

## Big Shot 101

### Chapter 101: I Can't Possibly Go Dutch

Jiang Luoli was speechless.

It wasn't possible to return a dish even at a small eatery.

Let alone at a place like this!

She was even more certain now that Bai Xiao and Zhang Yuwei were being deliberate.

But she had no idea what exactly they were thinking.

Qiao Mianmian had never offended them before, and they hadn't had any feuds between them.

Why were they doing this so suddenly...

"Yeah, high-end places like this usually serve small portions. We were worried that it wouldn't be filling, so we added more dishes." Bai Xiao and Zhang Yuwei were evidently on the same side.

"Moreover, didn't Mianmian say we could order as much as we wanted? We didn't force her to say it, she said it herself. If she's worried that she can't foot the bill later, then she shouldn't have put on such a false front."

This was going overboard.

Jiang Luoli frowned. "Bai Xiao, how could you put it this way? Mianmian was being nice to give us a treat, is this any wrong?"

Qiao Mianmian could feel the tension rising and was afraid that they would start arguing. She reached out and grabbed Jiang Luoli's hand. "Luo Luo, it's fine. I offered to give a treat, so I hope everyone will enjoy this meal. Let's not get upset over this."

"It's fine even if we don't finish it. We could always pack the leftovers and take them away."

Jiang Luoli pouted. "I'm just saying that you're being nice to offer us this treat, but not everyone appreciates it."

"Bam—" Bai Xiao slammed her chopsticks on the table.

She turned towards Jiang Luoli and scoffed. "Jiang Luoli, what do you mean by that?"

Zhang Yuwei frowned as well and spoke in an unpleasant tone. "It's not as if we were dying for this meal. Jiang Luoli, you don't have to make us feel like we owe Mianmian a huge favor. If you feel that we're taking advantage of her here, then we can just go dutch."

Zhang Yuwei said this, but she surely didn't mean it.

She knew Qiao Mianmian well enough to be sure that she wouldn't allow them to go dutch.

If they were to go dutch, she wouldn't be able to afford it.

Bai Xiao didn't know what she was thinking and immediately panicked. "Why should we go dutch? It's Qiao Mianmian who said she wanted to pay for this meal. She picked this place and it's so expensive, how could we go dutch?"

"In any case, I can't possibly go dutch."

Bai Xiao made it clear first, just in case they decided to split the bill later.

She wasn't going to be able to afford it!

She saw just how expensive the dishes were when they were ordering them.

She did a quick calculation and concluded that it would cost roughly twenty to thirty thousand yuan.

"H-How could you guys be like that?" Jiang Luoli was furious. "What do you mean by 'not dying for this meal'? Mianmian was just being nice, and this is what she gets in return? Zhang Yuwei, Bai Xiao, aren't you guys being too much?"

The tension was building up terribly.

At this point, Zhang Yuwei and Bai Xiao had also realized that they had gone too far.

But it was too late. They couldn't take their words back.

Since they had already offended her, there was no point in trying to salvage things.

Bai Xiao's expression went cold as she said, "Qiao Mianmian, for this meal, were you planning to just give us a treat, or do you have other motives? Only you have the answer."

## **Chapter 102: Who Wants to Envy You**

"Since things have turned so ugly, I don't think there's a need to have this meal anymore." Zhang Yuwei stood up and said coldly, "Qiao Mianmian, Bai Xiao is right, we aren't dying to have this meal. You had a luxury car to send us around and even gave us branded skincare products. And then you planned for this dinner at this high-end restaurant, just so that you could treat us to a meal? Simple as that?"

Qiao Mianmian did not say a thing the whole time.

But when she heard this, she looked up at them expressionlessly.

Her eyes were cold and her attitude was completely different from before. "Oh? Is it? Then tell me, what exactly am I treating you to this meal for?"

Zhang Yuwei was stunned for a while when she saw how cold her gaze was. She frowned even more and scoffed. "You really want us to say it? Well, you're just doing this to boast about your charm. You're just trying to show off that the men you date are all rich and handsome!"

"Look, the moment Su Ze broke up with you, you went for a better man right away. You must be feeling so smug about how all the best men in the world are up for you to pick from.

"You're giving us these little treats and tokens so that we'd fawn over you, isn't it? Or do you want us to envy you for having a handsome and rich boyfriend who happens to be so generous towards you?"

