

## **Beg You All 207**

### **Chapter 207: Out of the Rules of human life**

Time flew by, and before they knew it, it was already six o'clock in the afternoon. Chu Tian, in the dormitory of Haicheng Medical University, spotted Yang Hui and Sun Min emerging from their rooms, prompting a smile on his face.

"This is quite important!" Chu Tian remarked.

After their classes, the two of them expressed that they wanted to take a shower, change into more presentable attire, and prepare themselves. After all, they had an interview to attend. However, it took them more than an hour to get ready.

When they reappeared, it was evident that they had put effort into their appearance. They were no longer wearing the same outfits they had on at noon. Instead, they were now dressed in sexy short skirts, high heels, and makeup. They also adorned themselves with earrings and necklaces.

"Hey, Chu Tian." Yang Hui happily came to Chu Tian's side and said, "You smell it. The fragrance on my body?"

"No problem." Chu Tian smiled and said, "You two are really real. Why haven't I seen you guys wear such sexy clothes before."

"It's an interview." Sun Min said, "Of course, we have to make some preparations. Oh right, Chu Tian, is the lady boss not fierce?"

"Not fierce." Chu Tian shook his head and said, "He's very nice. Let's go, let's go now."

.....

“Do you know anyone from the Student Council?”

They chatted for over ten minutes before Chu Tian, Yang Hui, and Sun Min arrived at the bar.

“Okay.” Yang Hui said, “I’ve always known each other. You don’t have to worry about this for us. If you can work in a bar, school isn’t a problem. We’ll treat the students to a couple of meals, and we’ll settle everything.”

Chu Tian nodded, then pushed open the bar door and walked in.

Since the bar was officially open at seven o’clock, it was usually open at six o’clock, so you should prepare in advance.

Seeing Li Sisi wearing a short cheongsam and writing something in a notebook, Chu Tian couldn’t help shouting, “Sis.”

Li Sisi looked over in passing, smiled, and said, “Here comes Chu Tian.”

Chu Tian smiled and said, “Sis, these are the two classmates I told you about at noon.”

Li Sisi smiled and looked at Yang Hui and Sun Min. She nodded and said, “Alright, let’s go up and talk.”

As she spoke, Li Sisi turned and went upstairs.

Seeing this, Yang Hui and Sun Min rushed to Chu Tian's side and whispered, "My God, why is the lady boss so beautiful and so feminine? His body and skin are too good."

"You're messing around." Chu Tian smiled and said, "A woman from Rafah 20, she's definitely top grade. Let's go."

As they spoke, Chu Tian, Yang Hui, and Sun Min also went upstairs.

Soon, when the four of them arrived at the second floor of the bar, Li Sisi said, "Come, have a seat."

Yang Hui and Sun Min sat together cautiously.

Li Sisi looked at the two of them, first sizing them up, then asked, "Are you all classmates from the Chu Tian class?"

"Yes." Yang Hui quickly said, "We are all classmates with Chu Tian, so our relationship is quite good."

Li Sisi nodded and said with a smile, "Don't be nervous. The two of you are quite beautiful, just your body and looks. If you want to work in my bar, there's no problem, but I have to ask you a question first."

Yang Hui and Sun Min quickly nodded.

“Have you guys talked about boyfriends before?” Li Sisi said.

Yang Hui and Sun Min couldn't help looking at each other when they heard Li Sisi's question.

Why did you ask such a question?

“It's okay.” Li Sisi said, “Just tell the truth. There's really no impact, just a casual conversation.”

Yang Hui said, “Talked about it.”

Sun Min nodded and said, “I've talked about it before.”

“Then.” Li Sisi continued, “How far have we progressed with our boyfriends? Has an intimate relationship ever happened?”

Yang Hui and Sun Min looked at Li Sisi and nodded at the same time.

“That's good.” Li Sisi said, “There's a rule in my bar, so I don't want a big girl. If you two are still big girls, then I can't keep you. If you two aren't, then no problem.”

*Huh?*

How could there be such a rule in a bar?

Hearing Li Sisi's words, Chu Tian couldn't help looking at her.

He really didn't know!

Because Chu Tian did not know that there was such a rule in the bar.

So that was the case!

Sun Min couldn't help smiling when she heard Li Sisi's words. "It's like this. Then we won't have a problem. The two of us are already gone."

"Okay." Li Sisi nodded and said, "Chu Tian may have told you about the situation in the bar, but knowing is one thing. Whether or not it can be accepted is another matter. How about this? I'll have someone take you with me tonight. Look at the situation first. If you can accept it, you will officially go to work tomorrow. If you can't accept it, it doesn't matter. Because night work isn't something anyone can do."

Yang Hui hurriedly nodded and said, "Alright then, let's take a look at night."

Li Sisi nodded again, then picked up her phone and dialed a number.

"Ling, you come up here."

With a simple sentence, Li Sisi then hung up the phone.

Soon, for two minutes, the door rang, and then a very sexy girl came in.

The girl smiled and said, "Manager, what's the matter?"

"Which room are you in charge of today?" Li Sisi said.

"Private room No. 3." The girl said.

"How about this? I'll arrange two people for you." Li Sisi gestured to Yang Hui and Sun Min. "These two are medical students. Take care of them tonight. Don't let the guests touch them. Let them see how you work. If it's okay, they'll work in the bar in the future."

"Understood." The girl smiled and said, "Then I'll take them away now."

"Sure." Li Sisi looked at Yang Hui and Sun Min and said, "The two of you will follow your sister Ling tonight. Look first. If it's okay, come and sign the contract tomorrow."

"Okay, Manager." Yang Hui and Sun Min stood up with a smile and said, "Then let's go with Sister Ling first."

"Well, let's go."

After taking a last look at Chu Tian, Yang Hui and Sun Min followed Ling out of the room.

After the two of them left, Chu Tian smiled and leaned back on the sofa. He crossed his legs and said, "Big sister, why does our bar have a rule that we don't want big girls?"

"It's always been there." Li Sisi smiled and said, "The bar is a bit chaotic. A big girl really can't do it. If something happens, there's no way to end it to ensure that people don't get hurt."
