

## Big Shot 1011

### Chapter 1011: She Really Dotes on You

Especially Prince Charming's mother.

It was said that in-laws weren't easy to get along with, but in-laws were even harder to get along with.

Qiao Mianmian's smile stiffened.

Jiang Luoli immediately knew what was going on. She furrowed her brows and asked, "Prince Charming's mother isn't easy to get along with?"

"No."

Qiao Mianmian didn't want Jiang Luoli to know about her worries, so she lied. "I'm not that easy to get along with, but it doesn't upset me. Moreover, Mo Yesi and I don't live with them. We only have time to have a meal and stay for a night.

"So, it's alright."

Qiao Mianmian felt upset when she thought of Madam Mo, but she smiled when she thought of Old Madam. "Old Madam is a nice person. She likes me a lot and treats me well. When I went to the Mo family for the first time, she gave me a gift."

"Old Madam? Is she Prince Charming's grandmother?"

"Yes, she's a nice person. I think of my grandma whenever I see her."

"I'm more concerned about how generous the gift Old Madam gave you is. Can you reveal it to your best friend?" Jiang Luoli was a little relieved to hear that Old Madam Mo liked Qiao Mianmian.

In a rich and powerful family, Old Madam's status was like that of a matriarch.

She was really something.

With Old Madam Mo liking her Baby, there was nothing to worry about.

Even if Madam Mo didn't like her Baby, with Old Madam protecting her, Madam Mo wouldn't dare to go overboard.

Qiao Mianmian explained the gift that Old Madam gave her.

Jiang Luoli was stunned.

"Damn, she's so generous." She was about to drool from envy. "Then, wouldn't you be a billionaire now? No wonder so many female celebrities are trying to marry into rich families. It turns out marrying into rich families is so enjoyable.

"A gift worth hundreds of millions.

"Old Madam is so generous. What gift did your mother-in-law give you?"

“A bangle.” Qiao Mianmian thought for a while and said, “It seems rather expensive, but it’s probably not as much as Old Madam gave.”

“I saw a jade bangle at an auction previously. The final transaction price was tens of millions. Your mother-in-law’s bangle must be at least tens of millions. But the Old Madam is really generous. Those properties are worth hundreds of millions.

“She really dotes on you.”

“Yes.” Qiao Mianmian nodded. “Old Madam is indeed very good to me. It’s just that I’ve had so many scandals recently, I’m worried that Old Madam will have something against me. I don’t want her to hate me.”

“I don’t think so. Old Madam must be a smart person. She wouldn’t easily believe those rumors.”

“She believes in me. I’m just afraid that she’ll be unhappy if I create scandals too often.”

Jiang Luoli kept quiet for a while before sighing. “This is also one of the reasons why rich and powerful families don’t like to marry female celebrities. Wealthy families all care about their pride. If they have a female artiste with scandals all the time, they’ll feel embarrassed.

“Baby, they didn’t say anything about you leaving the entertainment industry, right?”

Qiao Mianmian thought for a while and shook her head. “Not yet.”

“That’s good. No matter what, Prince Charming supports you. This is very rare.”

### **Chapter 1012: What the Hell Is Looking at the Stars on the Mountain**

After chatting for a while more, Qiao Mianmian’s and Jiang Luoli’s cell phones rang.

Qiao Mianmian picked up the call and heard Mo Yesi ask, “Baby, you’re still outside? When are you coming back?”

Before she could reply, he said, “Where are you? I’ll come and get you now.”

“You’re off work?” Qiao Mianmian looked at the time. It wasn’t his usual time yet.

“Mm, I got off work early today.” Mo Yesi asked again, “Where are you now? I’ll be right over.”

“I’m with Luo Luo.” Qiao Mianmian looked at Jiang Luoli and thought for a while before saying, “Alright, I’ll send you the address. Come over.”

Qiao Mianmian hung up and sent him the location.

She’d just sent the address to Mo Yesi when she saw two tall men in black walking towards them.

They walked straight to their table.

Qiao Mianmian looked up at them cautiously.

The two men in black looked down at Jiang Luoli and said politely, “Miss Jiang, Mister asked us to pick you up for dinner.”

