

Pyeongchang-dong villa

Soo Yin is still huddled under the thick blanket. Drowning her head under the pillow because he felt dizzy. All day she had not come out of her room at all.

Knock ... knock ... knock

There was a knock on the door from outside. But Soo Yin has no intention of answering, let alone opening the door. Instead, she covered his ears with pillows even more.

Outside the room Aunt Xia was standing with a tray filled with food. She put her ear on the door but didn't hear a reply from inside, so Auntie Xia slowly opened the doorknob that was not locked.

"Miss, can I come in?" Aunt Xia asked and slowly stepped her feet to enter the room.

"Come in," Soo Yin finally said in a hoarse voice. Then opened the blanket that covered her head.

Aunt Xia put the food he bought on the nightstand. There was still some food from this morning that Auntie Xia brought, but it hasn't been touched at all.

The middle-aged woman observed around the room. It turned out that there was an empty bottle of alcohol lying on the floor beside the bed.

This morning, Aunt Xia was rushed to go to the market that she didn't have time to clean Soo Yin's room.

"Miss, get up it's already evening. Besides, you also don't seem to have eaten since morning," Aunt Xia said while shaking Soo Yin's body.

"I'm not hungry. Ahjumma can eat it all," Soo Yin said with a weak voice.

Aunt Xia felt that something was wrong with the girl. She touched her forehead with the back of her palm. It turned out that the temperature was normal, so Aunt Xia let out a sigh of relief. At first, she thought that Soo Yin had a fever.

"Are you drunk last night?" Aunt Xia asked carefully.

"Oh, I just drank a little," Soo Yin replied, then closed her eyes again.

The memory of Dae Hyun and Aeri making out in front of her eyes, makes Soo Yin's heart ache. So without thinking she drank the alcohol she found in Dae Hyun's study room.

'A little? She even finished one bottle,' Aunt Xia murmured while shaking her head.

"You better get up and clean yourself, Miss. Aren't you going to a party tonight, Miss?" Aunt Xia asked.

"Party? I won't go anywhere," Soo Yin said by slightly opened her eyes.

"You should go, Miss. Mr. Dae Hyun must be disappointed if you're not coming to the event," Aunt Xia coaxed while gently massaging Soo Yin's head. She knew that Soo Yin felt dizzy from drinking.

"Disappointed, huh? Dae Hyun is already with Aeri, so he doesn't need me. Why would I go there?" Soo Yin said, she turned to Aunt Xia with sad eyes.

"You're also his wife, Miss. You suppose to be on his side too, Miss," Aunt Xia said.

"Ugh, I am just an invisible wife." There was a sad tone when Soo Yin said it.

"But, Mr. Dae Hyun is so" Before Aunt Xia could finished her words, Soo Yin already cut her off.

"You better go outside cause I still want to sleep," Soo Yin said while turning the other way then closed her eyes again.

"If you don't want to go, at least you have to eat, Miss," Aunt Xia said.

"I will eat later," Soo Yin said. Actually she felt hungry, but now she was not in the mood.

Aunt Xia just shook her head at Soo Yin's attitude. She chose to leave the room carrying the empty bottle and food that she had brought this morning. It's useless to persuade Soo Yin because it doesn't seem like it will work. Better to call Dae Hyun, let her husband take care of it.

Chapter 32 - 32 - Message

UN Village.

At the same time, Dae Hyun just came back from the hotel. Today he came home earlier than usual even though it was late afternoon. He went straight to the room on the top floor. It turned out that Aeri and Jo Yeon Ho were there.

"Hai, Baby," Aeri said while she reached Dae Hyun then kissed both of his cheeks.

Dae Hyun was silence without any intention to kiss her back. Walked over to Jo Yeon Ho who was sitting on the sofa, Dae Hyun was surprised to see his son's face frown and looked displeased. Usually Jo Yeon Ho will greet him when he came home.

"Why do you look so unhappy?" Dae Hyun asked while staring at his son.

"I don't want to go to the party!" Jo Yeon Ho said while folding his arms across his chest.

"Why?" Dae Hyun frowned.

"I don't want women trying to kiss and pinch my cheeks!" Jo Yeon Ho said while pursing his lips. Feeling traumatized because the last time he went to a celebration made his cheeks hurt and she even had lipstick stains on his cheeks.

"Calm down, later stay with father. They wouldn't dare bother you," Dae Hyun said, smiling as he rubbed the top of Jo Yeon Ho's head.

"Are there children too?" Jo Yeon Ho asked while staring at Dae Hyun.

"Calm down, Baby. Mother has invited friends to bring their son too," Aeri said, who was still busy choosing clothes to wear tonight.

