

Beg You All 97

Chapter 97: Bai Xiaochun's Resistance

Chu Tian!

Nursing Class Three.

Finally, after asking Bai Xiaochun's question, the female police officer once again exchanged glances with the male police officer, who was writing the statement.

The policeman nodded.

The policewoman turned to look at Bai Xiaochun and said, "Student Bai Xiaochun, what should I do next? I have something to tell you. We suspect that you may have been involved in a large-scale theft."

What?

Involved in a huge amount of theft?

Hearing what the policewoman said, Bai Xiaochun was shocked.

Bai Xiaochun looked at the policewoman without any expression. She pinched her little hand and stammered, "Gold, a huge theft? No, it is impossible! Officer, I've stolen nothing before. You made a mistake?"

"Right now, it's just suspicion." The policewoman said, "But it's necessary to tell you because if it's true, you need to come back with us to the police station and make a more detailed statement."

"However, you don't worry. In this matter, feel relaxed, your role is that of a victim. As long as you cooperate with our investigation, it will not affect you."

There will be no impact.

Sun Nana almost laughed when she heard the policewoman say that.

Is it really going to have any effect?

That's right, Bai Xiaochun was indeed innocent, but would public opinion let her off?

As long as Chu Tian was arrested, how could Bai Xiaochun think about it?

Dreaming!

As long as Chu Tian went in. She was greedy and vain, and she forced her boyfriend to set up a bad girl to steal things for her. During college, she could not clean it up!

Everyone would point at her from behind!

After all, it was an enormous case involving tens of millions of dollars. Not to mention the Sea City Medical University; even if it were in the entire Sea City, it would be enough to cause a stir.

If more reporters were covering the incident, why would they choose "A college student who committed the crime of stealing thousands of dollars to please his girlfriend"? So, won't the Internet curse Bai Xiaochun to death?

Correspondingly, if I believe in your own efforts to find out the stolen goods on my own, won't I be praised by netizens?

beautiful, brilliant, and wise ... The incarnation of beauty and wisdom was so exciting!

Perhaps the owner of this necklace would give her a banner or something. He would hang up in class and hold a praise meeting. Her classmates and teachers would love her to death.

It was so cool!

She couldn't wait to see Chu Tian get caught!

"OK." Bai Xiaochun nodded quickly and said, "Don't worry; I will definitely cooperate with your investigation. But I don't even know what kind of theft I was involved in."

"This is your necklace." The policewoman replied, "This necklace is not as simple as you think."

"What?" Bai Xiaochun was confused for a moment and hurriedly said: "Officer, you are mistaken. This necklace is just a gift from my boyfriend. What does this have to do with this necklace?"

Hearing that it was related to her necklace, Bai Xiaochun immediately panicked.

"It's not as simple as you think." The male police officer interrupted, "Bai Xiaochun, what kind of crystal glass are you talking about? But I can inform you this is not crystal glass. This is a pure diamond necklace."

"Just now, you said it was 1900 yuan. Well, I can tell you that any small diamond will cost at least tens of thousands on this necklace. It is estimated that there are at least 100 of these diamonds, not to mention the largest one. Its value is even more unthinkable."

"While I can't give you the actual price, I can tell you for sure that this necklace is definitely worth over ten million. It can't be 1900 yuan."

What?

Hearing the male police officer's words, Bai Xiaochun felt that her mind went blank. In fact, she almost fell and was immediately supported by Sun Nana.

In front of the teacher and the police, Sun Nana hurriedly asked with concern, "Xiaochun, are you OK?"

"Student Bai Xiaochun, hurry and sit down first."

Seeing this, a counselor came over, and Sun Nana helped her to a chair and sat down.

At this moment, Bai Xiaochun's expression was dull, and her eyes were dazed. She seems to have lost her soul.

Pure Diamond Necklace.....

Over ten million.....

Impossible!

This was absolutely impossible!

This was just a 1900 necklace. They must have made a mistake!

Chu Tian would steal nothing!

Suddenly, a light flashed in Bai Xiaochun's mind. She seemed to have thought of something, and her eyes were full of light. She quickly stood up and said, "Officer, this is a miscalculation." My boyfriend must have been wronged. I know what happened. He picked it up and didn't steal it."

The female police officer frowned and said, "He picked it up?"

"Yes, he must have picked it up." Bai Xiaochun replied calmly, "Because he doesn't have much money. He's always wanted to give me a gift and then he picked up this necklace. He definitely doesn't know that it's a diamond necklace. To make me happy, he said that he bought it for 1900 yuan. This is a misunderstanding. We will return the necklace to you. Please don't arrest him, okay?"

Forehead.....

The policewoman took a deep breath and said, "Student Bai Xiaochun, don't be so thrilled. The possibility you mentioned exists. We didn't say that your boyfriend stole this necklace, but we still need to check it out ourselves."