Jiang Luoli hung up and looked up at them expressionlessly. "I'm sorry, please tell him that I have an appointment tonight."

The two men in black were stunned for a while before looking awkward. "But, Sir said that we have to fetch you. Miss Jiang, you..."

"I'll tell him." Jiang Luoli looked down at her cell phone and dialed Mo Shixiu's number in front of the two bodyguards.

After a few rings, the call went through.

A low and cold voice rang out from the phone. "Good afternoon, Miss Jiang."

Jiang Luoli was speechless.

"I got someone to pick you up. Are they there yet?"

"..."

"I'm not too busy today, so I can arrange a date for tonight. I don't know what kind of date Miss Jiang likes, but my arrangement is for us to have dinner together, then go to a concert. If we're a little later, we'll go to the mountains to watch the stars.

"Miss Jiang, what do you think?"

Jiang Luoli was speechless.

She almost choked.

Forget about the concert. Although it wasn't her cup of tea, it was still considered normal.

What the hell was that?

Was there anyone in this day and age who liked such a way of dating?

Moreover, if she went to the mountains to look at the stars in summer, would she be bitten by mosquitoes?

"Miss Jiang, are you listening to me?" Mo Shixiu thought she didn't hear what he said.

"Ahem! I heard it." Jiang Luoli's lips twitched. "I want to ask, Mr. Mo, are you serious?"

Was he kidding her?

"Of course I'm serious." Mo Shixiu sounded serious. "I'm serious about everything I said to Miss Jiang. Since you heard it, about the proposal just now, you..."

"Mr. Mo, I'm sorry. I have an appointment tonight." Since Jiang Luoli had made up her mind, she wouldn't be involved with this man anymore, even if Mo Shixiu was a huge temptation to her.

It was very, very difficult to resist this temptation.

But she had to bear with it.

The greater the temptation, the greater the possibility of falling into it.

It was better to kill everything in the first place.

### **Chapter 1013: She Didn't Promise Him**

Mo Shixiu was silent for a few seconds. "Is that so, Miss Jiang already has an appointment?"

"Mm." Jiang Luoli took a deep breath and placed a hand on her chest, trying to calm her racing heart. She felt that it was too difficult to reject Mo Shixiu.

She couldn't control herself just by hearing his voice.

Not only did this man have a face that was to her liking, but his voice was also to her liking.

It was too much.

"With friends?"

Jiang Luoli thought that Mo Shixiu would hang up after she said she had an appointment.

Unexpectedly, he didn't seem to have any intention of hanging up.

She was stunned for a few seconds before replying softly.

"Female friend?" Mo Shixiu asked again.

Jiang Luoli was speechless.

"Mr. Mo, you..."

Aren't you being too nosy!

"I'm sorry, I know I asked some questions that I shouldn't have. If you're unhappy, I'll apologize to you. But Miss Jiang, I hope that the person you have an appointment with tonight is a beautiful lady. That way, I'll feel better.

"Although you haven't given me an answer regarding our relationship, I hope I can be your boyfriend in the end."

Jiang Luoli frowned and kept quiet for a while.

"Mr. Mo." She suddenly changed her mind.

"I'm here, Miss Jiang. Please go ahead." Mo Shixiu was as polite as a gentleman.

"I think we should have dinner together tonight."

She didn't want to see Mo Shixiu again, but it was better to clarify things in person.

Since she'd already made up her mind, she'd better have a good talk with him tonight.

Mo Shixiu seemed a little surprised. "Are you sure? Didn't you say you had an appointment with a friend?"

"Mm, I'm sure. I'll just let my friend know."

Mo Shixiu kept quiet for a while. "Miss Jiang suddenly changed her mind. Do you have something to say to me tonight?"

Jiang Luoli replied, "... Yes."

"Is it related to that matter? Miss Jiang, have you considered it?"

"... Mm."

"Alright." Mo Shixiu said gently, "I'll get someone to arrange it now. What do you like to eat, Miss Jiang?"

"Anything is fine. I'm not picky. It's fine as long as you arrange it."