"Alright, but I want us to go together," Jo Yeon Ho said.

When they went to an event, they often went alone so it is sometimes difficult to find the father. Especially Aeri, who didn't really care about Jo Yeon Ho when she was chatting with the others.

"Of course, Honey," Dae Hyun replied.

Dae Hyun reached into his coat pocket when he suddenly felt his cell phone vibrate. Checking out, there was a message from Aunt Xia. Dae Hyun immediately opened out of curiosity. It's very unusual to Aunt Xia sent messages.

[Mr. I'm worried about Miss Soo Yin. Today she didn't want to eat at all since morning. I'm afraid if Miss Soo Yin will fall ill. I also found that there was an empty drink bottle in the room. Looks like Miss Soo Yin is drunk. Can't you come back here?]

Dae Hyun read the message Aunt Xia had written word by word. Since morning he hadn't contacted Soo Yin at all. Too busy because there were meetings with several investors who will invest in property in his hotel.

Dae Hyun went straight out of the room to his study. Immediately called Soo Yin's cell phone number but still not answered.

"The number you're calling can not be reached." Only the voice of the mobile operator that can be heard.

"Soo Yin, please answer," Dae Hyun muttered to himself while putting his cellphone near his ear.

Not long after that finally Dae Hyun's call was answered.

"Hello," Soo Yin answered in a hoarse and weak voice on the other side of the phone.

"Baby, what happened to you?" Dae Hyun was relieved to finally hear the girl's voice, after ten missed calls.

"Who are you?" Soo Yin asked languidly.

"I'm Dae Hyun. Are you sick?" Dae Hyun wondered why Soo Yin didn't recognize his voice.

"Ah, it's you. Don't worry about me, just take care of yourself," Soo Yin said.

"Are you drunk?" Hearing Soo Yin's voice, Dae Hyun was sure that the girl was indeed drunk.

"It's none of your business!"

"Soo Yin, aren't you going to the party tonight? I want you to go because I want to introduce you to everyone," Dae Hyun said.

"Party? I won't go anywhere. Do you want to continue to make my heart hurt seeing you together with Aeri making out like yesterday? I'm really sick of seeing it. My heart hurts, hiks hiks hiks. Dae Hyun it really hurts." Soo Yin said, she mumbled incoherently and even cried in between her words.

Dae Hyun was speechless at Soo Yin's words. Even though she was drunk, he felt sure that the currently Soo Yin was really messed up. He could not possibly return to Pyeongchang-dong because he promised Jo Yeon Ho to go together.

"Soo Yin, I'm sorry," Dae Hyun said quietly.

"Don't worry about me. Just take care of your life with Aeri!" Soo Yin immediately turned off the phone line.

"Soo Yin, Soo Yin!" Dae Hyun called but there was no answer.

Dae Hyun immediately called someone to go see Soo Yin in Pyeongchang-dong. He asked his help so that Soo Yin will go to the party. Dae Hyun firmly believed that this person could help him.

Dae Hyun returned to the room after taking care of everything. At this time, he couldn't do anything. He chose to stay with Jo Yeon Ho because even though he returned to Pyeongchang-dong, it will definitely made Soo Yin angry even more.

"What's wrong, Babe?" Aeri asked while she saw Dae Hyun came back to their room worriedly.

"Nothing, I just checked the file, it seems there is something missing," Dae Hyun said.

"You can take it back after the party's over," Aeri said.

"Hmmm, I better take a shower first," Dae Hyun who felt hot said.

"Wait a moment!" Aeri took a suit for Dae Hyun.

"You have to wear this one so that the three of us look like a good match," Aeri said while showing her light brown outfit.

"Up to you." Dae Hyun immediately went into the bathroom

HIDDEN WIFE : BEST HUSBAND

Chapter 33 - 33 - Not Interesting

There was a knock on the door several times so it was so annoying to Soo Yin's ears. Slowly she opened his eyes lazily. Rise sat up holding the head which was still a little dizzy. Glancing at the clock, which turned out to be half past seven in the evening.

'What happened to me?' Soo Yin thought. Because drinking quite a lot made it hard to remember what happened. Slowly she observed the messy bed.

Brak!

The door opened quite loudly. Soo Yin jumped while holding her chest, feeling like her heart was about to fall out.

From behind the door appeared a slender, tall, white man with a thin face and sharp nose. Soo Yin only regret when it turned out that his hair was dyed colorful. Soo Yin scanned him from bottom to top, thinking he was a man or not.

"Don't look at me with a surprised face like that!" The man snapped as he walked in without asking permission.