“Exactly.” Bai Xiao chimed in mockingly. “You made it so high-profile as if you’re afraid that no one knows you’re dating a rich man. So what if you got the most outstanding man in the world? What has that got to do with us? There are so many rich men on earth, who wants to envy you?”

Their words got more and more bitter as they sang the same tune.

At this point, all their inner thoughts were spilled.

Qiao Mianmian was shocked at first, but when she saw the jealousy in their eyes, she just found it all too ironic and pathetic.

Roommates for three years.

Even if they weren’t exactly close, they had been getting along well.

She hadn’t expected that Mo Yesi’s appearance would destroy three years of harmony with her roommates.

He had only appeared in school twice, and that was enough for her roommates to eye her with hatred.

Women were terrible.

Honestly, Qiao Mianmian would think that men like Mo Yesi were terrible too.

“You guys are too much.” Jiang Luoli had a look of disbelief on her face. “How could you talk about Mianmian like this? She isn’t the sort of person you make her out to be! So what if she’s found herself a handsome and rich boyfriend? If you aren’t happy about it, you can find one yourself! You think that she’s boasting and flaunting simply because your hearts are full of jealousy!

“Mianmian, just look at them. You take them to be friends, but they don’t feel the same.”

Jiang Luoli and Qiao Mianmian were as close as sisters.

Hearing them insult Qiao Mianmian like that had Jiang Luoli feel as if she was the one being attacked.

Now she truly understood how scary it was when women were jealous.

Bai Xiao and Zhang Yuwei always seemed nice and peaceful. Who would have known that they were such people?

“Jiang Luoli, don’t you talk rot.” Bai Xiao mocked. “You love fawning all over her, but we’re not like you.”

### **Chapter 103: Don’t Go Too Far!**

“You’ve been as close as sisters for so many years, but has she ever recommended good guys to you, after having the best ones for herself? Grow up, she might not even be treating you as a friend.”

“You!” Jiang Luoli shook from anger.

“Are you done?”

Qiao Mianmian was angry when they attacked her, but she wasn’t furious yet.

But when she heard them attack Jiang Luoli, her face darkened immediately. Her voice was cold and even menacing. "Since you guys don't treat me as a friend, then there's no need for any of us to be friends anymore. Since I invited you to this meal, I won't let us go dutch. But I invited friends here. If you've got nothing to do with me anymore, then please leave."

With that, Qiao Mianmian called the waiter over.

"Miss Qiao, do you need anything? Please let me know."

Before Qiao Mianmian and the rest arrived, they had all been informed that they were VIPs that had to be served with respect.

Hence, the waiter was extremely polite when he spoke to her.

"Mm." Qiao Mianmian gestured towards Bai Xiao and Zhang Yuwei. "Could I trouble you to take these two ladies out? Otherwise, I'm afraid they'll lose their way around here. That would be bad."

The waiter was stunned.

They seemed pretty close just a while ago, how did they...

But he quickly recovered from his shock and smiled. "Alright, Miss Qiao. Please don't worry, I'll show your friends out."

"No, you're wrong."

"Miss Qiao?"

Qiao Mianmian said very sternly, "They're not my friends. We're just acquaintances, we aren't on good terms."

"Qiao Mianmian!"

Bai Xiao and Zhang Yuwei had been embarrassed in public. They clenched their teeth and yelled, "Don't go too far! Who are you to make us leave? Do you own this place? We'll leave when we want to, it's not your business!"

"I'm sorry, ladies."

The waiter could tell that there had been a conflict among the few of them.

He didn't want to find out what it was about. All he knew was that Miss Qiao was the VIP he couldn't afford to offend.

As for the rest, he couldn't care less.

"Not everyone can come into our clubhouse as they wish. Before coming, they have to make a prior appointment and confirm their identities. If it wasn't for Miss Qiao, you wouldn't have been able to enter. Now that Miss Qiao says you aren't her friends, I'll need the both of you to leave immediately."

Zhang Yuwei's and Bai Xiao's expressions looked utterly awful.

"Qiao Mianmian, you..." Bai Xiao clenched her jaw. "You're actually humiliating us like this!"

Qiao Mianmian glanced at her coldly. "You humiliated yourselves, not me."

"Xiao Xiao, let's go!" Zhang Yuwei knew that they would just be a greater embarrassment if they stayed any longer. She glared at Qiao Mianmian. "All the humiliation I suffered today, I'll definitely get back at you for it. Thanks to this meal, we finally know who you truly are. It's no wonder Shen Yueyue hates you so much. It seems like you weren't innocent at all."

