

## Big Shot 1041

### Chapter 1041: If You Want to Be Embarrassed, You Guys Are the Ones to Be Embarrassed!

The next moment, the woman's sharp and angry voice rang out. "You shameless woman. You're seducing another man."

The woman's voice was very loud.

Qiao Mianmian was on the streets again.

Many passersby turned to look at them.

Everyone was shocked by her slap.

Qiao Mianmian also covered her face and only snapped back to her senses after a few seconds.

She just realized that she'd been hit.

She looked at the woman in the tight pink dress and recalled the slap. Her expression darkened, and she raised her hand to return the slap.

Su Ze pulled the woman behind him and turned around to question her. "What are you doing? Didn't I tell you to wait for me over there? Why are you here?"

The woman looked at him angrily. "Su Ze, how dare you lie to me and say that she's just an ordinary friend of yours. You've already been with her on the streets, do you still dare to say that you're ordinary friends?"

"Are you afraid that I'll find out about your relationship?"

Su Ze's expression darkened. "What nonsense are you talking about? Don't be unreasonable."

"I'm being unreasonable?" The woman turned around and glared at Qiao Mianmian. She pointed at her and said loudly, "Do you think I don't know who she is? I remember now, I've seen her before.

"She's your ex-girlfriend, Qiao Mianmian.

"Su Ze, you've already agreed to date me, and now you're entangled with your ex-girlfriend. Who do you take me for?"

"And you shameless woman. You've already broken up with Su Ze, but you're still clinging to him. How can you be so shameless? Let me tell you, Su Ze already has a girlfriend. If you still want some face, don't pester him anymore.

"That slap just now was just a lesson. If I find out that you're still clinging to him, it won't be as simple as a slap next time. I know you're in the entertainment industry. You're just a small actress. It's easy to deal with you.

“You actors are so shameless. You’re willing to do anything just to get to the top. You know that Ah Ze is the President of Star Splendor now, so you want to rekindle your relationship with him and make yourself popular, right?”

The woman was deliberately loud.

The passers-by stopped in their tracks to watch the show.

Su Ze pulled the woman back with an awful expression. “Alright, stop it. It’s embarrassing even if you don’t feel ashamed in public. It’s not what you think. I’ll explain it to you later.

“Let’s go back now. We’ll talk when we get back.”

“What shame?” The woman got even angrier when she heard what he said. She flung his hand away and pointed at his nose. “I didn’t do anything wrong. I have a clear conscience. What’s there to be ashamed of? If you want to be embarrassed, you guys are the ones to be embarrassed!

“Su Ze, I’m still here. What do you take me for?”

“If you don’t like me, just tell me directly. Do you have to insult me like this?”

“You’re having an ambiguous relationship with an actress while dating me. Su Ze, you’re insulting me!” The way the woman addressed Qiao Mianmian as an actress showed that she despised her status.

#### **Chapter 1042: You Were Hit? Who Hit You?**

In her opinion, the female artistes in the entertainment industry relied on their status.

Qiao Mianmian was no exception.

How dare a woman who made her way up by selling her body steal her man?

Su Ze was worried since the woman’s parents were good friends with his parents, so he tolerated her.

But when she insulted Qiao Mianmian, he couldn’t hold it in anymore. His face darkened and his voice turned cold. “Miss Lin, strictly speaking, we’re not really dating. I just said that I’d try it out first. You misunderstood me.

“So, you have no right to criticize me here.”

To Su Ze, he could say that Qiao Mianmian wasn’t good.

But others couldn’t.

He wouldn’t allow anyone to bully the woman he liked.

He didn’t like the woman beside him, to begin with, and her actions just now ruined the only good impression he had of her.

At this point, Su Ze found her disgusting.

She was no different from a shrew.

The more he felt that the woman beside him was disgusting, the more he felt that Qiao Mianmian was the white moonlight in his heart.

No one could replace her.

No one could compare.

Under such circumstances, he had to protect the white moonlight in his heart.

He still wanted to win Qiao Mianmian back, so he naturally had to perform well in front of her.

