Chapter 197: Killing Zhou Jiancheng

“Oh my! This girl is truly amazing!” The bodyguard chuckled as he watched Song Xiaoya enter the villa with her hips swaying. He couldn’t help but lick his lips.

On the second floor of the villa, Song Xiaoya arrived at the study room located on the easternmost side. She attempted to push the door and found it unlocked. She entered the study and locked the door behind her.

Hmm?

Who is this?

Zhou Jiancheng, noticing Song Xiaoya wearing oversized sunglasses and sporting a head of brown wavy hair, frowned and said, “Who are you? Don’t you know you can’t just enter the study room?”

Song Xiaoya smiled charmingly and said, “Boss Zhou, it was Chief Zhao who asked me to look for you. I have something to give you.”

Oh?

Does Director Zhao have something for himself?

Zhou Jiancheng couldn’t help but stand up and said, “What is it?”

Song Xiaoya walked over to Zhou Jiancheng. Song Xiaoya placed a bag on the desk and opened it. She took out a pen, removing the cap to reveal a sharp nib. With a smile on her face, she swiftly stabbed the pen through Zhou Jiancheng's temple.

Zhou Jiancheng's eyes went wide in an instant, and he stopped moving.

Braindead!

Instant kill!

Song Xiaoya arrived behind Zhou Jiancheng and slowly placed him on the chair.

Next, Song Xiaoya took out a wet towel, first wiped the exposed pen and cap, then put the cap on the table.

After doing all this, Song Xiaoya dug out a listening device from Zhou Jiancheng's pocket. Then, she took the key to his study room and left with her bag.

Song Xiaoya locked the door with her key and wiped the door handle with a wet towel. Then, she left in high heels as if nothing had happened.

Hmm?

In the courtyard of the villa, the bodyguards looked at Song Xiaoya, who had come out and couldn't help but feel a little strange.

What is the situation?

How did it get out so quickly?

Are you done?

Impossible, Zhou Jiancheng, no matter what, couldn't be so fast. This was not enough to take off his pants.

Before the bodyguard could voice his confusion, Song Xiaoya approached him with a smile on her face. She retrieved a pen from her satchel, and without saying a word, she grabbed his arm and started writing a list of phone numbers on it.

Forehead...

Looking at the number on his arm, the bodyguard couldn't help but laugh. "What... what do you mean?"

Song Xiaoya smiled as she looked at the bodyguard. She hooked her finger and made him lower his head. She whispered, "I only have two clients. One is Chief Zhao, and the other is Boss Zhou. Both of them are very busy. I usually have a lot of time, so it's boring to stay at home alone. Can you call me if you have the time? Don't worry. I won't take a cent from you."

Holy shit!

It's the woman that Chief Zhao and Boss Zhou were raising together!

It's exciting!

The bodyguard chuckled and coughed dryly. "Cough, you! You finished your work so quickly?"

"No." Song Xiaoya pouted and said, "Boss Zhou isn't in the mood to kick me out. It's all Chief Zhao who tricked me."

"OK." The bodyguard laughed. "Our boss is bored now, and I said he shouldn't be interested."

"What about you?" Song Xiaoya whispered, "Are you interested?"

"I..." The bodyguard scratched his head and said in a low voice, "How about tonight?"

"I'll wait for you then." Song Xiaoya said happily, "Call me in advance. I'll make you something delicious tonight. You must come. Otherwise, you can't stand me up."

"Line by line." The bodyguard looked around, hurriedly smiled, and said, "You hurry to go first. I will definitely go to you at night, don't let our boss see."

As he spoke, the bodyguard swiftly pressed a button in his hand and opened the courtyard.

“Don’t stand me up. You must come.”

“Don’t worry,” the bodyguard coughed dryly. “I won’t let you down. Let’s go.”

“Then I will wait for you.”

After saying that, Song Xiaoya smiled and waved, then left the villa.

The bodyguard chuckled as he watched Song Xiaoya leave. He pressed the key in his hand and slowly closed the door.

He looked around again. When he saw that no one noticed him, the bodyguard took out his phone and quickly memorized the number on his arm.

Outside the villa, Song Xiaoya quickly removed the wig and placed it in her bag. She then used covers and rubber bands to tie up her hair. Finally, she let her hair fall loose, retied it into a high ponytail, and removed her sunglasses. She looked as if nothing had happened as she left.

And in the meantime!

In the white milk tea shop, after lunch Chu Tian, and Li Niannian crowded on the nap.

“Sister Nian, can I ask you something?”

“Sure, what’s the matter?” Li Niannian replied.

Chu Tian grinned and said, “Do you still have your first kiss?”

Li Niannian bit her lips, trying to suppress her laughter, and said, “Yes, I do. I almost had it stolen by that bastard Zhou Kang. I was just a few inches away. Why do you ask?”

“I don’t think it’s safe for you to keep it,” Chu Tian said seriously. “Why don’t you let me keep it for you? That way, you won’t have to worry about someone stealing it. If anyone tries, I’ll protect it for you.”

“*Pfft... Giggle giggle...*” Li Niannian burst into laughter.