"Who are you?" Soo Yin asked while she frowned. Immediately she covered her chest with both hands, because she felt uncomfortable when the man looked at her with a lopsided smile.

"Let me introduce myself, I'm Do Jin. You must be Soo Yin right? Dae Hyun's young wife. Ah, no, you even look older than Aeri. You are more worthy of being called the OLD wife!" Do Jin said with a tone of sarcasm and emphasis.

"What did you say?" Soo Yin screamed, she stared at Do Jin.

Clenched tightly into fists until the nails pierced the palms. Her heart was burning hearing those words.

"I don't understand how come Dae Hyun could fall in love with a girl like you. You're not interested at all! Even Aeri looks younger than you even though she's older," Do Jin said, chuckling.

"I don't look interesting? Oh damn you're so annoying!" Soo Yin got up with her messy hair. Tried to hit Do Jin but her hand was blocked.

"Look at you now, very messy! If Dae Hyun sees you he must be disgusted," Do Jin said with lopsided lips.

Soo Yin's anger wanted to explode at Do Jin's words. She really wanted to put something in his mouth.

"You're too much!" Soo Yin screamed as she threw a pillow to Do Jin's face but successfully pushed over by him.

"You better go to shower, your body smells a rancid and also alcohol!" Do Jin smelled Soo Yin's body then covered his nose.

Soo Yin also smelled herself and it turned out that she really was smell bad.

"Get out! I don't want to take a shower, just let Dae Hyun dislike me. Seems like he's more happy with Aeri." Soo Yin lied back down then covered her body with blanket.

"I won't go before I get my job done!" Do Jin pulled the blanket then pulled Soo Yin's wrist to follow him.

"Let go of my hand!" Soo Yin cursed while following Do Jin's steps which turned out to be towards the bathroom.

Do Jin pushed the girl into the bathroom.

"Hurry up and clean yourself! I don't have many time to take care of you," Do Jin said then closed the door and locked it from the outside.

"Get me out of here!" Soo Yin screamed while hitting the door.

"I will open the door when you're done!" Do Jin screamed from the outside.

Soo Yin finally gave up, she chose to pour her head under the shower. Her head felt a lot lighter now.

While waiting for Soo Yin to finish taking a shower, Do Jin looked around the room. Walk over to the dressing table. Frowning when there was only moisturizer, perfume, lipstick and compact powder on the table.

"Damn bitch!" Do Jin grumbled. This was the first time he came in to a girl room and there was not a lot of cosmetic in the dressing table.

Chapter 34 - 34 - Party Dress

After a while, Soo Yin finally finished cleaning herself up. She rolled up her wet hair using a small towel. When she tried to open the door, it turned out that it was still locked from the outside.

"Hey, are you going to let me stay in here?" Soo Yin screamed while turning the knob.

"Can't you just be patient?" Do Jin said while opening the lock.

It felt like Soo Yin really wanted to scratch Do Jin's face with her nails. In order to feel the pain on his face

Soo Yin only took a quick glance at some of the dresses brought by Aunt Xia who had just entered. She thought the dress was too good, so she felt unsuitable for wearing it.

"Isn't there anything simpler than this?" Soo Yin asked.

"This is a party dress. You thought you were going to the playground!" Do Jin said while taking a middle dress that has a length below the knees but not up to the ankles. This dress would be suitable for Soo Yin who had long legs.

Soo Yin reached out to grab the dress to take a close look. Pastel dresses with lace on top have short sleeves. Simple but looks luxurious.

Soo Yin tried to put it on her body, it looked just right.

"Didn't I tell you I don't want to go," Soo Yin said softly as she handed the dress back to Auntie Xia

"You must come, prove that you are more attractive than Aeri," Do Jin persuaded in a soft tone. There was a sense of pity when he saw the girl who looked still innocent.

"Never mind, don't think too much. Hurry up and change your clothes!" Do Jin who was impatient said as he pushed Soo Yin into the dressing room.

Soo Yin finally agreed to wear the dress

'For what am I going? He didn't even call me today.' Soo Yin thought while walking outside the dressing room. Shortly thereafter she immediately came out with lazy steps

"Sit!" Do Jin was waiting in front of the dressing table with the cosmetic tools in front of him. Soo Yin sits on a bench, frowned at the sight of so many makeup items.

Do Jin started to apply make up on Soo Yin's face. No need for a thick foundation because Soo Yin's skin is so soft and smooth. Just a thin layer was enough.

Styled her hair in The Ribbon model, using a velvet ribbon with half tied hair. Made it look more feminine but still festive.

