

HIDDEN WIFE : BEST HUSBAND

Chapter 51 - 51 - Don't Like

Dae Hyun was grateful that they got to know each other. Usually it's a bit difficult for Jo Yeon Ho to get close to someone he just met. Jo Yeon Ho seemed happy with Soo Yin's presence even though Soo Yin was still stiff and couldn't respond to her son's words.

"Where do you want to go today?" Dae Hyun asked. They will go somewhere according to their son's wish.

"I want to go to the park we've visited with mom," Jo Yeon Ho said.

"Haven't we been there before. Why not somewhere else?" Dae Hyun made another offer because he was reluctant to go to that place again. There were too many visitors in there.

"I don't want to go anywhere else," Jo Yeon Ho said as she crossed his arms across his chest.

Dae Hyun was forced to obey his son's wishes. If he was sulking like that it's useless to convince him.

"Father will not carry you if you are tired," Dae Hyun threatened, hoping his son would change his mind.

"I won't," Jo Yeon Ho said confidently.

Soo Yin was silent. Chose to listen to the debates between them. Since finding out that Jo Yeon Ho was Dae Hyun's son, she has a feeling of resentment in her heart. She was also confused about why her feelings could change like that. Even though at first she really liked the child.

"Why are we going there again, anyway?" Dae Hyun said.

"I want to pick a lot of flowers for *Nuna*(sister) Soo Yin," Jo Yeon Ho said while moving his hand.

"Thank you." Soo Yin tried to smile. Get rid of her dislike.

Dae Hyun immediately turned his car onto the road to the Namsan Park area. The biggest park in Seoul city. This garden was designed with various kind of flower plants and ginkgo trees that made the garden so cool to relax. Usually it was a transit point for people climbing to Mount Nam. So no wonder it was very crowded there.

Before getting out of the car, Dae Hyun wore glasses and a hat so that no one would recognize him. Do not forget to also put on Jo Yeon Ho a coat that can cover his head.

To reach the park they had to walk up the stairs. Jo Yeon Ho was so enthusiastic and excited that he didn't get tired of climbing the stairs. Holding tight his father's hand.

In contrast to Soo Yin who was already struggling behind them. No enthusiasm at all. Especially when she looked at the closeness between father and son. Soo Yin felt like she's forgotten by Dae Hyun.

Dae Hyun looked back to see Soo Yin but the girl was still far below.

"Yeon Ho, wait here for a moment." Dae Hyun immediately went down to Soo Yin.

"Are you tired?" Dae Hyun asked.

"I don't know, my leg feels difficult to move. It looks like my leg is cramping." Soo Yin sat on the stairs while massaging her calves.

Dae Hyun helped to massage Soo Yin's leg. Applying the pain reliever he had taken with him for preparation.

"Is it better?" Dae Hyun asked.

Soo Yin nodded as she tried to stand up again which was helped by Dae Hyun. Back walking slowly following Jo Yeon Ho who was already at the top. Actually, her leg didn't hurt at all, it was just her reason.

"Are you sick?" Jo Yeon Ho asked.

"No, just a little stiff. Let's move on!" Soo Yin took Jo Yeon Ho's hand. Warded off her feelings of dislike.

It didn't take long before they finally arrived at the park. Actually it was more suitable to come here at night. Can see the view of Seoul city lights lit up.

It was already late in the afternoon, making some of the visitors started to leave the park. Only a few couples were still there to enjoy the sunset.

Soo Yin chose to sit on a long bench under the ginkgo tree. Watching Jo Yeon Ho and Dae Hyun laughing cheerfully. Occasionally even take photos for the two of them. Soo Yin covered her face with both hands. Yes, right now she was jealous of Dae Hyun's closeness with his son. Not willing Dae Hyun to share his feelings with others.

Dae Hyun and Jo Yeon Ho approached Soo Yin who was sitting.

"Let's go home?" Dae Hyun asked because it was getting dark.

"Wait for a moment, I want to see the lights down there," Jo Yeon Ho said while pointing at the city of Seoul.

"We'll be late for dinner," Dae Hyun coaxed as he squatted in front of his son. Can't bear to see Soo Yin who must be tired. What's more, tomorrow his wife will have to follow Peter Anderson's journey, who didn't know where they were going.

"Okay, but we have to come here again together with Mom too," Jo Yeon Ho asked.

"Hmmm." That was the only answer Dae Hyun could give to his son.

Before returning home, Dae Hyun took them to a restaurant for dinner. Since earlier, Dae Hyun felt that Soo Yin was a little quieter than usual. While in the restaurant, only a few words were spoken.

◦

◦

They were currently on their way back to Villa Pyeongchang-dong after dropping off Jo Yeon Ho at UN Village. Luckily the boy had fallen asleep from exhaustion. If he was still awake, he would have told Dae Hyun to accompany him to sleep.

'Soo Yin, it's so natural that they are so close. After all, Jo Yeon Ho is his son,' Soo Yin thought as she leaned his head on the seat. Tried to get rid of her jealousy.

"Thank you for accompanying us today," Dae Hyun said as he looked at his wife. Holding Soo Yin's hand with one hand.

"Hmmm," Soo Yin said with a thin smile.

Dae Hyun looked at Soo Yin's face which looked sad.

"Can I ask you something?" Soo Yin is still curious about someone she saw earlier on the way to the airport.

"Of course, Honey," Dae Hyun replied.

### HIDDEN WIFE : BEST HUSBAND

Chapter 52 - 52 - Promise

"When will Aeri return to Korea?"

"Why did you suddenly ask about her?" Dae Hyun felt strange about his wife's question.

"I just want to know. If Aeri comes back will you live with her?" Soo Yin was eager to know the answer, to know whether Dae Hyun really loved her or not.

"Are you jealous?" Dae Hyun teased.

"No, I just wanted to know." Soo Yin turned her head to the side. Didn't understand how she felt right now. Even though she was jealous, she didn't want to admit it.

"If I have to choose, I would prefer to live with you. Before I married you a few months ago, I also stayed more often in hotels." Dae Hyun stopped his car on the side of a quiet road.

"What if Aeri, like you, has someone else out there?" Soo Yin asked.

"Did you see her with someone?" Dae Hyun asked in return. Feeling sure that Soo Yin knew something.

"No," Soo Yin replied curtly.

"Our marriage is just a marriage on paper. Maybe if Jo Yeon Ho wasn't there, we'd been divorced for a long time. But if we divorce, it will affect the hotel," Dae Hyun said with a deep sigh.

"How come?" Soo Yin didn't understand what impact it will have on the hotel if they divorce.

"It's a long story, next time I'll tell you. I just want you to believe in me and be patient until I make you the only one." Dae Hyun kissed the back of Soo Yin's hand.

"What if I don't like Jo Yeon Ho?" Soo Yin can't lie to her feelings.

"I will not force you to like him," Dae Hyun replied with a smile. The man was sure that Soo Yin just felt jealous so he can't like his son yet. It was natural for her to act like that. Basically every woman definitely didn't want to share love with others.

Dae Hyun kissed his wife on the forehead then made his way back to the Pyeongchang-dong villa.