She got up, all ready to leave.

"Qiao Mianmian, just you wait!" Bai Xiao got up in a huff too. "You're so mean to your schoolmates. We'll make sure to expose you so everyone knows how terrible you are!"

#### **Chapter 104: Why Should Things That Were Given Out Be Returned?**

The two of them went to the door with sullen faces.

"Wait."

When they reached the door, Qiao Mianmian stopped them.

Bai Xiao turned around and said fiercely, "What else do you want to say?"

Qiao Mianmian's lips hooked up, her gaze lowered and fell on the bag in Bai Xiao's hand, and she said casually, "You can go, but leave the items behind. My boyfriend thought that we have a good relationship, that's why he gave you a gift. You and I are not friends anymore. Please give back the gifts he gave you."

When Bai Xiao and Zhang Yuwei were leaving, they took that set of skincare products too.

"Hehe, I thought you were so noble. You kept nitpicking where others were wrong here and there, how can you still have the face to take away things given by others. Where is your pride?" Jiang Luoli was very angry at the two of them and naturally would not let go of this opportunity to ridicule them.

The expressions of the two people changed.

Zhang Yuwei was prideful and threw the bag on the ground coldly. "I'll give it back to you. I don't need it."

Bai Xiao was reluctant to return.

She straightened up. "Why should things that were given out be returned? This set of cosmetics you gave me is mine. As for what I want to do with it, it's my own business."

Jiang Luoli was shocked by her shamelessness.

Even Qiao Mianmian felt that she had truly understood these two roommates who had lived with her for three years fully today.

After Bai Xiao finished speaking, she carried the bag and took Zhang Yuwei's hand before leaving.

...

“Ridiculous!”

Watching the two walk out, Jiang Luo couldn't help but burst out. “I didn't expect Bai Xiao to be so shameless. I never knew she was like this. And Zhang Yuwei, she has such a dark heart.”

“Three years in the same room with them. Looks like I didn't know them at all.”

“Me too.” Qiao Mianmian's lips turned up into a hook and she laughed at herself. “I originally thought that even if I can't stay good friends with them, we could still be civil. It seems that I was too naive.”

She should be thankful to Mo Yesi.

After all, his meal let her see through these two clearly.

“Mianmian, don't be sad. You should be glad that you saw through them in time. You don't need to waste your time and feelings on them anymore in the future.”

“Yea, I know.” Qiao Mianmian was not very upset, just a little bit disappointed.

They were not very close friends in the first place.

As Jiang Luoli said, she should be glad that she saw their true colors during the meal.

“Now...” Jiang Luoli looked at the table full of dishes, her face showing a pained expression. “So many dishes, how can the two of us finish eating everything.”

Qiao Mianmian also frowned.

Compared to Jiang Luoli, she felt even more pained.

After all, it was she who was going to pay for everything.

...

A large table of dishes, even if the two of them stuffed themselves, there would still be a lot left.

Finally, Qiao Mianmian called for a waiter to pack the few dishes that had not been touched by them.

She was a little embarrassed when packing.

If you could afford to come to such a high-end place, no one would pack the remaining dishes.

She was definitely the first for daring to ask for the food to be packed.

The waiter froze when he heard that she was going to pack the remaining food, but he quickly said respectfully, “Okay, Miss Qiao, please wait.”

After packing, the two went to the counter to pay.

The cashier smiled. “Miss Qiao, someone has already paid for you.”

Qiao Mianmian was stunned. “It has been paid?”

**Chapter 105: When Did I Suddenly Have a Sister-In-Law?**

“Yes.”

She was just about to ask who paid for the bill, but she immediately guessed that it should have been Mo Yesi.

He said that he would treat them tonight.

Although she guessed it was him, Qiao Mianmian still sent him a message: [Did you pay for the meal?]

Mo Yesi replied quickly: [Yea.]

It was indeed him.

Qiao Mianmian was about to send another text message to ask him if he had eaten already when his phone call came.

She picked it up.

“Have you guys finished eating?” The man’s low magnetic voice sounded.

She didn’t know where he was, but Qiao Mianmian could hear a noisy background and the laughter of men and women.

“Yea, just finished. Have you eaten?”