So, he directly denied his relationship with the woman.

The woman widened her eyes. "Su Ze, what did you say?"

Su Ze's eyes were already completely cold. And now he looked at her as if she was a stranger. "I said we weren't even dating. It's just your wishful thinking."

Afraid that Qiao Mianmian would misunderstand, he immediately turned to her and explained, "Mianmian, don't listen to her nonsense. We're not even dating. She was introduced to me by Mom, and I couldn't reject her good intentions, so I only met her twice.

"But we're definitely not dating.

"I can't possibly find another woman besides you. You have to believe me."

"Su Ze, you jerk!" The woman was so angry that she slapped him.

It happened to be the other side of Su Ze's face.

Coupled with Qiao Mianmian's slap, Su Ze's whole face was swollen.

"And you shameless woman, you scum and slut, I won't let you off!" The woman felt that it wasn't enough to vent her anger, so she raised her hand and slapped Qiao Mianmian again.

Seeing this, Su Ze wanted to put up a front to protect Qiao Mianmian, but a black figure was already in front of her.

The woman's hand was stopped mid-air.

Stunned, she looked up angrily and was about to say something when she saw the man's face clearly. Her eyes widened in shock.

She was shocked. "Y-Young Master Gong..."

Su Ze was equally shocked.

Gong Zeli pinched the woman's hand and looked down at Qiao Mianmian. When he saw the five obvious finger marks on her face, his eyes darkened and a cold aura surrounded him. "You were hit? Who hit you?"

Qiao Mianmian was also shocked when she saw Gong Zeli.

She was stunned for a few seconds before frowning. "Mr. Gong, why are you here?"

Gong Zeli's cold gaze was still on the mark on her face. He said, "Let me ask you, who slapped you?"

### **Chapter 1043: Gong Zeli Helped Her**

Qiao Mianmian's skin was fair.

Hence, the handprint on her face was obvious.

Gong Zeli looked at the five red fingerprints, and his anger deepened.

Without waiting for Qiao Mianmian's reply, he turned around and looked coldly at the woman beside Su Ze. "You hit her?"

Those finger marks were slender and didn't look like they were from a man.

The woman in the peach-colored tight-fitting dress was shocked when she saw him. When she thought about the scandal between him and Qiao Mianmian, she was already a little afraid.

Now that he looked like he was going to stand up for Qiao Mianmian, her face turned even paler. She said with fear in her eyes, "I-I hit her. She's shameless and seduces other men. I-I can't hit her?"

"Y-Young Master Gong, do you know this actress? Is Young Master Gong going to stand up for her?"

"You did it? Very good." Gong Zeli looked at the woman and smiled.

His smile made the woman even more flustered and afraid.

Bam!

When Gong Zeli's slap landed on the woman's face and she fell to the ground, everyone around gasped.

The woman was thrown to the ground and couldn't recover from the shock.

Su Ze looked at Gong Zeli in shock. He couldn't believe that he would do it in public.

And it was against a woman.

Gong Zeli looked nonchalant as he took two steps forward and stopped beside the woman.

With his hands in his pockets, he looked down at the woman lying on his feet.

There was no warmth in his eyes. "This is for her. Who do you think you are to dare to touch her."

The woman was stunned by his slap.

She almost fainted.

She laid on the ground panting for a while before slowly recovering.

Her face was burning and her mouth was full of blood. The side of her face was swollen.

She looked up slowly, still in disbelief. "Young Master Gong, how, how could you hit a woman?"

“Hit a woman?” Gong Zeli sneered. He looked at her coldly and said, “You don’t hit women in other people’s eyes, but in my eyes, there aren’t so many broken rules. I don’t care if you’re a man or a woman. If you do something that makes me unhappy, I’ll kill you anyway.”

“I heard you say that it’s easy to deal with her?” His shiny black leather shoes were lightly stepping on the ground as he asked casually. But the viciousness in his eyes made the woman tremble in fear.

Everyone in the upper-class society knew that the Young Master of the Gong family was sick.

Moreover, his illness was so scary that he couldn’t control himself when it flared up.