Soo Yin looked at her face in the mirror. She felt that what was in the mirror was not her face. She moved her lips which felt uncomfortable because she was not used to wear a slightly thick lipstick.

"Is it not too thick on my lips?" Soo Yin asked while seeing Do Jin from the mirror.

"That's just your feeling, you even look so beautiful. I'm sure Dae Hyun will be stunned to see you," Do Jin said while proudly smiling because he was successful in doing Soo Yin's make up even though that was only a little touch.

"Didn't you insult me earlier?" Soo Yin didn't understand the reason Do Jin suddenly praised her.

"I was just kidding so that you get angry and get up quickly," Do Jin said with a wink.

"Wow, you look amazing, Miss!" Aunt Xia who just came back praised her.

"Auntie, don't embarrass me," Soo Yin said with a smile. Her face flushed with embarrassment. Hope what they say is true.

Chapter 35 - 35 - Party (part 1)

Soo Yin accepted Do Jin's invitation to go with him. While on the way, Soo Yin reached into the cellphone in her bag. It's been a day without checking her cellphone at all. Afraid that Jean might contacted her.

Soo Yin was shocked to see that there were ten missed calls from Dae Hyun. When she checked call history it turned out that there was also chat for almost ten minutes. The girl tried to remember what was said on the phone but couldn't find it.

Soo Yin smacked her forehead with her palm. Afraid that while talking on the phone she said something strange. Because she can't remember even a bit.

"What is wrong?" Do Jin asked as he focused on staring at the road in front of him. Just glanced for a moment at Soo Yin who looks nervous.

"Ah, no ... it's nothing," Soo Yin said with a big smile.

"You look anxious!" Do Jin said.

"Hmm, what did Dae Hyun say to you before you came to the villa?" Soo Yin who was already feeling curious asked. Biting her lower lip in nervousness.

"He said that his wife is very unruly, ugly and messy in appearance. Even plans not to go to parties," Do Jin said casually.

"Ugh, how annoying!" Soo Yin grumbled with a frown on her face.

"Ha ha ha, I'm just kidding. You don't have to frown like that. Dae Hyun was just worried about your condition so he told me to see you," Do Jin said with a smile.

"Why doesn't he meet me himself?" Soo Yin asked while pursing her lips.

"He's leaving with Aeri and their son," Do Jin replied.

Soo Yin chose to remain silent and didn't say another word. The more questions the more it made her heart hurt even more to accept the fact that she was not Dae Hyun's top priority.

'What I think? I should be happy if Dae Hyun didn't care about me anymore. So that I will immediately be free from him,' Soo Yin cursed her heart that was not in line with her thoughts.

"From now on, you must try to be the top priority compared to Aeri." Do Jin knew what Soo Yin was thinking so he gave her a little advice.

Soo Yin only glanced briefly at Do Jin then turned her face back forward. Must try to strengthen her heart before arriving at the hotel. She is sure that there will be so many scenes that will made her heart burn even more.

After thirty minutes they finally arrived at the front yard of the hotel. Do Jin parked the car first.

When the car has stopped, Soo Yin remains silent with no intention of going out. A little nervous because she never dressed up like that.

"Come outside! Are you going to be in the car all the time?" Do Jin who had come out snapped.

"But" Soo Yin said.

Do Jin opened the car door for Soo Yin then grabbed her arm to get out.

With a feeling of laziness, Soo Yin finally exited and followed Do Jin's steps to enter the hotel.

The Silla Seoul Hotel's birthday event was usually held very lively so there was a red carpet to enter the party area. There were also photographers who were ready to capture their photos.

It turned out that the park was full of invited guests as well as guests staying at the hotel. The Silla Seoul Hotel was one of the five star hotels in Seoul so that many celebrities and wealthy businessmen came.

"Let's holding hands like the other couples," Do Jin whispered in Soo Yin's ear.

"Huh?" Soo Yin said while blinking, did not understand Do Jin's words.

Without waiting for approval, Do Jin hooked Soo Yin's hand on his arm. Walked on the red carpet and smiled at the camera. Do Jin also invited Soo Yin to take a group photo at a photo booth that has been provided by the committee.

The men who came were so enchanted by Soo Yin's appearance tonight. Including Manager Han who watched them from a distance until he was amazed. He thought that she was Do Jin's lover.

Soo Yin felt uncomfortable when everyone stared at her. There were also those who invited her to get acquainted. Soo Yin only replied with a smile.

Soo Yin felt guilty with other fellow workers. At this time she should also welcome guests not as invited guests.

