

Big Shot 1021

Chapter 1021: Baby, Should We Make a Bet?

“That means she’s not going to the appointment tonight. If she does, I’m sure she’ll become my Big Brother’s girlfriend.”

Qiao Mianmian was speechless.

“But, Luo Luo said that she wasn’t suitable for Big Brother, and she was determined to reject him.”

“Mm, that’s what she thinks now.”

“...”

“But after seeing my Big Brother, she might not think that way anymore.”

“...”

“That’s why I said that if she wants to reject my Big Brother, she shouldn’t meet him tonight.”

Mo Shixiu’s face was rather attractive.

Hence, even if he was a veteran, it wouldn’t affect him much. Once women saw him, they wouldn’t look down on him.

Madam Mo had arranged a few blind dates for him previously.

Every time, the girl would fall in love with him at first sight.

It was also because of his looks and the Mo family’s background that few women would bother with his boring personality.

Jiang Luoli was the same age as Qiao Mianmian.

It was hard to reject a mature and handsome gentleman at this age.

“Baby, should we make a bet?” Mo Yesi chuckled as he looked at Qiao Mianmian’s confused expression and patted her head. “If I’m right, you have to agree to one request of mine. If you’re right, I’ll agree to one request of yours.”

Qiao Mianmian hesitated for a while before asking, “What request? You’ll agree to it?”

“Mm. Correspondingly, you have to agree to my request.”

Qiao Mianmian hesitated again.

She knew Mo Yesi too well.

She didn’t even have to guess to know what request he would make.

“Mm? Baby, do you dare to make this bet with me? Let’s see if you know your best friend or I know her better?”

“... Alright. Let’s make a bet, then!”

Qiao Mianmian didn't believe that she knew less about Jiang Luoli than the man beside her.

They had been best friends for years.

How many times had Mo Yesi met her?

Even if Jiang Luoli was a beauty, she wasn't the sort of girl who would lose her mind at the sight of a handsome man.

She believed that her best friend wouldn't be tempted by beauty!

...

On the other side.

After separating from Qiao Mianmian, Jiang Luoli followed the two bodyguards to Mo Shixiu's house in the suburbs.

Everyone in the house must have received the notice.

Jiang Luoli got out of the car and saw Sister Lin standing by the fountain. When she saw her, she walked over with a smile.

"Miss Jiang, you're here." Sister Lin liked Jiang Luoli. This girl left a good impression on her, and she was someone that her husband cared about. Hence, Sister Lin was even more concerned about Jiang Luoli.

This was the first time in his life that Master cared so much about a girl. As servants, they naturally had to love her.

Moreover, Sir had such good taste. A girl he liked was naturally good too.

"Miss Jiang, are you hungry? Is there anything you want to eat? I made some pastries, they're all freshly made. Miss Jiang, do you want to try them?" Sister Lin held Jiang Luoli's arm affectionately.

It was as if she was seeing her own daughter.

Jiang Luoli liked Sister Lin too.

The last time she ate at this house, Sister Lin was especially warm to her. Before she left, she even packed a lot of pastries and snacks for her to bring home.

Chapter 1022: Miss Jiang Is the Only One With Such Treatment

Jiang Luoli smiled when she saw Sister Lin. "Sister Lin, I'm not hungry. Have you been waiting here all this while? The sun is so bright, you shouldn't have waited outside."

Sister Lin held her hand as they walked into the white building. She smiled and said, "I just came out for a while, so I wasn't exposed to the sun. Moreover, I'm not young like you. My skin is rough. It's fine even if I'm exposed to the sun."

Jiang Luoli saw many housemaids cleaning the living room.

She asked curiously, "Why are there so many people cleaning at this time?"

Normally, cleaning was done in the morning.

Sister Lin looked at her and smiled. "Because Miss Jiang is coming over, the cleaning needs to be done again."

Jiang Luoli was shocked and pointed at herself. "Because of me?"

"Mm." Sister Lin said, "Miss Jiang is someone that Mister values, so we naturally have to take care of you seriously. This is also what Mister wants."