She heard that when he was angry, his illness would flare up easily.

Once his illness acted up and he became angered, even if he didn’t kill that person, he would at least cripple him.

The woman was afraid. “Y-Young Master Gong, I was just saying.”

“You’d better say it casually. I don’t know if it’s a simple matter for you to deal with her, but it’s definitely very simple for me to deal with you.” Gong Zeli looked at her in disgust and walked towards Qiao Mianmian.

He looked at Qiao Mianmian’s swollen face and frowned. His heart ached for her, but he didn’t dare to show it. “I helped you return the slap. If you think it’s not enough, you can slap her again.”

#### **Chapter 1044: Why Didn’t He Treat Qiao Mianmian Better Before?**

“I promise, she won’t dare to retaliate.”

Qiao Mianmian looked at him blankly for a while before asking, “Mr. Gong, you’re...”

She never expected that Gong Zeli would appear at this time.

And he even helped her slap that woman.

Was he standing up for her?

But their relationship wasn’t good enough for him to do that.

Qiao Mianmian frowned as she thought about the rumors about them online.

She and Gong Zeli had just gotten into a scandal.

If someone caught the scene just now and found out that Gong Zeli helped her, another scandal would probably ensue.

By then, it would be hard to clear things up.

If the first time was a scandal, the second time was a scandal, and the third or fourth time was a scandal.

Especially since Gong Zeli wasn’t a busybody.

If it had nothing to do with her, would he stand up for her again and again?

Even she couldn’t understand it, let alone others.

Qiao Mianmian wasn't sure if the crowd recognized her.

The woman had yelled her name out loud on purpose. She wondered if anyone had recognized her.

"Even if it's because of my relationship with Ah Si, I won't let anyone bully you." Gong Zeli felt a little guilty when he saw her confused look.

He dared not look her in the eye again.

He was afraid that she'd read his mind.

Hence, he used his relationship with Mo Yesi as a shield.

But he knew very well why he helped her.

His help had nothing to do with Mo Yesi.

He helped her because of the secret in his heart.

That secret that only he knew.

Qiao Mianmian was stunned for a few more seconds before the confusion in her eyes dissipated.

That was true.

Although she didn't have much of a relationship with Gong Zeli, he and Mo Yesi were close buddies, after all.

Seeing his brother's wife was being bullied, he couldn't just ignore it.

Even if he didn't like her.

At this point, he had to step forward to help.

"Thank you, Mr. Gong." Qiao Mianmian wanted to return the slap, but since Gong Zeli had already returned it for her, she didn't intend to do it again.

Moreover, that woman was already trembling in fear from Gong Zeli.

Gong Zeli frowned when she thanked him.

Her polite and distant attitude made him uncomfortable.

He could feel that she was deliberately keeping a distance from him.

Was it because of the rumors about them?

Or was it because he treated her too badly and left a bad impression on her, so she didn't want to get too close to him?

Regardless of the reason, it was enough to make Gong Zeli upset.

He was filled with regret.

Why didn't he treat Qiao Mianmian better in the past?

It was bad enough that he treated her badly...

Now that he knew the truth, he wanted to treat her well and make it up to her. But it seemed like he didn't have a chance anymore.

It was so difficult to even be friends with her.

"There's nothing to thank me for." Gong Zeli was a little upset. He looked around and asked casually, "Where's Ah Si? Isn't he with you?"

"Mm, I'm having dinner with a friend. I just finished eating, and he's coming to pick me up. He should be here soon."

#### **Chapter 1045: Do You Know That She Already Has a Man?**

Gong Zeli kept quiet for a while. "Is that so?"

Qiao Mianmian nodded. "Mm."

"Alright." Gong Zeli nodded. "Since Ah Si is coming, I have nothing to worry about. I still have something on, so I'll take my leave first."

Qiao Mianmian politely said, "Alright. Goodbye, Mr. Gong."

Gong Zeli looked at her polite expression and felt even more upset.

She wasn't like this when she saw Second Yan.

At least she would smile and chat with Second Yan.