Do Jin disappeared among the crowd, so Soo Yin chose to be alone at a corner of the hall. Cursed her fate, who came to the event at her place of work but did not know any of them. It was really sad to be like a stranger.

While continued to observe the crowd, Soo Yin suddenly seemed to see the figure of Jean passing in front of her.

"Hi, Jean?" Soo Yin called.

Jean turned to the source of the voice, seemed to hear Soo Yin's voice but she wasn't sure.

"Who are you?" Jean asked, frowning.

"You don't recognize me? I'm Soo Yin," The girl replied, smiling broadly.

"Ah, my goodness. I hardly recognize you, you look so different!" Jean said with sparkling eyes.

"Really?" Soo Yin asked shyly.

"We'd better capture the moment tonight," Jean said. She took the cellphone in her pocket with one hand.

Soo Yin actually felt embarrassed when some people see the two of them. But she chose to obey Jean to take a photo because it seemed that Jean didn't care. Gratefully after Jean left because a guest asked her to get another drink.

"Come on, soon the event will start. Let's prove that you are more worthy than Aeri in front of everyone," Do Jin said as he pulled Soo Yin's wrist to follow him.

Dae Hyun was standing together with Aeri to greet the invited guests. They both wore clothes with matching colors. It looked very harmonious, especially when Aeri kept holding Dae Hyun's arm.

Even though he was talking, Dae Hyun felt uneasy because he had not seen Soo Yin. Yet according to Do Jin, the girl had come with him. His eyes were busy looking for her around the hall.

"Are you looking for something?" Aeri asked because she found Dae Hyun who didn't focus on listening to the invited guests who were talking to them.

"Ah, I'm just ... just looking for Jo Yeon Ho," Dae Hyun stammered. Don't want Aeri to suspect him.

His gaze fixed on a girl who was walking with Do Jin. Everyone even stepped aside to make way for them to pass.

Dae Hyun did not blink his eyes, gazing at Soo Yin's angelic figure. Tonight she was so elegant even though she looked a little mature because of the dress and make-up she wore. Very different from the Soo Yin he used to know.

Not only Dae Hyun, some men even felt the same way, so fascinated.

Do Jin just smiled broadly and waved his hand at everyone. Suck on a smile as Dae Hyun stared at them. Do Jin believed that Dae Hyun wanted to be where he was now, beside Soo Yin.

"Do Jin, why don't you introduce the girl next to you to us?" Hae Kang said, he was one of the hotel's deputies.

"Hey Mr. Kang, don't you know her? She's even been working here for a long time," Do Jin said with a smile. Glanced at Soo Yin who looked nervous.

"Really? I never seem to see her. Then let's get acquainted?" Hae Kang stretched out his hand to shake Soo Yin.

"I ... I'm Soo Yin," The girl stretched out her hand to shake her hand.

"Do Jin said you've been working here for a long time. But why I never saw you," Hae Kang said.

"I ... I" Soo Yin interrupted.

"Are you Soo Yin, my husband's new secretary? I hardly recognize you," Aeri said.

"Is it true?" Hae Kang asked, looking at Dae Hyun.

"Hmm," Dae Hyun replied, nodding his head. Clenched his fingers tightly to hold back his emotions. There was a feeling of guilt when he said it. He should have introduced Soo Yin as his wife not as his secretary. But right now he couldn't do much. If everyone finds out then Soo Yin will most likely be in danger.

Everyone was a little shocked when they hear that Soo Yin was Dae Hyun's new secretary. Remember that so far no one has been able to replaced Eun Bee, who has always worked well. Eun Bee had been on leave a few weeks ago because she was about to give birth.

"You really have good taste Dae Hyun! There will be many businessmen who invite you to work with you if they find your secretary is very charming," Lee Young Joun said. One of the property entrepreneurs who was still young and handsome. One of the partners who will invest his property in The Silla Seoul Hotel.

Dae Hyun just replied with a smile. Then stared at Soo Yin's eyes for a moment. But Soo Yin turned away. There was a sense of disappointment felt by the girl.

"Well the event will start soon!" A young woman who was on the stage exclaimed. She was someone who was in charge of being the host of this evening. So that everyone focused on looking at the stage.

The event was started immediately from the welcoming ceremony and cake cutting. The invited guests were so enthusiastic. There was also entertainment from some quite famous solo singers. Even Aeri also sang a song.

The lights were currently slightly dim, only the lights above the stage were lit. After giving a speech, Dae Hyun walked over to Soo Yin.

"Honey, you are so beautiful!" Dae Hyun praised, he whispered in Soo Yin's ear.

Soo Yin didn't turn around at all. She was pretending not to hear what her husband said. Her eyes focused on looking at the stage.