=====

Soo Yin can't sleep thinking about her feeling of emptiness. Rolling around while looking at the man who was fast asleep beside her for a moment.

A man who never forced his will. This was what makes Soo Yin slowly melted. But on the other hand, the girl was afraid that one day Dae Hyun would left her.

Should her fate be the same as her mother? Although the truth was never known whether her mother was like what people said or not.

Soo Yin looked at the wall clock which still showed four in the morning. Get out of bed, stepped her feet to open the door to the balcony. Soo Yin stood while holding on to the fence. Took a deep breath of the fresh morning breeze while looking at the moon that was still shining. It looked very beautiful and enchanting.

"Mom, I miss you," Soo Yin said, unconsciously her tears were dripping. If her mother were still alive maybe her life wouldn't be like this. Although sometimes there was hate that comes. Every child must miss their parents even though they have made mistakes.

Soo Yin didn't notice Dae Hyun who was already standing behind her. Still pensive with his own thoughts.

Dae Hyun wrapped his arms around Soo Yin's waist. Made the girl look back.

"Are you awake?" Soo Yin asked as she back facing the front. Seeing the moon that was covered in clouds. Wiping the tears with both hands.

"Hmmm." Dae Hyun leaned his head on Soo Yin's shoulder. Inhale her sweet scent.

"You can't sleep? Tell me what's stuck in your heart?" Dae Hyun asked.

"No, I just miss my mother," Soo Yin replied softly.

Dae Hyun could hear a tinge of sadness as the girl said this.

"Come back to Aeri," Soo Yin said.

"Why did you suddenly say something like that?" Dae Hyun couldn't believe what he was hearing. Just last night everything was fine. But why this morning the girl has changed.

Soo Yin didn't answer. Still arguing with her own heart. Should you admit your feelings? Must she say that she was jealous of his son? Must she say if she was afraid of losing him someday? Was it selfish if she wanted to be the only one? Could she live like this all her life?

Dae Hyun couldn't stand to see his wife who had been silent since last night. Better to see her angry than silent. Dae Hyun turned Soo Yin's body to face him. Staring into his wife's beautiful, now shady eyes.

"Say it." Dae Hyun gently rubbed Soo Yin's cheek.

"I ... I don't want to be like my mother. I don't want to snatch another woman's husband. I don't want my son to have the same fate as me. Being ridiculed as

a mistress's daughter," Soo Yin sobbed, who can't stop her tears. She also didn't want to snatch Jo Yeon Ho's happiness.

Soo Yin hated herself so much for falling for someone she hated so much at first.

"Honey, you did not take me from Aeri. I forced you to marry me." Dae Hyun hugged Soo Yin. Couldn't bear to see her sad like this. No wonder Soo Yin hated him, it was all because of the bitter experiences of her childhood.

"Still, people will look down on me!" Soo Yin shouted while hitting Dae Hyun's broad chest.

"Sorry, I was so selfish." Dae Hyun was very hurt to hear the girl cry.

"Have you ever imagined how Jo Yeon Ho would feel if he know his father had another woman?" Soo Yin didn't want to be selfish. Better to throw away her feelings before getting too late.

"After marrying you I have thought about every consequences. So I will choose you no matter what," Dae Hyun said without thinking.

"Are you sure?" Soo Yin asked while releasing Dae Hyun's embrace. Looked at her husband's face to know if there were no lies in his eyes.

"You can keep my promise." Dae Hyun held out his round finger.

"But if you lie I'll make sure your life will be ruined." Soo Yin didn't mess with her words.

"You're so cute." Dae Hyun pinched Soo Yin's cheek. Did not think if a girl who looked innocent like her now threatened him.

"Are you going to keep Mr. Peter company?" Dae Hyun asked desperately hoping the girl would refuse his request.

"Of course," Soo Yin said determinedly.

"But I'm afraid that the old man will do something bad to you." Dae Hyun felt traumatized by what happened to Soo Yin the other day by one of his relatives.

"Calm down, this time I can take care of myself." Soo Yin had prepared a small knife that she will carry. If unwanted things happen, she can easily use them.

#### Chapter 53 - 53 - Cooking Rice

From today until the next four days it was likely that Soo Yin won't be able to see Dae Hyun. Because she had to accompany Mr. Peter toured several historical places in Korea.

The first day they will visit a traditional Korean house, namely Namsangol Hanok Village which is located around Mount Nam. It was a house in the Joseon Dynasty. Soo Yin and her entourage rested in one of the houses.

Mr. Peter also said that if he wanted to rent this house one night, then continue the journey again.

Soo Yin approached Mr. Peter along with one of the female tour guides. They were in the kitchen with aprons on their chest. Soo Yin was shocked at the sight. Still didn't understand what that man will do.

"What will she do?" Soo Yin whispered while approaching the tour guide named Mi Na.

"I don't know. He said he wanted to cook while in here," Mi Na whispered.

"I can't believe a westerner like him can cook Korean food." Soo Yin giggled as she glanced at Peter Anderson who was cleaning the vegetables.

"Hussttt, lower your voice," Mi Na said. Afraid that Peter would be offended by their words.

"Hi, you two hurry up and help me. I want to know a young girl like you can cook or not," Peter Anderson said.

"Of course we can," Soo Yin said confidently.

"I'll be out for a moment. I want to buy soju." Mi Na immediately ran away because she never cooked. Instead of embarrassing herself, it's better to stay away.

"Geez why did she leave?" Soo Yin grumbled. Now her guts were shrinking because she left her alone.

Just about to help Peter Anderson clean the vegetables, Soo Yin's cell phone vibrated over and over again. It turned out that there were so many messages that just came in. They're all messages from Dae Hyun.

[Darling, I miss you]

[When are you coming back?]

[I can't work with focus when I'm away from you]

[Please cancel Mr. Peter's request so you could come back soon]

[Honey, that old man didn't do anything to you, right?]

Soo Yin smiled to herself reading all the messages from Dae Hyun. Never thought that a grown man like him could act like a teenager. Immediately reply with only one message.

[Honey, I love you] Soo Yin wrote on her cell phone and immediately pressing, the send button.

"You look so happy." Mr. Peter's voice surprised Soo Yin and made her jump.

"Is that a message from Dae Hyun?" Mr. Peter asked.

Soo Yin bite her lower lip, not answering Mr. Peter. Can't stop thinking because the question was right on target.

"How did Mr. know?" Soo Yin asked. Already wet to cover it. Luckily Mi Na left.

"I know you are in a hidden relationship. After all, I have more experience than you. I can see it when you look at each other." Peter smiled as she reminisced about the past when he was young.

The time when he was married but one day fell in love with a young girl who sold flowers. A simple girl with long wavy hair, skin as white as snow. Thin pink lips. At that time he was so drunk with love that they entered into an illicit relationship. Never realizing that the more he loved that girl, made him destroy his life even more.

They had to separate in the end because Peter had to obey his parents if he didn't want to be crossed off the family list.

Peter stared away with a sad face. He wished he could meet her again. He wanted to make up for all the mistakes he made in his past.

"Are you okay?" Soo Yin shook Peter's body because it seemed like he didn't listen to her. Reflection while letting the water continue to flow even though it's finished using it.