It was obvious...

Although she didn't treat him coldly, her attitude towards him was no different from treating a passerby.

She might even smile at passersby.

But in front of him, she didn't smile at all.

Gong Zeli turned around in frustration. When he saw Su Ze standing behind him, his handsome face darkened, and he walked towards him.

"Y-Young Master Gong, what are you trying to do?"

Su Ze took a step back when he saw him approaching.

He said cautiously, "Young Master Gong, we're on the streets, and so many people are watching. You should watch your words and actions."

Gong Zeli's slap not only scared the woman half to death, but it also scared Su Ze.

Everyone in the upper-class society knew about the Young Master of the Gong family.

Until now, his illness hadn't recovered, and it was still being controlled by medication.

But the medication was only temporary.

He was still sick.

Hence, the illness could flare up at any time.

And once his illness acted up, he would become very scary.

Nobody knew how many times his illness had acted up.

But something he did during his relapse shook the entire Yuncheng City. It was also because of that incident that people's expressions changed drastically at the mention of his name.

No one in Yuncheng City dared to provoke him.

Not only because of his status but also because of his terrible illness.

If he offended other rich and powerful people, even if he was taught a lesson, he could at least keep his life.

But if the Young Master of the Gong family was offended, he would kill someone once his illness acted up.

Gong Zeli looked at him and smirked. "So what if I'm on the streets? I don't care what others think of me. I'm not a good person, anyway."

With that, he took another step forward and slowly raised an arm.

Su Ze immediately tried to dodge.

"Ha."

Gong Zeli's hand stopped in mid-air as he sneered. "The last time you pestered her on the streets, she rejected you very clearly. You know her stance very well, but you're still clinging to her.

"Are you saying that the Su Family has been around for too long and you want it to die in your hands?"

Su Ze could tell that Gong Zeli had no intention of fighting with him, so he lowered his hand.

But he still looked at Gong Zeli cautiously.

As he thought of the rumors online, his expression darkened. He looked at Gong Zeli with fear and anger. "Young Master Gong, are you standing up for her? But do you know that she already has a man?"

#### **Chapter 1046: Scram Now!**

"Do you think she'll be grateful just because you stood up for her?"

Gong Zeli sneered. "So what? This is my business, what has it got to do with you? Mind your own business."

"Young Master Gong, you..." Su Ze hadn't expected that he wouldn't mind Qiao Mianmian having another man.

When he thought about how Qiao Mianmian not only quickly hooked up with that man surnamed Mo after they separated, but even the Young Master of the Gong family was hooked up with her now, his face twisted with jealousy and anger.

He still wasn't sure about that man's family background.

He only knew that he was from the side family.

And Gong Zeli was a well-known figure in the city.

No wonder she wouldn't agree to his repeated requests to get back together.

So, there was a better way out.

How could a woman who was with the Young Master of the Gong family follow him?

He always thought that no matter what, they had been together for 10 years.

This was irreplaceable.

He betrayed her and let her down.

But she couldn't possibly lose her feelings for him so quickly.

He didn't believe it.

Until now...

He had to admit that she had become a practical woman.

She was no longer the Qiao Mianmian he knew.

In her eyes, 10 years of relationship wasn't as important as hugging Young Master Gong's thigh.

"This is the last time I'm warning you." Gong Zeli narrowed his eyes. "Stay away from her in the future. If I see you harassing her again, I promise you'll regret it. If you don't want the Su Mandate to be ruined by you, you'd better know your place.

"Now, get lost!"

He looked at the trembling woman on the ground and said with disgust, "Take this woman and get lost."

Gong Zeli's words were harsh.

He didn't take Su Ze seriously at all.

But Su Ze didn't dare to lose his temper.

More and more people started discussing among themselves.

Su Ze was embarrassed.

He glared at Gong Zeli.

“What are you looking at? Scram!” Gong Zeli’s expression darkened. “Do you want me to get someone to ‘invite’ you to leave?”

He said “invite”, but how could Su Ze not know the true meaning behind it?

