

## **Beg You All 191**

### **Chapter 191: There are so many scumbags in Haicheng**

Two and a half in the afternoon!

In the president's suite, Chu Tian was sitting across from Elder Sun, holding a black piece while staring at the chessboard.

"It's so slow to play the next five pieces."

Seeing that Chu Tian had not fallen, Elder Sun impatiently pulled out a cigarette and directly lit it.

"Elder master." Chu Tian stared at the chessboard and said, "You can't blame me. I really can't play Go."

"Then hurry up," Elder Sun exhaled smoke and said, "You're taking so long to put down a black piece with five stones."

Chu Tian smiled and slowly lowered the black piece in his hand.

Elder Sun took a look, smoking while picking up a piece of white paper, "So, aren't you considering going to the capital?"

"No." Chu Tian shook his head and said, "Beijing's winters are too cold, not as pleasant as Haicheng. You can wear short sleeves in Haicheng during winter, and the seasons are like paintings. I can't tolerate the

cold. Besides, I still have to focus on my studies. After graduating from university, I plan to become a male nurse it's my lifelong dream."

"Hehe," Elder Sun chuckled and said, "Kid, you're honest with yourself. Who are you trying to fool by saying you want to be a male nurse after graduation? You're staying at the university because it's convenient for you, right?"

"That's not true," Chu Tian insisted, "Master Sun, you've misunderstood me. I'm genuinely serious about my studies. I have a real desire to learn. As the saying goes, when I grow old, hacking won't interest me much. My greatest dream is to be a male caregiver."

Elder Sun pouted and was about to say something, but before he could say anything, the door opened, and Xiao Kun returned.

After walking to Elder Sun's side, Xiao Kun said, "Chief, I brought someone to the crime scene yesterday and found a video that was captured by a surveillance camera. It should be helpful to Miss Li Niannian."

"Is that so?" Elder Sun didn't want to play chess anymore. He just casually played the chess pieces and said, "Let's take a look."

The other agent carried a laptop and placed it on the table.

Kun took out a USB flash drive, and when it was plugged into the computer, he clicked on the video.

The video footage showed a small apartment with a sofa and coffee table, but no one was present. After a few seconds, the sound of keys jingling and the door being unlocked could be heard. High heels clicked

on the floor, accompanied by a woman's laughter. She said, "Manager Zhou, you've gone through so much trouble for me. Sorry for all trouble. Come on, come in and have a seat."

"Why be so polite?" A man's voice chuckled. "There's no need to keep up appearances with a colleague. Besides, I happen to have some free time. **Sigh**, Your little apartment is quite nice, Niannian."

Following the male voice, four legs appeared on the screen, A woman in high heels and a skirt, a man in sneakers and brown pants.

Next, he poured some water and sat on the sofa to chat. Then, the man suddenly pressed the woman onto the sofa. It was also at this time that 'Li Niannian' appeared in the video, and her facial features were also recorded.

In the end, as Li Niannian struggled in panic and called for help, the man covered her mouth. Then, after a series of random touches, 'Li Niannian' grabbed a pair of scissors from the coffee table and stabbed it into the man's neck.

After the man was stabbed to death, with scissors in his neck, he rolled down from the sofa. As a result, the back of his head was facing the camera lens, and he was not photographed.

When the video ended, Chu Tian suddenly smiled and said, "Elder master, it has to be your subordinates who are strong. The Haicheng police are careless, and they didn't find such important evidence."

"Yeah." Elder Sun rolled his eyes and said, "I can't even find such important evidence. It's really sloppy."

"But..." Chu Tian rubbed his chin and said, "From the sound of it, it doesn't seem like I'm reading it."

“Hey, you’re not done, are you?” Elder Sun frowned and said, “You want the evidence? I’ve already gotten it for you. That’s enough for Li Niannian to be acquitted. Kid, don’t look for trouble. Do you want this?”

“Yes.” Chu Tian smiled and said, “Since it’s evidence, how can we not have it?”

Elder Sun rolled his eyes and said, “Classic of Poetry...”

The female secretary who had been following Elder Sun said with a smile, “Chief.”

“Send the evidence to the Haicheng Police.” Elder Sun said, “Let’s talk to their chief. Besides, Haicheng is pretty good. You can stay in Haicheng in the future.”

The female secretary smiled and said, “Understood.”

After saying that, the female secretary took the USB and left the room in high heels.

“Forehead...”

Seeing the female secretary leave just like that, Chu Tian couldn’t help frowning and said, “Old man, what do you mean? Such a beautiful female secretary, you don’t want and threw it at Haicheng?”

“Yes, I let her go.” Elder Sun stood up and said, “Alright, let’s go to the police station and wait for your girlfriend. I have to return to Beijing. Also, remember what you said a firewall within a week.”

Chu Tian smiled and reassured him, “Don’t worry, old man. Since I’ve committed to serving the country, I’ll make that firewall as soon as possible. But did you really let go of your secretary in Haicheng? There are many scoundrels there. She’s such a beautiful secretary-general. What if she gets deceived after you’ve left? Why don’t we bring her back to Beijing?”

“It doesn’t matter.” It’s because she’s capable of deceiving us, said Mr. Sun. “If he throws it away, he won’t want it.”

“Uh... Hehe.” Chu Tian chuckled and said, “Okay, so... I’ll see you off?”

“No need.” Elder Sun moved his body and said, “You can stay here for a while. Leave separately. You can leave in ten minutes.”

“OK, then I’ll do as you say.”

Chu Tian nodded and then sat on the sofa.

Once Elder Sun left the room, all the agents followed suit. In an instant, Chu Tian found himself alone in the vast presidential suite.

Ten minutes later!

The door to the president's suite opened. When Chu Tian came out, Elder Sun's group had already disappeared.

He waited by the roadside for a while before finally hailing a taxi to the Haicheng police station.