Jiang Luoli was stunned again. She didn't know why, but her heart started racing, and her face started to heat up.

She pursed her lips and blushed. "T-this is also Mr. Mo's intention?"

Would Mo Shixiu do that?

She didn't believe it.

That man looked cold and distant, and the fact that he suggested going to the mountains to look at the stars showed that he was straight.

As a straight man, he shouldn't be so meticulous.

"Yes, that's what he wants, of course. We're all following his instructions." Sister Lin lied calmly, trying to gain Mo Shixiu's favor. "That's why I said that he thinks highly of Miss Jiang. Miss Jiang is the only one with such treatment."

Jiang Luoli blushed even more.

Her heartbeat quickened.

She didn't expect Mo Shixiu to be so thoughtful.

"I'm the only one?" She bit her lip. Her heart raced, but she maintained a calm expression and asked, "Has he never treated other girls this way before?"

"Of course not, definitely not!" Sister Lin quickly denied it and said seriously, "Besides Miss Jiang, Mister has never treated other women like this. Let alone other women, they don't even have the chance to come here.

"Miss Jiang is the only woman that Mister brought back.

"This is Mister's place of residence. It's a very important place to him. If it wasn't for the person he values, he wouldn't have brought her back. Miss Jiang, from these two points, you should understand Mister's feelings for you."

It could be said that Sister Lin looked at Mo Shi's slender figure.

When they were still at the old house, Sister Lin was in charge of taking care of Mo Shixiu's food and lodging.

Because she took good care of him, Mo Shixiu moved out on his own and she followed him here.

Hence, not only did she have a master-servant relationship with Mo Shixiu, but after spending a long time with him, she also shared a kinship with him.

Seeing that her outstanding boss was almost 30 years old and didn't have anyone by his side and that his focus was on his work, Sister Lin didn't say anything, but she was starting to get anxious.

She was afraid that Mo Shixiu would focus on his work and stop thinking about personal matters.

Chapter 1023: She Didn't Agree to Move In!

It would be such a pity if such an outstanding man like Mister never got married.

Sister Lin had been worrying for many years. As Mo Yesi got older, she got more and more worried.

Sometimes, she couldn't even sleep.

Now that Mo Shixiu had finally brought a woman back, how could Sister Lin not be happy?

She knew Mo Shixiu's personality.

He had never been in a relationship, nor had he had any experience with women.

Although the conditions were good, Sister Lin was worried that Jiang Luoli wouldn't like his boring personality.

After all, girls liked romance and sweetness.

And Mister was obviously not good at this.

As someone who hoped that he would be able to marry soon, she had to help him whenever she could.

She wanted to settle Mister's marriage as soon as possible.

Jiang Luoli blushed at Sister Lin's blunt words. As a tomboy, she looked a little shy.

Seeing her like this, Sister Lin decided to strike while the iron was hot. "Mister values Miss Jiang more than this. He even got someone to rush to decorate Miss Jiang's room today. You should know that Mister is usually very busy, but when he decorated Miss Jiang's room today, he was always there to watch.

"This is the first time I've seen Mister spend his time on other things. Only Miss Jiang has such treatment. Because of Miss Jiang, Mister has been coming home more frequently.

"In the past, this used to be an empty house. Mister rarely came back."

"Is-is that so?" Jiang Luoli didn't know if Sister Lin was telling the truth, but she could feel her heart racing.

"That's right. You don't even know how long it has been since Mister came back. As you know, he's busy with work all year and spends most of his time outside. It's already good enough that he comes back once or twice a month.

“But after knowing Miss Jiang, Mister has been back for the past few days.

“Although he didn’t say it, if not for Miss Jiang, why would he suddenly come back so frequently? Thanks to Miss Jiang, this house is finally not as empty as before.

“When Miss Jiang moves over, Mister will definitely stay here often.”

When she met Mo Shixiu that time, Jiang Luoli didn’t feel that he cared much about her.

In her opinion, he treated her pretty well that night.

He felt like he owed her.

He only wanted to make it up to her.

But now that Sister Lin mentioned it, Mo Shixiu seemed to really like her.