"No, I'm fine," Peter replied, who had awakened from the shadows of his past.

Soo Yin can breathe a sigh of relief. He thought Peter Anderson was in a trance.

"Stand back before you regret it." Peter patted Soo Yin's shoulder, who was frozen. Don't want that girl to have the same fate as the person he loved.

Soo Yin didn't understand Peter's words. It was already too late if she wanted to back off now.

Derrtt.

Derrtt.

Soo Yin's cell phone vibrates so immediately asks Mr. Peter permission to answer it for a moment.

"Hello, dear." Dae Hyun's voice echoed across the phone.

"Hi," Soo Yin replied.

"How was the trip? Is everything alright? The old man didn't mess around, right?" Dae Hyun asked in succession even though they had only been apart for a day.

"Don't worry, I'm fine," Soo Yin said.

"Don't you miss me?" Dae Hyun asked.

"Hmmm, we just parted one day. We'll continue later because I'm working on something," Soo Yin said.

"Alright, bye."

Soo Yin immediately turned off the phone line. So happy that Dae Hyun was so worried about her.

"Soo Yin, please help me wash the rice," Peter Anderson said.

"Okay." Soo Yin took out the bowl filled with rice. Pouring it under running water, unconsciously put something in it.

Her mind wandered remembering Mr. Peter words. Made her very confused now.

"Soo Yin, why is the rice so bubbly like that?" Mr. Peter who saw so many soap bubbles in the bowl asked.

Soo Yin widened her eyes. It turned out that she put dish soap into it.

"Waaa, why is it like this?" Soo Yin shouted in disbelief at what she saw. Was she that stupid to put soap in to wash the rice?

"Don't think too much of my words. I'm just warning you, not scaring you." Peter Anderson shook his head. He knew that the girl was confused now. Not intending to interfere with their relationship but just not wanting to see her suffer. From the looks, the girl still looked very innocent.

"No, I'm just a little dizzy," Soo Yin said while pretending to hold her head.

"I'm going to tell Mi Na to buy medicine," Peter Anderson said.

"No need, let me buy it myself. I'll just tell Mi Na to help you." Soo Yin immediately came out of the kitchen. She shouldn't have helped him from the start. This incident really embarrassed in front of Peter Anderson.

Peter Anderson just shook his head. Really don't have the heart if an innocent girl like her will become a victim. She should have met some nice guy out there.

Chapter 54 - 54 - Meet With Aeri

Soo Yin walked to enjoy the night at the Namsangol Hanok estate. Many houses were still traditional. This night was very beautiful accompanied by the street lights that shine.

Brugh ...

Soo Yin accidentally bumped into someone's body causing them to fall to the ground. The girl tried to get up while rubbing her dusty skirt.

"Are you all right?" After successfully getting up, Soo Yin reached out to help a woman.

"You?" The woman widened her eyes but immediately remained calm.

"Miss Aeri?" Soo Yin was no less surprised if the one she hit just now was Dae Hyun's first wife.

'What is she doing here? Didn't Dae Hyun say Aeri was abroad?' Soo Yin thought as she looked at a man behind Aeri.

"What are you doing here? Shouldn't you still be abroad?" Soo Yin asked while frowning.

"I ... I just stopped at my cousin's place after the trip home. Let me introduce you to this is my brother-in-law," Aeri said, stammered.

Soo Yin just shook hands with a smile. Her eyes continued to observe the two of them who were completely different.

"Soo Yin, please don't tell Dae Hyun if we meet here." Aeri held Soo Yin's hand with a pitiful face.

"Why?" Soo Yin asked.

"He will definitely scold me. He doesn't like it when I visit my family." Aeri hugged Soo Yin's body while sobbing.

"Okay." Soo Yin patted Aeri's back to calm her down. Felt sorry for Aeri. Although not sure if what she said was true.

Aeri said goodbye to left after successfully convincing Soo Yin not to tell Dae Hyun.

Soo Yin returned to the house Mr. Peter rented. It turned out that everyone hasn't slept yet. They still enjoy the night atmosphere while enjoying Korean specialty drinks, named Soju. The one made from rice has a slightly sweet and watery taste. Mi Na also joined in there with some people she didn't know.

"Soo Yin, don't you want to join us?" Mi Na offered.

"Thank you, I'm already feeling sleepy." Soo Yin pretended to yawn so that Mi Na will believe it.

"Okay, I'll catch up later," Mi Na said while waving her hand.

Soo Yin immediately walked into the room. Lied her body on the bed. Playing the cell phone over her mouth.

Derrtt ...

Derrtt ...

Her cell phone vibrated. Soo Yin checked who called her at night like this. It turned out that the number was unknown.

"Hello, Soo Yin, this is dad." It was Kim Nam who contacted her.

"Dad, why don't you call me? I've called your number several times but it's not active," Soo Yin said in a spoiled tone.

"Sorry, it's hard to find a network here. Are you all right?" Kim Nam asked.

"I'm fine. How are you, Dad? When will you come back to Seoul?"

"Don't know yet. Father still wants to be here. How is your husband?" Kim Nam only hopes that their relationship was fine.

"Ah, he's fine."

"Hmm, I want to ask for help. Can you send money to dad?" Kim Nam felt bad when he said that. But there was no other choice.

"Of course. I'm happy to be able to help my father," Soo Yin said.

After chatting for quite a while Soo Yin immediately ended the call because today she was quite tired.

oo

Because she met Soo Yin, Aeri had to go back to UN Village that night. Afraid that the girl would tell Dae Hyun. When she got home, it was eleven o'clock in the evening.

Aeri looked for Dae Hyun's whereabouts in their room but couldn't find him. He wasn't in the office room either.

Nowhere else, Aeri went straight to her son's room. Every time he went home, Dae Hyun would sleep there. They were rarely together.

She also regretted because she already married to that man. If Dae Hyun was poor she would never want to marry him either. All of this was done to support her career. Getting married to the richman was easier to get famous. From there, Aeri took advantage of the situation.

One fatal mistake was when Jo Yeon Ho was four years old, he almost got caught for embezzling hotel funds. Dae Hyun almost divorced her if Jo Yeon Ho wasn't around.

That man really loved his son. Jo Yeon Ho was the only reason Dae Hyun didn't kick her out of this house.

Aeri turned on Jo Yeon Ho's room lights. It dazzled Dae Hyun's eyes and opened his eyes.

"Hi, sorry I woke you up," Aeri said, smiling.

"You're home already? Shouldn't it be in three days?" Dae Hyun who was sitting leaning on the side of the bed asked.

"I've missed you," Aeri said, stroking her son's face.

"It's good if you miss Jo Yeon Ho. Since earlier he say he wanted to meet his mother. Be careful you will wake him up later." Dae Hyun said.

"I'm sorry, dear." Aeri hugged her son's sleeping body.

"Look at Jo Yeon Ho from now on. Don't make him thinks that her mother has forgotten him because she was too busy," Dae Hyun asked. After all, his son needed a mother's love.

"All right, from now on I will reduce my activities outside," Aeri said.

