Meixia instantly felt that her entire person was blank.

After a while, Guo Meixia slowly looked at Bai Xiaochun and stammered, "Baby, Chu Tian, is he a rich second generation? He has parents?"

"No." Bai Xiaochun pulled Guo Meixia onto the bed and said, "Chu Tian doesn't have parents. He's not a rich second generation, but he's a rich generation. He..."