Chapter 37 - 37 - Kokeshi

Dae Hyun tried to hold Soo Yin's hand. He really wanted to hug her beloved one.

"Don't touch me! I'm sure you don't want people to know about our relationship," Soo Yin said in a cynical tone then shook Dae Hyun's hand.

Luckily the music was blaring and people were busy singing along so no one listened to their conversation.

"Soo Yin, I'm really sorry," Dae Hyun said.

Soo Yin was about to step up to leave, but suddenly her shoes stepped on something slippery so that she almost fell to the floor. Luckily someone caught her body with alacrity.

Dae Hyun, who had reached out to catch Soo Yin's body, now had to pull his hand again. Losing fast with Lee Young John who caught her first.

Soo Yin and Lee Young Joun looked at each other for a moment. Lee Young Joun was so fascinated by the girl in front of his eyes.

Feeling uncomfortable by Lee Young Joun's eyes, Soo Yin tried to stand up as before.

"Thank you, Sir, if you weren't there I might fall," Soo Yin said while glancing at Dae Hyun.

"Next time you have to be more careful," Lee Young Joun said with a smile.

Dae Hyun felt very upset and jealous. He should have been more dexterous earlier so he could overtake to catch Soo Yin's body.

After a little chat, Soo Yin immediately asked permission to leave. Her heart was pounding because she almost felt embarrassed if she fell to the floor. Maybe everyone will laugh at her.

Soo Yin chose to leave the hall. She stepped her feet to a long bench in the hotel garden. Because the event took place inside the hall so the park was currently not too crowded.

When she was about to sit down, it turned out that there was a little child sat there with a sullen face.

"Hey, may I sit in here?" Soo Yin asked.

The child tilted his head to see Soo Yin. It turned out that he was Jo Yeon Ho. "Aren't you ... You are Jo Yeon Ho?" Soo Yin guessed, she tried to remember that kid.

Jo Yeon Ho nodded his head while staring at Soo Yin.

"I'm Soo Yin, aren't you remember me?"

Soo Yin told about the accidental meeting the other day between herself and Jo Yeon Ho.

"You really look very beautiful tonight. I hardly recognize you," Jo Yeon Ho said with a cute accent typical of children.

"Really?" Soo Yin asked.

"When I grow up, shall we get married?" Jo Yeon Ho said.

Soo Yin laughed at Jo Yeon Ho's ridiculous words. Didn't expect a six year old child to say something like that.

"If I'm waiting for you to grow up, maybe I'm already old," Soo Yin said while pinching Jo Yeon Ho's cheek.

"That's does not matter." Jo Yeon Ho took out a Kokeshi carved to resemble a woman's face. It has been a long time since he wanted to give it to Soo Yin, but every time he visited the hotel, there was never another chance to meet her.

"Wow, this is so beautiful! Is this for me?" Soo Yin asked while observing the Japanese souvenir.

"Do you like it?" Jo Yeon Ho asked with a sparkling face.

"Of course." Soo Yin kissed Jo Yeon Ho's cheek who looked really cute.

While chatting, it turned out that Jo Yeon Ho was called by a nanny who had been looking for him. They had to separate because his nanny took Jo Yeon Ho to meet her parents.

Soo Yin smiled as she shook her head as she looked back at Kokeshi in her hand. Didn't expect to see that child again. That mad her heart now feel much calmer.

Chapter 38 - 38 - Lee Young Joun

Soo Yin was still sitting alone, enjoying the beautiful stars at night. A gentle breeze began to blow piercing the pores of the skin, making her body felt cold.

Choosing to be alone rather than mingling with people she didn't really know. She occasionally checked her cellphone, it turned out that it was ten o'clock in the evening.

Inside the hall it was still very busy as the event was still going on and it was likely to end almost midnight.

Soo Yin several times called Jean's cell phone number but was not answered. There was a sense of regret for following Do Jin's words to go to the party tonight.

Soo Yin also disappointed that Dae Hyun had no intention of going to see her. She should have stayed home, maybe it would be better.

"Can I sit here?" Lee Young Joun came over to Soo Yin carrying two glasses of drink in his hand.

"Please, Sir." Soo Yin shifted her body to make room for Lee Young Joun to sit down. It felt rude to tell him to leave. Just sitting together shouldn't be a problem.

"Just call me Lee, don't hesitate," Lee Young Joun said as he sat on the bench leaving a half meter gap between them. Then handed him a glass of the drink he brought to Soo Yin.

"Thank you, Mr Lee." She was about to refuse but Soo Yin felt bad.