Dae Hyun got out of bed and went out. Reluctant to listen to nonsense from Aeri. It has been a long time saying that she will quit from her career. Will take care of him and his son. Not limiting her activities, but Aeri was outside too often than at home. When they come to an event they often come alone while others come with their wives. He was not a stupid man who always believed her words. What's more, now there was Soo Yin who fills her heart.

Dae Hyun has been trying to understand Aeri for a long time. Trying to love her even though it was very difficult to do it until finally he got bored with his efforts.

Aeri followed Dae Hyun's steps to their room. Hugged him from behind. Dae Hyun tried to release Aeri's hand that was wrapped around his waist.

"Honey, I miss you," Aeri said.

"You must be tired, go to sleep it's late." Dae Hyun immediately lied down on the bed. Covered his whole body with a blanket. Right now there was a heart to guard.

### Chapter 55 - 55 - Surprise

Four days later ....

After visiting several historical places, right now was the time for them to return to The Silla Seoul Hotel. Soo Yin can breathe a sigh of relief to be free from Peter Anderson. A job that looked easy but she didn't enjoyed. Once they arrived Soo Yin headed straight to her room.

Looking through the glass partition, it turned out that Dae Hyun was not there.

"Has he come home?" Soo Yin looked at the wall clock which was still showing seven in the evening. It's too late to go home.

Soo Yin looked back to the corner of the room to the toilet and a room in his room. Still not there.

"Are you looking for me?"

Dae Hyun's sudden voice made Soo Yin's heart want to fall out.

"You startled me." Soo Yin walked up to Dae Hyun then hits his shoulder spoiled.

"Ouchhhh!" Dae Hyun pretended to be in pain while holding his chest.

"I hit your shoulder not your chest," Soo Yin said. Already know if her husband was pretending.

"Come on follow me." Dae Hyun grabbed Soo Yin's wrist to follow him. Enter the elevator that went straight to the underground parking lot.

"Where are we going? Let go of my hand, I don't want people to see us," Soo Yin said.

Dae Hyun ignored Soo Yin's words. Instantly pushed the girl into the car. Covered Soo Yin's eyes with a cloth.

"Don't peek," Dae Hyun said.

Soo Yin obeys Dae Hyun's words. Although curious, the girl chose to remain silent without asking many questions.

After half an hour the car stopped. Dae Hyun helped Soo Yin to get out of the car and guided her to walk.

Soo Yin continued to follow Dae Hyun's footsteps. Her hands were holding on very tightly. Soo Yin can hear the sound of water flowing.

"Open your eyes." Dae Hyun slowly untied the cloth covering Soo Yin's eyes.

Soo Yin was so fascinated by the sight of the colorful lights. It turned out that Dae Hyun took her to Cheonggyecheon Stream, a stream located in the center of Seoul.

This time, Dae Hyun rented a spot known as the Wall of Proposal. People said, that place was where many people confessed their love for their partners.

Soo Yin never dreamed that she could come to this place with Dae Hyun. In the past, she used to come here often, but just to play with her friends.

"Do you like it?" Dae Hyun asked.

The girl just nodded her head. Her current feeling was too happy, it couldn't be described in words.

Dae Hyun put his arm around Soo Yin's waist while holding a small blue box. He opened it right in front of his idol girl.

Soo Yin widened her eyes when she saw the contents. It turned out to be a necklace with a love-shaped pendant with blue gems.

"Isn't this too much?" Soo Yin said.

"This is our wedding gift. I didn't even buy you anything when we got married," Dae Hyun said then put the necklace around his wife's neck.

"If at that time you gave anything to me. Maybe I had thrown it away." Soo Yin remind back to knowing Dae Hyun already had a wife. Really he was very angry at that time. It was inversely proportional to what he felt right now.

"Then are you going to throw it away now?" Dae Hyun asked.

"I'll throw it away if you dare to play behind me," Soo Yin said as she turned around, staring at Dae Hyun with a sharp gaze.

"I love nothing else but you. Trust me!" Dae Hyun cupped Soo Yin's face with his hands. Kissing the lips that he had missed.

"I'm hungry," Soo Yin said while holding her stomach.

Dae Hyun almost forgot that his main purpose in bringing Soo Yin here was for a romantic dinner. Immediately bring Soo Yin to sit in a chair with various dishes at the table.

There was a professional chef who was ready to serve them both.

"You're too much. What if someone sees us?" Soo Yin didn't want what she was afraid to really happen.

"No way, I've arranged everything to be safe." Dae Hyun calmed the girl so that she didn't have to worry.

They eat in a silent state, only their faces reflect that they are very happy. They looked at each other and there were smiles on their lips.

"Do you believe that I really love you?" Dae Hyun asked as he looked at Soo Yin with love. He will prove that he really loved the woman in front of him.

Soo Yin nodded with a cracked smile on her lips. Made Dae Hyun intoxicated by her. This was the first time falling in love again after having felt it in high school.

"Thank you." Soo Yin stood up then hugged Dae Hyun's body very tightly.

"Let's go home, it's already late. You must be very tired," Dae Hyun offered.

Derrtt.

Derrtt.

Suddenly Dae Hyun's cell phone vibrated. When checking, it turned out that Aeri's name is calling.

"Dae Hyun, hurry come home. Jo Yeon Ho has a high fever," Aeri said across the phone in panic.

"Okay, I'll be home soon." Dae Hyun turned off the phone line. Currently very worried about the state of his son.

"What is wrong?" Soo Yin asked.

"Honey, I have to go home. Currently, Jo Yeon Ho has a fever," Dae said while holding Soo Yin's hand.

"Go home! I'm sure Yeon Ho really needs you."

"How about you?" Dae Hyun didn't have the heart to leave Soo Yin.

"I'll call Chung Ho to pick me up." Soo Yin pushed Dae Hyun's body to leave immediately and not have to worry about her.

After escorting Dae Hyun into the car, Soo Yin walked around the stream because Chung Ho hasn't shown up yet.

Tried to calm her heart to keep calm. Think positively if her husband only visited her son. After all, Soo Yin was a good girl who won't have the heart to let Dae Hyun be with her while her son was sick.

### Chapter 56 - 56 - Jo Yeon Ho Has A Fever

Dae Hyun immediately drove his car fast after exiting the Cheonggyecheon Stream area. Overtaking several riders in front of him. Until everyone was honking their horns. Several times he even ran a red light until his car almost hit another car. Dae Hyun really didn't care about them. Right now all he had in mind was his only son. Even though not loving his mother didn't mean he didn't care about Jo Yeon Ho. In fact, he really loved that child.

UN Village,

Once Dae Hyun arrived, immediately parked his car in the yard. Ran into the house in haste. Walked quickly up the stairs while calling Doctor Kang.

"Hello, Doctor Kang, hurry to my house," Dae Hyun said in a panic once connected.

"Which house is yours?" Doctor Kang asked. Fear of mistaking the house he you didn't ask first.

"My son has a fever. Don't ask too many questions, come here quickly!" Dae Hyun immediately turned off the telephone line when he arrived in front of Jo Yeon Ho's room.

It turned out that Aeri was sitting next to Jo Yeon Ho. Meanwhile, Aunt Eun Hee seemed to be compressing her son's head using cold water.

