

## Big Shot 1031

### Chapter 1031: Are You Sure You're Not Teasing Her?

Qiao Mianmian was stunned. "Sister Xie, you..."

Linda looked a little awkward and coughed lightly. "Chairman Zhao suddenly changed his mind and told me that there's no need to terminate the contract. Mianmian, since there's no need to terminate the contract, I think you should stay in Huan Yu.

"I've already talked to Chairman Zhao. The company will arrange more jobs for you to increase your reputation and popularity. If you have any other requests, you can say them to me now.

"I'll help you talk to Chairman Zhao."

Anyway, Zhao Kai would definitely agree to whatever Qiao Mianmian requested.

Since she was an artiste under her, Linda naturally hoped to get more resources for Qiao Mianmian.

Qiao Mianmian was sure that she hadn't heard wrongly.

But she was confused. "No? Why?"

"Ahem, this..." Linda was too embarrassed to say that Zhao Kai knew that her boyfriend was the Chairman of the Mo Corporation.

Hence, not only did he not want to terminate the contract with her, he even wanted to extend it for a few more years.

Of course, Linda couldn't bring herself to ask such a shameless request.

She told Zhao Kai that if he wanted to extend the contract, he could discuss it with Qiao Mianmian himself.

"This is Chairman Zhao's decision. I'm not sure why, exactly." Linda lied through her teeth. "Or maybe he regrets it. You're the best among the newbies. As long as he's not blind, he can tell that you'll definitely be popular in the future."

Qiao Mianmian was speechless.

She was already prepared to terminate the contract, and now Linda was telling her that she didn't have to?

Was she kidding?

"Sister Xie, I think it's better to terminate the contract."

It was good news for Qiao Mianmian.

But at the thought that she might be embroiled in scandals in the future, she was too embarrassed to stay in the company.

She felt that the company wouldn't be able to tolerate it sooner or later.

She might as well take the initiative now.

If that was the case, she should leave on a better note.

“Why?” Linda was stunned for a moment, thinking that she was going to terminate the contract because she got angry. “Mianmian, I don’t think you should say things out of spite. Huan Yu is the largest and most developed agency in the entire entertainment industry.

“Although there are many artistes and competition, the resources are the best.

“Chairman Zhao has already promised to give us more resources. I’ll help you plan your future development. Believe me, I’ll definitely make you popular.”

Qiao Mianmian shook her head. “Sister Xie, you’ve misunderstood. I’m not angry. Actually, I understand why the company wants to terminate the contract with me. I’m really not complaining. I just feel that I’ve caused too much trouble for the company.

I can’t promise that it won’t happen again in the future. So, I think it’s better to terminate the contract.

“I don’t want to cause trouble for the company anymore.”

Linda panicked at her determination to terminate the contract. “Mianmian, are you trying to terminate the contract because you’re afraid of causing trouble for the company?”

“Mm.” Qiao Mianmian nodded.

“Then, you don’t have to worry about this at all.”

Qiao Mianmian was stunned. “Mm?”

Linda looked at her. “Don’t worry. No matter how many scandals you create or how much trouble you cause, the company will settle it for you. I promise Chairman Zhao won’t have any complaints.”

### **Chapter 1032: Chairman Mo Is Doing This for Your Good**

“He’ll be happy to help you out.”

Qiao Mianmian was confused.

“Mianmian, do you know that your boyfriend called Chairman Zhao? He revealed his identity to Chairman Zhao, so not only will Chairman Zhao not terminate the contract with you, but he will also give you a lot of resources to choose from. You should understand what I mean now.

“Mianmian, why didn’t you tell me that your boyfriend is the Chairman of the Mo Corporation? You told me that he owed a small business, and I actually thought it was true. Actually, I should have thought of it long ago. How could he own a small business?

“His aura doesn’t seem like it.

“But no matter how I guessed, I never expected him to be so powerful.”

Qiao Mianmian was stunned. “Sister Xie, you said my boyfriend called Chairman Zhao?”

“Mm.”

“He even revealed his true identity?”

“Mm.”