Jiang Luoli was a newbie in relationships.

Mo Shixiu was someone she admired.

How did it feel to be liked by her idol?

Even though she felt that Sister Lin might have misunderstood Mo Shixiu’s behavior, her heart still pounded.

“Miss Jiang, Mister will be back a little later. He instructed us to treat you well. Miss Jiang, do you want to take a look at your bedroom now? Mister arranged it personally, you’ll definitely like it.”

Jiang Luoli was speechless.

She never agreed to move in!

Mo Shixiu was too domineering.

She didn’t want to look at the room, but she couldn’t bear to reject Sister Lin’s expectant gaze.

Chapter 1024: Pink Room

No matter what, Sister Lin was genuinely good to her.

“... Alright. Let’s go take a look, then.”

“Alright.” Sister Lin was elated. “Miss Jiang, follow me.”

...

Jiang Luoli had thought that a man with such good taste as Mo Shixiu would surely have good taste.

But...

When she saw the pink decor, she was shocked.

She thought she was in the wrong room.

“Miss Jiang?” Seeing that she was standing at the door and refusing to enter, Sister Lin thought that she was too happy and immediately praised Mo Shixiu with a smile. “What do you think of this room? Isn’t it beautiful?”

“Many of the items were personally ordered by Mister.

“Mister said that you’re a girl and would definitely like the romantic and dreamy style. Hence, this room is decorated according to the pink castle style. The curtains, bed accessories, the various ornaments in the room, and the flowers were all ordered by Mister.

“Mister put a lot of effort into it.”

Jiang Luoli was speechless.

Alright, she was sure she hadn’t entered the wrong room.

This was really her bedroom.

“You’re saying that Mr. Mo personally picked out everything in the room for me?” She was so shocked that she couldn’t speak for a while. It took her a minute to accept this fact.

“That’s right.” Sister Lin tried her best to help improve her impression of him. “Mister has done everything for Miss Jiang personally.”

Jiang Luoli was speechless.

She was really curious why Mo Shixiu thought she liked this style.

She didn’t look like a little girl.

The room was full of pink stuff.

There were pink roses, pink lilies, and pink stars on the bedside table and shelf.

The sweet scent of flowers filled the air, and Jiang Luoli couldn’t help but sneeze.

Sister Lin immediately turned around and looked at her nervously. “Miss Jiang, are you feeling unwell? Do you have a cold? Do you want the doctor to take a look at you?”

“No need, no need!” Jiang Luoli was afraid that Sister Lin would really call the doctor, so she quickly said, “I just felt that the floral fragrance was a little too strong and choked on it.”

“The flowers smell too strong?” Sister Lin looked at the flowers in the room and was stunned. She immediately got a housemaid to remove two of them.

Only then did Jiang Luoli feel that the floral fragrance had faded a little.

She followed Sister Lin into the room.

The bedroom was huge.

It was at least five to six times bigger than her room.

Standing at the door just now, she couldn’t see everything in the room.

Jiang Luoli realized that what she saw at the door was nothing.

Not only was everything in the room pink.

There were even many stuffed toys.

What she couldn't tolerate the most was that even the toys were pink!

Jiang Luoli was about to break down.

She really couldn't understand why Mo Shixiu's taste was so bad.

Did he think she was a three-year-old child?

But just then, her cell phone rang. It was Mo Shixiu.

She hesitated for two seconds before picking it up.

The man's cold and magnetic voice came through the phone. "Miss Jiang, are you here already?"

Chapter 1025: Isn't It Good to Have Someone to Take Care of and Love You?

Jiang Luoli kept quiet for two seconds and looked at the room full of pink.

Mo Shixiu chuckled. "Miss Jiang, have you seen your room? How is it, do you like it?"

Jiang Luoli continued to keep quiet.

How was she going to answer this question?

It was too much to say that she liked it.

She couldn't love this pink decor.

She would break down if she had to stay in this room for half a day.

If she said she didn't like it, it seemed like a gesture of goodwill.

Especially when Sister Lin repeatedly emphasized that he was the one who ordered many of the items.