"Ahjumma, what happened?" Dae Hyun asked while holding Jo Yeon Ho's forehead with the back of his hand. The temperature was quite stinging against the skin. His eyes were tightly closed. His lips were also very pale. Made Dae Hyun can't bear to see it.

"The little master this afternoon complained of headaches and stiff neck. But after dinner suddenly his body temperature immediately rose," Aunt Eun Hee replied.

Dae Hyun looked at Aeri for a moment. Her face looked sad. Maybe she regretted that she never took care of Jo Yeon Ho.

"Why just contacted me?" Dae Hyun asked Aeri. If she had contacted him earlier it might not have been that hot.

"Sorry, I just came home after had dinner with my friends," Aeri replied with her face down. Even though from the beginning Jo Yeon Ho had forbidden her to go.

Upon hearing Aeri's answer, Dae Hyun actually wanted to be angry. But remember that he also did the same thing. All he could do was pray that his son was all right.

Not long after that Doctor Kang came. Immediately took out his medical equipment to check on Jo Yeon Ho. Check the temperature using a thermometer. Checking his heartbeat that was beating faster. Did not forget to checked his pulse.

"Doctor, how is my son?" Aeri asked. Her face looked worried.

"It's okay, it's just a normal fever. However, if we're too late to give him the medicine it will be fatal," Doctor Kang said, putting the equipment back in his bag.

"Thank God." Dae Hyun rubbed his chest. Relieved to hear that Jo Yeon Ho is fine. There are no serious health problems.

"I will prescribe the medicine. But if in three days the condition has not improved, you should take him to the hospital to the further check of his condition," Doctor Kang said while writing a prescription. Hand it over to Jo Yeon Ho's nanny.

"Didn't you say there wasn't a serious problem?" Dae Hyun asked.

"I also hope there is no problem. Well, I have to go immediately because soon I have to operate on my patient," Doctor Kang excused himself.

Dae Hyun escorts Doctor Kang to the front yard. Doctor Kang felt strange because suddenly Dae Hyun was dropping him off.

"I almost went to Pyeongchang-dong villa if I didn't ask," Doctor Kang said as he opened the car door.

"Shut up." Dae Hyun glared at Doctor Kang. It was not the right time for everyone to know about their relationship.

Doctor Kang just smiled because he had succeeded in teasing Dae Hyun.

"Calm down, I'll shut up," Doctor Kang said as he chuckled Dae Hyun's shoulder.

After escorting Doctor Kang, Dae Hyun immediately returned to the top. It turned out that the medicine was very fast-acting. Now his body temperature has dropped along with the sweat from his body.

"Father, Mother, I want to sleep with you two," Jo Yeon Ho said in a typical spoiled child tone.

Aeri and Dae Hyun looked at each other. What was the cause of his son's illness was because he longed for the togetherness between them.

"Don't worry, dad will take care of you here," Dae Hyun said with a smile as he stroked the top of Jo Yeon Ho's head.

There was no way to refuse his son's wishes at a time like this. The important thing was to get him recovered and nothing unwanted happens.

oooooooooooooooooooooooooooo

When Dae Hyun woke up, it turned out that Aeri was not in bed. Only Yeon Ho was still sleeping asleep beside him. He thought that Aeri must have left as usual.

In the past, Dae Hyun was often angry because of her actions like that, now Dae Hyun let her and didn't care about where she went.

Dae Hyun immediately cleaned his body because he had to work immediately. Almost forgot that he hasn't contacted Soo Yin after leaving her last night. Just when he was about to call Soo Yin's cell phone number, the door was opened.

It turned out that it was Aeri who had just entered carrying a tray of food. Dae Hyun frowned because the sight was so rare.

"I brought breakfast for you," Aeri said.

"You don't need to bring it here, I prefer to eat downstairs," Dae Hyun said then passed Aeri out of the room.

"Shit," Aeri grumbled with great annoyance. Her attempts to impress her in Dae Hyun's eyes were not successful at all.

Before leaving, Dae Hyun first returned to Jo Yeon Ho's room. Make sure the fever did not come back.

"You are awake. Does your head still hurt?" Dae Hyun said.

"I'm fine," Jo Yeon Ho said cheerfully.

"Okay, then daddy go first." Dae Hyun kissed his son's cheeks and then hurried away.

Chapter 57 - 57 - Look Different

Repeated alarms echoed through the room. But Soo Yin just grabbed it then turned it off again. Her body felt very tired and lackluster. The girl could only sleep after one o'clock this morning.

If Dae Hyun was around, there was no need to set an alarm as someone patiently wakes her up.

Soo Yin blinked her eyes while covering her eyes with her hands. Felt the glare of the morning sun. Immediately remembered that this morning she had to attend Dae Hyun's meeting with Peter Anderson to discuss cooperation.

Soo Yin immediately sat up but lay back on the bed. Today was really lackluster and didn't want to go anywhere.

Suddenly smiling to herself remembering the romantic dinner with her husband last night. Feeling for the necklace that was wrapped around her neck then kissing the pendant.

She did not want to rush off to work because there was no way that her husband would be angry if he heard the reason. After all, Dae Hyun didn't force her to do work either. No need to do anything the most important was to be beside him. That's what Dae Hyun always said.

Soo Yin immediately took her cell phone which was on the nightstand. Checked messages and calls but there was no call from Dae Hyun. There was a desire to contact him but Soo Yin held back. Maybe Dae Hyun was busy.

'How's Jo Yeon Ho? I hope he's fine,' Soo Yin thought as she bite the end of her phone.

But her feeling was restless. Afraid something might happen to Jo Yeon Ho. But there were also thoughts that it was just Aeri's excuse for Dae Hyun to come home soon.

The thought of them spending the night together made her heart feel hot. The girl threw away the blanket covering her body to the floor. immediately get up and went straight to the bathroom because it's eight o'clock in the morning.

She chose clothes that are a little fashionable so that she can balance out Aeri's appearance. Wearing a brown skirt above the knee and a white shirt that made her look sexy. Who used to only wear thin lipstick, Soo Yin now applied it a little thicker as taught by Doo Jin. Tried to wear eyeliner and mascara too. Made her appearance a little different from usual.

After getting ready Soo Yin immediately went downstairs to say goodbye to Auntie Xia first.

"Ahjumma, I will go now," Soo Yin said with a cheerful face while wearing the prepared sunglasses.

"Miss." Aunt Xia gasped. Looked Soo Yin up and down. it was unusual for that girl to look like that. Auntie Xia rubbed her eyes, afraid to see wrong. Mistakes Soo Yin but it wasn't.

"Ahjumma!" Soo Yin moved her palm up and down right in front of Aunt Xia's face because the middle-aged woman was pensive as if she was unconscious.

"Are you sick, Miss?" Aunt Xia immediately regained consciousness then touched Soo Yin's forehead. Who knows took the wrong medicine to made her like that.

"Ahjumma, do I look strange?" Soo Yin pursed her lips.

"No, you are very beautiful, Miss. But why did you suddenly change your appearance?" Aunt Xia asked. Wanted to say that her makeup was a little too much but afraid to made her sad. Yesterday Soo Yin told Auntie Xia to change the clothes in the wardrobe with a more polite one. But why wear the sexy clothes today?