“But why didn’t he tell me about this?” If she hadn’t heard it from Linda, Qiao Mianmian wouldn’t have known about this.

No wonder she suddenly said she wasn’t going to terminate the contract.

So, it was because of Mo Yesi.

Chairman Zhao wanted to terminate the contract with her because he felt that she had caused a lot of trouble for the company.

He didn’t want her to get into trouble again.

Now that he knew that her boyfriend was the Chairman of the Mo Corporation, why would he be afraid of trouble?

Her boyfriend was Mo Yesi.

He could even settle a huge problem for her.

And once he terminated the contract with her, it was equivalent to offending Mo Yesi indirectly.

Offend the Chairman of the Mo Corporation?

How many people dared to do that?

Although Huan Yu was the leader in the entertainment industry, they weren’t even comparable to the Mo Corporation.

“Did you ask him to keep your relationship a secret?” Linda asked.

Qiao Mianmian nodded.

Linda smiled. “It might be because you said that you wouldn’t publicize your relationship, for the time being, so he hid this from you. But Chairman Mo is doing this for your own good. The company will only value you if he reveals his identity to Chairman Zhao.”

Qiao Mianmian kept quiet.

“Mianmian.” Linda thought highly of her and didn’t want her to leave Huan Yu. She hesitated for a while before trying to persuade her. “The company will definitely put you in an important position now. You’ll be able to develop well if you stay in Huan Yu. I hope you can stay, and we can achieve good results together.

“I know that with Chairman Mo’s help, you won’t have to worry about resources after leaving Huan Yu. But I’m guessing that you don’t really want to rely on him to get popular, right? If that’s what you thought from the start, you wouldn’t have hidden his identity.

“And you wouldn’t take on a third female lead role.

“You still want to make a name for yourself, right?”

Linda was good at reading her mind.

She guessed what Qiao Mianmian was thinking.

She didn't want to rely on Mo Yesi.

She wanted to see how far she could go by herself.

But now that Mo Yesi had already made his identity clear to Zhao Kai, Linda said that the company would definitely value her in the future. Wasn't she also depending on Mo Yesi?

Seeing her hesitation, Linda continued to coax her. "Actually, if you stay in the company, the resources that the company gives you in the future won't be counted as Chairman Mo's. There's no lack of artistes with strong backing in the entertainment industry, but it doesn't mean that you can become popular just because of good resources."

### **Chapter 1033: What an Unlucky Day**

"It's not as if an artiste can't get popular even after receiving all sorts of good resources. Resources are very important, but the artistes themselves are also very important. This isn't something that you can get popular without putting in any effort.

"Moreover, even if your boyfriend is Mo Yesi, Chairman Zhao can give you a chance because of him. If you don't live up to expectations, you won't have a third chance.

"After all, the company needs to earn money, right? So, how you develop in the future depends on yourself. Mianmian, the company can provide you with opportunities, but how you use them depends on yourself.

"Do you understand what I mean?

"If you want to prove yourself, you don't have to rely on yourself for everything. If there's a good opportunity, why don't you use it well? Do you have to reject the good resources and look for opportunities everywhere to prove yourself?

"But, in fact, as long as you can act well and get the audience to approve of every role you play, you can prove your capability."

Qiao Mianmian looked up at Linda.

She felt that the questions that had been bothering her were finally answered.

She had been thinking about what she should do to gain the recognition of the audience and show them her capability.

Now, she understood.

As an actress, the only way to prove her capability was through acting.

She wanted the audience to recognize every role she played.

Linda's words had triggered her.

After thinking it through, she felt that her previous thinking was a little too extreme.

“Sister Xie, thank you for telling me so much.” Qiao Mianmian considered it seriously for a while before giving her an answer. “I’ve decided to listen to you. I’ll have to trouble Sister Xie in the future.”

Linda smiled in relief.

Thankfully, Qiao Mianmian decided not to terminate the contract.

Otherwise, losing such a good seedling would really be a pity.

She smiled and reached out to shake hands. “In that case, let’s continue working together happily.”

Qiao Mianmian also smiled and shook her hand. “Mm, happy working together.”