"Alright, then. Miss Jiang, you can stay at the house for a while. I have some matters to attend to now. I'll be back in about two hours."

"Miss Jiang left in a hurry last time and didn't have the time to shop around the house properly. You can go over and familiarize yourself with the environment first. I've already gotten someone to arrange your room. I wonder what kind of decoration style you girls like. If you don't like it, I'll get someone to redo it."

Jiang Luoli was speechless.

She hadn't promised him yet.

Why did he make it sound like she'd already agreed to date him?

"Miss Jiang, I'll hang up first. See you in two hours."

"... Alright."

Jiang Luoli hung up and met Qiao Mianmian's curious gaze.

Qiao Mianmian blinked. "He called?"

Jiang Luoli nodded. "Mm."

"You guys agreed to have dinner together?"

"Mm, I think I should clarify things with him."

Qiao Mianmian looked a little hesitant. "Luo Luo, I think I was too rational with what I said. You'd better consider it carefully. Perhaps things won't turn out as bad as I said."

"Y-You'd better listen to your true thoughts."

#### **Chapter 1014: Everytime I See Him, I'm Tempted**

Qiao Mianmian was trying to help Jiang Luoli analyze the situation logically.

She felt that Jiang Luoli and Mo Shixiu weren't suitable.

Mo Shixiu's future status meant that he couldn't give Jiang Luoli the life she wanted.

She knew Jiang Luoli too well.

Hence, she suggested that they weren't suitable for each other.

But just now, she suddenly wondered if Jiang Luoli would regret it if she rejected Mo Shixiu.

Perhaps, they might not be as unhappy as she made them out to be.

Perhaps, they could live happily too.

How could they be clear about their relationship?

Back when she married Mo Yesi, she didn't expect things to turn out this way.

She also felt that she wasn't suitable for him.

If it wasn't for Qiao Chen's illness, she wouldn't have married him.

It wasn't his fault.

But he was too nice.

She wanted to stay away from him.

A man with such good qualities wasn't a temptation to her, but a danger.

She had no idea if Jiang Luoli loved Mo Shixiu.

But she definitely liked him.

If she didn't like Mo Shixiu at all, she wouldn't have specially asked Qiao Mianmian out for her opinion.

She must be tempted.

And for some reason, she was hesitant.

"Baby, you..." Jiang Luoli looked at her in confusion. "Didn't you think that we weren't compatible? Why are you..."

"Luo Luo, I think you know best whether it's appropriate or not. I just feel that you have to listen to your true feelings before deciding what to do.

"After all, feelings are your own business.

"I've said it before. No matter what decision you make, I'll support you."

Jiang Luoli looked at her for a while and quickly understood what she meant. She smiled and nodded.

"Mm, I got it. I'll think about it again. I'll let you know when I've made up my mind."

"Alright."

...

They waited for Mo Yesi at the dessert shop.

Jiang Luoli used to be Mo Yesi's fan.

Now that she knew his true identity, she looked at him with even more admiration. She was just like a little fangirl.

“Hi, Prince Charming, long time no see.”

The fangirl waved at him enthusiastically the moment she saw him.

Mo Yesi was dressed in a black top and black pants. The moment he entered the cafe, the female employees in the shop kept looking at him, wondering if he was a model or an actor.

Qiao Mianmian looked at him too.

The man had a good foundation.

He looked exactly like a clothes rack.

Coupled with his handsome face, it was hard not to attract attention.

Every time he appeared, no matter where he was, he would attract everyone’s attention.

Even Qiao Mianmian’s heart would flutter every time she saw him.

Not to mention others.

It was just a simple black shirt, but it looked different on him.

That cold and elegant aura was especially attractive.

Every time Qiao Mianmian saw him, she would feel a sense of pride and wonder why her husband was so handsome.

### **Chapter 1015: Could Mo Shixiu be a Man Who Dotes on His Wife Too?**

He was so handsome.

And this perfect man was actually her husband.