"I want to be like Aeri. I'll go now, Ahjumma." Soo Yin immediately walked waddle like a model. Slowly disappearing behind the door.

Auntie Xia who witnessed Soo Yin's new appearance just shook her head. Even though it was a little exaggerated, it was a sign that the girl didn't want to lose to Aeri.

oooooooooooooooooooooooooooooooo

The Silla Seoul Hotel.

Soo Yin got out of the car. The sunglasses perched on her nose made everyone pique. The wind that blew made her wavy hair fly. Her hand was waving to everyone she met.

"Soo Yin, what's wrong with you today? I nearly asked to take a photo with you. I thought you were an artist." Jean chuckled with amusement at her friend.

"Do I look weird?" Soo Yin asked. Get annoyed with Jean who laughed at her appearance.

"You're beautiful, it's just a little too much," Jean said, trying not to smile.

"What do you mean?" Soo Yin asked, did not understand what was too much in her body.

"You deserve more to go to parties than to work." Jean took out a mirror from her bag. Shoved it into Soo Yin's face.

Soo Yin looked at her face in the mirror. It's a little weird and messy. The lipstick is too thick too.

"Okay, I'll go now." Soo Yin immediately stepped into the elevator leaving Jean. Her intention to change actually made her look weird. She took the tissue from her bag. Immediately rubbed her lips roughly. Today was truly embarrassing.

Soo Yin went straight into her room. Lied her face down on the table. She just wanted to get away from this world.

Dae Hyun approached Soo Yin. Worried that the girl was angry because last night he had left her.

"Honey, I'm sorry. I didn't mean to leave you. Jo Yeon Ho does have a fever." Dae Hyun stood in front of Soo Yin. Tried to pull the hand that covering her face.

"I'm not angry, but you better go!" Soo Yin shouted while sobbing.

"Honey, what's wrong with you?" Dae Hyun stroked his wife's hair gently.

Soo Yin shook her head while raising her face with her palms covering it.

Dae Hyun smoothed the messy hair over the girl's face. Put it behind the ear.

"What's the matter? Did something happen?" Dae Hyun said softly while holding Soo Yin's hand so it didn't cover her face.

Slowly Soo Yin lowered her hand from her face. So that Dae Hyun can see her messy face. The lipstick was smudged past the lip line. Her eyelids were also black with a mascara stain.

"Come on, I'll clean your face." Dae Hyun leads Soo Yin into the room in his office.

#### Chapter 58 - 58 - Help Me

Dae Hyun sat Soo Yin on the edge of the bed. Gently wiped the tissue on his wife's face.

"What happened?" Dae Hyun asked while continuing to focus on cleaning the remaining lipstick on her lips.

"You would laugh at me if I said it." Soo Yin pursed her lips. Made Dae Hyun nervous wanted to eat it.

"No. I promise I won't laugh," Dae Hyun said staring closely at Soo Yin's eyes.

"I thought I wanted to change like Aeri, but it turns out that everyone looks at me like I'm a weirdo," Soo Yin said with a sullen face.

Dae Hyun knit her brows together. Looked Soo Yin's body from top to bottom. Indeed, today she looked very different from usual. Her smooth thighs were now slightly visible. Whereas initially Soo Yin refused to wear clothes like this.

"Honey, you don't need to change and dress up like Aeri. You're much prettier as usual," Dae Hyun said while rubbing Soo Yin's cheek.

"But Do Jin said that I look very ugly. Much different from Aeri who is like a princess," Soo Yin said with annoyance remembering how Do Jin insulted her.

"No need to think about what he said. He's just like that, sometimes his jokes are a little too much." It was unexpected that a stubborn girl like Soo Yin would change.

"I will tell Chang Yuan to buy new clothes. I don't want all men to see your body. Don't dress like this in front of many people," Dae Hyun asked, then sent a message to Chang Yuan to buy new clothes for his wife.

Soo Yin just nodded while covering her slightly open chest. Even though it didn't show the two twin mountains on her chest, it made her feel embarrassed.

"What are you covering up for? Haven't I seen that before," Dae Hyun teased. Soo Yin's face immediately flushed red. Thinking back to how at that time almost swayed by Dae Hyun's charm.

Not long after, there was a knock on the door from outside so Dae Hyun rushed out and closed the door. Afraid that someone will see them.

It turned out that it was Chang Yuan who knocked on the door.

"Here, Sir." Chang Yuan handed him a paper bag containing what his boss ordered.

"Well, stay here just in case someone enters," Dae Hyun asked, maybe someone suddenly will looked for him.

"Sir, there will be soon a meeting with Mr. Peter." Chang Yuan only reminded, fear that his boss forgot.

"I know, still about 20 minutes left."

Dae Hyun immediately went back in to see his wife. It turned out that she was standing looking at the view from the glass window.

"Honey, I brought clothes for you." Dae Hyun walked towards Soo Yin to the window.

"Are you going to be here all the time?" Soo Yin asked.

"Sure, maybe you need my help." Dae Hyun winked one eye. Somehow he really wanted to keep teasing his wife.

Soo Yin agreed because there was no way Dae Hyun would dare to do anything because he will soon have a meeting.

Soo Yin went straight into the toilet and closed the door. About to take off her chiffon shirt but struggled to get her hand out. Even though she has opened the two buttons on the shirt.

Dae Hyun just watched the toilet door that wouldn't open. Feeling curious because no sound could be heard from inside Dae Hyun knocked on the door.

"Honey, are you all right?" Dae Hyun asked as he kept knocking on the door.

Soo Yin bit her lower lip. For a moment hesitated to tell the truth. But Dae Hyun kept knocking on the door. So slowly Soo Yin opened the lock without any intention of going out.

"Dae Hyun, help me!" Soo Yin shouted from inside the toilet while trying so hard to take off her clothes so that it made her tight but didn't come off.

Dae Hyun who heard the girl's scream made him worried. Immediately pushed the toilet door.

"What is wrong?" Dae Hyun asked in panic.

"I can't take off my clothes," Soo Yin said, who was already about to cry. Shamelessly now facing her husband.

'You always make me can't stand it,' Dae Hyun thought as he massaged his temples. Take a deep breath from the nose. Take it out of the mouth.

"But I'm afraid I can't help it," Dae Hyun said with a mischievous smile.

"Then, how?" Soo Yin said desperately. Can't stop thinking if this damn shirt was so hard to take off. When wearing it this morning it was a little difficult but she still forced it until it finally worked.

Dae Hyun let out a deep breath. Feeling sorry to see her pale face. Immediately went over to Soo Yin then tore her clothes by force. Good thing the material is thin so it's easy to do.

Now he saw the bra covering the beautiful mound he had wanted for so long. Dae Hyun could only gulp his saliva so he chose to turn his gaze away. But the scene in front of him really made him unable to stand it.

Dae Hyun lifted Soo Yin's body. Take her outside and then put her on the bed. The mini skirt that Soo Yin was wearing was flung upwards. Until he could see the red panties that match the bra.