...

After having a good dinner, Qiao Mianmian left the room with Linda.

She sent Mo Yesi a WeChat message in advance, and the two of them agreed to have a meal at a newly opened restaurant. Qiao Mianmian had an empty stomach, being only 50% full from the meal with Linda.

At the door.

Qiao Mianmian’s cell phone rang. She picked it up and saw that Mo Yesi had sent her a WeChat message.

He said he’d be there in at most 10 minutes.

Qiao Mianmian thought for a while and replied: [Come slowly, there’s no rush. Be careful on the way.]

Mo Yesi replied instantly: [Honey, I got it.]

Qiao Mianmian couldn’t help but smile when she saw his reply.

“Eh?” Linda sounded confused.

Qiao Mianmian turned around and asked, “Sister Xie, what’s wrong?”

Linda stopped in her tracks and looked in a certain direction. “I’m really unlucky today. It’s not suitable for me to go out.”

Qiao Mianmian was stunned again. She looked up and saw the couple walking towards them.

### **Chapter 1034: Indeed, It’s Retribution**

She felt a little unlucky now.

“What a jerk. He changes women so quickly.” Linda sounded disgusted. “Mianmian, wasn’t this jerk trying to get back together with you on the streets a while ago? Now, he’s with another woman.

“It seems like you made the right decision to leave him. Back then, Qiao Anxin must’ve thought that she’d found a reliable backing and could marry into a rich family as a Young Madam. I wonder if she’d ever thought that she’d end up like this one day.

“This is indeed retribution.

“She stole someone else’s man. Now, another woman stole her man.”

Qiao Mianmian pursed her lips and kept quiet.

The couple walking towards them was Su Ze and a woman in a tight pink dress.

Qiao Mianmian had seen her before.

Su Ze was with this woman before he tried to get back together with her in public.

He even explained that they were just friends.

But now...

Qiao Mianmian wanted to laugh at him.

They were already holding hands, and they were just friends?

Scum!

Qiao Mianmian had never been so disgusted by anyone before. Su Ze was definitely the only one who disgusted her.

When they saw Su Ze, Su Ze also looked up and looked straight at them.

Su Ze frowned when he saw Linda standing at the entrance.

When he saw Qiao Mianmian standing beside her, his expression changed.

Su Ze and Qiao Mianmian had known each other for 10 years.

Even though Qiao Mianmian was wearing sunglasses and a mask, he immediately recognized her.

He looked so agitated that even the woman beside him noticed it.

The woman in the pink dress looked at him in confusion and then followed his gaze to Qiao Mianmian.

The woman frowned.

When Su Ze saw Qiao Mianmian, his eyes became glued to her.

They say that what you can’t get is the best.

In front of Su Ze, Qiao Mianmian was like a white moonlight in his heart. No woman could compare to her.

After seeing Qiao Mianmian, he lost all interest in the woman beside him.

Hence, he couldn’t see the anger and unhappiness in her eyes.

This made her even more upset.

Every woman would be angry if she was ignored by her date.

The woman glared at Qiao Mianmian for a while. Seeing that Su Ze was still staring at Qiao Mianmian, she finally couldn't take it anymore. "Ah Ze, do you know those two ladies? Aren't you going to introduce them to me?"

Su Ze only remembered his female companion when he heard her voice.

He retracted his gaze reluctantly and looked at the beautiful woman beside him. He suddenly felt a little disinterested.

Mother Su had introduced this woman to him.

She was a young lady from an influential family compatible with the Su family.

Su Ze didn't have many feelings for this woman, but on account of her family background and looks, he accepted her and decided to get along with her.

They agreed to have dinner together.

### **Chapter 1035: One Day, He Will Pay Back This Anger**

Su Ze didn't expect to bump into Qiao Mianmian here.

When he saw Qiao Mianmian, the first thing he wanted to do was to look for her. But when he recalled the beating he received at the revolving restaurant, he felt a little afraid.

Su Ze was filled with hatred as he recalled what happened last time.

That man embarrassed him in front of Qiao Mianmian. He wasn't going to let him off!

He wanted revenge.

