

Soo Yin rested her head on Dae Hyun's shoulder who was focused on driving. Her body was quite tired from walking to and from serving diners. Her feet also felt sore and red from the shoes that scratched her heels.

"Honey, are you really tired?" Dae Hyun grabbed Soo Yin's waist in his arms with one hand.

"A little," said Soo Yin while yawning because her eyelids already felt quite heavy.

"From tomorrow on, you don't have to come to work. You are Mrs. Dae Hyun, you shouldn't need to serve the guests because you can only serve me," said Dae Hyun with a chuckle.

"You should also only serve me but instead you cook for many people especially all those women," Soo Yin grumbled.

"You must be happy that those women kept watching you," Soo Yin added flatly. If Aunt Xia had not tempered the flames of her anger, it might still be burning right now.

"Should I go to ophthalmologist too so I can't see them?" Dae Hyun said while chuckling. Remembered Soo Yin's words this afternoon.

"Go, if you want to regret not being able to see my cute face," said Soo Yin in a light and confident tone.

"You are a naughty girl. Look after we get home, I will give you a lesson," said Dae Hyun, who tightened his arms even more.

"What are you going to do? We can't do anything either," said Soo Yin while smiling.

"Ughh, your monthly guest is really annoying. It came at the wrong time," Dae Hyun grumbled while snorting in annoyance. His intention of giving Soo Yin a sweet punishment was hampered.

"How's the wound on your face? Does it still hurt?" Soo Yin straightened up so that she could see Dae Hyun's face under the dim light.

The ointment that was applied to treat the wound on Dae Hyun's face worked well. So even though it still felt a little sore but the scars were not too visible. Soo Yin also applied a little make-up to disguise the wound even though Dae Hyun at first balked that.

"A little, but it's not as painful as seeing a photo of you with that man," said Dae Hyun honestly. For him, the wounds in the heart were more difficult to heal than the wounds in the body which were not much.

"You are indeed the king of boasting," said Soo Yin as she rolled her eyes.

"You don't want to go back to the UN Village tonight? Yeon Ho must have been looking for you," added Soo Yin with a long sigh.

"I already said that maybe I won't go home. I hope Aeri doesn't interfere in our relationship again after thinking that we have a fight." There was a slight advantage to be gained after Aeri saw Soo Yin with Gong Yoo.

"Would she easily believe that?" Soo Yin doubted that Aeri would not find out any further.

"I'm not sure either. Never mind, there's no need to worry about it. I'll choose you despite all the odds."

Soo Yin nodded her head, not wanting to think about anything unnecessary. Hopefully there won't be any more problems after this.

It wasn't long before they arrived at the Pyeongchang-dong Villa.

Soo Yin took a shower first and then lay down on the bed wearing green sexy lingerie. Deliberately wanted to seduce her husband.

Dae Hyun came out of the bathroom after cleaning himself and changing his clothes. He looked at Soo Yin who was already sleeping on the bed. Her face looked very tired.

"Honey, I want you to love me forever and love me until I get older. Don't ever leave me, because maybe I won't be able to live without you," said Dae Hyun. Then landed his lips on Soo Yin's forehead for a while.

"You're always naughty by teasing me constantly," said Dae Hyun when he saw how revealing Soo Yin's clothes were.

Dae Hyun grabbed the blanket that was located at the end of the bed and stretched it to cover Soo Yin's body. Did not let himself to be tempted to do things even further.

Dae Hyun was now standing in front of the mirror to see his face which was still slightly bruised. But he had no regrets at all, his heart was satisfied that he had taught Gong Yoo a lesson.

"Not too bad and it's getting better," Dae Hyun mumbled with a lopsided smile on his lips.

"Then just repeat what you did tomorrow. Find a stronger opponent," Soo Yin sneered with her eyes still closed.

"You aren't sleeping?" Dae Hyun turned his face towards the bed.

"I was sleeping," said Soo Yin as she tilted her body to the other direction with her back to her husband.

Dae Hyun climbed onto the bed and hugged his little wife's tiny body from behind. If he remembered of having to endure another week of desire, it felt like he can't stand it anymore. After all he was a very normal man.

"Honey, are you really having a monthly guest?" Dae Hyun whispered in his wife's recess sensually until the breath that came out of his lips began to tickle Soo Yin's neck. He made sure that Soo Yin didn't lie to him.

"Should I show you?" Soo Yin said.

"I can't stand it if I have to wait another week," Dae Hyun said with a heavy sigh that was very audible.

"Hmmm, get out of the way. Don't bother me." Soo Yin shrugged her shoulders for Dae Hyun to get out of the way because he made her uncomfortable.

"Ughh, annoying," Dae Hyun grumbled as he turned his back to Soo Yin. Didn't want to go too far without a perfect outcome.

Soo Yin smiled and wanted to laugh because she had managed to deceive her husband. In fact she lied about her monthly guest which was completely untrue.

Soo Yin turned her body to face Dae Hyun who had his back to her then hugged his waist tightly.. Her hands began to feel his broad stomach with strong muscles that could be felt clearly in the palms of her hands.