"What are you going to do?" Soo Yin widened her eyes. Trying to get up but Dae Hyun gave her a foggy and hopeless look.

"Honey, I really can't stand it," Dae Hyun said while whispering in his wife's ear. Making the strange tingling that was felt at that time was now repeated.

Dae Hyun got on top of Soo Yin's body. Just as the girl opened her mouth to speak, Dae Hyun had already closed her lips. Kissed her with great passion which is already at the tip of the head.

Last night didn't do anything even though Aeri teased him.

### HIDDEN WIFE : BEST HUSBAND

Chapter 59 - 59 - I Want A Honeymoon

Soo Yin felt sorry so she started kissing him back. She has been stalling for a long time, not that she didn't want to do it but she was not ready. People think that the first time they have intercourse was very painful. Like being cut by a

very sharp knife. Made her shudder with horror at the thought. She must not know the truth yet.

Dae Hyun kissed his wife's neck to collarbone leaving a red ownership mark. His hand played with the springy object on Soo Yin's chest. Making the girl bounce back and forth even though she tried to endure it.

Soo Yin suppressed her voice so she will not to let out a sigh as Dae Hyun sucks on a small red object.

"Honey, do you want it too?" Dae Hyun knew that girl felt the same way.

"Please stop," Soo Yin said softly with a pleading look.

"Don't you want it too?" Dae Hyun said while continuing to put the girl's ear into his mouth.

"I want a honeymoon. I don't want to do it here," Soo Yin said without thinking anymore.

Dae Hyun stopped the action.

"You promise if we honeymoon you will do it?" Dae Hyun just made sure what she said was not for reason alone.

"I promise." Soo Yin sits while pushing her husband's body. Gasping for breath.

"Okay, if you avoid it I'll still force you," Dae Hyun threatened.

"Yes, yes. You're very worried." Soo Yin immediately put her bra back on. Quickly put on the clothes that are in the paper bag.

Dae Hyun immediately went into the toilet. Often times holding back cravings made his head dizzy and felt very frustrated. But still have to be patient, didn't want to force Soo Yin to really be willing to do it.

Soo Yin felt relieved that now she can get away again. She herself won't be able to feel the pain and soreness. According to the books she had read. It will bleed a little but hurt a lot.

After changing into a more polite outfit. Soo Yin smoothed her make-up, returned to her natural and not exaggerated makeup. Immediately went outside which was immediately followed by Dae Hyun behind her.

"Assistant Chang?" Soo Yin was surprised to see Assistant Chang was sitting on the sofa.

'Hopefully he didn't listen while we're inside,' Soo Yin thought.

"Good morning, Miss," Chang Yuan said as he stood up. Bow politely.

"Chang Yuan, immediately prepare for us to go on vacation to a very romantic and secluded place. I will go on honeymoon with my wife," Dae Hyun asked, who was standing right behind Soo Yin.

"What do you mean?" Soo Yin asked with her eye widened open. When she said that earlier, Soo Yin was still so subconscious that she didn't remember it.

"Didn't you say we were going on honeymoon?" Dae Hyun said frankly.

"Assistant Chang, please don't listen to him!" Soo Yin felt embarrassed that Dae Hyun was blunt in front of other people.

Chang Yuan didn't know what to say. Better to just keep quiet while nodding his head.

"I can't hold it anymore ...." Soo Yin silenced Dae Hyun's mouth so he will not to continue his words.

"I'd better go to the meeting room first." Chang Yuan immediately left the room.

"Aren't you ashamed to say it in front of other people? What if they tell your wife?" Soo Yin said irritably.

"No need to worry, Chang Yuan already knows everything about us. He's not someone else," Dae Hyun said casually.

"Never mind, it's useless talking to you," Soo Yin said irritably. Returned to her desk immediately. Prepare files and notes that will be brought to the meeting room. Even if it's just for formality. There was Chang Yuan who will do all the work.

oooooooo

There were six people at the time who attended a meeting to discuss investment. There were Peter Anderson and his men as well as Dae Hyun, Chang Yuan and Soo Yin.

During the meeting Soo Yin was silent. Didn't understand what they were talking about. Pretend to listen with pen in hand. Making her so bored and wanted to leave.

Dae Hyun only glanced at Soo Yin who was sitting next to him.

After signing the contract agreement and the necessary documents, the meeting was finally over.

"Thank you, I hope our cooperation is well established," Peter Anderson said with a smile on his face. His hand shook Dae Hyun's hand as proof of the agreement.

"You're welcome Mr. Peter, I also hope everything goes well," Dae Hyun replied.

"Soo Yin, thank you for accompanying us while we're in Korea," Peter Anderson said.

"No problem, I'm happy to do it," Soo Yin replied with a smile.

When Peter Anderson arrived, Dae Hyun couldn't pick him up. Instead, he drove them to the airport when they returned.

=====

Dae Hyun drove the car while holding Soo Yin's finger with one of his hands. Glancing at his wife who was enjoying the view on the side of the road. Today's weather looks very bright. There was no sign of snow falling.

"I can't wait to go on a honeymoon," Dae Hyun said as he tucked a smile on his lips.

Soo Yin only glanced briefly with a sharp gaze. Her face immediately turned red.

"Isn't there anything else you can think of?" Soo Yin pursed her lips. Dae Hyun had said that phrase so many times that it annoyed her quite a bit. Her ears felt hot when she listened.

"No," Dae Hyun said with an amused chuckle.

Soo Yin looked away. Really regretted what she said about going on a honeymoon. Her dirty mind wanders whether every honeymoon couple was just doing that 'thing'. If they were away for a week just to do that. Aren't they'll get bored?

'Soo Yin, what do you think? Don't think anything stupid like that,' Soo Yin thought, she shuddered in horror.

"What are you thinking?" Dae Hyun who was curious asked.

"N ... no, I didn't think of anything," Soo Yin replied nervously.

## HIDDEN WIFE : BEST HUSBAND

### Chapter 60 - 60 - Like Brothers And Sisters

"N ... no, I didn't think of anything," Soo Yin replied nervously.

"Are you also thinking what I think?" Dae Hyun winked one eye.

"Huh, there's no way I think perverted like you!" Soo Yin pulled her hand from Dae Hyun's grasp. Fold it across the chest. But immediately realized because it seemed like she had spoken wrong.

"Got you!" Dae Hyun said in a laughter.

"Not funny!" Soo Yin said, pretending to be angry. Why was she so provoked by what that man said.

"If your face is frowning like that, it makes me want to eat you right away."

"You're so annoying!" Soo Yin hit Dae Hyun's shoulder.

"Although I'm annoying, but you've even fallen in love with me," Dae Hyun teased.

"If you keep talking, I'll jump now," Soo Yin threatened.

"Alright, from now on I'll shut up," Dae Hyun said as he pursed his lips tightly.

"Where are we going?" Soo Yin asked when Dae Hyun turned the car not towards the road back to the hotel, but in another direction.

Dae Hyun was silent, he focused on staring at the street. Earlier his wife also told him to be quiet. So it was his pleasure to do it.

After a while, Dae Hyun stopped his car in front of a large shopping center which was famous for branded goods. Only rich people shop there. On it said Yeosu Premium Outlet.