But, in the end, considering the Mo family's power, he gave up on it.

Even if that man was just a side family member of the Mo family, he might be working in the Mo Corporation and holding a high position. He should have a good relationship with the Mo family.

He wasn't afraid of that man.

But he couldn't afford to offend the Mo family.

Hence, no matter how unwilling he was, he could only give up on revenge.

But he couldn't vent his anger.

He felt terrible.

One day, he was going to pay it back.

Su Ze looked around. After confirming that Mo Yesi wasn't around, he gently pushed her hand away.

"Mm, it's someone I know. Wait for me here, I'll go say hi to her."

Seeing that he had no intention of bringing her along, the woman got angry. "Ah Ze, since they're your friends, aren't you going to introduce them to me? Is it because you don't want to introduce me to them because I've made you feel bad?"

Su Ze furrowed his brows. He felt like this woman was being unreasonable.

And he hated unreasonable women the most.

But thinking about how they'd only known each other for a short while and how their families were on good terms, he suppressed his discomfort and said, "What nonsense are you talking about? How could you be unpresentable? I just feel that we're not good friends, so there's no need to introduce you to them."

His explanation angered the woman even more.

Not good friends?

Then, why was he staring at her!

He was obviously lying to her!

Did he take her for a fool? Did he really think she couldn't tell?

"Since you aren't that close, there's no need to greet her. Ah Ze, are you hiding something from me? You aren't friends, is that why you don't want to introduce us?"

Although they met on a blind date.

But the woman was still very satisfied with Su Ze.

There weren't many young talents like him in their circle.

Hence, after she confirmed her relationship with Su Ze, she wanted to develop it well.

But after seeing Qiao Mianmian, she felt threatened.

Although she wasn't sure of Su Ze's relationship with Qiao Mianmian, his performance just now made her feel threatened.

Once a woman felt threatened, she would only feel secure by doing something.

The woman's words caused Su Ze's expression to change. He felt disgusted.

He hated suspicious women the most.

He took a deep breath and said, "Don't overthink it. It's not what you think."

The woman looked at Qiao Mianmian with hostility. "But she looks like her. And why do I feel like I've seen her somewhere before?"

Su Ze frowned and was about to say something when he saw Qiao Mianmian and Linda walking in another direction.

He was too anxious to care about his female companion and chased after them.

### **Chapter 1036: Do You Know What It Means to Cause Trouble With Words?**

He left so quickly that the woman didn't even have time to react.

When the woman snapped out of her daze, she saw Su Ze chasing after Qiao Mianmian.

He left her alone.

The woman yelled at Su Ze's back, "Su Ze, stop right there! Didn't you say you were just friends? You liar!"

...

Qiao Mianmian and Linda didn't want to have anything to do with Su Ze anymore.

Hence, when they saw him, they decided to avoid him.

But just as they turned around and walked forward, they heard a voice that they didn't want to hear. "Mianmian, hold on."

"Damn it, he actually chased after you." Linda frowned. "Why is this man so thick-skinned? He actually has the cheek to chase after you. What, does he want to get back together with you?"

Qiao Mianmian had no idea.

But she didn't want to see Su Ze at all.

She pretended not to hear anything as she continued walking with Linda.

But Su Ze followed them closely and had no intention of giving up.

"Mianmian, I know you heard me. Can you stop for us to have a good talk?"

Qiao Mianmian ignored him and walked faster, trying to shake him off.

Su Ze could tell that she was trying to shake him off. In a moment of anger and hurt, he quickened his pace and chased after her.

He had long legs, after all.

Soon, he caught up with Qiao Mianmian.

Afraid that she would leave again, he blocked her way.

"Damn." Linda exploded. "Su Ze, what are you doing?! Can't you tell that Mianmian doesn't want to talk to you at all?"

Linda looked at him as if they were enemies.

She still bore a grudge against Su Ze for firing her.

Damn, Su Ze was a jerk.

Not only was he terrible at relationships, but he was also terrible at other things.

He was a complete jerk!

The thought of Qiao Mianmian finding a boyfriend who was a hundred times better than him appeased Linda.