She didn't know how to respond, so she kept quiet.

"Miss Jiang?" Mo Shixiu was puzzled by her silence. "Miss Jiang, why aren't you saying anything? Is there something wrong with the decor?"

Jiang Luoli asked, "... Mr. Mo, can I ask you a question?"

"Mm, ask away."

"Why... do you think I like pink things?"

Mo Shixiu asked, "What?"

Jiang Luoli looked at the pink rabbit on the bed and smiled. "Am I just a little girl in Mr. Mo's eyes?"

“Miss Jiang is only 19 years old this year.” Mo Shixiu chuckled. His voice wasn’t as cold as when the call was just picked up. “You’re a little girl at this age.”

He really treated her like a little girl.

Jiang Luoli frowned and said unhappily, “Mr. Mo, I’m already an adult. Although I’m not very old, my thinking is very mature. I’m no longer a girl.

“So, please don’t treat me like a little girl.”

The man chuckled again. “Miss Jiang, to an almost 30-years-old man, you’re still a little girl.

“A little girl who needs to be protected and taken care of.

“If you tell me not to treat you like a little girl, how should I treat you? Like a mature woman?”

Jiang Luoli was unhappy that he called her a “little girl”. She frowned even more. “That’s right, I’m a mature woman, not a little girl. Mr. Mo, I’ll seriously emphasize this again. I’m not a little girl anymore.

“I’ve long been taking charge of things on my own. I’m an independent woman both in terms of thought and ability. I can take good care of myself. I don’t need anyone to love and take care of me.”

She didn’t know why.

Jiang Luoli didn’t like being treated as a little girl by Mo Shixiu.

Even though he was 10 years older than her.

She was indeed a little girl in his eyes.

But she didn’t like this feeling.

They had slept together.

Did he still think she was a child?

How was she small!!!

“An independent woman doesn’t mean that she doesn’t need someone to take care of and love her.”

Mo Shixiu reasoned with her patiently. “If you can take good care of yourself, isn’t it good to have another person take care of you and love you?

“It’s a good experience to be cared for. Having more people care for you won’t affect your current life. It’ll make your life even better. Miss Jiang, don’t you want to give it a try?”

Chapter 1026: She Didn’t Even Have the Desire to Talk Anymore

Jiang Luoli knew what he meant.

He was talking to her about dating again.

Mo Shixiu was undeniably a charming man.

And he especially tempted her.

It was really, really hard to reject a man like him.

But at this moment, Jiang Luoli's mind was clear and rational.

She knew that no matter how attractive he was, she couldn't accept him.

In front of her was a trap full of tempting candy.

It was both tempting and dangerous.

If she accidentally fell in, she wouldn't be able to get out.

Jiang Luoli took a deep breath and asked calmly, "Mr. Mo, when will you be back?"

"I'm already in the car. Miss Jiang, do you want to see me sooner?" The man sounded serious.

Jiang Luoli was speechless.

Was Mo Shixiu... flirting with her?

Or was he just saying that she was overthinking?

Thinking about his personality, Jiang Luoli felt that she was overthinking.

How could a man like him flirt with women?

If Mo Shixiu knew how to flirt with women, he wouldn't be single now.

He'd already be married.

The only reason he was still single was that he was too mature and didn't attract women.

And he was very straight.

From the moment he invited her to look at the stars on the mountain to setting up a pink room for her, all of these actions were done by a very straight man.

How many women would like a straight man?

"When will Mr. Mo be home?" Jiang Luoli ignored his question.

"If Miss Jiang is in a hurry, I'll get the chauffeur to drive faster. We'll be there in about 40 minutes."

Jiang Luoli said, "... I'm not in a hurry."

The man didn't seem to have heard her. He chuckled and said, "Miss Jiang, if you're bored, you can go to my study room to read and pass the time. Or you can go to the gym to exercise. The last time I saw you, I felt that your constitution wasn't very good. Exercising frequently can improve your constitution and improve your mental health."

Jiang Luoli was speechless.

Mo Shixiu was really a straight man!

He actually wanted her to read books and exercise to pass the time?

