

Beg You All 72

Chapter 72

Another Encounter with Sun Nana

After they left the milk tea shop, Bai Xiaochun hugged Chu Tian's arm excitedly as if she couldn't bear it anymore, she said excitedly, "Did you hear? We'll be able to collect a free cup every day, for one whole month! The three of us are too lucky today!"

"Yeah, we're really lucky." Chu Tian replied with a laugh, "Maybe these Baibai milk tea don't taste that great? They are being too generous with it."

"It'll definitely taste good." Bai Xiaochun continued, "It's their first day, of course they have to give their best, or else who would come back next time, right?"

"We'll know once we have a taste." Yang Rong said happily, "Give me the one with ice, I'll sacrifice myself and try it first."

Just as she was saying that, Yang Rong took the cup of milk tea with ice from Chu Tian's hand and stabbed the straw into it.

After a mouthful of milk tea, Yang Rong's eyes widened all of a sudden. She got really excited, "Hm, hm, delicious! Oh my god, this tastes amazing! Xiao-Chun, quickly, have a taste."

Looking at Yang Rong's exaggerated expression, Bai Xiaochun curled her lips and smiled, "Stop lying, that must have tasted really bad. But, was it *that* bad?"

“No, I’m not lying.” Yang Rong said, “Just try it, it's really is delicious.”

Bai Xiaochun looked at Yang Rong, doubtful, but she took a sip anyway.

After the first sip, just like Yang Rong, Bai Xiaochun got excited too, “Oh my god, this tastes so good! Chu Tian, you need to try this, this is too good.”

With that, Bai Xiaochun quickly took the cup from Chu Tian’s hand, inserted a straw, and held it near his mouth.

“Does it really taste that good?” Chu Tian laughed, “You guys aren’t trying to team up and trick me, right?”

“Just take a sip, it really does taste good, I wasn’t lying. C’mon.”

“Alright, alright, I’ll try it.” Chu Tian took a mouthful with a smile, which was quickly followed by him widening his eyes, “Damn! This is really good.”

“See? I wasn’t lying.” Bai Xiaochun said happily, “This Baibai milk tea is too delicious, I’ve never tasted any milk tea as good as this.”

With that, Bai Xiaochun inserted a straw into the other cup of milk tea and held that next to Chu Tian’s mouth, “Try mine, it’s at room temperature.”

“Hm.” Chu Tian took a mouthful and said, “This is good too, only the temperature is different.”

Bai Xiaochun put the straw in her mouth as she smiled. She took a sip and said, “Hm, it really does taste as good as the other one. Oh no, I have fallen in love with this Baibai milk tea, it tastes too good.”

“We are too lucky today, I think we should buy lottery tickets.” Yang Rong said happily, “We can drink every day, for one whole month! Just the thought of it makes me feel blessed.”

“Yeah! One whole month!” Bai Xiaochun said, “It’s a pity that we can only get one free cup per day. I want to drink many cups in a day.”

Looking at Bai Xiaochun’s happy expression, Chu Tian could not help but lick his lips with a smile.

Li Niannian truly knew what to do.

He never thought that a simple action like this could actually make Bai Xiaochun this happy.

Just as the three chatted happily while arriving at the school entrance, a loud rumble from the motor sounded suddenly, which was followed by a red Ferrari.

The driver was a male, someone he did not know, but Chu Tian recognised the one sitting on the front passenger’s seat.

Sun Nana!

After not seeing her for a few days, the Sun Nana now almost had a 180-degree change.

Purple eyeshadow, bright red lipstick, and dressed in a tight black one-piece dress decorated by black scales. On top of that, she had a good figure, what ought to be big was indeed big, while what ought to be small were also small.

Accompanied by the sound of the car's brake, the red Ferrari stopped directly in front of the three of them.

Sun Nana, who was dressed sexily, gave the guy a kiss on his lips and alighted the car.

Her eyes followed the Ferrari as it drove into the campus, only then did Sun Nana turned to look at Bai Xiaochun and smiled, "Hi, Xiao-Chun. Hi, Chu Tian."

Chu Tian nodded his head with a smile, treating that as his greeting to her.

"Hi, Nana. Whoa, your dress looks so pretty." Bai Xiaochun responded with a smile too.

"It's alright." Sun Nana smiled, "My boyfriend insisted on buying it for me, saying that he likes to see me wearing this. Such a lousy dress costs about 40,000, it hurts my heart."

Bai Xiaochun smiled and lowered her voice, "Erm, Nana, you should pull it down a little, your panties are almost showing."

“It’s fine, it was designed this way.” Sun Nana laughed, “You haven’t worn such types of clothes before so you may not know, but such designs are specially made to emphasise the faintly discernible beauty and sexiness of women. Don’t worry, as long as it wasn’t a pervert trying to look intentionally, they won’t see my panties.”

“Oh, I see. Ah, right. Did you not return to the dormitory last night?”

“Nope.” Sun Nana replied, “I haven’t gone back for two days. Just like you, I’m living with my boyfriend now. We’re currently staying at his small villa. But he is so troublesome, insisting that he wants to change into a big villa. What is the use of a big villa if it is only for the two of us?”

“Heh.” Bai Xiaochun let out a laugh and said, “He was only showing his love for you, you should just accept it and be content.”

“You’re right.” Sun Nana nodded with a smile, “He pampers me too much, wanting to give me the best of everything. Ah right, what are you guys drinking?”

“Baibai milk tea, a new shop that opened today just over there.” Bai Xiaochun replied.

“How much is one cup?”

“We got this for free, it is priced at 25 per cup.”

“It better taste good.” Sun Nana said, seemingly serious, “Cheap ones usually give you a stomachache, I had one which cost 20 last time. I ended up being stuck in the toilet for half a day. I only drink Fragrant

Milk Teas nowadays, I don't dare to drink milk teas from any other brand. Besides, it isn't expensive either, only 45 dollars a cup."

"No worries." Bai Xiaochun replied with a smile, "I'm pretty healthy, so I don't worry about getting a stomach ache."

"That's fine, then. I'll get myself a cup from Fragrant Milk Tea. I'll see you guys in the classroom later, bye-bye. Bye-bye, Chu Tian."

"Sure, bye-bye." Chu Tian smiled too as he waved his hand.