This jerk was regretting it now and wanted to get her back.

Who wouldn't fall for her?

Su Ze glanced at Linda and said coldly, "Xie Linda, what has it got to do with you that I'm looking for Mianmian? You don't have the right to gossip about Mianmian and me."

Linda wasn't in his company anymore, so she didn't have to care about him.

She didn't have to be polite to him.

She put her hands on her waist and sneered at Su Ze. "I should be the one saying this to you. How can a heartless man like you have the cheek to say that?"

"Mianmian is an artiste under me now. How can I not care if a shameless man comes to harass her? Some people should know what it means to break up. After breaking up, people become strangers. I wonder how you still have the face to pester her.

"Do you not even know what shame means?"

In the past, Linda was always polite to him and even addressed him as Chairman Su.

She wasn't like this.

Su Ze couldn't accept this difference and felt embarrassed in front of Qiao Mianmian. His expression turned fierce. "Xie Linda, who are you talking about? Do you know what it means to cause trouble with words?"

### **Chapter 1037: Willing to Be Played by Him**

"Do you think that I can't do anything to you just because you left Star Splendor?"

"Oh, are you threatening me, Chairman Su?" Linda sneered. "Chairman Su, do you think I'm someone you can bully just because I've been your employee for a while? Or do you think you're so powerful that you can do whatever you want?"

Such a powerful person was her artiste's boyfriend.

Would she be afraid of Su Ze?

Su Ze pursed his lips and clenched his fist. "You can try."

"Alright, I'm looking forward to it," Linda said provocatively. "I'm waiting to see how Chairman Su will deal with me. Don't disappoint me."

"Alright, I won't let you down." Su Ze glared at Linda and turned to Qiao Mianmian.

He quickly retracted the anger in his eyes and put on a gentle and affectionate expression. He called Qiao Mianmian's name softly. "Mianmian, I didn't expect to meet you here. I have something to say to you. Can we find a place to have a good talk?"

Qiao Mianmian looked at him expressionlessly. She was still disgusted by Su Ze. "Mr. Su, I'm afraid we have nothing to talk about. Isn't the lesson my boyfriend taught you last time enough?"

"Mr. Su, are you forgetting the pain after your scar is healed? My boyfriend is coming over soon, I advise you to leave quickly. Mr. Su has seen his temper before. If he attacks you again, I won't be able to stop him."

Su Ze's face was still a little bruised.

Although it was shallow.

But upon closer inspection, it was obvious.

Su Ze felt even more embarrassed at the mention of what happened before. He felt like Qiao Mianmian was mocking and laughing at him.

Their 10-year relationship.

Not only did she not feel bad about him being hit by someone else, she even mocked him about it.

He was furious and hurt. "You're threatening me with him. Do you think I'm afraid of him? I just didn't want to stoop to his level, that's why I gave in to him."

"Mianmian, do you think he's protecting you and taking revenge for you? I've seen too many men like him. He was never true to you. He's just playing with you in the name of having a girlfriend. Do you think he really sees you as a girlfriend?"

Qiao Mianmian found it funny. "At least he won't do anything disloyal to me. This is a hundred times better than others. As for whether he's playing with me, I don't care."

"What did you say?" Su Ze looked at her in disbelief.

Qiao Mianmian met his gaze and smiled. "I'm willing to let him play with me. After all, it's not a loss to be played with by a handsome and rich man. Is Mr. Su satisfied with this answer?"

"W-Why are you..." Su Ze took a step back as if he didn't know her. He shook his head and said, "You're not the Mianmian I know. You weren't like this in the past. You don't really think that way, right?"

"You're just angry at me, you..."

"Mr. Su, please don't be so imaginative, alright?" Qiao Mianmian frowned and stopped him. "I'm just trying to anger you? I want to ask Mr. Su, where did you get your confidence from, to think that I only said this to spite you?"

### **Chapter 1038: Only I Can Give You Happiness**

"Mianmian, you..."

Before Su Ze could finish, Qiao Mianmian sneered and looked at him as if he was a joke. "Does Mr. Su think that you're more handsome than my boyfriend, that you have a better figure than him, or that you're richer and more powerful than him?"