How did this man think?

Was he serious?

And he even said that her constitution wasn't good.

She dared to say that with his personality, if he didn't have a good background and good looks, no one would be able to match up to him in the blind date market.

He was definitely the sort of man who wouldn't say anything after he was done with her.

"Miss Jiang, you should eat more. I know that you girls like to look slim, but it's not good for your health. No matter what, you should put health first.

"But it's alright. I'll get the nutritionist to help you recuperate if Miss Jiang stays here."

Jiang Luoli was speechless.

How was she skinny?

She had the most perfect and healthy figure.

Although she was skinny, she didn't look shriveled at all. She was filled in the right places.

Her figure had been praised and envied by many.

So far.

Only Mo Shixiu, a straight man, despised her figure.

Chapter 1027: Don't Misunderstand Our Relationship

And he even said it out loud.

She felt that being a straight man wasn't enough to describe his weirdness.

Jiang Luoli felt as if she was being lectured by an elder.

"Oh right, Miss Jiang. You haven't told me. Do you like the room I arranged for you?"

Jiang Luoli was speechless.

She was too tired to speak.

"Mr. Mo, let's talk when you're back." Jiang Luoli felt that she might get a heart attack if she continued chatting with Mo Shixiu. So, she decided to end the conversation. "I'll wait for you."

"Alright." Mo Shixiu said gently, "Let's have a good chat when we meet. Miss Jiang... see you later."

"... Mm, see you later."

Jiang Luoli finally hung up.

Beside her, Sister Lin smiled and asked, "Was it Mister? Is he coming home soon?"

“Mm.” Jiang Luoli nodded and looked at Sister Lin as if she was looking at her daughter-in-law. She blushed and said, “He said he might only be back in 40 minutes.”

“Mister is done with his work and is rushing home now.” Sister Lin covered her mouth and smiled. “I’ve never seen him so enthusiastic before. Indeed, it’s best to have a woman at home. That’s how home feels.”

Jiang Luoli blushed even more.

She looked at Sister Lin’s happy expression and thought that she must have thought that she and Mo Shixiu were already together.

Mo Shixiu’s actions gave others the same illusion.

He had already gotten someone to renovate her room.

In another’s eyes, they were together.

Seeing how happy Sister Lin was, Jiang Luoli couldn’t bear to see her disappointed expression, but she felt that she should make things clear.

She couldn’t let this misunderstanding continue.

She and Mo Shixiu would never be together.

“Aunt Lin.” She hesitated for a moment before deciding to tell Sister Lin the truth. “Actually, Mr. Mo and I aren’t together. We’re just ordinary friends. I won’t be staying here in the future.

“Aunt Lin, don’t misunderstand our relationship.”

“What?” Sister Lin was shocked. “You aren’t with Mister?”

“Mm.” Jiang Luoli liked Sister Lin and couldn’t bear to disappoint her, but she still had to say it. “Aunt Lin, Mr. Mo and I won’t be together. There will definitely be a female owner here in the future, but that person won’t be me.

“So... Aunt Lin, don’t tease me anymore.”

The joy on Sister Lin’s face faded.

She didn’t think Jiang Luoli was joking. “B-But Mister said that Miss Jiang will move in.”

They were already living together, but they weren’t together?

Sister Lin couldn’t understand.

“I didn’t agree to move in with him.” Jiang Luoli rubbed her temple and looked a little helpless. “He was the one who got someone to move my things away. He was the one who wanted to renovate the room. I didn’t agree with it.”

Sister Lin widened her eyes in shock.

“Miss Jiang, you mean Sir forced you?”

“Not really. But, he also didn’t ask for my permission.”

Sister Lin maintained her stunned expression. After a while, she murmured, “Mister actually forced a girl. This is too shocking.”

Chapter 1028: Sigh, What a Pity

Jiang Luoli was also shocked.

She didn’t expect Mo Shixiu to have such a domineering side.

He looked so gentlemanly and polite.

He was obviously a gentleman.

It was hard to imagine that he could force others.