“Not yet,” Mo Yesi said. “I’ve been busy playing with a few crazy bunnies, when could I find time to eat. I will probably just eat supper.”

Qiao Mianmian was stunned. “Uh, little bunnies?”

“The few little bunnies who have been playing with me from when we were little.”

Just after Mo Yesi finished talking, Qiao Mianmian heard another voice coming from the phone, then a male voice said laughingly, “Second Brother, who are you calling? This gentle voice is giving me goosebumps. Isn’t it a woman?”

Mo Yesi simply acknowledged. “Mm.”

The man who had just spoken seemed shocked and said in a startled voice, “Is it really a woman? Do we know her?”

Mo Yesi replied, “Your sister-in-law.”

“Cough cough cough.” A violent cough sounded; the laughing man seemed to have choked. He coughed for a while before managing to speak. “Sister- Sister-in-law?! Brother, are you messing with me?! You have been single for years, and you still act awkwardly around women. When did I suddenly have a sister-in-law?”

“Are you sure this sister-in-law is alive? Is she really female? Is she a real living person that can be seen and touched, and not someone you imagined up?”

Mo Yesi sneered. “I have a wife, you’re the single dog.”

“Fuck!” The man burst out.

Mo Yesi was disgusted. “Go away, don’t swear next to me. Mianmian is still young, don’t ruin her.”

“F\*ck! What the f\*ck! Even my second brother has a wife, I will never doubt anything ever again.” The man burst out swearing again.

Qiao Mianmian clearly heard the dialogue between the two. “...”

This man who can’t stop saying “f\*ck” is the little rabbit Mo Yesi was referring to?

Qiao Mianmian heard another shuffling sound, then the sound of the door opening, and then, the background noise became much softer.

She speculated that Mo Yesi should be in a place similar to a KTV.

He must have been in the room with a bunch of friends just now, but he just went outside.

A moment later, Mo Yesi’s voice rang out again. “That halfwit just now is the young master of the Yan Family, Yan Shaoqing. He has always been very vulgar, just ignore him.”

“Er...” Qiao Mianmian frowned.

Did he just talk about his own friend that way?

“I let a few people prepare some small gifts for your friends. Do they like them?”

Qiao Mianmian went silent and then lied. “Yea, they liked it. They told me to convey their gratitude.”

Mo Yesi smiled. “That’s great. Do you guys have other activities tonight?”

Qiao Mianmian glanced at Jiang Luoli. “No, we’re going back to school.”

### **Chapter 106: Has She Really Fallen for Money?**

“So early?” Mo Yesi remained silent for a few seconds and then continued, “Why don’t you bring some of your classmates and come and play with us?”

“Ah?” Qiao Mianmian froze. “Play with you guys?”

“I’m near the banquet hall now. I’ll come over to pick you up immediately.”

Mo Yesi finished talking and hung up before Qiao Mianmian could respond.

Qiao Mianmian was still holding her phone, her face dumbfounded.

She... did not even agree.

Jiang Luoli looked at her expression and asked curiously, “What’s wrong?”

Qiao Mianmian looked at her and hesitated before saying, “Your Male God said that he’s near the banquet hall now and wants us to go hang out with them. Do... you want to go?”

“Was the call just now from my Male God?”

“Mm.”

“He told us to go hang out with them?”

“Mm.”

“So, is the Male God with his friends now?”

“Mm.”

“Let’s go!” Jiang Luoli said with excitement. “Similar things gather together. My Male God is so awesome. His friends must also be a bunch of super handsome guys, right? Ah, just thinking about seeing so many handsome guys soon, I feel like I can fly.”

Qiao Mianmian was quiet.

She was actually worried that Jiang Luoli would not like a setting with too many strangers.

Looked like she was worried for nothing.

Appearance was indeed power!

...

The two were waiting for Mo Yesi in the rest area at ??the reception of the banquet hall.

After a few minutes, Qiao Mianmian heard a familiar voice which was a little surprised and also a little excited. “Mianmian?”

Qiao Mianmian raised her eyebrows.

She looked up and saw a face she did not want to see.

The man was wearing a white shirt, black trousers, and a dark tie. He was 1.83m tall and appeared to be very slender. His handsome and gentle appearance was also very attractive to the opposite sex.

The cashier at the front desk snuck glances at him frequently, with a little admiration in her eyes.

Although Qiao Mianmian was very disgusted by Su Ze, she had to admit that in all aspects, he was excellent in the eyes of the opposite sex.