He looked down at the woman trembling by his feet and about to pass out from fear. A hint of disgust flashed past his eyes. He clenched his teeth and took a deep breath before unwillingly helping the woman up.

Before leaving, he took a long look at Qiao Mianmian.

He couldn’t hide his anger and jealousy.

“Qiao Mianmian, you’ll regret it.” He gritted his teeth. “I’ll wait for the day you regret it. When that time comes, you’ll know how wrong your choice was.”

With that, he left with the woman beside him.

Gong Zeli looked at Qiao Mianmian and left.

The crowd dispersed as well.

Linda watched as Gong Zeli left.

She suddenly felt that the rumors online might not be completely false.

Saying that Qiao Mianmian was Gong Zeli’s lover was definitely a lie.

Qiao Mianmian didn’t even treat him as a friend.

But Gong Zeli...

#### **Chapter 1047: You Haven’t Answered Me, What’s With Your Face?**

Her intuition told her that Gong Zeli wasn’t that simple with Qiao Mianmian.

It wasn’t because he stood up for Qiao Mianmian.

But the way he looked at her...

It wasn’t normal.

But Linda wouldn’t tell Qiao Mianmian that.

In the past, she didn’t know Mo Yesi’s true identity, but now that she knew, some things couldn’t be said.

Linda looked up at Qiao Mianmian’s exquisite and beautiful face and wasn’t too surprised that Gong Zeli had feelings for her.

With such a beautiful face and age, who wouldn’t like her?

Even the Second Young Master of the Mo family, who never got close to women, liked her, so it wasn’t surprising that the Young Master of the Gong family liked her too.

But given the relationship between the Young Master of the Gong family and the Second Young Master of the Mo family, it might affect their friendship if they fell in love with the same woman.

Mo Yesi called shortly after Gong Zeli left.

Qiao Mianmian picked it up.

Mo Yesi asked her, "Where are you? I'm already at the restaurant, why don't I see you?"

Qiao Mianmian touched her swollen cheek and hesitated for a while before giving him her location.

A few minutes later, Mo Yesi came over.

Linda was waiting with Qiao Mianmian. When she saw Mo Yesi, her mood changed completely.

She was already in awe of him when she didn't know his true identity.

Now that she knew Mo Yesi's true identity, she felt even more respect for him.

When Mo Yesi walked over, she called out respectfully, "Mr. Mo."

Mo Yesi nodded slightly in response.

He only looked at Linda for a second before turning to Qiao Mianmian. He glanced at the side of her face and frowned.

He reached out to pull her hand away. "What's wrong with your face?"

Seeing the handprint on Qiao Mianmian's face, the man's eyes turned cold. "Who hit you?"

Qiao Mianmian knew it.

She sighed lightly. "It's because of a misunderstanding. Now that the matter has been resolved, are you hungry? Let's go eat now."

Mo Yesi stood still and stared at the fingerprint on her face. "You haven't answered me. What's with your face? Who hit you?"

"I'm really fine. I..."

Mo Yesi turned to look at Linda and said coldly, "You've been with her all this while. Tell me, what happened to her face?"

"This, Mr. Mo..." Linda looked at Qiao Mianmian hesitantly.

"It's fine if she doesn't want to say it, but you won't? She's an artiste under you, and she was bullied when she was with you. Do you want me to hold you accountable as a manager?"

"Mr. Mo..." Linda was shocked and immediately told him what happened.

Mo Yesi's expression darkened.

"Su Ze's woman did this?" He looked at Qiao Mianmian with a storm brewing in his eyes.

**Chapter 1048: I'm Scared Everytime You Act Like This**

“Yes.” Linda nodded. “That woman seems to be Su Ze’s new partner. Initially, Su Ze refused to let go of Mianmian and kept pestering her. But his new partner mistook it for Mianmian clinging onto Su Ze, so she made a move. When she suddenly rushed over, we didn’t have time to react.”

Linda hated Su Ze to the core.

Hence, if she could bring him down, she wouldn’t be merciful.

