

Beg You All 44

Chapter 44: Truly A Drama Queen

Time passed in a flash. In a blink of an eye, it was already Friday.

With Yang Rong playing matchmaker these past five days, Chu Tian and Bai Xiaochun grew much more familiar with one another. The three of them even made a chat group for themselves. When they're bored, they would gossip with each other in that group.

That said, Chu Tian has yet to be alone with Bai Xiaochun.

Apart from the matter with Bai Xiaochun, the club, with Li Sisi being in charge of everything, was making rapid progress too. Since they did not have to worry about causing disturbances to residents, they were able to conduct renovation work 24 hours a day.

According to Li Sisi, if they continue with this pace, the club would be able to open for business in a week.

As for the Hacker's Forum, Chu Tian had not logged into it for five days straight.

The only thing remaining would be his unclear special ability. He had no idea if his special ability had disappeared as he did not receive any new abilities or transformations all five days.

9:30PM!

Chu Tian returned to his rental apartment. He took out his phone and took a look at it.

Seeing that there was a new notification in the group chat with Yang Rong and Bai Xiaochun, Chu Tian pressed on the chat and opened it.

Messages sent from Yang Rong and Bai Xiaochun appeared.

Yang Rong: "Deskmate, your Lil Bai wants to go to the zoo tomorrow. You coming?"

Bai Xiaochun: "Damn Rongrong! Are you itching for a beating again?"

Yang Rong: "Heh. Come beat me up then, I'm in the toilet."

Bai Xiaochun: "I'll take care of you once you return."

Yang Rong: "Pbbt..."

The zoo?

Seeing the chat record between the two girls, Chu Tian smiled. He sent a reply to the group: "Now, now, let's stop messing around. I've actually never been to a zoo before. We can go and have some fun in the zoo tomorrow."

Once he sent that message, Yang Rong's reply arrived right away.

Yang Rong: "Sigh. Sure enough, it had to be your Lil Bai. I've mentioned going to the zoo multiple times. But, it's nowhere enough to match your Lil Bai's single mention. Deskmate, you've changed. You're no longer the deskmate that loved me and cared for me. There's only your Lil Bai in your eyes now."

The fuck?!

This woman, she's a total drama queen!

Reading the message Yang Rong sent in the group, Chu Tian was left smiling speechlessly.

Since when did she ever suggest going to the zoo with him?

She had never once mentioned the zoo before!

After reading Yang Rong's message, Chu Tian sent over an emoji showing contempt.

Bai Xiaochun: "Damn Rongrong! Try sleeping in the toilet tonight or you'll be getting it once you return!"

Yang Rong: "Deskmate, look at this! Can you please put a leash on your Lil Bai? She's planning to beat me up again!"

Chu Tian: "Rest assured. As your deskmate, I'll make sure to dial 120 for you."

[2. 120 is the emergency number to dial for an ambulance in China. 119 is for fire and 110 is for police. Guess it's all 911 over here in the states. Learn more about the various countries' emergency numbers here: https://en.wikipedia.org/wiki/List_of_emergency_telephone_numbers]

Bai Xiaochun: "You see that? Damn Rongrong, you're dead tonight."

Yang Rong: "Hahaha... You continue waiting for my return then. I'm not coming back tonight."

Chu Tian: "Tell me when you girls are going to the zoo tomorrow. I'll go and take a shower now."

Bai Xiaochun: "Got it. Go do your thing. Make sure to sleep early."

Chu Tian: "You two rest up too."

After sending over those messages, Chu Tian entered his bedroom and turned on his computer.

He had not logged onto the Hacker's Forum for an entire week. He was wondering what was going on with Wang Xiaofeng.

Dang!

This many private messages!

After logging into the Hacker's Forum, Chu Tian discovered that Wang Xiaofeng had sent him a pile of private messages.

Of course, while those messages were all sent through Wang Xiaofeng's account, they were not necessarily from Wang Xiaofeng himself.

Wang Xiaofeng: "Shadow bro, why are you going to the hospital so late at night? You okay?"

Wang Xiaofeng: "Damn bro! It's been two days. Are you alright? Stop messing with me if you're fine."

Wang Xiaofeng: "Shadow bro, send me a reply if you see this. What's going on on your side?"

.....

Wang Xiaofeng: "Damn, Shadow bro, you couldn't possibly be not using this account anymore, right?"

After reading through the messages sent from 'Wang Xiaofeng,' Chu Tian smiled and composed a message to send back.

"Hahaha. It's been a hectic week. My daughter-in-law gave birth to a chubby little boy. Bro, I'm a grandfather now."

Meanwhile...

Yunnan. Inside the same villa. Wang Xiaofeng was typing away on his computer when he saw the message sent over by Chu Tian. He was shocked to see that private message. But, he immediately got up from his seat and walked out of his computer room.

Soon, in only two minutes, Wang Xiaofeng returned. The three agents from the Ministry of State Security also returned with him.

“Officers, I just received this message. Please have a look.”

Wang Xiaofeng indicated to his computer monitor.

The spectacled middle-aged man immediately sat on the computer chair. After reading the message, he began to nod his head, “And here I was wondering why he would suddenly disappear for so many days. So it’s because of the birth of his grandson.”

The female agent said, “Does this affect the plan we had in mind?”

“It does,” The middle-aged man nodded his head, “Furthermore, the effect is enormous. With his grandson being born, his mood must be extremely good. The birth of his grandson is an extremely happy occasion. Right now, his focus and desires must all be aligned with his grandson. Thus, for the time being, we will not be able to lure him out regardless of what sort of method we might employ.”

Hearing those words from the middle-aged man, the woman frowned, "Then, this means that the four plans we made are all useless now?"