“Hello, Miss Jiang.” Mo Yesi quickly walked to Qiao Mianmian’s side and bent down to hold her head. Under Qiao Mianmian’s shocked and shy gaze, he lowered his head and kissed her on the forehead. He smiled gently and said, “I’m sorry, Baby. There was a traffic jam on the way, so I came a little late.”

Qiao Mianmian blushed at the thought of Jiang Luoli sitting opposite them.

Jiang Luoli looked at him with envy and joked. “Prince Charming, you can’t be like this. You’re showing off your affection the moment we meet. Have you thought about how I feel as a single woman?”

“Miss Jiang is young, beautiful, and talented. As long as you’re willing, you can find someone you like at any time. At that time, Miss Jiang won’t be fed dog food by others.”

“Wow.”

Jiang Luoli was in disbelief. “Prince Charming, are you complimenting me? Do you really think I’m young, beautiful, and talented? I’m so happy to be praised by Prince Charming. I feel even happier than winning five million yuan.”

Mo Yesi was cold to all women except Qiao Mianmian.

Shen Rou was an exception.

But she was just slightly better than other women.

It wasn't that special.

But he was obviously nicer to Jiang Luoli than ordinary people.

He smiled and said, "I'm just stating the facts. Miss Jiang is my wife's best friend. I believe that birds of a feather flock together. Since my wife is so outstanding and good, her friends aren't too bad."

Jiang Luoli was speechless.

After all this time, her Prince Charming was indirectly praising her Baby.

She was so agitated.

Every time she saw Mo Yesi, Jiang Luoli saw that his eyes were only on Qiao Mianmian. He would say at least two sentences to her.

This man would always talk about his wife.

His eyes were always on his wife.

He used his actions to show how much he cared about this woman.

Jiang Luoli was envious.

How many people could meet a man like Mo Yesi?

He came from a rich and powerful family and had outstanding looks.

He was so devoted to his other half.

This was practically every woman's dream husband.

God was really good to her baby.

Although she met a jerk like Su Ze, he made up for it by giving her such a perfect husband.

Mo Yesi was better than Su Ze in every aspect.

Jiang Luoli wasn't that interested in dating and getting married. At least, she wanted to focus on her career.

But seeing how loving Qiao Mianmian and Mo Yesi were, she sometimes wanted to have a sweet relationship too.

She suddenly thought of Mo Shixiu.

Mo Shixiu and Mo Yesi were biological brothers. They grew up together, and their environment and education were the same.

So, since his younger brother was so loyal and devoted to his wife, would it be the same for him?

Was Mo Shixiu also a man who doted on his wife?

Jiang Luoli's heart raced when she saw his handsome but cold face.

### **Chapter 1016: Are You Sure This Is True?**

She felt a little strange thinking about Mo Yesi and Mo Shixiu's brotherly relationship.

She and Qiao Mianmian were best friends, but the men they met were actually biological brothers...

Such a fate felt like something out of a drama.

"Miss Jiang, I'll treat you to a meal next time. Now, I'm taking my wife away. Miss Jiang, are you coming with us, or...?"

Mo Yesi's gaze landed on the two bodyguards in black.

He felt like they looked familiar.

But he couldn't remember where he'd seen them before.

"No need, no need. Prince Charming, quickly bring Baby on a date. It's not on the way."

"Alright, then." Mo Yesi held Qiao Mianmian's hand and put it around her waist. "We'll get going first. See you next time, Miss Jiang."

"Alright. Bye, Prince Charming. Bye, Baby!"

...

Qiao Mianmian put on her mask and followed Mo Yesi out of the dessert shop.

He drove a black Bentley instead of his Lamborghini.

Even so, they still attracted the attention of passersby.

Mo Yesi was too handsome.

Anyone who saw him for the first time would think that he was a model or an actor.

In the car.

Qiao Mianmian buckled her seatbelt, but Mo Yesi didn't drive off immediately.

Qiao Mianmian turned around and saw his thoughtful expression.

She asked curiously, "Mo Yesi, what are you thinking about?"

"Nothing."

Upon hearing her voice, Mo Yesi snapped out of his daze and turned to look at her. "The two people standing beside Jiang Luoli, what's their relationship with her? Do they know each other?"

