

The Better Luna

Summary

Luna Aspen worked hard and did all she could to be the best luna to her mate, the notorious Alpha Bode. But she is left devastated when he not only cheats on her but replaces her with a new luna, publicly denouncing her. But when a terrifying evil presents itself, setting out to kill her and their children, she finds him at her doorstep, to her rescue. But can she forgive and forget especially when he not only broke her heart but their children's as well? Can she get over the fact that he'd found her unworthy and tore their home apart? Could she ever choose him again?