He was good-looking, had a good family background, and was young and promising. Which woman would dislike such a man?

Previously, Qiao Mianmian also liked this type of man.

But after knowing that his and Qiao Anxin’s dirty history, she felt only disgusted by him.

Especially last time, after he chose to believe in Qiao Anxin and thought that she was a vicious woman, she completely gave up on him.

At that moment, she felt that she had been blind for the past ten years.

Otherwise, how could she not realize that Su Ze was a bastard?

“Mianmian, it’s really you. Why are you here?” Su Ze looked at Qiao Mianmian’s bright and beautiful small face and frowned a little.

The banquet hall was not a place where ordinary people could just come and go.

People who were not powerful or prominent figures were not eligible to even take a step in here.

As for Qiao Mianmian’s identity, she should not be able to come here at all.

Therefore, someone else must have brought her.

Su Ze’s face sank a little bit when he remembered her sitting in a Rolls-Royce with his own eyes and the rich old man that Qiao Anxin talked about.

Has she really fallen for money?

“It’s none of your business.” Qiao Mianmian’s eyes were cold, her tone was cold, and a coldness radiated from her whole body.

### **Chapter 107: I, Su Ze, Am Not Someone Who Can’t Afford It!**

Her attitude caused his frown to grow deeper.

He looked at her with a disappointed and distressed gaze and said solemnly, “Mianmian, we’re not enemies. Even though we broke up, you should not treat me like an enemy. I said this before, even if we’re not lovers, if you have any difficulties in the future, you can still come to me.

“As long as it’s something within my control, I will help you. No matter how much you hate me, you should not sell yourself.”

Qiao Mianmian frowned as she heard his last sentence.

Her eyes became more and more indifferent. She turned her disappointed eyes to Su Ze and sneered. “I’m selling myself? Mr. Su, who are you, do I know you well? How much do you know about me, to say that I’m selling myself?”

Her cold and alienating “Mr. Su” caused Su Ze’s expression to turn even angrier.

Anger raged in his eyes. “Then tell me, why are you here? Who brought you here? And who was the owner of the Rolls-Royce you sat in last time? Mianmian, do you really want to be so stubborn? Would you rather betray your own body than ask me for help?

“Is it more difficult to talk to me than to sleep with those disgusting old men?”

“Pah!”

Just after Su Ze finished speaking, he was slapped, and five bright red fingerprints were printed on his fair and beautiful face.

He covered his face, his eyes filled with consternation.

It seemed like he couldn't believe that Qiao Mianmian would slap him.

Qiao Mianmian had completely given up on Su Ze.

In her heart, the past Su Ze was dead.

Now standing in front of her was just a stranger who had nothing to do with her.

But she was still disgusted.

She felt so disgusted that she wanted to vomit out last night's meal.

"Su Ze, you really make me feel sick. I was blind before, that's why I even promised to be with you! You make me think that even feeding all my feelings over those years to a dog would be a hundred times less wasteful and a thousand times better!" Qiao Mianmian trembled with anger.

This was the man who once said that he would love her for life and never let her down. That he would protect her no matter what happened and prevent her from being aggrieved and hurt.

He had not fulfilled a single promise.

It was he who disappointed her.

It was he who hurt her and made her feel wronged.

She only hated that she couldn't turn back time now.

Otherwise, even if all the men in the world were dead, she would never be with such a scumbag!

Being slapped in the face in public, Su Ze lost his face, and his face turned gloomy.

He covered his face, the anger in his eyes threatening to spew out, his gaze stormy. "You hit me because I guessed right? Qiao Mianmian, are you really willing to go so low for money? How much did the old man give you? 10 million? 20 million? Or 100 million? Is it possible to sleep with you as long a lot of money is given to you?"

"Tell me your price. I, Su Ze, am not someone who can't afford it!"

Qiao Mianmian looked at him incredulously.

This was the man she had known for ten years?

Ten years of feelings, in exchange for his insult?

"F\*ck you, Su Ze, you scumbag. How dare you still dare to show your face in front of Mianmian. Don't you feel ashamed?" Jiang Luoli's temper was so strong that she could no longer stand it and stood up pointing at Su Ze's nose, cursing. "You're so shameless."