"Besides being better than him in terms of scum, what else are you better than him in?"

“My boyfriend is so much better than you in every aspect. You actually think that I’m with him to spite you?” Qiao Mianmian couldn’t help but laugh. “Mr. Su, you’re overconfident.

“I have a good relationship with my boyfriend. I don’t want him to see you with me again. Mr. Su, please don’t look for me anymore. I really don’t want to see you anymore.”

Su Ze’s expression darkened with every word Qiao Mianmian said.

By the time she was done, Su Ze’s expression was already extremely dark.

He clenched his fists. “Qiao Mianmian, you...”

“I’m sorry if my words make Mr. Su uncomfortable.” Qiao Mianmian looked at him expressionlessly.

“But if I don’t say it, I’m afraid Mr. Su won’t be able to see himself clearly.”

“Su Ze.” Qiao Mianmian suddenly changed the way she addressed him. “Don’t pester me anymore, and don’t think that I still have feelings for you. I’m very happy now, and I love my boyfriend.

“I’ve already said it the day we broke up. I’ll go my own way in the future, and you’ll go your own way. We’ll have nothing to do with each other in the future. This is the last time I’m saying this to you. I hope you can save some face for yourself and not do such a terrible thing like harassing me.

“I think the president of Star Splendor doesn’t lack women around him. It’s too ugly for you to cling onto me like this.”

“Yes, I don’t lack women around me.” Su Ze suddenly became agitated. He took a step forward and grabbed Qiao Mianmian’s hand. “But Qiao Mianmian, I only want you. The only woman I want to marry is you.

“Please give me another chance, please don’t give up on me.

“Mianmian, I love you. I can’t live without you.”

Qiao Mianmian felt as if she was on fire the moment Su Ze grabbed her hand. She immediately tried to shake his hand off.

But Su Ze grabbed her tightly.

“Su Ze, are you crazy? Let go of me.” Qiao Mianmian couldn’t imagine how this man could be so shameless. Just a moment ago, he was still holding onto another woman, and now he was asking her to give him a chance.

How could he say something like that!

She realized that ever since she broke up with Su Ze, this man was always so shameless.

She didn’t know if it was because of his good disguise or because she was too blind.

She hadn’t seen his true colors for 10 whole years.

She thought he was a rare good man.

His touch disgusted her.

Qiao Mianmian struggled to free her hand, but Su Ze seemed to have lost his rationality. He tightened his grip on her wrist, and even his eyes turned red. "Mianmian, give me another chance. Only I can give you happiness."

### **Chapter 1039: You Don't Care Even If He Played With You?**

"That man surnamed Mo isn't true to you. He's just toying with you.

"When he's done with you and feels that there's nothing new about you, he'll kick you out. You won't have a good ending with him. But it's different for me. As long as you're willing, I can marry you immediately and make you my wife."

"Su Ze, let go. I can't possibly be with you." Qiao Mianmian's wrist had a red mark, and she was frowning from the pain.

Su Ze was losing control of his emotions. The more she struggled, the harder he exerted force.

He was afraid that she would run away the moment he let go.

She was his.

Besides him, no one else could have her.

As Qiao Mianmian struggled, her hair spread out in front of her chest. Without the hair covering her neck, Su Ze saw the hickeys on her neck.

The hickeys had faded a lot.

But they hadn't completely dissipated.

Su Ze saw them right away.

He stared at the hickeys on Qiao Mianmian's neck and imagined her being pinned down by another man. His eyes were filled with anger, and the veins on his forehead bulged. He gritted his teeth and asked angrily, "You don't care even if he's toying with you? Why are you so loyal to him? Is it because he's good in bed and makes you comfortable, so you can't bear to leave him?"

"Qiao Mianmian, during the two years we were together, you refused to give it to me. You said you wanted to keep your first time to our wedding night. I liked you and felt that you were a clean woman, so I respected your choice. No matter how much I wanted you, I resisted touching you.