When Soo Yin was in school, she once visited with his friends. Even if it's just to wash her eyes.

"What are we here for?" Soo Yin asked.

"I want you to choose what you like in this place." Dae Hyun took off his seat belt.

Dae Hyun went out first. Meanwhile, Soo Yin was still inside.

"Let's get out!" Dae Hyun already opened the door for his wife.

"But ...." Soo Yin said.

Dae Hyun grabbed her hand for Soo Yin to come down. Today he deliberately took his wife to shop for her necessities. Since marriage, he has never asked her to go shopping. Dae Hyun felt guilty for not letting his wife wear the clothes she likes.

"Let go of my hand! I don't want people to misunderstand us." Soo Yin didn't want that tragedy at the cinema to repeat itself.

"So what if everyone knows? It's easier for me to tell the truth," Dae Hyun said casually.

"I don't want to be accused as a flake!" Soo Yin gave distance so that they were not walk side by side.

Instead of moving away, Dae Hyun clung even more. So Soo Yin immediately pushed him while looking around scared if anyone saw them.

"Get away from me one meter, don't come near! If you don't want to, I better go home!" Soo Yin snapped.

Dae Hyun massaged his temples. Can only comply with his request to walk one meter away from her. Felt confused by Soo Yin's attitude who was sometimes spoiled, sometimes angry, sometimes gentle. He didn't know what his wife was thinking. Even so, from the beginning of meeting her, Dae Hyun had already fallen in love.

Dae Hyun walked ahead of his wife to push open the glass door.

Soo Yin widened her eyes. It was unexpected to be able to visit there again after two years ago. The place has changed a lot. More and more shops selling expensive goods various products.

"Have you been here?" Dae Hyun asked as he walked over to Soo Yin.

"I was here just to accompany my friend shopping," Soo Yin said. Her eyes looked around.

"Remember to keep a distance!" Soo Yin said as he walked away because Dae Hyun was almost attached.

Dae Hyun scratched his head. It turned out this was what it felt like to be in a relationship but no one should know. Felt grateful that Soo Yin didn't ask for something weird like some of his friend's mistresses.

Suddenly he remembered having a friend who also owned a Japanese restaurant in the Yeosu Premium Outlet area. Better get there first because it was lunch time.

"Let's have lunch first!" Dae Hyun carelessly took Soo Yin's hand.

"Didn't I tell you over and over that we shouldn't get too close!" Soo Yin said irritably.

"Never mind, no one here will pay attention to us," Dae Hyun said.

Soo Yin finally followed Dae Hyun's footsteps as he continued to observe her surroundings. Maybe someone she knew was suddenly here.

Dae Hyun immediately went into his friend's restaurant which spoke Japanese.

"Wow, look, it's been a long time since he joined us. It's lucky to see him again today," one visitor said, he was none other than Dae Hyun's friend, Do Yun.

"Who is that woman with him?" Choi Won said while observing Soo Yin's strange face.

"Hi, Dae Hyun, hurry over here!" Choi Won called while waving his hand at Dae Hyun.

Dae Hyun, who has not been meeting his friends for a long time, immediately approaches his friends along with Soo Yin, who he continued to hold on to.

"Long time no see," Dae Hyun said with a happy face.

"Huh, you're always busy working. It's not like us who enjoy life," Do Yun said with a sneer.

"Especially after getting married, you rarely show yourself," Choi Won said.

"Who is she?" Choi Won asked while observing Soo Yin. At first, he thought that she was Aeri but after being examined her face it was so much different.

"Let me introduce, this is my wife's name Soo Yin," Dae Hyun said confidently. Proud that his friends will be jealous because Soo Yin looked so young compared to him.

Heard Dae Hyun come clean about their relationship. Soo Yin pinched Dae Hyun's arm.

"Your wife?" Choi Won and Do Yun simultaneously asked. They look at each other. Then they laughed so hard that they made their stomach hurt.

"Why are you laughing?" Dae Hyun asked in a cold tone, making the two friends stop their laughter.

"Don't lie. Just tell me that she's your sister. No need to lie to us," Choi Won said while holding his stomach.

"Wait, but they don't look alike at all," Do Yun said.

"She's my second wife," Dae Hyun said in a loud voice.

"Dae Hyun, why did you say that?" Soo Yin whispered.

"There's no need to cover it up," Dae Hyun said as he pulled a chair for Soo Yin to sit his wife down.

Soo Yin hesitates so she was still standing. Felt uncomfortable because she was the only woman among them.

"Miss, sit down, don't worry we won't bite," Choi Won said with a smile to Soo Yin.

Finally Soo Yin sat next to Dae Hyun.

"If she's your wife, when did you guys get married and why didn't you invite us?" Choi Won asked.

"Hmmm, we got married secretly. Aeri didn't know it either," Dae Hyun said casually.

"Where do you get a young woman like her?" Do Yun whispered in Dae Hyun's ear.

"Secret," Dae Hyun replied as he continued to look at his wife.

"I want to go to the toilet. Is it okay to ride here?" Soo Yin asked, uncomfortable listening to their chat. There was something weird about her stomach too.

"Of course, the toilet is over there." Do Yun pointed to the toilet with his hand.

"Thank you, Dae Hyun. I'll go to the toilet first." Soo Yin immediately went in the direction Do Yun was pointing.

"Hi, Dae Hyun, have you been here for a long time?" Jung Rok asked while carrying a tray filled with drinks and snacks. One of his friends who was also the owner of the restaurant.

"I just got here," Dae Hyun said.

"You came alone? Where's Aeri?" Jung Rok asked.

"He came together with his young wife. Currently she is going to the toilet," Choi Won said.

"Really? Wasn't he the most loyal man in all the school back then. It was impossible to suddenly have two wives." Jung Rok can't believe what he heard just now.

During high school Dae Hyun was known as the most loyal man because during that time he never changed girlfriends. Until graduated his love for one woman only.

"If you don't believe it, you should see," Do Yun said.

"Why did you get married again?" Jung Rok asked, feeling curious about the reason why he got married again.

"I'm just trying to have the girl I love," Dae Hyun replied as he looked at his friends.

"Then Aeri?" Jung Rok asked.

"I never loved her," Dae Hyun said casually.

"Not loving but why did it then?" Do Yun sneered.

"It was just an accident. I don't remember it at all," Dae Hyun said in an annoyance tone.

The night that Dae Hyun and Aeri were raided at the hotel by their manager. Dae Hyun didn't remember what happened at all. Only know that they were not wearing a single thread. Dae Hyun was reluctant to remember the incident again.

"I wonder what his face looks like," Jung Rok said.

"You will definitely be surprised. His young wife is still very young. Still like a teenager," Do Yun said with admiration.

"I think he got it at the auction," Choi Won said with an amused chuckle.

"I'm not sure about what you say," Jung Rok said.

Dae Hyun just listened to his friends chatter quietly without intending to respond.

"Your wife is taking a long time!" Choi Won said to Dae Hyun.

That's right, it's been almost half an hour Soo Yin hasn't returned from the toilet. Made Dae Hyun worry and afraid that his wife might get lost.
