

Beg You All 206

Chapter 206: Spare tire theory

Hearing Chu Tian's question, Yang Hui and Sun Min smiled embarrassedly.

"I have this idea." Yang Hui said, "Yes, with the two of us, we don't have a boyfriend. After class, we're bored and have nothing to do."

Chu Tian thought for a moment and said, "Hey, Sun Min, don't you have a boyfriend?"

"Hey, he's not by my side." Sun Min curled her lips and said, "A boyfriend who isn't around is just a spare tire. What are we doing together? We don't know. I found a new boyfriend here, but he doesn't know. He found another girlfriend there. I don't know either. How can this long-distance relationship be taken seriously?"

This spare tire theory was real!

Chu Tian nodded his head, "Then, you two definitely don't want to do the same thing as me, right? I only have 25 dollars for an hour, so you two definitely don't like it, right?"

"We won't do this." Yang Hui smiled and said, "That's right. We want to work together. It's a job of getting to know more... friends... Oh, you understand."

Chu Tian chuckled and said, "I know what you two mean, but honestly, I'm not sure you two can accept it."

“You should know about this bar. It’s a night court, a place for fun.”

“That’s why it’s impossible to avoid physical contact. You should know what I mean. Besides, not all of you are handsome men. There are many bald, big-bellied men, but they still have to smile.”

“After all, he’s here to have fun. He’s a wealthy person who’s spending money, so he definitely can’t give him any face.”

“What’s there to this?” Sun Min smiled and said, “It’s better like this. Most people like this are big bosses and have more money, right?”

Chu Tian nodded. “That’s true. Usually, they have some wealth.”

Yang Hui added, “We understand the nature of the job in a bar. We know there might be some physical contact, but as long as it doesn’t go too far, like being dragged into a restroom or something, we think we can handle it. Is that all there is to it?”

“Of course not.” Chu Tian shook his head and said, “What you said is a crime, but some intimate contact is inevitable. Also, there are many techniques in the bar.”

“The first thing to do is to drink. If you feel like you can’t drink anymore, quickly find an excuse to throw up. You can’t play with them until halfway through. The guests are still fine. You’ve fallen. This can’t be done. You can’t be too honest when drinking.”

“Also, if you know how to play games, you’ll make people happy. The main thing is to make the guests happy. Once the guests are happy, the tips will generally be stable. There will be at least one or two hundred, three or four hundred, and at most several thousand. These are all extra income, all of which will go into your own pockets.”

“Of course, there’s the other kind. They’re having a good time chatting with their guests. They didn’t have much fun. Then, they made an appointment to go to the hotel outside to continue chatting. You guys know this. It’s up to you to communicate with each other. Generally speaking, those who are strong can earn a small sum of ten thousand a night. This depends on your ability.”

Hearing Chu Tian’s words, Yang Hui and Sun Nana couldn’t help but bite their lips and say, “Are you making so much money?”

“It primarily depends on the people you interact with,” Chu Tian explained. “It’s a great method. Moonlight, for instance, makes almost a hundred thousand as extra income from working in a bar. And that’s excluding the regular salary and commissions. It’s all additional money that goes directly into your pocket.”

“Then, can you introduce us to him?” Yang Hui said.

“That’s right, Chu Tian.” Sun Min said, “You’re working in a bar. You should know the lady boss of Rafah 20, right? Can you talk to her?”

Looking at the hopeful eyes of Yang Hui and Sun Min, Chu Tian smiled and said, “No, did you two really think it through? If you decide to go to the bar tonight, it’s going to be a challenging endeavor.”

“Then you have to keep it a secret for the two of us.” Yang Hui said, “Don’t tell the two of us. Besides, we don’t have a boyfriend right now, so let’s just treat it as more life experience.”

“That’s right, Chu Tian,” Sun Min added. “Can we at least give it a try? Can you introduce us?”

Seeing that she had already said that, Yang Hui and Sun Min became even more interested. Chu Tian smiled and nodded, saying, “I’m not too sure if I can introduce the two of you, but I do know that lady boss. If the two of you really want it, I’ll call her and ask.”

“That’s fine.” Yang Hui said happily, “You should call first and ask.”

“Alright.” Chu Tian stood up and said, “Then the two of you, wait a moment. I’ll go to the bathroom and make a phone call...”

After saying this, Chu Tian turned around and went to the bathroom in the restaurant.

When they reached a cubicle in the bathroom, Chu Tian took out his phone and directly dialed Li Sisi’s number.

Soon, the phone was connected, and Li Sisi said, “Hey, Chu Tian, what’s up?”

“Sister Sisi.” Chu Tian said, “Are you awake yet?”

“Everyone’s up.” Li Sisi said, “I’m having dinner with Niannian. So many dishes, why don’t you eat with Niannian today?”

“There are two girls from my class,” Chu Tian said. “They approached me and asked if it’s possible for them to work at the bar.”

“Really?” Li Sisi smiled and said, “Is it... accompany the guests?”

“Yes.” Chu Tian said, “It’s that type. The two of them are usually very vain.”

“Then what do you mean?” Li Sisi said.

“I don’t mind,” Chu Tian said. “You’re in charge of the bar, so I trust you to handle the situation appropriately. I’ve already explained the actual situation to them, and they seem quite interested. They are also quite relaxed about it.”

“Then, are you pretty?” Li Sisi said.

“It’s pretty long.” Chu Tian said, “The figure and appearance are good.”

“Alright then.” Li Sisi said, “In any case, the bar doesn’t have enough manpower. If you can, bring them over this afternoon. I’ll see them. If it’s appropriate, I’ll keep them.”

“Sure.” Chu Tian said, “Sister, you can eat first. In the afternoon, I will bring them to see you.”

“Well, what did you eat then?” Li Sisi said, “Eat something good.”

"I know." Chu Tian smiled and said, "Don't worry, I'm not hungry. Hang up, pop!"

"Bah, I will not kiss you." Li Sisi smiled and said, "I'm hanging up."

After hanging up, when Chu Tian returned to his seat, Yang Hui hurriedly said, "How about Chu Tian? Can you bring us in?"

"Lady boss said she can meet you." Chu Tian said, "But I can't guarantee that I can stay."

"That's good." Yang Hui thought to herself, "If the two of us can go in, I'll treat you to a big meal in the future."

"Hey, there's no need to be so polite. We're all classmates."