"I think they look familiar. I think I've seen them somewhere before."

Qiao Mianmian's expression changed slightly.

She bit her lip and hesitated.

Should she tell Mo Yesi about Jiang Luoli and Mo Shixiu?

They were brothers.

Mo Yesi definitely knew his brother well.

If he were to help her analyze it, his suggestion should be the most helpful to Jiang Luoli.

At the thought of this, Qiao Mianmian said, "You find them familiar, you must have seen them before. They... are Big Brother's bodyguards."

"Big Brother's bodyguards?" Mo Yesi was shocked. "Why are Big Brother's bodyguards with her?"

With Qiao Mianmian's reminder, Mo Yesi slowly recalled.

He had seen those two bodyguards before.

Those two were indeed Mo Shixiu's right-hand men and often attended various events with him.

No wonder he found them familiar.

Qiao Mianmian pursed her lips and hesitated for a few seconds before saying slowly, "It's a long story. Anyway, because of some special reasons, Big Brother and Luo Luo have a special relationship.

"Now, Big Brother wants to date Luo Luo. Luo Luo asked me out today to discuss this with her.

"She's very hesitant. Should she agree to Big Brother's request?"

Mo Yesi was shocked again. "Big Brother wants to date her? Are you sure this is true?"

Mo Yesi couldn't believe that Mo Shixiu would do such a thing.

His workaholic big brother would actually date a girl?

### **Chapter 1017: Repeat the Last Sentence**

In Mo Yesi's eyes, this incident was as shocking as seeing the sun rise from the west.

It was a strange thing.

In his opinion, it was only normal for someone like his brother to never get married.

It was hard to imagine what it would be like to fall in love, get married, and have children with him.

A man like his Big Brother was more suitable to be alone for life.

He had no time to date.

He even gave him time to sleep.

"Of course it's true!" Qiao Mianmian bit her lip and frowned. "Luo Luo should like Big Brother, but he seems to be more responsible towards her. Actually, I really hope that Luo Luo can be with Big Brother.

“If that’s the case, Luo Luo might become my sister-in-law in the future. If she could be my sister-in-law, I’d be so happy. But I don’t think she’s suitable for Big Brother. Luo Luo has a very lively personality and likes to live a diverse life.

“Big Brother’s personality seems a little dull. Moreover, he’s so busy now that he barely has time to return home. If he becomes the President of Country A in the future, he’ll definitely be even busier.

“I don’t think he can give Luo Luo the love she wants. If Luo Luo gets together with him, she’ll definitely spend less time with him. So, I suggested that Luo Luo doesn’t agree to be his girlfriend. But now, I feel like I’m being too arbitrary?”

Mo Yesi was still in shock.

After listening to Qiao Mianmian’s explanation and digesting it for another minute, he finally accepted it.

He looked at her worried expression and thought about it seriously before saying, “You think that my Big Brother’s personality and work isn’t suitable for her? You’re afraid that if they get together, my Big Brother won’t be able to give her the happiness she wants?”

“Mm.” Qiao Mianmian nodded. “But now, I feel like it’s hard to say how they’ll develop in the future. When we first got together, I never thought I’d like you so much.”

Qiao Mianmian realized that she had just confessed to Mo Yesi.

She sounded so natural when she said she liked him.

She couldn’t help but blush as she looked at him shyly. “Well, anyway, what I mean is that they might be happy together. What do you think?”

That confession was very clear.

The man smiled.

Looking at the girl’s pale face, he couldn’t help but lower his head. He pinched her chin with his slender fingers and whispered, “Baby, repeat the last sentence.”

As the man got closer, Qiao Mianmian could smell his unique masculine scent.

It was a dizzying hormone.

Qiao Mianmian’s face burned even more. When she looked up and saw his handsome face right in front of her, her heartbeat accelerated.

She knew what he was talking about, but she just wanted to tease him, so she feigned ignorance and said, “I was wondering how they will develop in the future...”

He tightened his grip on her chin. “Not this.”

Qiao Mianmian continued to feign ignorance. “I mean, maybe after they get together...”