**Chapter 108: Jiang Luoli Must Apologize**

“You cheated on your own future wife and did such a disgusting and shameless thing, but not only do you not feel ashamed, but you even want to play the blame game and pour this dirty water on Mianmian! You’re so ridiculously shameless, does your mom even know!”

“You have abalone and sea cucumbers in your house, and you still aren’t satisfied. Why do you have to eat dung in the pit? Even if you cheat, can’t you find someone of a higher standard, to go easy on the eyes.”

Jiang Luoli’s words were very rough, and she continued to scold him as Su Ze’s face turned extremely somber.

He was so angry that the green veins on his forehead burst out as he gritted his teeth. “Jiang Luoli, I want you to apologize for those words.”

Jiang Luoli tsked with disapproval. “Why should I apologize? Isn’t it true?”

Su Ze was very angry, his gaze threatening. “Okay. If you don’t apologize, then you can’t leave.”

After he finished speaking, he took out his mobile phone and made a phone call.

Soon, several bodyguards came over.

Jiang Luoli realized her current position and was a little flustered.

She took a step back. “Su Ze, what are you doing.”

“Apologize.” Su Ze was talking to her, but his eyes were on Qiao Mianmian. “Apologize to me for what you just said.”

“F\*ck you, Su Ze, you’re really a scum!” Jiang Luoli gritted her teeth and said sternly, “You don’t dare to own up to your own actions? I have never seen a man like you!”

“Do you not want to live!” Su Ze’s eyes clouded over when he heard Jiang Luoli scold him “scum”, and he reached over to slap her face.

As the great young master of the Su family, he grew up always respected, and no one dared to scold him like this.

This Jiang Luoli thought that just because she was classmates with Qiao Mianmian, she could do anything she wanted.

He was going to teach her a lesson today.

“Su Ze, how dare you!” Qiao Mianmian saw it, stepped in front of Jiang Luoli to block her, and looked at Su Ze coldly. “The grand young master of the Su family, laying your hands on a woman in public. Do you really not know shame.”

Su Ze saw her stepping out to block her and his hazy eyes narrowed. “It was her who spoke out of place first. If I don’t teach her today, she really won’t know her position.”

“How did she speak out of place?”

Qiao Mianmian's eyes were full of sarcasm. "She just said the truth. I told her these things. If you think that she should be taught a lesson, don't you have to teach me too?"

Su Ze squeezed his lips tightly and lowered his hand back.

His face was still angry and his voice was cold. "Mianmian, I won't lay a hand on you. But Jiang Luoli must apologize."

"I won't apologize to you." Jiang Luoli clenched her fists tightly. "Why should I apologize to a scumbag like you! Mianmian has been with you for so many years, but not only did you betray her, but you're still insulting her so much now. Su Ze, you're not a human at all! Just do what you want to me, I'm not scared. Anyway, all scumbags like you don't have a conscience. Is it not commonplace for y'all to beat people up in revenge?"

Jiang Luoli was very loud.

The cashier at the front desk and some customers passing by heard it.

When they heard her say "beat people up", they turned their attention to Su Ze.

Someone whispered, "Isn't that Su family's young master? Is what that girl's saying true?"

#### **Chapter 109: Prince Charming, You're Here Just in Time**

"I heard that the First Young Master of the Su family had a fiancée. It's the girl he brought along to the Xu family's banquet. Mm, it's that pretty little girl."

"That's the girl? She's beautiful. Why would he cheat on such a beautiful fiancée?"

"Men, you know them. However beautiful they may be, men are attracted to the ones outside."

"Even so, isn't it going overboard to be getting together with his sister-in-law-to-be?"

A lot of conversations buzzed about Su Ze.

His expression darkened and a veil of fog seemed to cloud his eyes. "Alright, since you're unwilling to apologize, then don't blame me for being mean."

With that, he got the bodyguards to capture Jiang Luoli.

"Su Ze, as long as I'm around, I won't let you lay a finger on Luo Luo!" Qiao Mianmian immediately opened her arms to shield Jiang Luoli behind her.

Su Ze frowned and said coldly, "Mianmian, I don't wish to hurt you. This has nothing to do with you, stand aside."

"Impossible!" Qiao Mianmian clenched her teeth. "If you're taking Luo Luo away, then take me along!"

"Don't force me. Stand aside!" Su Ze stepped forward, all ready to drag Qiao Mianmian aside.

But just before he touched Qiao Mianmian, a menacing voice could be heard. "Young Master Su seems so imposing now. But would you be able to bear the consequences?"