Seeing that Mo Yesi’s expression was getting colder and darker, she added fuel to the fire. “Su Ze is really shameless. Back then, he betrayed Mianmian and broke up with her. Now, he actually wants to go back and harass Mianmian again and again. Mr. Mo, you don’t know how disgusting he is. He said so many things to insult Mianmian.

“But he was also slapped in the face by Young Master Gong. In front of Young Master Gong, he was as cowardly as a grandson. He didn’t even dare to let out a single fart. It was so satisfying to see him like that, hahaha.”

“Young Master Gong, are you talking about Gong Zeli? He was here just now?” Mo Yesi frowned.

“Yes, Young Master Gong...” Linda stopped mid-sentence.

She realized that she’d said something she shouldn’t have.

“Erm... Mr. Mo, Mianmian, I have something to attend to, so I’ll take my leave first. I won’t disturb your time together.” Linda felt the man’s pressure getting lower and lower, and decided to leave first.

“Mianmian, call me if you need anything.” Linda made a hand gesture and then got a cab.

Mo Yesi’s expression was still dark.

Qiao Mianmian stood beside him and felt his cold aura. She bit her lip and hesitated for a while before tugging his sleeve. “Are you still angry? Is it because of Su Ze? I didn’t expect to meet him here.”

Mo Yesi looked at her coldly. “You think I’m angry because of Su Ze?”

“Isn’t it?” Qiao Mianmian touched her swollen face and looked up at his face. After hesitating for a few seconds, she asked softly, “Or are you angry because I was hit?”

Mo Yesi pursed his lips and didn’t say anything. His gaze landed on the place where she was hit, and his eyes darkened.

“Mo Yesi, y-you have to talk to me.” Qiao Mianmian tugged his sleeve again. “Why are you angry? Tell me.

“I feel afraid every time you look like this.”

“I’m not angry at you.” Mo Yesi sighed and turned around to hug her.

He caressed her cheek gently and carefully. “I was just thinking that I wasn’t by your side when you were hurt. I didn’t protect you well and let you be bullied time and time again. I’m really not a good husband.”

“It’s not your fault.” Qiao Mianmian hugged him too. “And I returned the slap. Don’t worry, I won’t let myself suffer.”

“But you were slapped.” Mo Yesi recalled what Linda told and said coldly, “How can you just return a slap? I’ll make that woman pay.”

#### **Chapter 1049: Try to Minimize Contact With Him in the Future**

“Mo Yesi, you don’t have to...”

“You don’t have to bother about this anymore.” Mo Yesi cut her off forcefully. “I know what to do. You’re my wife, the Second Young Madam of the Mo family. If we just let this pass, I won’t agree to it. No one in the Mo family will agree to it.

“This concerns the Mo family’s reputation.”

Qiao Mianmian was speechless.

Alright.

He’d already made it sound so serious, it didn’t seem right to not let him do anything.

“Fourth Bro was here just now?” Mo Yesi recalled his call with Gong Zeli and clenched his fist.

Qiao Mianmian didn’t know what he was thinking and nodded. “Mm, he happened to pass by here too.”

“Your manager said that he took care of Su Ze. Is that true? How did he do it?”

Qiao Mianmian didn’t think much of it before, but now she felt that something was amiss. She looked up at him and hesitated for a while before saying, “Nothing much, he just helped me out on account of our friendship.”

“Is that so?” Mo Yesi narrowed his eyes. His expression didn’t change, but his eyes darkened as he snorted. “Speaking of which, the last time Su Ze pestered you, it was Fourth Bro who helped resolve it. This time too.

“What a coincidence.”

He said it casually, but Qiao Mianmian knew him well. She could tell that he was jealous again.

The corners of her lips twitched. “Yes, it’s a coincidence. I didn’t expect it.”

“I didn’t know this guy liked to poke his nose into other people’s business,” Mo Yesi casually said. “It seems like I don’t know him well enough.”

Qiao Mianmian was speechless.

She knew it!

Mo Yesi was getting jealous again.

She was a little speechless. “He wasn’t being nosy, right? I’m your wife. When he saw his brother’s wife being bullied, didn’t he come out to help? If he didn’t do anything, wouldn’t you blame him?”