Lee Young Joun put his glass on the stool then suddenly took off his coat. Put it on Soo Yin's shoulder. He can guessed that right now Soo Yin is feeling cold.

"Ah, this is not necessary," Soo Yin said as she handed the coat to Lee.

"It's okay, it's pretty cold outside tonight," Lee said with a smile.

"Thank you, Mr Lee," Soo Yin said. Unconsciously sipping the drink brought by Lee Young Joun.

"When will you start working as Dae Hyun's secretary?" Lee asked.

"Maybe tomorrow," Soo Yin replied curtly.

"If I were Dae Hyun, I would be more enthusiastic at work. Because I can see a woman as beautiful as you every day," Lee said, looking at Soo Yin's face.

Soo Yin did not respond to Lee Young Joun's words. She chose to drink out the drink in his hand.

It wasn't long after that Soo Yin suddenly felt something was wrong with her head. Her vision also started to blur and her head was spinning too. Soo Yin closed her eyes while massaging her head.

"Are you okay?" Lee Young Joun asked, frowning.

"I don't know, I suddenly felt dizzy," Soo Yin said, trying to stand up but sat back down.

"Are you sick? Let me take you home," Lee Young Joun said.

"Thank you, but no need," Soo Yin said, trying to stand up but her body collapsed.

Luckily Lee Young Joun immediately caught Soo Yin's body so that she didn't fall to the ground.

"Looks like you are sick. I'll take you home," Lee said.

Soo Yin finally nodded her head, because at the moment she couldn't think clearly. Somehow her head suddenly felt dizzy even though it was fine before.

Lee Young Joun led Soo Yin to walk to his car. Slowly encourage her to enter. His heart right now really felt happy. Earlier, he deliberately put medicine in the drink he brought for Soo Yin. He was so fascinated by Soo Yin's beautiful face that he couldn't wait to have Soo Yin's body completely.

"Honey, tonight we will have fun," Lee Young Joun said, he smiled crookedly. Caressing Soo Yin's smooth cheek who was now unconscious.

The man immediately drove his car out of the hotel area. Intend to take her to his apartment.

HIDDEN WIFE : BEST HUSBAND

Chapter 39 - 39 - Looking For

At the same time, Dae Hyun continued to wander the hall to the park, looking for Soo Yin but never found the girl.

He regretted seeing her only briefly. Dae Hyun believed that Soo Yin must have thought that he had neglected her at the party.

He tried several times to call the number, but Soo Yin did not answer the call. Even though he will invite her to go home together.

Jo Yeon Ho has come home with her nanny. Meanwhile, Aeri suddenly had a shoot that had to be done at night.

Dae Hyun decides to contact Auntie Xia first, maybe by now Soo Yin has returned to the villa. Make sure that the current wife is okay.

"Hello Ahjumma, is Soo Yin home?" asked Dae Hyun.

"Not yet, Sir. Miss Soo Yin is not home at the moment," Aunt Xia replied across the phone.

"Are you sure, Ahjumma?" Dae Hyun asked.

"I've checked it in the room but Miss Soo Yin is not there. Chung Ho also said that she hasn't come home yet," Aunt Xia replied.

"Alright," Dae Hyun said then ended the call.

Not to forget, Dae Hyun called Do Jin's cellphone, maybe she went home with him, but Do Jin said that Soo Yin wasn't with him either.

Dae Hyun's feelings grew worse. There was a bad feeling about something might that happened to Soo Yin.

When he was meeting with Jean, Dae Hyun also asked where she was but the result was the same. She didn't know where Soo Yin was.

Chapter 40 - 40 - Almost Too Late

Soo Yin started to regain consciousness. Slowly opened her eyes and looked around the room. The room felt foreign to her.

A room with white walls. All around there were so many pictures of women wearing only underwear. There was even a painting of a woman who was naked.

As a woman, Soo Yin felt uncomfortable when she saw it.

"Where am I?" Soo Yin said while trying to remember what happened to her that made her ended up being in here. But she only remembered that she was sitting with Lee Young Joun, then her head suddenly felt dizzy. After that, she didn't remember anything.

Soo Yin immediately get up from the bed when she heard the faint gurgling of water from the bathroom. Feeling that something is wrong. She immediately ran towards the door, tried to open it but could not. Soo Yin panicked as she tried to turn the knob, hoping it would opened.

Ceklek.

The bathroom door opened. Lee Young Joun came out wearing only shorts with wet hair. Confidently let Soo Yin see his body muscles.

"Honey, you're awake," Lee Young Joun said as he walked over to Soo Yin.