That voice...

Qiao Mianmian immediately looked up.

She could see his silhouette getting closer, and her heart started beating faster.

He was approaching now, and her heartbeat was out of control.

“Whoa, my Prince Charming is here.” Jiang Luoli was obviously more agitated than Qiao Mianmian. Her eyes lit up as if she had just seen her life savior.

Before the rest of them could react, she skipped away from behind Qiao Mianmian.

And then... excitedly went towards Mo Yesi.

“Prince Charming, Prince Charming, you’re here just in time. If you came a minute later, Mianmian and I would’ve been bullied by this jerk. Your arrival is so dramatic but on point. Full marks for it!”

Seeing Jiang Luoli’s enthusiasm, Mo Yesi was a little stunned at first. Then, he took a step back.

Although this girl was Qiao Mianmian’s good friend, he wasn’t comfortable with her sudden approach.

Jiang Luoli didn’t mind him stepping away, however.

She pointed at Su Ze angrily. “Prince Charming, it’s great that you’re here. This shameless man was about to bully me and Mianmian. You’ve got to help us.”

Mo Yesi did not say anything as he walked towards Qiao Mianmian.

He stopped right behind her.

The man looked down at her, and his voice softened. “You’ve been bullied?”

Qiao Mianmian looked at him blankly.

Her heart was pumping out of her chest and only started to steady when he was right beside her.

She finally found her voice after a few seconds of shock. “H-How did you get here so fast?”

It had been less than 10 minutes since the call.

Mo Yesi smiled easily and swept her hair to the side. “Didn’t I say that I was near? Moreover, I’m always rushing to see you. If it weren’t for the few red lights on the way, I’d have been even earlier.”

## **Chapter 110: Even Breathing Became a Chore**

Mo Yesi pulled Qiao Mianmian into an embrace and kept an arm around her waist. He then looked up and swept a glance at him. “Now let me ask you. Baby, who is he? Did he bully you?”

Qiao Mianmian looked up and eyed Su Ze coldly. “He’s an unimportant person, you don’t need to know.”

Su Ze was shocked before his expression darkened. He could see the rivalry in Mo Yesi’s eyes. “I’m Qiao Mianmian’s fiancé. She and I...”

“Mr. Su, let me remind you. You and I have nothing to do with each other anymore,” Qiao Mianmian said with a blank expression. “We called our engagement off earlier on. Please get this clear, so you won’t utter nonsense to taint my reputation.”

Su Ze’s heart actually ached when he saw how distant and disgusted she looked.

He couldn’t identify why, but he felt upset and uncomfortable.

It was as if something was eating away at his heart.

Although he had long guessed that Qiao Mianmian would be with another man by now, it was a lot easier to deal with it when he hadn’t seen the man himself.

Now that he saw him in person, he felt a stab to his heart realizing that it was a young, handsome man who looked so good with her, and not an old fogey.

Even breathing became a chore.

“Mianmian, what’s your relationship with him? Is he the owner of that Rolls-Royce?” Su Ze asked her.

She was actually with another man now.

They had broken up for barely a week and she already found herself a new man!

He didn’t believe she had a change of heart so quickly.

For all the years they had been together, she had only had eyes for him.

She loved him so much. For his sake, she turned from a pampered miss to a domesticated lady who could cook and do chores well.

She had said that she felt happy to be doing these things for him.

For his sake, she was willing to change herself.

She even said that she, Qiao Mianmian, would only ever like a man named Su Ze in this lifetime.

And that she would only be Su Ze’s bride.

He remembered every word clearly.

Every single one.

He simply could not believe that given the love she had for him, she could put their relationship behind her so quickly.

This man that she got together with must have been to spite him.

Or that she wanted to use this man as a means to forget him.

Didn’t they all say that the easiest way to forget a person was to be in another relationship?

The more she did this, the more she proved that she still loved him and could not forget him.

With that thought, Su Ze felt better about himself.

“It’s none of your business. Who are you to interrogate Mianmian with that tone!” Before Mo Yesi and Qiao Mianmian even said a thing, Jiang Luoli came forward to rebut Su Ze first.

With Mo Yesi around, she was even more fearless. She pointed Su Ze in the nose and told him off mercilessly. “You’re a cheating man, what right have you to ask her this way? Mianmian already said you’ve broken up, that makes the both of you strangers. What has her life got to do with you at all?”