**Chapter 1018: Do You Like It That Much?**

"It's not that." Mo Yesi could tell that she was doing it on purpose. He smiled and bit her lip. "Little imp, you know what I want to hear. If you don't say it, I'm going to kiss you."

Qiao Mianmian chuckled as she felt his warm breath on her lips. "You heard it, why do I have to say it again?"

"I want to hear it again."

Mo Yesi grabbed her hand and kissed her palm. "Say it again and I'll help you analyze what happened."

Qiao Mianmian was speechless.

"No one knows my Big Brother better than I do. My analysis is definitely useful to your best friend. Baby, do you want to say it again?"

The man's lips were still against her palm.

As he spoke, his warm and moist lips would brush against her palm.

Qiao Mianmian looked down and saw that he was holding her hand. His posture and the way he kissed her palm were full of love and tenderness.

She was instantly tempted.

At this moment, she felt too embarrassed to say it out loud. "Mo Yesi, I said I like you."

She really liked him.

She wanted to be with him forever.

Accompany him until his hair turned white.

The man looked at her tenderly. "Say it again, Baby."

Qiao Mianmian couldn't help but laugh. She held his handsome face and looked at him. "Mo Yesi, I like you."

"Say it again."

"Mo Yesi, I like you."

"Say it again."

"Mo Yesi, I like you."

"Say it again."

Qiao Mianmian was speechless.

Was this man done?

Was he addicted?

Why did he like to hear someone confess to him so much?

She glared at him. “Mo Yesi, are you done? Can you tell me what you think about the relationship between Luo Luo and your brother now?”

“Baby, call me Hubby one more time and I’ll tell you.” A certain someone didn’t hold back and made another request.

Qiao Mianmian was speechless.

“Mo Yesi, aren’t you too shameless? You clearly said…”

“Mm, I’m shameless. Honey, can you call me Hubby again? Didn’t you say that in the office? Call me that again, I promise this is the last request.”

Seeing how thick-skinned he was, Qiao Mianmian found it amusing and annoying at the same time. In the end, she fulfilled his request and called him Hubby.

The man’s warm lips landed on hers.

Mo Yesi only ended the kiss when Qiao Mianmian almost fainted from lack of oxygen.

Qiao Mianmian leaned against his chest, panting.

His eyes burned as he caressed her swollen lips. “Baby, you’re so sweet.”

Qiao Mianmian almost fainted from the kiss. She punched his chest and said, “Mo Yesi, you liar.”

Mo Yesi chuckled. “How am I a liar? Baby, I didn’t say I wouldn’t kiss you.”

Chapter 1019: If He Misses This Chance, He’ll Be Alone for Life

“Alright, alright. Didn’t you want my advice? I’ll tell you now, alright?”

Knowing that he should stop teasing her, the man thought for a while before replying seriously, “Based on my Big Brother’s personality, if he decides to do something, he’ll be fully focused.

“He’ll do it very seriously and with all his heart.

“If he really wants to date Jiang Luoli, I believe this isn’t an impulsive decision. He’ll consider everything that we’ve considered. But since he made such a decision, I believe he has thought about how to balance work and love.”

Qiao Mianmian was stunned for a few seconds. “So, do you think they can be together?”

“As long as they’re willing, of course, they can be together.” Mo Yesi smiled. “It’s up to the person. It’s indeed not as easy to be with my Big Brother as it is to be with an ordinary person, but there will always be a solution.

“Baby, we can’t be together like ordinary people.

“But as long as you care about someone enough, you’ll be willing to accommodate a lot of things. Moreover, these accommodations are voluntary. You’ll feel happy if you give it to the person you like.”

Qiao Mianmian kept quiet for a while.

She felt that Mo Yesi made sense.

In fact, they hadn't been together every day.

They didn't spend much time together.

Moreover, her profession meant that they would be apart more often.

But she didn't think it was a big problem.

After Mo Yesi's analysis, she felt that Jiang Luoli could be with Mo Shixiu too.

"Luo Luo is my best friend." Qiao Mianmian looked up at him seriously. "So, Mo Yesi, tell me the truth. Do you think Luo Luo and Big Brother are suitable?"