"What do you want?" Soo Yin shouted, trembling. Really afraid that the man will do something indecent. Since the party she was actually already suspicious. However, she rejected it, because she did not want to prejudice others.

"Let's have fun, Babe," Lee Young Joun said with a lopsided smile. He spoke frankly without further ado, because he was sure that Soo Yin already knew his purpose on bringing her to the apartment.

Soo Yin took a few steps back but her body had already hit the wall. She felt more and more afraid when she saw the burning gaze of that man. Keep trying to get away but Lee Young Joun still walked towards her casually.

"Do not come closer!" Soo Yin shouted while holding out a small knife she found on the nightstand.

Lee Young Joun didn't feel scared at all. What was on his mind right now was for Soo Yin to satisfy his lust. He then parried Soo Yin's hand until the knife fell to the floor.

Lee Young Joun pressed Soo Yin's body against the wall. Locking Soo Yin's two hands above her head with his right hand. Caressing her smooth cheeks with one hand.

"Please, let me go!" Soo Yin shouted with a trembling body. Her eyes were red between holding back anger and fear.

"I will let you go after you have sex with me hahaha." Lee's laughter boomed in Soo Yin's ears. Made her felt goosebumps.

With all her strength Soo Yin tried to rebel by kicking Lee Young Joun in the groin, causing him to fell to the floor.

Soo Yin immediately ran to get her bag which was on the dresser. Quickly dug into her cell phone then dialed Dae Hyun's cell phone number. Luckily he was immediately picked up but she had not had time to speak, Lee Young Joun grabbed it until her cellphone fell to the floor.

Currently, Lee Young Joun had run out of patience in facing Soo Yin. He immediately lifted the girl's body forcibly then slammed her on the bed. Caused the girl's dress to pop upwards. Showed her smooth thighs and long legs.

Lee's passion was burning and he couldn't wait to taste Soo Yin's beautiful body. Without thinking, he tore the upper dress forcibly causing Soo Yin's upper body to open.

"Mr. Lee, let me go," Soo Yin said softly with fear. The tears that had pooled in her eyes were now starting to stream.

Soo Yin didn't expect to face something like this. Dae Hyun never even forced her to have sex. Even though they were a husband and wife.

"Too late!" Lee said in a cold tone.

'Dae Hyun, help me,' Soo Yin thought while shedding tears. She just gave up now, because Lee Young Joun was already looking at her with a fiery gaze and burning desire.

Brak!

The bedroom door opened loudly.

Dae Hyun, who was already very emotional, immediately attacked Lee Young Joun from behind. Pulled his hand forcefully so that Lee was knocked to the floor.

"Dae Hyun, don't interfere if you still want me to invest my property into your hotel," Lee said as he tried to get up.

"I don't care about that. If you dare to touch her, I wouldn't even hesitate to kill you!" Dae Hyun said in a cold tone. His breath was burning with anger.

"Soo Yin, are you okay?" Dae Hyun turned his body to see Soo Yin who was curled up in the corner of the bed.

"Watch out!" Soo Yin shouted when she saw Lee Young Joun tried to attack Dae Hyun from behind with a knife.

Dae Hyun swiftly dodged it so that it only hurt his arm, not his body. Immediately counterattacked by punching Lee in the face with his right arm that was bleeding a lot.

Soo Yin can't do anything. She can only watch the two men in front of him hitting each other.

It wasn't long before Assistant Chang came along with several policemen. Immediately they arrest Lee Young Joun and took him to the police station.

Dae Hyun walked up to Soo Yin who was still huddled. Hold her very tight. Relieved that nothing happened to his wife yet.

"Dae Hyun, I'm so scared," Soo Yin said with tears in her eyes so that it wetting Dae Hyun's shoulders.

"It's okay, I'm here," Dae Hyun said as he rubbed Soo Yin's back. Trying to calm her down. He regretted for forcing Soo Yin to come to the party. If he didn't insist, Soo Yin would probably be fine now.

Dae Hyun let go of his hug and then took off his jacket, putting it on Soo Yin's body even though there was so much blood stuck to it. He immediately tied the wound using his tie.

"We'd better go to the hospital, I'm afraid your wound is pretty bad." Soo Yin grabbed Dae Hyun's arm. Horrified to see the blood still flowing.

"No need, I'll tell Doctor Kang to come over to the house," Dae Hyun said with a smile. He was quite happy to see her worried about him.

"But" Soo Yin interrupted.

"Let's go home," Dae Hyun asked, guiding Soo Yin. He knew for sure that the girl was still terrified by the incident that had just happened. Luckily he came on time. If it was even a little late, Dae Hyun couldn't bear to imagine it.