“So, I misunderstood.” Sister Lin was so happy that Mo Shixiu finally found a woman to go home with, but now she was so disappointed that it was all a misunderstanding.

She looked at the exceptionally beautiful girl in front of her and felt sorry for her.

This girl was so compatible with Mister.

And Mister really treated her differently.

Given Mister’s personality, he must really like this girl.

For the first time in his life, Mister finally had a woman he was interested in.

But the other party didn’t like him?

Mister had good looks, a good family background, and excellent work skills.

Why didn’t Miss Jiang like it?

Sister Lin really liked Jiang Luoli and really hoped that she could be with Mo Shixiu. She still held some hope and asked, “Miss Jiang, what do you think is wrong with Mister? Is it because he’s too busy at work and Miss Jiang is worried that he won’t have much time to spend with you in the future?”

“Aunt Lin, Mr. Mo is very good and has excellent qualities. I said that we can’t be together. Besides his work, there are many other factors. Anyway, I’m not the person for him.

“I think we can just be friends.”

“Miss Jiang doesn’t like Mister at all?” Sister Lin sighed regretfully. “But I feel that Mister really likes you. Miss Jiang, are you really not going to consider it? No matter what the problem is, as long as the two of them like each other, you can overcome it.”

Jiang Luoli kept quiet.

She had a good impression of Mo Shixiu.

But that bit of affection wasn’t enough to make her give up all her worries to accept him.

Seeing that she wasn't saying anything, Sister Lin thought that she'd asked something she shouldn't have. She immediately said, "Miss Jiang, am I asking too much? If I made you unhappy..."

"No." Jiang Luoli held Sister Lin's hand and quickly said, "I'm not unhappy. Aunt Lin, Mr. Mo is very good and outstanding, but we're not suitable for each other. I'm sorry to disappoint you."

"Sigh, what a pity." Sister Lin knew that she couldn't force her feelings. Although she felt that it was a pity, she could only accept reality.

"Alright. Even if Miss Jiang and Mister can't be lovers, we'll still be friends in the future. Miss Jiang can come here often, and Mister doesn't come back often. This huge house is so quiet. Miss Jiang, you have to come over more often to accompany this old woman."

"Alright, Aunt Lin. I will."

...

40 minutes later.

Jiang Luoli was drinking tea with Sister Lin when she heard the sound of a car outside.

"It's Mister." Sister Lin was elated. "Miss Jiang, let's go out and take a look. Mister must be back."

Jiang Luoli nodded and followed Sister Lin out.

The moment she walked out of the building, she saw a black Rolls-Royce parked beside the fountain.

The chauffeur got off first and opened the door.

Mo Shixiu alighted from the backseat.

He was dressed very formally in a white shirt, black trousers, and a black-tie.

Chapter 1029: Once You See Him, You'll Be Touched

Jiang Luoli saw his long legs first.

Mo Shixiu and Mo Yesi had a pair of enviable long legs. Both of them were over 1.8 meters tall, and their looks, figure, and clothes were the best among men.

Jiang Luoli felt that she was too spineless.

Forty minutes ago, she thought that Mo Shixiu was a straight man who didn't deserve any woman's affection.

But now, seeing this man face to face, her heart started racing uncontrollably.

Her face started to burn.

She was no longer as calm as before.

As he approached her, her heart beat faster and faster...

Until he stopped in front of her.

Jiang Luoli suddenly felt flustered.

“Good evening, Miss Jiang. We meet again.” Mo Shixiu looked down at her and smiled.

The man was handsome and cold.

But when he smiled, he gave off a warm feeling.

Jiang Luoli felt as if she was going to faint.

At this moment, she couldn't think at all.

Her mind went blank.

She could only hear her heartbeat.

“Good-good evening.” Jiang Luoli looked at the man's handsome outline. She, who was usually eloquent, now stammered. “M-Mr. Mo, you're back.”

Damn.

Mo Shixiu was a straight man.

But he was really good-looking.

It was too eye-catching!

Every time she saw him, she would be moved!

“Mm.” Mo Shixiu nodded at Sister Lin.