"If they date, can Big Brother really give Luo Luo happiness?"

Mo Yesi answered her seriously too. "Baby, I can't give you an affirmative answer now. We'll only know if they're compatible when they're together. As for the latter question, I believe my Big Brother has the ability to give any woman happiness.

"As long as he wants to.

"You asked for my advice. My advice is that you don't interfere in this matter. They're already adults, so they should decide what to do. To me, I naturally hope they can be together.

"With Big Brother's personality, he might really be alone for the rest of his life if he misses this opportunity."

Qiao Mianmian was speechless.

How could he say that about his brother?

He said that with Mo Shixiu's personality, he might be alone for the rest of his life. He was the same.

Moreover, his condition was worse than Mo Shixiu's.

Mo Shixiu was too busy with work to date, but he was allergic to women.

"Alright." Qiao Mianmian thought for a while and sighed. "Then, I won't bother about anything else. Luo Luo is so smart, I believe she knows what to choose."

"Don't worry." Mo Yesi could tell that even though she said that, she was actually still worried. He patted her head and comforted her. "If she rejects my Big Brother, you don't have to worry anymore. But if she accepts him, you also don't have to worry."

## **Chapter 1020: With Her Strength, I Think She Can't Resist It**

Qiao Mianmian looked at him and blinked.

Mo Yesi pondered for a while and said, "My Big Brother is a very opinionated person. It can be said that no one can affect him when he decides on something. In this aspect, I'm very similar to him."

Mo Yesi knew what she was worried about, so he reassured her first. "We're all the same. We've already decided on our own. Unless we change our minds, no one can control us.

"Even if it's family."

Qiao Mianmian felt a little more at ease.

Mo Yesi knew her well and knew what she was worried about.

She was worried that Jiang Luoli wouldn't be liked by Madam Mo like her.

She would be aggrieved by Madam Mo.

After all, Jiang Luoli's family background was much worse than hers.

Madam Mo despised the Qiao family.

Moreover, the Jiang family was much worse than the Qiao family.

She'd only met Mo Shixiu once.

She didn't know what kind of person he was.

If he was the kind of man who was filial to his parents and listened to them, he definitely wouldn't be able to protect Jiang Luoli.

Mo Yesi must have seen what she was worried about.

That was why he said those words to her.

"Then guess, will Luo Luo and Big Brother end up together?" Qiao Mianmian thought for a while and looked at him. "They're having dinner together tonight, and Luo Luo will talk to him about this. What do you think Luo Luo will choose?"

"You want me to guess?" Mo Yesi raised an eyebrow.

"Mm, take a guess. Aren't you the best at guessing others' thoughts? And you're always so accurate." So accurate that she wondered if he could read her mind.

Hence, she really wanted to know what Jiang Luoli would choose.

"Baby, although I can guess what others are thinking, I don't like to guess. I'm only interested in what you're thinking, and I only want to guess your heart."

Qiao Mianmian was speechless.

Was he flirting with her?

The corners of her lips twitched. She shook his arm and said coquettishly, "Luo Luo isn't anyone else. She's my best friend. Just take it as a guess. I know you're the best."

It worked.

The man seemed to enjoy it. He immediately fulfilled her request and analyzed it for her seriously. "If you're asking for my opinion, I think she'll agree to date my brother in the end."

Qiao Mianmian was shocked. "Why?"

She felt that Jiang Luoli would reject Mo Shixiu.

Even if Mo Shixiu was really an outstanding man.

But for a girl like Jiang Luoli, freedom was the most important.

At least, that was what she knew about her.

Mo Yesi smiled. "No reason. Didn't you say that she likes pretty and handsome people?"

Qiao Mianmian was confused.

"My Big Brother's face should be rather attractive to her. If she really likes pretty and handsome people, my Big Brother must be very attractive to her. With her determination, I don't think she can resist it.

"No matter how rational she acted previously, once she sees my Big Brother, she'll definitely lose all rationality.

"If she's determined to reject my Big Brother, it's best not to meet him. Rejecting him over the phone will have a higher chance of success."

Qiao Mianmian was speechless.
