

Beg You All 81

Chapter 81

Yang Rong Left

“What?” Upon hearing Bai Xiaochun wanting to be his sugar mommy, Chu Tian could not control his laughter, “You’ll become my sugar mommy?”

“Yeah, I’m serious.” Bai Xiaochun’s expression was suddenly serious, “To be honest, my monthly pocket money is pretty high, there’s no way I’d spend all of it. I’m sure it’s enough for both of us, so you don’t have to work so hard in the future since I’ll be your sugar mommy. Don’t worry, I won’t tell anyone. I’ll give you the money and you can buy whatever you want as usual. This way, the others will think that you’re the one being my sugar daddy instead and no one will say anything bad behind your back.”

Looking at Bai Xiaochun’s serious gaze, Chu Tian felt his heart warm. He smiled, “Darling, don’t you feel sorry for your mother? You’re literally taking her money and secretly giving them to your boyfriend. If your mother knows of it, won’t she reprimand you for not having a conscience?”

“No way.” Bai Xiaochun responded, “To be honest, my mum already knows about you.”

“Huh?” Chu Tian was momentarily stunned. He asked, “Y-your mum already knows about me?”

“Yeah.” Bai Xiaochun giggled, “Actually, I’ve already told mum about you before we even got together. I told her that I have a crush on a guy, a very good guy. My mum even asked if you liked me. I wasn’t sure back then so I said I don’t know. After that, we went to the zoo last week, didn’t we? We confirmed our relationship then, so I told her, that we have kissed and have confirmed our relationship. Also, my mum also knows that we’re living together now. Besides, I’ve shown her your photos. She even asked for a

few more, especially the ones with you in a sleeveless top while playing basketball. She commented that your body is buff, strong and healthy like a cow, so she really likes you.”

Uhh.

Looking at Bai Xianchun’s grinning face, Chu Tian was suddenly at a loss for words. Because this was the first time he had known that Bai Xianchun’s mum already knew about him.

Chu Tian thought for a moment and said, “T-then does Auntie know about my situation?”

“She does.” Bai Xiaochun said, “I told her, she said that you’re a hard-working and steadfast child.”

“Uh, just that? Did she say anything else?”

“Not really.” Bai Xiaochun answered, “My mum really likes you. She even asked me to bring you home when I have time and let her meet you properly. How does it sound? Do you dare to meet my mum?”

“Hoh, what is there to be afraid of?” Chu Tian let out a sudden laugh and said, “It’s not like your mum is going to devour me.”

However, when he finished that sentence, Chu Tian immediately asked another question, “Darling, are you sure your mum won’t chop me up with a knife?”

“Hehehe!” Xiao Baichun chuckled immediately upon hearing his words. “You don’t have to be scared, my mum is not that fierce.”

“Are you sure?” Chu Tian asked, “She’ll let me off the hook so easily for kidnapping her precious daughter?”

“Don’t worry.” Bai Xiaochun said, “My mum will definitely like you when she meets you. Let’s go, I’m a bit tired. Let’s go home.”

As the conversation carried on, Bai Xiaochun hugged Chu Tian’s arm and began to hop joyfully again.

Half-past nine at night!

When Chu Tian and Bai Xiaochun returned to their rental apartment, Yang Rong had already returned. Moreover, she was packing up her clothes and cosmetics into a small bag.

Seeing that, Chu Tian could not help but ask, “Hey, Deskmate, why are you packing up?”

Yang Rong laughed mischievously, “I’m going to visit my boyfriend. Sigh, I can’t help it since he said he misses me so much that he can’t continue living if he doesn’t meet me, so I have to go quickly.”

Bai Xiaochun blinked her eyes innocently, “Are you going now?”

“Yeah...” Yang Rong said, “There happens to be a train at half-past ten, so I’ll arrive at his place at about half-past one in the morning and he’ll pick me up at the station. I’ll take the opportunity to have a good vacation these two days and travel around. I’ll be back on Sunday afternoon.”

Hearing the hint of happiness between her words, Bai Xiaochun mocked, "Travel around? Are you sure you'll be able to leave the love hotel these two days?"

"Screw you."

Yang Rong hit Bai Xiaochun jokingly as she laughed. She then zipped up her bag and said, "Alright, I'm leaving now."

"Let me send you off." Chu Tian smiled.

"No need." Yang Rong declined and said, "I've called for a taxi, so I'll go to the station straight away. Bye-bye."

"Bye-bye."

Chu Tian only closed the door with a smile on his face after he saw Yang Rong off as she ran down the stairs with her bag excitedly.

"Look at how impatient she is." Bai Xiaochun laughed, "I'm guessing it'll be a battle when Rongrong arrives tonight."

Pr/N *WINK*

“That’s for sure.” Chu Tian grinned, “How would they not make the trip worth it after making so much effort travelling all the way there? But, darling, since Rongrong is gone now, it’s just the two of us tonight.”

“Hm?” As if she had just realised that, Bai Xiaochun’s face flushed red. She pouted, “So what? You’ll sleep where you’re supposed to, and I’ll sleep where I’m supposed to, no other unnecessary thoughts.”

“Oh?” Chu Tian grinned mischievously, “What do you mean, no unnecessary thoughts?”

“You know what I’m talking about, I’m not talking to you anymore.”

And with that, Bai Xiaochun hurried away and returned to her shared bedroom with Yang Rong, closing the door behind her.

Seeing that, Chu Tian let out a laugh before returning to his own bedroom.

He switched on his computer and logged into his hacker account on the forum with practised ease as he began his search.

It had already been a couple of days now, he wondered if that 65 million had already been transferred to his account.