“Mister, are you hungry? Do you want me to get the kitchen to prepare dinner now?” Sister Lin looked at Mo Shixiu, then at Jiang Luoli and sighed in her heart.

Mister and Miss Jiang were such an eye-catching couple.

One was quiet, while the other was lively and quick-witted. Their personalities complemented each other.

How great it'd be if they were together.

With a young and energetic girl like Miss Jiang by his side, he wouldn't be lonely anymore.

But Miss Jiang...

“No need.” Mo Shixiu loosened his necktie a little and looked down at Jiang Luoli. “Miss Jiang and I will eat outside. You don't have to bother about us, just prepare your own dinner.

“Miss Jiang, I've booked the restaurant. Shall we go now?”

Jiang Luoli stared at his Adam's apple and suddenly recalled that night.

Her mouth went dry.

She didn't think the experience that night was good.

After all, the man's skills were too terrible, making her uncomfortable.

But the thought of Mo Shixiu and her...

She felt that it didn't matter if his skills were lacking.

With such a handsome face, many things could be forgiven.

"Miss Jiang?" Mo Shixiu looked at the dazed little woman in front of him and didn't hear her response.

Jiang Luoli snapped back to her senses.

She looked up and saw Mo Shixiu's handsome face. Her eyes flickered, and her heart was in a mess. "Mr. Mo, w-what did you just say?"

Chapter 1030: Mister... Is a Little Pitiful

Damn it.

This man was simply eye-catching from head to toe.

Every place looked so good to her.

His face, his figure, his voice, everything about him seemed to grow according to the standards she liked.

Mo Shixiu repeated patiently. "I said that the restaurant has been booked. Are we going now? Or do you want to rest for a while more? Or do you want to take a walk in the garden with me?"

"Let's go now." Jiang Luoli looked at the man's handsome face and wanted to settle this quickly.

She felt that if she didn't settle this quickly, she might not be able to bear it.

"Alright, Miss Jiang. Please get in."

Mo Shixiu opened the door and waited for Jiang Luoli to get in.

Sister Lin and the chauffeur were shocked.

In the past, Sister Lin would definitely be very happy.

But now, she felt pity and a little heartache for Mo Shixiu.

Sigh, Mister had fallen in love after 30 years, but it was such a heartless ending.

Mister... was really pitiful.

...

Qiao Mianmian and Linda arranged to meet at a high-class Western restaurant.

Linda booked a private room.

When Qiao Mianmian arrived, Linda was already waiting for her inside.

They greeted each other and ordered a glass of water. After the waiter left, Qiao Mianmian sat opposite Linda and smiled. "Sister Xie, when did you come? Have you been waiting for a long time?"

Linda looked at the girl's sweet smile. She couldn't believe that her boyfriend was the Second Young Master of the Mo family, the Chairman of the Mo Corporation who controlled Country A's economy.

She had heard a lot about the Chairman of the Mo Corporation.

Someone said that Chairman Mo didn't have a woman by his side all these years because he wasn't interested in women.

He liked men.

But now, the artiste under her was dating him. It was obvious that the rumor wasn't accurate.

This girl was only 19 years old.

Many girls of the same age were dating teenagers from the same school.

And she actually managed to take down the Chairman of the Mo Corporation quietly.

This made Linda view her in a different light.

"I just arrived. Are you hungry? What do you want to eat? Do you want me to get the waiter?"

After finding out that Qiao Mianmian's boyfriend was the Chairman of the Mo Corporation, Linda became much more polite to her.

She used to think that Qiao Anxin was capable for seducing a man like Su Ze.

But now, she felt that Qiao Mianmian was way above Qiao Anxin.

Compared to the Chairman of the Mo Corporation, Su Ze was nothing.

They were worlds apart.

The Su family was considered pretty good.

But compared to the Mo family, the Su family... wasn't even qualified to carry their shoes.

"No rush, I'm not hungry." Qiao Mianmian was focused on the termination of the contract and went straight to the point. "Sister Xie, let's talk about the contract termination first. I think..."

"Mianmian, there's no need to terminate the contract. Let's maintain our previous contract and continue working together."