"But you f\*cking refused to give it to me, and now you're willing to give it to another man? How long have you known him for, and you're already in his bed?"

Those hickeys made Su Ze lose all rationality.

He was jealous and angry. His eyes were burning with anger.

He recalled the two years he'd been with Qiao Mianmian.

She was so beautiful and he liked her so much, he naturally wanted to have her as soon as possible.

But every time he expressed it, Qiao Mianmian would reject him.

She told him that she wanted their first time to be on their wedding night. She hoped that he would respect her.

Su Ze liked her. Besides her, he never thought of marrying anyone else.

Hence, no matter how much he wanted her, he held himself back.

And Qiao Mianmian's rejection made him even more sure of his choice.

He felt that she was a very self-respecting woman.

She was a woman worthy of his love.

If she casually agreed to it and gave it to him, he would feel that she wasn't suitable to be his wife.

But in those two years, he felt terrible.

Hence, when Qiao Anxin seduced him and climbed into his bed, he couldn't resist it.

But a woman as casual as Qiao Anxin was just for fun.

He knew very well what kind of woman was suitable to marry and what kind of woman was only suitable for playing around.

He'd tolerated it for so many years and couldn't bear to touch her. But she'd climbed into another man's bed not long after breaking up with him!

How could she be so casual!

They could only touch each other after they got married.

But now, she gave herself to another man.

At that moment, his anger and jealousy made him lose all rationality.

#### **Chapter 1040: You're Acting Clean!**

He felt like something that belonged to him had been taken over by someone else.

"If I'd known that you were such a casual woman, I wouldn't have f\*cking taken you seriously. I wouldn't have really believed your words back then and held back. Why aren't you saying anything? Are you reluctant to leave that man surnamed Mo because he's good in bed?!"

"Is it possible to keep you as long as I'm good in bed?"

In his anger, Su Ze said all sorts of nasty things.

Linda was shocked.

Back in Star Splendor, she used to think that Su Ze was a gentleman.

When she left Star Splendor, she knew that he was a jerk, but she'd never seen such a side of him.

She couldn't believe that he'd say such awful things.

Even though Qiao Mianmian didn't care about Su Ze anymore, she still trembled with anger.

Her voice trembled as she asked, "Su Ze, what did you say?"

Su Ze glared at her with bloodshot eyes. "Am I wrong? After you proposed to me, why didn't you and that man with the surname Mo ask for it? I thought you were a clean woman, but I didn't expect you to pretend to be clean!

"Qiao Mianmian, you disgust me."

"Bam!"

Su Ze was slapped hard on the face.

He was hit so hard that his head was tilted to the side. Five clear finger marks appeared on his face.

"I hope we never meet again. Su Ze, a man like you doesn't deserve happiness in this lifetime." Qiao Mianmian was trembling with anger. She slapped him hard on the face and didn't want to look at him anymore.

"Sister Xie, let's go."

Linda wanted to slap Su Ze too.

This man was too disgusting.

It refreshed her understanding of scumbags.

If she was Qiao Mianmian, a slap wouldn't be enough to vent her anger.

She had to beat this jerk up so badly that he didn't even know who his parents were.

What he'd just said was too much.

If this was her ex-boyfriend, she wouldn't have just slapped him.

"Alright, let's go."

But she knew that Qiao Mianmian was even more disgusted by this man.

Qiao Mianmian definitely didn't want to see him now.

They ignored Su Ze and turned to leave.

Unwilling to give up, Su Ze chased after her and grabbed her arm. "Qiao Mianmian, you want to leave just like that? Tell me, what do you want to do to get back to me?"

"You've already slept with another man, and I didn't despise you. Besides me, which man wouldn't despise you for being second-hand? Besides me, what other choice do you have?"

"If you get dumped by that man with the surname Mo in the future, you'll become second-hand goods. When that time comes, see which man will want you!"

Qiao Mianmian couldn't take it anymore. She felt like Su Ze was a mad dog.

A mad dog chasing after someone.

She turned around and was about to slap him again, but before she could do so, a peach-colored figure appeared before her.

Before Qiao Mianmian could see who it was, she was slapped.
