

Beg You All 48

Chapter 48: Something Wrong With Her Head

After seeing Li Sisi drive past them, Bai Xiaochun suddenly looked to Chu Tian, “Hey! Chu Tian! Did you see that? The woman driving that car, she’s so pretty.”

“Ah?” Chu Tian pretended to not see anything, “Which woman?”

“She just drove past us,” said Bai Xiaochun, “It’s truly unfortunate that you didn’t see her. She’s especially pretty. She looked extremely womanly.”

Seeing Bai Xiaochun’s earnest appearance, Chu Tian couldn’t help but smile, “Really? How can you tell that she’s extremely womanly just from her driving by in her car?”

“I’m serious,” said Bai Xiaochun, “She’s very different. She got that sort of air to her. Just from a glance, I can tell she’s extremely womanly. I’m not lying here. But, it’s truly unfortunate that you didn’t manage to see her drive past. Why didn’t you see her?”

“Heh, that’s because my eyes were focused on your long fair legs. They’re so white.”

What?

Bai Xiaochun’s face reddened. She laughed and started pounding Chu Tian with her fist, “Annoying~ You’ve been led astray by your deskmate~”

Right at this moment, a 'didi' sound was heard.

It was Chu Tian's cellphone.

Chu Tian took out his cellphone and discovered Li Sisi had sent him a WeChat message.

Li Sisi: "Oh my, young master, you're quite amazing. That darling is outrageously high quality. Those long legs and big boobs... damn, her figure is like that of a demoness. I like everything about her."

Chu Tian smiled and quickly typed back, "Big sis Sisi, you should watch the road while driving. Make sure to not hit anyone."

Bai Xiaochun looked over and smiled, "Are you chatting with your deskmate?"

"No," Chu Tian smiled and placed away his phone, "It's a friend that you don't know about."

"A woman?"

"You saw?"

"I can guess that," Bai Xiaochun curled her lips, "You were smiling that happily while sending that message. It must be a woman. Is she pretty?"

“Heh. Guess.”

.....

10:30AM!

After close to an hour long bus journey, Chu Tian and Bai Xiaochun finally arrived at the zoo.

The entrance fee to the zoo was 100 RMB and half off for students.

Unfortunately, Chu Tian wasn't paying attention and ended up letting Bai Xiaochun pay the bill.

As it was during the weekends, there were a lot of people in the zoo. Furthermore, a whole bunch of them were students from the Haicheng University of Medicine. Moreover, they were all in pairs.

“Chu Tian, look! Look! It's so smart! It's asking me for food!”

Before the monkey hills, Bai Xiaochun was looking at a monkey with its hand extended asking for the bread roll she's holding in her hand. She was acting so happy like she was a child.

“Look how fat that monkey is,” laughed Chu Tian, “It must be eating a lot.”

“It’s so cute.” Bai Xiaochun smiled and split the bread roll in her hand in two. Then, she tossed half of it over to the monkey.

Bai Xiaochun’s simple action immediately lured over many other monkeys.

“Look at that, you’ve caused trouble now,” laughed Chu Tian, “What are you going to do now? There’s not enough bread for all of them.”

“Nothing we can do then,” Bai Xiaochun laughed mischievously, “Forget about it, I’ll just feed this fat one here so that they don’t start fighting over the food.”

After saying that, Bai Xiaochun tossed her remaining half of a bread roll to the same fat monkey.

At the moment when Bai Xiaochun was enjoying herself, a group of three female students suddenly walked over.

They all had heads of long hair and were all pretty good looking.

“Xiaochun.”

Hm?

Hearing someone call her name, Bai Xiaochun turned her head around.

The corners of her lips rose into a smile, "Nana. You all came here too?"

"That's right," laughed the female student, "Why didn't you tell us you're coming to the zoo? Or..."

As she said those words, that girl took a meaningful glance at Chu Tian.

Bai Xiaochun started blushing. She laughed, "Ah, let me introduce you all. He's Chu Tian, from the Nursing Department's Third Class. Chu Tian, these here are my classmates."

"Hello. Nice to meet you all," Chu Tian smiled and greeted the three girls.

"Oh, a celebrity," The three girls laughed, "We know you. You're amazing with basketball and your figure is amazing too. There's a lot of pictures of you on the forum."

"Is that so? I've yet to check out the forum," Chu Tian smiled again.

"So... the two of you came to have fun at the zoo?"

The girl called Nana looked to Bai Xiaochun again.

"Mn," Bai Xiaochun nodded, "Do you guys want to join us?"

“Nah, that’s alright,” The three girls looked to Chu Tian. They smiled, “We’re afraid that someone might be unhappy about it. Well then, you guys enjoy yourselves, we’ll go walk around elsewhere.”

After saying that, the three girls turned around and walked away.

As they were walking away, their voices could be faintly heard.

“Bai Xiaochun really ended up being together with that Chu Tian. Is there something wrong with her head?”

“She’s stupid, that’s what it is. If I was her, I’d find myself a wealthy boyfriend. I truly can’t understand her.”

“Ah? Why are the two of you saying that? Is that Chu Tian family background bad?”

“Didn’t you see the forum post? Not only is his background bad, it’s simply horrible. His parents died when he was very young. Moreover, they didn’t leave him anything. He has been working while going to school to provide for himself.”

“Ah? His circumstances are that bad? Why would Bai Xiaochun be with him?”

“That’s why I said there’s something wrong with her head. If I was her...”

Hearing the indistinct voices from afar, Bai Xiaochun was slightly embarrassed. But, she immediately pulled Chu Tian closer and smiled, "Chu Tian, let's go and check out the sika deers over there."

"Sure," Chu Tian smiled as he took a glance at the three girls walking away. Then, together with Bai Xiaochun, he left the monkey hills.