“You don’t understand him.” Mo Yesi pursed his lips and kept quiet for a while. “He wasn’t like this in the past. Anyway, what he’s doing now is different from before. You don’t like him, anyway. So, try not to interact with him in the future.”

Qiao Mianmian was speechless.

She realized that he wanted her to interact less with all the men around her.

The only person who hadn’t made him jealous yet was Qiao Chen.

He seemed to be more tolerant of him.

At least he wouldn’t be jealous.

Was it because he knew that Qiao Chen was her younger brother and couldn’t possibly develop a relationship with her?

But if he was jealous of even Qiao Chen, Qiao Mianmian would be speechless.

“Alright, alright, I got it. Are you hungry? Let’s go eat? Didn’t you say you were bringing me to a very good restaurant? I didn’t eat anything just now, I was just waiting to eat with you.”

Mo Yesi pursed his lips and gently touched the place where she’d been hit. “Does it still hurt? Let’s go to the pharmacy first. I have to take care of the swelling on your face.”

With that, he looked around and saw a pharmacy on the opposite street. He pulled Qiao Mianmian along and headed over.

“Mo Yesi, you don’t have to do that. I’ll be fine tomorrow.”

### **Chapter 1050: Make Her as Happy as Possible**

The man ignored her and continued walking.

They went back to his car.

Mo Yesi rolled up the window, opened a tube of medicine, and carefully applied it on her face.

“Ouch.” His actions were gentle enough, but Qiao Mianmian still frowned in pain.

Mo Yesi immediately stopped and asked nervously, “Did I hurt you?”

“Thankfully, it doesn’t hurt so much now.”

The moment the ointment was applied, it hurt a little. But soon, Qiao Mianmian felt that her face was cold and the pain eased a lot.

“Then, I’ll continue?”

“Mm.”

Mo Yesi picked up the cotton swab and continued to wipe the red and swollen areas on her face. He was even more gentle and careful with his actions.

It was as if he was treating a precious gem.

His eyes were full of love.

After applying the ointment, he cupped her face again and said, "The swelling should subside tomorrow. I'll do it again before you sleep."

"Mm." Qiao Mianmian nodded. She smiled and said casually, "I'm not in pain anymore. This medicine is cool and comfortable."

Mo Yesi looked at her silently.

"Alright, alright. I'm really fine now. Let's go eat, alright? It's already so late, aren't you hungry?"

"Mm, let's go eat." Mo Yesi kept quiet for a few more seconds before rubbing her head. "After we're done eating, do you want to watch a movie? Or do you want to do something else? Anyway, no matter what you want to do, I'll accompany you."

"Watch a movie?" Qiao Mianmian thought for a while and nodded. "Mm, then I'll pick a good movie later. We'll watch it after dinner."

Some overseas blockbusters were rather popular recently.

Qiao Mianmian thought that she could go with Mo Yesi later.

"Besides watching a movie?" Mo Yesi was silent for a while before saying, "Do you want to do something else?"

He wanted to have a good date with Qiao Mianmian.

But besides eating, watching movies, and shopping, he didn't know how to date.

He looked it up online. It seemed like this was how ordinary people usually went on dates.

But he felt that it was too boring for her to eat, watch movies, and shop every time.

She was still young and romantic.

He was afraid that she would feel too bored with him.

He didn't know how boys her age would date girls.

He was six years older than her.

Although he wasn't that old, he was much older than her.

He was afraid of the generation gap between them.

He wanted to make her happy as much as possible.

So that she would feel that being with him was a wonderful thing.

"Other things?" Qiao Mianmian was stunned. She thought for a while and shook her head. "I haven't thought about it yet. Do you not want to watch a movie, or do you want to do something else? Actually, I don't have to watch a movie."

“No.” Mo Yesi pursed his lips and sighed. “I’ll do as you wish. I’ll do whatever you like. Mianmian, I’m afraid you’ll feel bored. Do you find it boring to go on a date with me?”

“How could that be?”
